**Subject:** RE: Neighborhood Meeting  
**Date:** Tuesday, August 30, 2022 1:18:32 PM

---

12 people attended NO concerns at all. Manco Abbott representatives of the apartments next door to the west, and Lance Kashian, Tingey and some neighbors attended. **All in support** did not want hi density multifamily. Outreach meeting was held at Westwoods on October 14, 2019. Mr. Fansler was in attendance. I think 4 people wrote letters of support that were previously sent to city staff.
