The findings of the Proposal Evaluation Committee are summarized as follows:

The Proposal Evaluation Committee applied the Sourcewell RFP evaluation criteria and determined that all proposal responses met the scope and mandatory submittal requirements and were evaluated.

ASH North America, Inc., dba Aebi Schmidt North America and M-B Companies, Inc., manufactures a variety of asphalt broom attachments and pavement marking equipment. Their “flush on the fly system” increases operator safety and productivity. The Aebi Schmidt North America and M-B Companies organization operates with a sizeable sales staff, over 100 dealers, and a dedicated field service team to serve Sourcewell participating entities across the United States and Canada. They are offering Sourcewell participating entities competitive discounts from list pricing.

Cimline, Inc., offers a large selection of crack sealers, mastic patchers and spray patchers. They also provide equipment operation and service training, either directly or from a servicing dealer, free of charge within the continental U.S. and Canada. The expansive Cimline dealer network is supported by an internal sales staff and customer care team to meet the sales and service needs of Sourcewell participating entities. They offer solid pricing discounts with additional savings available on quantity purchases.

Crafco, Inc., is the manufacturer of crack sealants, mastic and patching products and an authorized distributor of related products and equipment. Crafco sales and service are delivered by a mix of distributors, their own supply centers and manufacturing plants locations geographically dispersed across the U.S. and Canada. They offer a range of sizeable discounts from list pricing to Sourcewell participating entities.

Keizer Morris International, Inc., provides numerous infrared asphalt recyclers, asphalt milling recyclers, mastic machines and hotbox patchers. Keizer Morris is ready to serve Sourcewell participating entities throughout the United States and Canada utilizing their distributor and dealer network along with internal sales and service forces. They are offering a range of competitive discounts from MSRP rates.

PB Loader Corporation offers a selection of pothole patching and truck mounted emulsion spray systems, along with complementary equipment. They offer free operator and maintenance training to end users. PB Loader has a direct sales staff and a dealer network with 44 locations across the United States and Canada to serve Sourcewell participating entities. Their pricing reflects solid discounts off MSRP with quantity purchase discounts available.

Vogel Traffic Services, Inc., dba EZ Liner, offers a large selection of pavement marking equipment. EZ Liner is a registered small-business enterprise and also a frequent partner with other SBEs. EZ Liner will serve participating entities directly through their team of territory sales managers. Their pricing represents a range of considerable discounts by product category for Sourcewell participating entities.

Cimline, Inc.	#080521-CME
