WHEREAS, the Planning Commission reviewed the subject plan amendment application in accordance with the land use policies of the Fresno General Plan and the West Area Community Plan.

NOW, THEREFORE, BE IT RESOLVED by the Planning Commission of the City of Fresno, based upon the testimony and information presented at the hearing and upon review and consideration of the environmental documentation provided, as follows:

1. The Commission finds in accordance with its own independent judgment that Plan Amendment Application No. P19-02237 will not have a significant effect on the environment. It has been further determined that all applicable project specific mitigation measures have been incorporated to assure that the project will not cause significant adverse cumulative impacts, growth inducing impacts and irreversible significant effects. Therefore, it has been determined based upon the evidence in the record that the project will not have a significant impact on the environment and that the filing of a mitigated negative declaration is appropriate in accordance with the provisions of CEQA Section 21157.5(a)(2) and CEQA Guidelines Section 15178(b)(1) and (2). Accordingly, the
