#### Briefly explain why are you interested in serving on this board or commission?

I am interested in serving on this board because as a woman I can relate to the many ongoing issues (race, religion, age, experience, etc) and would be a great representative for our women and our Hispanic community.

#### Educational background, Schools Attended, Degrees and Certifications

Masters in Public Administration/Government Management-DeVry University Bachelors in Justice Administration/Policing-DeVry University

#### Briefly explain your qualifications or areas of demonstrated expertise for this board or commission.

If given the opportunity this would be my first time on a board, I have a diverse background in employment that has helped me grow to who I am now. I aim to serve our community and always willing to help. The obstacles ranging from age, to race, to being a woman have been very present throughout my life and I have gotten through those obstacles, and still fighting. The passion I have in whatever I do will show and feel it is needed to be on this board.

#### Do you or an immediate family member have any professional or financial relationship that may present a potential conflict of interest for this board, commission or similar body?
