EXECUTIVE SUMMARY

The Workers' Compensation Alternative Dispute Resolution Agreement between the City and the Fresno Police Officers Association (FPOA) includes the services of an Ombudsperson. Since inception of the Alternative Dispute Prevention program, Mariotto Resolutions has provided ombudsperson services.

BACKGROUND

In June 2015, the City Council approved the Workers' Compensation Alternative Dispute Prevention and Resolution Agreement between the City and the Fresno Police Officers Association (FPOA). The program includes the services of an Ombudsperson whose role is to provide aid, counsel and advocacy for the injured union member. The Ombudsperson's mission is to take care of the injured employee's needs so that it is less necessary for injured employees to retain legal counsel. The Ombudsperson's ability to establish credibility with the workforce is essential in order to reduce litigation and maximize program performance. engages all parties to proactively identify and prevent disputes, as well as identify and implement solutions that will facilitate advancement of a claim, and to ensure that injured employees are receiving care and benefits to which they are entitled. The Ombudsperson considers the concerns of the City and the injured employee to establish common interests so that disputes may be prevented and efficiently resolved within the program.

Mariotto Resolutions has provided the ombudsperson services since the inception of the program and the program has seen desired results in expediting medical treatment, reducing litigation rates, and having a faster return to work for injured employees.

It is recommended that City of Fresno enter into an agreement for professional consulting services for the Alternative Dispute Resolution program with Mariotto Resolutions effective 10/1/2021 to 6/30/2022.
