New eComment for City Council on 2022-01-13 9:00 AM - Regular Meeting

Josefa Vega submitted a new eComment.

Meeting: City Council on 2022-01-13 9:00 AM - Regular Meeting

Item: 1.-D. ID 22-98 Ordinance (for introduction) - Amending Administrative Abatement, FMC section 10-616, to clarify limits on access to restricted areas where abatements are taking place.

eComment: This proposed ordinance targets the unhoused and advocates seeking to provide direct assistance to community members. With PC148g already enforced introducing this ordinance that so aggressively targets those seeking to help people speaks to the true priorities of the city of Fresno which are further funding policing and enforcement when that money can be better spent to serve the very population negatively impacted.

Subject: Treatment of homeless advocates. Council Meeting 1/13/21/ Agenda items 1-FF and 1-D

I would be at the City Council meeting if I could. Hopefully my comments will be considered. I've been involved in a private citizen's effort to help the homeless for many years. And along the way I've met many others who are trying to help. Example Dez Martinez. And I've always thought that if the city, county, and organizations like FMCOC would support in as many ways possible anyone who is making efforts to house and otherwise help homeless folks, it would be an effective way to reduce the heartbreak of homelessness. A related matter is the plethora of vacant homes and other types of property that are sitting unused. An easy solution: tax the owners as an incentive to put these properties into the inventory of housing available.
