Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Unit at the latest by Monday, August 1, 2022 5:00 P.M.

The Engineer's Estimate for this expenditure is \$1,952,300. The contract price is 13.4% above the Engineer's Estimate. If the overage is greater than 10% or only one bid was received, give explanation: The project received two bids that were above the engineer's estimate. The construction industry is experiencing significant cost increases for material and labor, along with delays for material acquisition. Given the current market conditions and market uncertainty, staff is recommending awarding the project.

**BACKGROUND OF PROJECT** (To be completed by Evaluating Department/ Division. Explain need for project/equipment): This project will be installing three traffic signals and one traffic signal modification near three Midtown Fresno Elementary Schools and one Community College to increase safety and provide multimodal options for the surrounding community. The project also includes curb ramp upgrades and sidewalk installation.
