Re: The Tertiary Treatment and Disinfection Facility located at the Fresno/Clovis Reclamation Facility (Bid File No. 3325)
Request for Consent to Substitute Listed Subcontractor

Dear Mr. Gonzalez:

Pursuant to Public Contract Code section 4100 et seq. and the Prime Contract documents, this letter is to request your consent to the substitution of listed subcontractor, K N K Painting & Coating, Inc. ("KNK") for painting and coating work (the "Work") at the above referenced project.

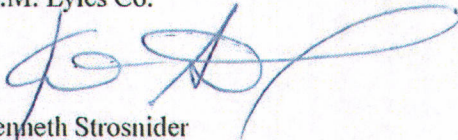

After evaluation of the circumstances, KNK has determined it is unable to enter into contract to perform the Work at this time and comply with the terms and conditions for the Project.

W. M. Lyles Co. requests the consent for substitution of KNK with Socal Pacific Construction Corp. dba National Coating & Lining Company, a company duly licensed and qualified to perform the Work. In addition, National Coating is a certified DBE contractor.

Time is of the essence in this matter. As such, we request your prompt consent to the proposed substitution. To assist in expediting the matter, please see the attached waiver of the statutory five working days' notice period to allow for objections by the subcontractor signed by the president of KNK. The substitution will not result in any claim for additional costs by the Contractor to the Owner provided the timing of the City's consent does not result in a delay to the Project.

If you have any questions regarding this matter, please call us at (661) 387-1600.
