Briefly explain why are you interested in serving on this board or commission?

I believe that one of the keys to a thriving community are humans that have a sense of agency, belonging, capability, and significance in the workforce and I want to do my part to support mine.

Educational background, Schools Attended, Degrees and Certifications

Bachelors of Science, Kinesiology from Fresno State University Associates, Business, from Fresno City College

Briefly explain your qualifications or areas of demonstrated expertise for this board or commission.

10 years ago co-founded an Education Technology company that helps learners of all ages develop Social Emotional competencies which are key components of skills needed in the workforce. To date, with our partners, we have equipped over 1M learners nationwide with skills to navigate their career exploration, job acquisition, and workplace engagement (ie: happiness). Previous to this, I spent 15 years in a Fresno-based Staffing and Human Resources organization, working my way up from receptionist to Vice President.

Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?☒ Yes ☐ No

Summary

I get excited when others find value in their life experiences. My 20+ years in workforce development has shown me how to use human focused design skills and social emotional learning to work with school districts, workforce investment boards, and tribal groups across the nation to build a better world.
