Extensions beyond fourteen (14) calendar days due to exigent circumstances, such as the employee being incapacitated, may be considered on a case-by-case basis by the Director of Personnel Services or designee.**

Eligible Employees who **are absent from duty and are receiving SDI/PFL benefits who are eligible to use Sick Leave, Vacation Leave, Holiday Leave, or Compensatory Time Off, shall be eligible to integrate** a portion of their individual leave balances with SDI/PFL benefits as noted below.

Integrating leave balances is defined as the SDI/PFL benefit and the monetary value of the employee's leave balances added together to provide a bi-weekly net income.

Integrating leave balances with SDI/PFL benefits will continue only if leave balances are available and the employee remains eligible to receive SDI/PFL benefits.

5. An employee who has elected to **integrate leave balances** will be considered to be **in paid** status for the purpose of accumulation of leave and other benefits. If an employee does not provide information on SDI/PFL benefits within fourteen (14) calendar days of receipt of the Notice of Computation, no integration will occur. Integration will not be provided for any period before the City receives notification of SDI/PFL benefits, including retroactively, and the employee provides signed notification that the employee wants to integrate.

~~If the employee chooses does not act to integrate benefits or exhausts their available leave balances, the employee will be in a Leave Without Pay (LWOP) status.~~

- ~~6. If elected as described above, integration will end upon notification from the employee that SDI/PFL benefits have terminated, the employee exhausts all leave balances and/or donated time resulting in leave without pay status, the employee's return to work, or the employee's separation from City employment; whichever comes first in time.~~

- ~~7. Initiating the integration of the above accrued leave balances with SDI benefits shall be subject to the following conditions:~~
