COUNCILMEMBER REPORTS AND COMMENTS

Councilmember Maxwell Reports and Comments. Announced the District 4 team will conduct and host the fifth annual Operation Gobble, a full Thanksgiving meal giveaway, and Six hundred families will receive everything needed to host a proper Thanksgiving dinner. The event will take place Sunday November 23, 2025. A drive thru will be held at Hoover High School, walkups will be held at El Dorado Park for the El Dorado Park neighborhood. The District 4 team stated it would be their honor to serve families who could benefit from receiving a full Thanksgiving meal.

Councilmember Vang Reports and Comments. Thanked the administration for the last Southeast Development Area Workshop and for providing additional documents to review. Stated he reviewed the information and appreciated the follow up workshop by the administration and directors. Reiterated that if the Southeast Development Area Plan were presented today as is, his vote would be no, and that position has not changed. Noted that, as the newest councilmember, he has taken time to listen, learn, and hear directly from residents and stakeholders most impacted by the project. Reported that the council is still reviewing and working to ensure the Southeast Development Area Plan reflects what constituents want, not simply what is already on paper. Affirmed that his commitment remains the same: the Southeast Development Area must be shaped by the community and for the community. Announced that the District 5 office will host its first turkey giveaway this coming Saturday at Greenberg Elementary, and invited everyone, not only District 5 residents, to come by, say hello, and receive a Thanksgiving dinner with all the fixings. Reported having the honor of participating in the Central Valley Veterans Day Parade. Stated he was joined by members of the Special Guerilla Veterans, who fought in the secret war in Laos from 1961 through 1978. Noted that approximately 35,000 people fought and died in Laos, and that these soldiers were trained by the CIA to fight on behalf of the Americans for democracy and freedom against advancing communism. Expressed gratitude to the veterans, and also thanked the families who came to support them and all veterans. Reported that about two dozen students from Edison High joined the parade, and thanked Mr. Yang from Edison High for bringing his students.

Councilmember Richardson Reports and Comments. Noted It was a beautiful day in District 6. Reported having a great time at the Veterans Day parade, which was two days of non stop excitement. Announced the location for the next quarterly Town Hall has changed. The Town Hall will now be held at Clovis Community College on Willow and International. District 6 residents were advised to stay tuned on social media for more information. Residents in the immediate vicinity will receive a text message. Happy birthday was wished to Grandma Cordy, who celebrated yesterday.

Councilmember Esparza Reports and Comments. Announced this past Saturday, the District 7 team helped at a food distribution event to feed

Fresno families at the Fresno Center. Thanks were extended to volunteers, Nick, the District 7 team, the Fresno Center, Congressman Costa, and other neighbors for their help in making the food distribution successful in partnership with the Central California Food Bank. Appreciation was expressed to everyone who came out to support District 7 during the Beautify Fresno event hosted at Ewing Elementary. Despite the rain, over 100 volunteers joined to clean and refresh the Ewing neighborhood, and the event went well. Participated in a panel for a Blackstone Town Hall hosted by Every Neighborhood Partnership. Community members and Fresno State students shared input as safety and ways to strengthen the Blackstone corridor were discussed. Thanks were given to all participants for their time and contributions during the Town Hall. Congratulations were extended to Coast Aluminum on their groundbreaking that occurred yesterday. The project represents new investment, new jobs, and continued economic growth within the city and the region. The expansion is expected to have a positive impact in District 7 and the greater city.

Councilmember Perea Reports and Comments. Thanks were extended to Director Torres and her team at the Fresno Animal Center for the vaccination and microchip event at Roeding Park. Over 300 animals in the City were successfully vaccinated and microchipped. The event resulted in healthier dogs and the ability to reunite approximately 300 pets with their rightful owners if they get loose. An annual Thanksgiving meal giveaway was highlighted where thousands of turkeys were set aside specifically for District 1 families. An additional 500 turkeys were set aside this year for families who are SNAP recipients impacted by federal program pauses. The 500 meals will be given away to families at Steinbeck Elementary School on Saturday, November 22, 2025. The World Day of Remembrance was acknowledged. The name of Corday Brown, a 10 year old from District 1 who was struck by a truck and passed away, was read by the Council President. Attendance at Corday Brown's viewing was reported, with emphasis on the grief experienced by his parents. Residents were asked to be diligent while driving, especially during the holiday season and in unpredictable weather. It was emphasized that speeding may save only a few minutes, but slowing down could save a life. Residents were reminded that running red lights and speeding are never worth the risk.

Vice President Arias Reports and Comments. Thanks were extended to the Public Works staff. The neighborhoods in the Tower District areas were walked and the repaving improvements were of good quality. Repaving was completed at the same time as Operation Cleanup, requiring coordination to pick up trash. As indicated by the Mayor, new homes were opened last week. The housing project took six years to complete after funding and permitting were secured. More than 30 families now own homes in West Fresno in a neighborhood that includes a large park, a college campus, and a new medical clinic. These amenities were noted as things residents had been requesting for decades. Announced the downtown ice rink will officially open this upcoming month. The public was invited to begin purchasing tickets online at fresnoahf.org. The downtown ice rink will be named Mariposa Winter Village this year. Work will be done with Council offices and the PARCS Department to acquire tickets for the neediest families. Efforts will ensure Fresno residents and children can utilize the ice rink for free, given that it is partially funded and sponsored by the City of Fresno.

Council President Karbassi Reports and Comments. Announced a lot of constituent service work has been completed lately, especially with the rain. Thanks were extended to the different departments that have been helpful, especially the Public Works Department. Ongoing help from Scott, Brian, and Jill was recognized as terrific for the residents of Northwest Fresno. Alongside the Mayor and Director Aaron Aguirre, the groundbreaking for the new park at the Milburn Overlook was kicked off. In February 2020, a death from a shooting in that area started a conversation with neighbors about reclaiming the park and ensuring it is a safe space. The park is being rebuilt to add more trees and accessibility, transforming it from a parking lot into a usable neighborhood park. Thanks were given to the administration for their work over the last couple of years to bring the project to fruition. The park will open by May 2026, returning Measure "P" dollars to Northwest Fresno and the rest of the City. The park will offer unique views of the San Joaquin River and Milburn Pond, providing more access points for the river for all of Fresno. Noted the Veterans Day Parade went very well, and thanks were extended to the organizers. Emphasized that honoring veterans and those who sacrificed their lives for safety reflects positively on the community, and Fresno should be proud. Thanks were extended to colleagues, noting that

four councilmembers have their own version of Operation Gobble, all serving the same purpose. Rising food prices and difficult family situations were acknowledged, with this year described as unprecedented due to federal government infighting that left families without food aid. Noted that families, especially mothers and children, were put in limbo due to the government shutdown. Plenty of boxes with complete dinners will be available, focused around Pinedale and Nelson Elementary, but open to anyone. Thanks were extended to sponsors, staff, the Fresno Police and Fire Chaplaincy, and the Assistance League of Fresno for their support of Operation Gobble. An agenda item regarding a substance was noted on the consent calendar. It was reported that expired products had been sold in Pinedale earlier this year and reported to the City Attorney's Office. Laws did not allow action to be taken at the time, with San Diego being the only place regulating the item. Appreciation was expressed that the County and City are now coming together to regulate the item and protect children and the public from unscrupulous vendors selling expired and dangerous products.

MAYOR/MANAGER REPORTS AND COMMENTS

Mayor Dyer Reports and Comments. Announced he will be attending Kimberlee Autry's funeral. Former Mayor Autry requested a speech at the funeral and is honored to do so. Kimberlee Autry was remembered as someone loved, admired, and with whom a great relationship existed over the years, as with Alan. Thanks were extended to all councilmembers for attending the Veterans Day Parade and noted it was an incredible event to honor veterans, and the largest Veterans Day Parade west of Washington, D.C. Thanks were extended to all City departments, especially the Police Department, for making the event safe. The parade lasted about four hours and included over 3,000 participants. Reported attending Heritage Estates with Council Member Arias. Thirty three families were blessed with homes on the west side of Fresno with down payment assistance. The City invested over \$4 million in the Heritage Estates project. A speech was given Friday night at Table Mountain Event Center for the Fresno Center's "Giving Thanks" annual event. The event was well attended and focused on giving thanks to community members who contributed greatly. Welcoming remarks were given Tuesday for the Governor's Office of Service and Community Engagement at an event in Fresno hosted with various nonprofits. Coast

Aluminum, a company in Fresno since 1993, was recognized at a groundbreaking event yesterday. Coast Aluminum operates six companies in Mexico and eleven in the United States. Attended the groundbreaking of a 163,000 square foot facility on Home Avenue in Fresno, along with Councilmember Esparza.

City Manager White Reports and Comments. An annual Thanksgiving reflection was shared as this was the last meeting before the holiday. Thanks were expressed to family, including husband Bill, and daughters Katie and Grace, who have sacrificed attention over the years. Appreciation was extended to the City family of 4,700 employees who carry out the work initiated by Council. Department directors were recognized for their daily commitment and responsibility. Thanks were given to the Mayor for his leadership and sacrifices to push the City forward and provide a clear vision. The Mayor's team and administration were acknowledged for keeping the City focused on goals. Councilmembers were thanked for their passion in representing their districts and for advancing both district specific and citywide initiatives. Assistant City Managers T.J., Nick, and Ruthie were thanked for overseeing departments and keeping initiatives moving forward. Support staff were recognized for their critical role in supporting the team, despite limited daily interaction. Toni Machado was acknowledged as "city hall mom" for guiding departments, assisting with agendas, and keeping processes moving forward. Gratitude was expressed to everyone for their contributions and collaboration. Noted that the new year is approaching quickly and thanks were extended to all. A wish was shared for everyone to enjoy Thanksgiving with family and friends.
