

**SERVICE AGREEMENT
CITY OF FRESNO, CALIFORNIA**

THIS AGREEMENT (Agreement) is made and entered into, effective on _____, by and between the CITY OF FRESNO, a California municipal corporation (City), and ELEVATE COMMUNITY SERVICES, INC., Non-Profit Corporation (Service Provider).

RECITALS

WHEREAS, the City desires to obtain professional triage center/emergency shelter services for Villa Motel (Property) located 817 N. Parkway Drive (Project); and

WHEREAS, Service Provider is engaged in the business of furnishing such services as a triage center/emergency shelter and hereby represents that it desires to and is professionally and legally capable of performing the services called for by this Agreement; and

WHEREAS, Service Provider acknowledges that this Agreement is subject to the requirements of Fresno Municipal Code Section 4-107; and

WHEREAS, this Agreement will be administered for City by its Planning and Development Director (Administrator) or designee.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing and of the covenants, conditions, and premises hereinafter contained to be kept and performed by the respective parties, it is mutually agreed as follows:

1. Scope of Services. Service Provider shall perform to the satisfaction of City the services described in **Exhibit A**, including all work incidental to or necessary to perform, such services even though not specifically described in **Exhibit A**.
2. Term of Agreement and Time for Performance. This Agreement shall be effective from the date first set forth above (Effective Date) and shall continue in full force and effect through March 31, 2026, subject to any earlier termination in accordance with this Agreement. The Agreement may be extended upon available funding, for up to two (2), one-year extensions upon mutual written agreement of the parties. A written request for extension must be submitted by the requesting party 30 days prior to term date above. The services of Service Provider as described in **Exhibit A** are to commence upon the Effective Date and shall be completed in a sequence assuring expeditious completion, but in any event, all such services shall be completed prior to expiration of this Agreement and in accordance with any performance schedule set forth in **Exhibit A**.
3. Compensation.
 - (a) Service Provider's sole compensation for satisfactory performance of all services required or rendered pursuant to this Agreement and shall not exceed \$1,299,998.00, paid on the basis of the rates set forth in the schedule of fees and expenses contained in **Exhibit B**. Such fee includes all expenses incurred by Service Provider in performance of the services.

- (b) Detailed statements shall be rendered monthly for services performed in the preceding month and will be payable in the normal course of City business. City shall not be obligated to reimburse any expense for which it has not received a detailed invoice with applicable copies of representative and identifiable receipts or records substantiating such expense.
- (c) The parties may modify this Agreement to increase or decrease the scope of services or provide for the rendition of services not required by this Agreement, which modification shall include an adjustment to Service Provider's compensation. Any change in the scope of services must be made by written amendment to the Agreement signed by an authorized representative for each party. Service Provider shall not be entitled to any additional compensation if services are performed prior to a signed written amendment.

4. Termination, Remedies, and Force Majeure.

- (a) This Agreement shall terminate without any liability of City to Service Provider upon the earlier of : (i) Service Provider's filing for protection under the federal bankruptcy laws, or any bankruptcy petition or petition for receiver commenced by a third party against Service Provider; (ii) seven calendar days' prior written notice with or without cause by City to Service Provider; (iii) City's non-appropriation of funds sufficient to meet its obligations hereunder during any City fiscal year of this Agreement, or insufficient funding for the Project; or (iv) expiration of this Agreement.
- (b) Immediately upon any termination or expiration of this Agreement, Service Provider shall (i) immediately stop all work hereunder; (ii) immediately cause any and all of its subcontractors to cease work; and (iii) return to City any and all unearned payments and all properties and materials in the possession of Service Provider that are owned by City. Subject to the terms of this Agreement, Service Provider shall be paid compensation for services satisfactorily performed prior to the effective date of termination. Service Provider shall not be paid for any work or services performed or costs incurred which reasonably could have been avoided.
- (c) In the event of termination due to failure of Service Provider to satisfactorily perform in accordance with the terms of this Agreement, City may withhold an amount that would otherwise be payable as an offset to, but not in excess of, City's damages caused by such failure. In no event shall any payment by City pursuant to this Agreement constitute a waiver by City of any breach of this Agreement which may then exist on the part of Service Provider, nor shall such payment impair or prejudice any remedy available to City with respect to the breach.
- (d) Upon any breach of this Agreement by Service Provider, City may (i) exercise any right, remedy (in contract, law or equity), or privilege which may be available to it under applicable laws of the State of California or any other applicable law; (ii) proceed by appropriate court action to enforce the terms of the Agreement; and/or (iii) recover all direct, indirect,

consequential, economic and incidental damages for the breach of the Agreement. If it is determined that City improperly terminated this Agreement for default, such termination shall be deemed a termination for convenience.

- (e) Service Provider shall provide City with adequate written assurances of future performance, upon Administrator's request, in the event Service Provider fails to comply with any terms or conditions of this Agreement.
- (f) Service Provider shall be liable for default unless nonperformance is caused by an occurrence beyond the reasonable control of Service Provider and without its fault or negligence such as, acts of God or the public enemy, acts of City in its contractual capacity, fires, floods, epidemics, quarantine restrictions, strikes, unusually severe weather, and delays of common carriers. Service Provider shall notify Administrator in writing as soon as it is reasonably possible after the commencement of any excusable delay, setting forth the full particulars in connection therewith, and shall remedy such occurrence with all reasonable dispatch, and shall promptly give written notice to Administrator of the cessation of such occurrence.

5. Confidential Information and Ownership of Documents.

- (a) Any reports, information, or other data prepared or assembled by Service Provider pursuant to this Agreement shall not be made available to any individual or organization by Service Provider without the prior written approval of the Administrator. During the term of this Agreement, and thereafter, Service Provider shall not, without the prior written consent of City, disclose to anyone any Confidential Information. The term Confidential Information for the purposes of this Agreement shall include all proprietary and confidential information of City, including but not limited to business plans, marketing plans, financial information, materials, compilations, documents, instruments, models, source or object codes and other information disclosed or submitted, orally, in writing, or by any other medium or media. All Confidential Information shall be and remain confidential and proprietary in City.
- (b) Any and all writings and documents prepared or provided by Service Provider pursuant to this Agreement are the property of City at the time of preparation and shall be turned over to City upon expiration or termination of the Agreement. Service Provider shall not permit the reproduction or use thereof by any other person except as otherwise expressly provided herein.
- (c) If Service Provider should subcontract all or any portion of the services to be performed under this Agreement, Service Provider shall cause each subcontractor to also comply with the requirements of this Section 5.
- (d) This Section 5 shall survive expiration or termination of this Agreement.

6. Level of Skill. It is further mutually understood and agreed by and between the parties hereto that inasmuch as Service Provider represents to City that Service Provider and its subcontractors, if any, are skilled in the profession and shall

perform in accordance with the standards of said industry necessary to perform the services agreed to be done by it under this Agreement, City relies upon the skill of Service Provider and its subcontractors, if any, to do and perform such services in a skillful manner and Service Provider agrees to thus perform the services and require the same of any subcontractors. Therefore, any acceptance of such services by City shall not operate as a release of Service Provider or any subcontractors from said industry and professional standards.

7. Indemnification. To the furthest extent allowed by law, Service Provider shall indemnify, hold harmless and defend City and each of its officers, officials, employees, agents, and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by City, Service Provider or any other person, and from any and all claims, demands and actions in law or equity (including reasonable attorney's fees, litigation expenses and cost to enforce this Agreement), arising or alleged to have arisen directly or indirectly out of performance of this Agreement. Service Provider's obligations under the preceding sentence shall apply regardless of whether City or any of its officers, officials, employees, agents, or volunteers are negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused solely by the gross negligence, or caused by the willful misconduct, of City or any of its officers, officials, employees, agents, or volunteers.

If Service Provider should subcontract all or any portion of the work to be performed under this Agreement, Service Provider shall require each subcontractor to indemnify, hold harmless and defend City and each of its officers, officials, employees, agents, and volunteers in accordance with the terms of the preceding paragraph.

This section shall survive termination or expiration of this Agreement.

8. Insurance.
- (a) Throughout the life of this Agreement, the Service Provider shall pay for and maintain in full force and effect all insurance as required in **Exhibit C**, which is incorporated into and part of this Agreement, with an insurance company(ies) either (i) admitted by the California Insurance Commissioner to do business in the State of California and rated no less than "A-VII" in the Best's Insurance Rating Guide, or (ii) as may be authorized in writing by the City's Risk Manager or designee at any time and in its sole discretion. The required policies of insurance as stated in **Exhibit C** shall maintain limits of liability of not less than those amounts stated therein. However, the insurance limits available to the City, its officers, officials, employees, agents, and volunteers as additional insureds, shall be the greater of the minimum limits specified therein or the full limit of any insurance proceeds to the named insured.
- (b) If at any time during the life of the Agreement or any extension, the Service Provider or any of its subcontractors/sub-Service Providers fail to maintain

any required insurance, all services and work under this Agreement shall be discontinued immediately, and all payments due, or that become due, to the Service Provider shall be withheld until insurance is in compliance with the requirements. Any failure to maintain the required insurance shall be sufficient cause for the City to terminate this Agreement. No action taken by the City pursuant to this section shall in any way relieve the Service Provider of its responsibilities under this Agreement. The phrase "fail to maintain any required insurance" shall include, without limitation, notification received by the City that an insurer has commenced proceedings, or has had proceedings commenced against it, indicating that the insurer is insolvent.

- (c) The fact that insurance is obtained by the Service Provider shall not be deemed to release or diminish the liability of the Service Provider, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify the City shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by the Service Provider. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of the Service Provider, its principals, officers, agents, employees, persons under the supervision of the Service Provider, vendors, suppliers, invitees, Service Providers, sub-Service Providers, subcontractors, or anyone employed directly or indirectly by any of them.

9. Conflict of Interest and Non-Solicitation.

- (a) Prior to City's execution of this Agreement, Service Provider shall complete a City of Fresno conflict of interest disclosure statement in the form as set forth in Exhibit D. During the term of this Agreement, Service Provider shall have the obligation and duty to immediately notify City in writing of any change to the information provided by Service Provider in such statement.
- (b) Service Provider shall comply, and require its subcontractors to comply, with all applicable (i) professional canons and requirements governing avoidance of impermissible client conflicts; and (ii) federal, state, and local conflict of interest laws and regulations including, without limitation, California Government Code Section 1090 et. seq., the California Political Reform Act (California Government Code Section 87100 et. seq.) and the regulations of the Fair Political Practices Commission concerning disclosure and disqualification (2 California Code of Regulations Section 18700 et. seq.). At any time, upon written request of City, Service Provider shall provide a written opinion of its legal counsel and that of any subcontractor that, after a due diligent inquiry, Service Provider and the respective subcontractor(s) are in full compliance with all laws and regulations. Service Provider shall take, and require its subcontractors to take, reasonable steps to avoid any appearance of a conflict of interest. Upon discovery of any facts giving rise to the appearance of a conflict of interest, Service Provider shall immediately notify City of these facts in writing.

- (c) Consultant's duties and services under this Agreement shall not include preparing or assisting the City with any portion of the City's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the City. The City entering this Agreement shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this Project. Consultant's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. Consultant shall cooperate with the City to ensure that all bidders for a subsequent contract on any subsequent phase of this Project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by Consultant pursuant to this Agreement.
 - (d) In performing the work or services to be provided hereunder, Service Provider shall not employ or retain the services of any person while such person either is employed by City or is a member of any City council, commission, board, committee, or similar City body. This requirement may be waived in writing by the City Manager, if no actual or potential conflict is involved.
 - (e) Service Provider represents and warrants that it has not paid or agreed to pay any compensation, contingent or otherwise, direct or indirect, to solicit, or procure this Agreement or any rights/benefits hereunder.
 - (f) Service Provider and any of its subcontractors shall have no interest, direct or indirect, in any other contract with a third party in connection with this Project unless such interest is in accordance with all applicable law and fully disclosed to and approved by the City Manager, in advance and in writing. Notwithstanding any approval given by the City Manager under this provision, Service Provider shall remain responsible for complying with Section 9(a), above.
 - (g) If Service Provider should subcontract all or any portion of the work to be performed or services to be provided under this Agreement, Service Provider shall include the provisions of this Section 9 in each subcontract and require its subcontractors to comply therewith.
 - (h) This Section 9 shall survive expiration or termination of this Agreement.
10. Recycling Program. In the event Service Provider maintains an office or operates a facility(ies), or is required herein to maintain or operate same, within the incorporated limits of the City of Fresno, Service Provider at its sole cost and expense shall:
- (a) Immediately establish and maintain a viable and ongoing recycling program, approved by City's Solid Waste Management Division, for each office and facility. Literature describing City recycling programs is available from City's Solid Waste Management Division and by calling City of Fresno Recycling Hotline at (559) 621-1111.

- (b) Immediately contact City's Solid Waste Management Division at (559) 621-1452 and schedule a free waste audit and cooperate with such Division in their conduct of the audit for each office and facility.
- (c) Cooperate with and demonstrate to the satisfaction of City's Solid Waste Management Division the establishment of the recycling program in paragraph (a) above and the ongoing maintenance thereof.

11. General Terms.

- (a) Except as otherwise provided by law, all notices expressly required of City within the body of this Agreement, and not otherwise specifically provided for, shall be effective only if signed by the Administrator or designee.
- (b) Records of Service Provider's expenses pertaining to the Project shall be kept on a generally recognized accounting basis and shall be available to City or its authorized representatives upon request during regular business hours throughout the life of this Agreement and for a period of three years after final payment or, if longer, for any period required by law. In addition, all books, documents, papers, and records of Service Provider pertaining to the Project shall be available for the purpose of making audits, examinations, excerpts, and transcriptions for the same period of time. If any litigation, claim, negotiations, audit or other action is commenced before the expiration of said time period, all records shall be retained and made available to City until such action is resolved, or until the end of said time period whichever shall later occur. If Service Provider should subcontract all or any portion of the services to be performed under this Agreement, Service Provider shall cause each subcontractor to also comply with the requirements of this paragraph. This Section 11(b) shall survive expiration or termination of this Agreement.
- (c) Prior to execution of this Agreement by City, Service Provider shall have provided evidence to City that Service Provider is licensed to perform the services called for by this Agreement (or that no license is required). If Service Provider should subcontract all or any portion of the work or services to be performed under this Agreement, Service Provider shall require each subcontractor to provide evidence to City that subcontractor is licensed to perform the services called for by this Agreement (or that no license is required) before beginning work.

12. Nondiscrimination. To the extent required by controlling federal, state and local law, Service Provider shall not employ discriminatory practices in the provision of services, employment of personnel, or in any other respect on the basis of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Subject to the foregoing and during the performance of this Agreement, Service Provider agrees as follows:

- (a) Service Provider will comply with all applicable laws and regulations providing that no person shall, on the grounds of race, religious creed, color,

national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity made possible by or resulting from this Agreement.

- (b) Service Provider will not discriminate against any employee or applicant for employment because of race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Service Provider shall ensure that applicants are employed, and the employees are treated during employment, without regard to their race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era. Such requirement shall apply to Service Provider's employment practices including, but not be limited to, the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Service Provider agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provision of this nondiscrimination clause.
- (c) Service Provider will, in all solicitations or advertisements for employees placed by or on behalf of Service Provider in pursuit hereof, state that all qualified applicants will receive consideration for employment without regard to race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, sexual orientation, ethnicity, status as a disabled veteran or veteran of the Vietnam era.
- (d) Service Provider will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice advising such labor union or workers' representatives of Service Provider's commitment under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (e) If Service Provider should subcontract all or any portion of the services to be performed under this Agreement, Service Provider shall cause each subcontractor to also comply with the requirements of this Section 12.

13. Independent Contractor.

- (a) In the furnishing of the services provided for herein, Service Provider is acting solely as an independent contractor. Neither Service Provider, nor any of its officers, agents, or employees shall be deemed an officer, agent, employee, joint venturer, partner, or associate of City for any purpose. City

shall have no right to control or supervise or direct the manner or method by which Service Provider shall perform its work and functions. However, City shall retain the right to administer this Agreement so as to verify that Service Provider is performing its obligations in accordance with the terms and conditions thereof.

- (b) This Agreement does not evidence a partnership or joint venture between Service Provider and City. Service Provider shall have no authority to bind City absent City's express written consent. Except to the extent otherwise provided in this Agreement, Service Provider shall bear its own costs and expenses in pursuit thereof.
 - (c) Because of its status as an independent contractor, Service Provider and its officers, agents, and employees shall have absolutely no right to employment rights and benefits available to City employees. Service Provider shall be solely liable and responsible for all payroll and tax withholding and for providing to, or on behalf of, its employees all employee benefits including, without limitation, health, welfare and retirement benefits. In addition, together with its other obligations under this Agreement, Service Provider shall be solely responsible, indemnify, defend and save City harmless from all matters relating to employment and tax withholding for and payment of Service Provider's employees, including, without limitation, (i) compliance with Social Security and unemployment insurance withholding, payment of workers compensation benefits, and all other laws and regulations governing matters of employee withholding, taxes and payment; and (ii) any claim of right or interest in City employment benefits, entitlements, programs and/or funds offered employees of City whether arising by reason of any common law, de facto, leased, or co-employee rights or other theory.  - (a) This Agreement is personal to Service Provider and there shall be no assignment by Service Provider of its rights or obligations under this Agreement without the prior written approval of the City Manager or designee. Any attempted assignment by Service Provider, its successors or assigns, shall be null and void unless approved in writing by the City Manager or designee.
 - (b) Service Provider hereby agrees not to assign the payment of any monies due Service Provider from City under the terms of this Agreement to any other individual(s), corporation(s) or entity(ies). The waiver by either party of a breach by the other of any provision of this Agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of either the same or a different provision of this Agreement. No provisions of this Agreement may be waived unless in writing and signed by all parties to this Agreement. Waiver of any one provision herein shall not be deemed to be a waiver of any other provision herein.
19. Governing Law and Venue. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California, excluding, however, any conflict of laws rule which would apply the law of another jurisdiction. EXHIBIT A

SCOPE OF SERVICES **Service Agreement between City of Fresno** **and Elevate Community Services** Villa Motel Emergency Shelter

OPERATING PRINCIPLES

Operating a shelter requires the ability to remain fluid to address the complex needs of sheltered community members. As a foundation, ECS utilizes Housing First Principles to guide the processes and systems that community members interact with while in shelter. The core components of Housing First, which aim to remove barriers from entry into housing and shelter, are at the root of creating an environment where individuals can meet their basic needs and allow space to begin working on their higher-level needs. ECS has no requirement of sobriety to enter shelter and does not require individuals to participate in services during their 90 days of Emergency Shelter.

All staff are trained to support and empower individuals, recognizing their right to autonomy, and all services are participant choice. ECS Housing Case Managers and Monitors are trained in evidenced based practices including Motivational Interviewing, Harm Reduction Principles to promote wellness and recovery at the individual level. All staff are well versed in programs throughout our community that can provide recovery and substance abuse services should a client seek services, and all staff are trained on the use of Narcan.

A one size fits all approach doesn't work. Support in shelter is individualized and person-driven, case management is designed to provide linkages for whole-person care. Case Managers work with participants to identify their own individual goals and successes, utilizing SMART Goals as a tool to identify and measure progress. ECS utilizes housing focused goals to understand the barriers that may keep individuals from entering or remaining successfully housed in the future.

DIVERSION

While diversion screening is most commonly done by the access sites and the outreach team that identifies individuals to enter shelter. ECS Housing Case Managers understand that diversion can be a useful tool throughout the housing process. Each staff is trained in assessing individuals for specific diversion services through the FMCoC CES Management Entity. With a focus on resolution and understanding that each person is the expert in their own lives, ECS staff work collaboratively with the client to understand if there are natural supports that could assist with their housing crisis. If a client identifies a family or friend that is able to provide resolution to their housing crisis, ECS staff quickly link the client to the community Diversion programs.

HARM REDUCTION

Elevate Community Services understands that people experiencing homelessness may also engage in risky behavior as a coping mechanism, for recreation, in cultural practice, or for personal reasons. In order to reduce harm to individuals who engage in behaviors that place them at higher risk, ECS ensures all staff are trained in harm reduction principles. To further our commitment to supporting sheltered community members, Narcan (Naloxone) is accessible at every facility operated by ECS. Staff are well trained in the administration of Narcan to aid in the event a participant is suffering from an opioid overdose. As part of shelter services offered, individuals may be linked to higher level SUD treatment. In alignment with harm reduction, ECS developed a policy of allowing individuals who participate in syringe services to check their unused syringes in with staff for storage to be returned to individuals when they leave the site for the day.

TRAUMA INFORMED CARE

Integrating trauma-informed requires an understanding the people we serve, how staff are affected by their work, and how to create safe and nurturing environments that allow ECS to provide shelter in a trauma-informed way. Leveraging this framework is more important now than ever before as we continue to navigate the operating shelter in a post-pandemic environment.

The guiding values of Trauma Informed Care; safety, choice, collaboration, trustworthiness and empowerment, support an environment where the physical and emotional safety of an individual is centered. By providing staff with continuous learning opportunities and coaching, working relationships with community members in shelter have been strengthened.

CULTURALLY RESPONSIVE SERVICES & LANGUAGE CAPACITY

ECS values diversity, understands differences and moves to enhance services and supports to meet the unique needs of each community member living in shelter. Elevate Community Services maintains a CLAS Plan that is reviewed and updated annually to ensure best practices are fully implemented in each operation. By acknowledging the disparities that exist within systems of care in Fresno, ECS works to maintain equitable practices that uphold and celebrate culture. Staff receive continuous training on the stages of cultural understanding in order to facilitate meaningful connections with the community members served. By fostering a culturally responsive environment, ECS has been able to reduce harm to community members such as criminal justice involvement and disengagement from healthcare services.

Elevate Community Services (ECS) is committed to providing effective, efficient, and equitable service to all persons served regardless of their ability to speak, read, or write English. The ECS Limited English Proficiency Plan is designed to bridge communication barriers between staff and individuals.

Individuals with Limited English Proficiency may access ECS services through direct, in-person contact or by phone at all facilities. ECS recognizes that the most effective approach to providing high quality and efficient services for individuals with LEP is through bilingual contact employees. Elevate Community Services strives to staff each location with a diverse staff that reflects the population served. When an individual presents for services and a staff member is not available to provide services in their preferred language, The Language Line is used to provide real time, certified translation services. All staff have been provided with onboarding training on LEP policies and procedures. All program forms are available in Fresno County threshold languages.

TARGET POPULATION

Adults in the City of Fresno currently experiencing homelessness, or at imminent risk of homelessness, regardless of sexual orientation, marital status, or gender identification.

COORDINATION OF SERVICES

Priority placement in the Villa Motel shall be given to individuals experiencing homelessness referred by the City of Fresno.

NAVIGATION PROCESS

Entering shelter is a large step in many individuals’ lives, however the ultimate goal is to secure permanent housing. ECS establishes a working relationship with each individual who enters shelter and immediately begins the process of housing navigation and moving forwards a permanent housing solution.

Task	Completed By
Housing Case Manager Assigned	Day 1
Housing Plan Developed	Day 7
VISPADT Administered	Day 14
Client Placed on By Name List	Day 21
Documents Gathered	Day 30
Match Request Submitted	Day 45
Housing Match Identified & Housing Search	Day 60
Permanent Housing Move	Day 90

Throughout the navigation process, the Housing Case Manager works with the client to continue evaluating other options for safe exits including reuniting with family, affordable housing options in the community, and residential treatment programs.

Elevate Community Services, Inc. has developed a structure for services that is both comprehensive and flexible to meet the needs of each individual that is receiving services at an ECS shelter. ECS has developed timelines and procedures that ensure each individual is served in a timely manner and provided with the right level of services for their needs. As a housing focused service, the plan is centric to housing and how each step will help move the individual towards housing. Each service is provided with a goal of moving the individual towards their ability to gain and sustain permanent housing.

In alignment with the goal of gaining and sustaining permanent housing, ECS housing case managers have all completed required FMCoC trainings, which ensures that ECS shelters have the ability to be assessment sites and have full access to HMIS and the Coordinated Entry System. The team ensures all data is entered correctly within 3 days of the program participant entering shelter and document all case notes in the client file to document goal progress.

While working on the housing focused goals, the Housing Case Managers continue to support each individual in meeting their other goals which include, but are not limited to, gaining employment or access to benefits like Social Security Income, access to benefits such as General Relief and CalFresh, entering job training programs, or programs to further their education. Additionally, ECS Housing Case Managers work with the individuals to improve their ability to remain housed by following rules and maintaining their environment, which can be a key determinant in an individual not returning to homelessness.
