Record Retention and Reporting Requirements

The SUBRECIPIENT must retain records in accordance 24 CFR Subpart F – Grant Administration, § 570.506, Records to be Maintained and § 570.507 Reportings.

HUD requires recipients to report the uses of CDBG-CV funding in their Consolidated Annual Performance and Evaluation Report (CAPER). Quarterly and Annual reporting from the SUBRECIPIENT to the City is mandatory to meet this requirement.

The CITY's quarterly reporting requirements are described within this Agreement and the report form is attached as Exhibit G.

Monitoring

The SUBRECIPIENT must monitor any and all subawards to subrecipients in accordance with U.S Department of Housing and Urban Development ("HUD") requirements. The SUBRECIPIENT is further encouraged to use HUD CPD Monitoring Handbook - 6509.2 REV-7, CHG-1. In conducting their monitoring reviews

The SUBRECIPIENT acknowledges that the CITY is required to periodically

monitor the SUBRECIPIENT's delivery of the subject CDBG-CV funding. The CITY will utilize the guidance in HUD CPD Monitoring Handbook - 6509.2 REV-7, CHG-1 as well as 24 CFR 570, 2 CFR 200 and this Agreement when conducting on-site and desk monitoring reviews.

Progressive Expenditure Deadlines and Recapture Provisions

To ensure CDBG-CV funds are spent quickly on eligible activities to address the public health and economic crises caused by coronavirus, HUD is requiring that the CITY complete eligible reimbursement draw-downs from the U.S. Treasury within 90 days of the last day of the applicable progressive expenditure deadline cycle. To ensure that the CITY meets this HUD requirement, the CITY has set forth a Spending Plan by Progressive Expenditure Deadline, which is included in EXHIBIT C to this Agreement, and a reimbursement request and accomplishment data processing schedule that may be found in TABLE 1 below and more fully described in subsequent narrative.

TABLE 1

A. Progressive Expenditure Deadline - Percentage of Grant Award	B. Expenditure Cycle Ending:	C. Request for Reimbursement Packet and Accomplishment Data Submitted by SUBRECIPIENT to CITY By/Before	D. SUBRECIPIENT Reimbursement and Data Packet Deficiencies Cured By/Before:	E. CITY Uploads Accomplishment Data into HUD Reporting System By/Before	F. CITY Completes HUD IDIS Drawdown By/Before:
80%	Dec. 31, 2023	Jan. 31, 2024	Feb. 28, 2024	Jan. 31, 2024	Mar. 31, 2024
100%	Mar. 01, 2024	Apr. 30, 2024	May 31, 2024	Apr. 30, 2024	Jun. 30, 2024

Consistent with Table 1 and HUD and CITY requirements, the City will recapture:

i) recapture any expenditure shortfall up to 80 percent (80%) of the SUBRECIPIENTs total CDBG-CV award should the SUBRECIPIENT not request by January 31, 2024 reimbursement for eligible and allowed costs for at least 80% of expended eligible and allowed costs under the CDBG-CV award for the expenditure cycle ending December 31, 2023; ii) recapture the expenditure shortfall up to 100 percent of the SUBRECIPIENTs total CDBG-CV award should the SUBRECIPIENT not request by April 30, 2024 reimbursement for eligible and allowed costs for at least 100% of expended eligible and allowed costs under the CDBG-CV award for the expenditure cycle ending March 31, 2024. These periods and reimbursement request due dates are summarized in Table 1, Columns A, B, and C, above

In the event the CITY determines that a reimbursement request or portions thereof are eligible for reimbursement, but inadequately supported, the CITY may provide the SUBRECIPIENT additional time to correct and cure the

reimbursement request defect by providing additional supporting documentation. The period for curing documentation defects for draws in a particular expenditure deadline cycle shall expire on the respective dates provided in Column D of Table 1 in this Exhibit. Shall the defect not be fully cured by the cure expirations date, the costs associated with the defect will be disallowed. In the event the disallowed costs result in the total reimbursement for the expenditure cycle falling short of the amount required for the meeting the cycle's progressive expenditure deadline amount as provided in EXHIBIT C, the CITY will recapture the amount of the expenditure shortfall for the cycle.

Should any of the required policies provide that the defense costs are paid within the Limits of Liability, thereby reducing the available limits by any defense costs, then the requirement for the Limits of Liability of these policies will be twice the above stated limits.

The fact that insurance is obtained by SUBRECIPIENT shall not be deemed to release or diminish the liability of SUBRECIPIENT, including, without limitation, liability under the indemnity provisions of this Agreement. The policy limits do not act as a limitation upon the amount of indemnification to be provided by SUBRECIPIENT. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of SUBRECIPIENT, its principals, officers, agents, employees, persons under the supervision of

All non-ISO endorsements amending policy coverage shall be executed by a licensed and authorized agent or broker. Upon request of CITY, SUBRECIPIENT shall immediately furnish City with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. (B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor

or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR §401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

(G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

(H) Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

(I) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive

Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

(J) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award of \$100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.
