Subject: Opposition to Shaw & Glenn 5 story apartment building  
Reply-To: d-c-claes@att.net

Mayor Dyer;

Please opposed to the 5-story housing unit proposed to be built at Shaw & Glenn. A 5-story building is too tall for this area that is near to single family homes. It would exceed the height of other buildings in the area. The impact of 128 apartments described on the area is extremely destructive. Only having parking 64 vehicles would cause vehicles associated to the unit to park on the streets near the housing unit impacting private residents and businesses.

Cordially yours;  
Dale E. Claes
