Parking Facilities Management Services

REQUEST FOR PROPOSALS NO. 9261

at the Office of the Purchasing Manager, 2600 Fresno Street, Room 2156, Fresno, California, 93721, on or before the date and time specified in the Notice Inviting Proposals. The time clock in the Purchasing Division will be the official clock for documenting the time of filing. The minimum requirements for this proposal is ten (10) years as a parking facilities management company and ten (10) years managing parking for a municipality.

2. No proposal will be considered for award unless the Proposer has complied with the following:

Proposers must submit a deposit in the amount of Five Thousand **Dollars (\$5,000.00)** with their proposal in the form of a Certified or Cashier's Check, an irrevocable letter of credit, or a certificate of deposit, or a bidder's bond of a corporate surety, authorized by the California Insurance Commissioner to do business in the State of California, payable and acceptable to the City of Fresno. Such deposit shall be retained by the City of Fresno as a guarantee that the Proposer, if awarded all or part of the proposal, will, within fifteen (15) calendar days from the date the Notice of Award is mailed to the Proposer, execute and return a Contract furnished by the City. All deposits will be returned when the Contract(s) has been executed for all items awarded, or if all proposals are rejected.

A proposal without a proper deposit will automatically be rejected.

3. The City will award a Contract or reject any or all proposals within the time stated in the Specifications, and no proposal may be withdrawn within that period of time. Any award of a Contract exceeding \$50,000, shall be subject to the approval of the City Council.

4. The City reserves the right to reject any and all proposals.

Submittal of Proposal

5. Each Proposer shall carefully examine each and every term of this Request for Proposal; and each Proposer shall judge all the circumstances and conditions affecting his or her proposal. Failure on the part of any Proposer to make such examination and to investigate thoroughly shall not be grounds for any declaration that the Proposer did not understand the conditions of this Request for Proposal.

6. The Proposer shall comply with any and all federal, state or local laws, now in effect or hereafter promulgated, which apply to the services and products herein specified.

7. Proposers will submit **an original and five copies of their proposal in a sealed envelope**, marked on the outside RFP No. 9261, Parking Facilities Management Services and will include the name of the Proposer and the date and time of proposal submittal deadline.

8. This solicitation for proposals does not commit the City of Fresno to enter into a Contract or to pay any costs incurred in the preparation of responses to the request. The City of Fresno reserves the right to accept or reject any proposals, and to negotiate with any qualified source, or to cancel in part or in its entirety this Request for Proposals. It may accept the proposal that it considers to be in the interest of the City of Fresno, with or without negotiation.

9. The City reserves the right to waive any informality or minor irregularity when it is in the best interest of the City to do so, to negotiate for the modification of any proposal with mutual consent of the Proposer, to re-advertise for proposals if desired, and to accept the proposal which in the judgment of the City, even though it does not offer the lowest cost, is nevertheless deemed to offer the best value for the public and City. Any proposal which is incomplete, conditional, obscure, or which contains irregularities of any kind, may be cause for rejection.

Local Preference

10. Fresno Municipal Code Section 4-109, LOCAL PREFERENCE IN CONTRACTING FOR SERVICES, provides for a local preference. Portions pertinent to this Contract are paraphrased as follows:

Except for those contracts funded by the federal or state government when such funding would be jeopardized because of this preference, the City of Fresno shall, in contracting for professional services, other than consulting service, extend a five percent (5%) preference for a local firm in evaluating proposals for award. The amount of the preference shall be equal to the amount of the percentage applied to the lowest proposal price from a firm other than a local firm, if the Proposer submitting the lowest proposal price is not a local firm. The Proposer shall certify, under penalty of perjury, that the Proposer qualifies as a local firm. The preference is waived if the certification does not appear on the proposal.

"Local firm" shall mean a firm with a fixed primary or branch office within a twenty-five mile radius of Fresno City Hall, located at 2600 Fresno Street in the City of Fresno, and a majority of the work on the project will be performed by employees who are permanently assigned to such office prior to the city requesting proposals for the project and whose regular duties would include local work on other than city projects.

Proposers shall submit the form CERTIFICATION FOR LOCAL PREFERENCE with their proposal if they seek the benefit of local preference.

Public Records

11. The proposals received shall become the property of the City of Fresno and are subject to public disclosure. Those parts of a proposal which are defined by the Proposer as business or trade secrets as that term is defined in California Evidence Code, Section 3426.1, and are reasonably marked *Trade Secrets*, *Confidential*, or *Proprietary*, and placed in a separate envelope shall only be disclosed to the public if such disclosure is required or permitted under the California Public Records Act or otherwise by law. Proposers who indiscriminately and without justification identify most or all of their proposal as exempt from disclosure may be deemed non-responsive. Proposals, excluding confidential information, will be available for review after posting of staff recommendation.

Selection Process and Evaluation Criteria

12. Proposal Evaluation

The Selection Committee will review and evaluate all proposals after formal receipt. To receive proper consideration, the proposal must meet the requirements of these Specifications. The evaluation process will provide credit only for those capabilities and advantages which are clearly stated in the Proposer's written proposals. In other words, advantages which are not stated will not be considered in the evaluation process.

Proposers whose proposals include a failure to comply with or take exception to these Specifications may be considered nonresponsive and dropped from the evaluation process.

The Selection Committee will include at least one representative from a Department with no direct interest in the service(s) being requested by this Request for Proposals and a representative from the Purchasing Division. A member of the City of Fresno Finance Department will be responsible to review the Proposer's Financial Statements and the Selection Committee will be provided a copy of the report generated by that review. The Committee may also include a representative from outside the City organization. It will be the responsibility of this committee to make recommendations advisory to City Manager and in accordance with the award criteria enumerated below.

The Selection Committee will evaluate the proposals on the following criteria:

- a. **Cost** as shown on the proposal form.
- b. **Ability** to meet the stated service requirements.
- c. **Past Performance and Experience** based on References and experience shown on "Statement of Qualifications and Experience." Proposers must meet the minimum qualifications to include ten (10) years parking facilities management and ten (10) years managing parking for a municipality.

- d. **Conformance** to the terms and conditions of the RFP.
- e. **Financial Stability** based on information provided in the Statement of Qualifications.
- f. **Other** related information.

The City reserves the right to accept or reject any or all proposals and may select, and negotiate with one or more Proposers concurrently, and enter into a Contract with such Proposer who is determined, by the City, to provide the services which are in the interest of the City. The City may agree to such terms and conditions as it may determine to be in its interest.

13. The Selection Committee reserves the right to request additional information from Proposers, to negotiate terms and conditions of the Contract, to visit sites, to request demonstrations or oral presentations, or ask Proposers to appear before the Selection Committee to clarify points of their proposal.

14. Selection will be based on qualitative analysis and cost. Any award shall be on the basis of the criteria specified and made to the Proposer whose proposal is judged as providing the best value in meeting the interest of the City and the objectives of the project.

15. The City reserves the right to make the selection of a Proposer based on any or all factors of value, whether quantitatively identifiable or not, including, but not limited to, the anticipated initiative and ability of the Proposer to perform the services set forth herein.

Time to Award

16. The Proposer agrees that the City may have 120 days to accept or reject proposals. It is further understood that, if the Proposer to whom any award is made fails to enter into a Contract as provided in the Specifications, award may be made to another Proposer, who shall be bound to perform as if he or she had received the award in the first instance.

Contract Documents

17. The proposer shall submit the required contract documents in a form acceptable to the Purchasing Division 2600 Fresno ST. Room 2156 – Fresno, Ca.93721 within 15 calendar days (except in the event in the event federal funding is applicable to the Contract, then 10 working days) from the Notice of Award of proposal. Failure to provide said documents within the designated period shall be sufficient cause to find the proposal non-response and move to award to the next proposer offering the next best value to the City.

Questions, Clarifications and Concerns

18. The Specifications describing this project have been carefully prepared. Any questions or concerns relating to these Specifications shall be directed in writing to the Designated Buyer of the Purchasing Division (see cover page) and shall be sent by facsimile to (559) 488 1069. A Question Form for this purpose has been included as page 7.

Questions will be accepted only up to five (5) working days prior to the proposal date to allow the City, if necessary, to issue an addendum to all proposers stating revisions, deletions, or additions to be made to the Specifications as a result of any questions. If questions arise after the deadline, please contact the Designated Buyer of the Purchasing Division, but the City will not guarantee a response.

The City will not be responsible for verbal responses made by parties other than the Purchasing Manager or his or her designee.

Contacts with City Staff

19. Before an award is made, any contact with City staff, other than the Purchasing Manager or his or her designee(s), without prior written authorization is strictly prohibited and may render the Proposer non-responsible.

REGULATED COMMUNICATIONS IN CITY PROCUREMENT PROCESS ORDINANCE

20. The Regulated Communications in City Procurement Process Ordinance (Article 6, Chapter 4 of the Fresno Municipal Code) became effective May 7, 2004. With certain specified exceptions, the Ordinance provides that no Respondent, Bidder, Proposer (as the case may be) shall initiate, engage in, or continue any communication to or with any City elected official concerning or touching upon any matter which is the subject of this competitive procurement process.

Notification of Staff Determination

Once the City has reviewed and evaluated the proposals received and has determined for award the responsible proposal that provides the best value to the City, that determination will be posted on a public bulletin board outside the Purchasing Division Office and the City's website www.fresno.gov, reference link *For Business* (right hand side of screen), *Bid Opportunities*, and *Anticipated Award*. The bulletin board and website will generally be updated by Monday of each week, no later than 5 p.m. It is the sole responsibility of interested Proposers to seek this information from either of these sources.

For those Proposers that have concerns or rebuttal of any determination of non-responsiveness or non-responsibility about the Staff Determination, they will be given an opportunity to submit, in writing, within [5] days to the Purchasing Manager any concerns with the RFP process or Staff Determination. Such writing will be taken under consideration by the City Manager and may be acted upon within [5] days. If no action is taken within such [5] days, then there shall be no change in Staff Determination. The exercise of Proposer of its right to submit its written concerns shall be a condition precedent to seeking judicial review of any award of a contract hereunder.

Debarment

22. A Bidder who has been determined by the Council to be nonresponsible may be debarred from bidding or proposing upon or being awarded any contract with the City or from being a subcontractor or supplier at any tier upon such contract, in accordance with the procedures in Resolution No. 2003-130 adopted by Council on April 29, 2003. The initial period of any such debarment shall not be less than one year or more than three years. Any deductibles or self-insured retentions must be declared to, and approved by, the City's Risk Manager or his/her designee.
