Original Solicitation

SECTION 1

INTRODUCTION

1.1 INTENT OF THE REQUEST FOR PROPOSAL

It is the intention of Merced County to establish national contracts that satisfy the needs of participating governmental entities in the purchase of technology solutions. Agencies will be able to purchase on an “as needed” basis from competitively awarded contracts. Respondents are requested to submit their catalog of available products and services as requested in Exhibit 1.

Specifically, the purpose of this Fast Open Contracts Utilization Services (FOCUS) request is to solicit proposals from firms specializing in providing technology solutions that consist of equipment and services. Respondents are encouraged to submit an offering on any and all products or services available that they currently perform in their normal course of business for the opportunity to participate in an innovative County public-private relationship that has national opportunities. Selected firms will enter into contractual relationships with Merced County. It is anticipated that multiple providers will be selected.

1.2 BACKGROUND INFORMATION

For Public Entities: The Fast Open Contracts Utilization Services (FOCUS) program established over two decades ago, and under State of California procurement guidelines (Gov. Code §25330 – 25338), is a competitively bid procurement vehicle for counties, cities, schools, special districts as well as Federal and state governments to use in the direct purchase of their technology needs through established public entity (County) contracts.

Purpose of FOCUS:

- Provide governmental agencies opportunities for greater efficiency and economy in procuring technology goods and services.
- Take advantage of state-of-the-art purchasing procedures to insure the most competitive contracts are available.
- Provide competitive price and bulk purchasing for multiple government agencies that yields economic benefits unobtainable by the individual entity.
- Provide quick and efficient delivery of goods and services.
- Equalize purchasing power for smaller agencies that are unable to command the best contracts for themselves.
- Help in assisting with use of best business practices.

For Firms: Under existing FOCUS contracts which begin to expire in 2021, Merced County provides its standing as a governmental jurisdiction offering a contract for government purchasing, marketing assistance, and advocacy at appropriate meetings, conferences, or similar events in return for an administration/marketing fee. In addition, Merced County is authorized to provide and offer, for a fee, consulting services/expertise to a vendor for preparing responses to other government's bids, general or specific management assistance and other selected areas. Authority for Merced County to engage in these innovative and non-traditional activities is granted under California Government Code.

Respondents shall provide pricing based on a discount from a manufacturer's price list. A multiple percentage discount structure is also acceptable. Please specify where different percentage discounts apply. Additional pricing and/or discounts may be included. If respondent has existing cooperative contracts in place, Merced County requests equal or better than pricing to be submitted.

Each category proposed is to be priced separately with all ineligible items identified. Services may be awarded to multiple vendors. Respondents may elect to limit their proposals to a single service within any category, or multiple services within any or all categories.

Merced County is seeking service providers that have the depth, breadth and quality of resources necessary to complete all phases of technology projects. In addition, Merced County also requests any value add commodity or service that could be provided under this contract.

1.3 AGREEMENT TERM

The Agreement term shall be for a period of three (3) years. The start date shall commence upon Merced County Board of Supervisors written approval. Through mutual written agreement, contract term may be extended for two (2) additional, one (1) year terms, not to exceed five (5) years in total, contingent on appropriate and sufficient funding.

A Sample Agreement is included as an attachment to this proposal. This agreement will become part of the final agreement with successful Bidder awarded the proposal. Any exceptions to the terms and conditions as stated herein and in the Sample Agreement must be identified separately. The County will execute the Agreement upon final selection of successful Bidder with the approval of the County's Board of Supervisors.

REQUIREMENTS

1.4 SCOPE OF WORK

The purpose of this FOCUS RFP is to provide the means for counties, cities, schools, special districts and other governmental entities in California and nationally to purchase their needed technology solutions through a formally bid contractual relationship. FOCUS also provides the means for governments to reduce their costs of procurement while leveraging their dollars with other governments to achieve greater buying power. FOCUS offers the possibility of choosing more than one provider in each category. Further, this competitively bid program offers an alternative to existing non-competitively bid programs that may charge the buyer for administrative handling.

Merced County may select multiple vendors in each category for use by other governmental entities. This will allow agencies to pick and choose vendors that best suit their specific needs.

The program design shall incorporate the following requirements and principles to support the proposed technology goods and services described in Exhibit 1, "Category of Services":

- 1.4.1. The categories reflect a wide array of requirements under which vendors may propose creative ideas to assist governmental needs with technology solutions.
- 1.4.2. Organizations/businesses may choose to respond to this Proposal in one or more of the categories. Merced County may choose more than one respondent per category to participate in FOCUS.
- 1.4.3. Selected FOCUS partners are authorized to add new product lines as needed to replace discontinued product lines. Merced County will be notified in writing of such product changes (with pricing) as they occur with all pricing evaluated by researching the General Services Administration's online "GSA Advantage!"
- 1.4.4. Not Specifically Priced Items (NSP) – FOCUS users may order non-contracted products and services that are in support of the contracted items listed on the Purchase Order. Any NSP items must be peripheral and subordinate to the contracted items. The total value of all NSP items shall not exceed 10% of the total price of the Purchase Order.
- 1.4.5. Merced County reserves the right to receive and process all orders at a future date.

- 1.4.6. **VENDORS NOT SELECTED FOR A FOCUS CONTRACT MAY NOT USE ANOTHER FIRM'S FOCUS CONTRACT TO QUALIFY FOR OTHER POLITICAL JURISDICTION CONTRACTS OR SALES AUTHORITY WITHOUT THE EXPRESS WRITTEN CONSENT FROM THE COUNTY OF MERCED.**
- 1.4.7. Corporate level management support and resource commitment to the FOCUS program.
- 1.4.8. Corporate level dedication to at least a California marketing program.
- 1.4.9. Corporate level commitment to their sales force in promoting the FOCUS program and rewarding successes.
- 1.4.10. An aggressive marketing strategy.
- 1.4.11. Excellence in customer support and service.
- 1.4.12. A commitment to use local providers and/or contracted services where a corporate presence does not exist.

- 1.4.14. A commitment to meet on FOCUS progress each quarter.
- 1.4.15. A product and service quality assurance program that meets or exceeds industry excellence standards.
- 1.4.16. The most competitive pricing given to a state/local government agency for the array of products and/or services offered. All pricing is evaluated by researching the General Services Administration's online "GSA Advantage!"

NOTE: Pricing offered must reflect across the board percentages of discount for every item/service submitted. Bidder must state in their proposal what percentages of discount are being offered in their proposal.
- 1.4.17. An ability to include industry leaders in the corporate and product suites offered through subcontractor relationships.
- 1.4.18. An on-line order placement/tracking system for immediate input or retrieval of information/acknowledgments.

- 1.4.21. Product, service, and installation excellence to any location that meets industry's highest standards.
- 1.4.22. The availability and inclusion of product supplies, product training, networking services (if appropriate), and product maintenance.
- 1.4.23. All product installations and modifications performed by supplier will be by manufacturer-authorized personnel and meet manufacturer-documented specifications, unless otherwise specifically stated in the purchase order/ Statement of Work.
- 1.4.24. All respondents offering technology services must be certified by the California Public Utilities Commission (CPUC) to offer those services. Evidence of certification from CPUC must be provided with response.
- 1.4.25. All products offered in response to this FOCUS RFP must meet or exceed the specifications of the referenced brands.

Negotiated changes, if any, will not change the "Requirements".

4.5 FALSE OR MISLEADING STATEMENTS

Responses which contain false or misleading statements, or which provide references which do not support an attribute or condition claimed by the Bidder, may be rejected. If, in the opinion of the County, such information was intended to mislead the County in its evaluation of the response, and the attribute, condition or capability is a requirement of this proposal, it will be the basis for rejection of the response.

The compensation paid to Contractor pursuant to this Agreement is based on County's continued appropriation of funding for the purpose of this Agreement, as well as the receipt of local, county, state and/or federal funding for this purpose. The parties acknowledge that the nature of government finance is unpredictable, and that the rights and obligations set forth in this Agreement are therefore contingent upon the receipt and/or appropriation of the necessary

funds. In the event that funding is terminated, in whole or in part, for any reason, at any time, this Agreement and all obligations of the County arising from this Agreement shall be immediately discharged. County agrees to inform Contractor no later than ten (10) calendar days after the County determines, in its sole judgment, that funding will be terminated and the final date for which funding will be available. Under these circumstances, all billing or other claims for compensation or reimbursement by Contractor arising out of performance of this Agreement must be submitted to County prior to the final date for which funding is available. In the alternative, County and Contractor may agree, in such circumstance, to a suspension or modification of either party's rights and obligations under this Agreement. Such a modification, if the parties agree thereto, may permit a restoration of previous contract terms in the event funding is reinstated. Also in the alternative, if funding is provided to the County in the form of promises to pay at a later date, whether referred to as "government warrants", "IOU's", or by any other name, the County may, in its sole discretion, provide similar promises to pay to the Contractor, which the Contractor hereby agrees to accept as sufficient payment until cash funding becomes available.

8. TERMINATION FOR CONVENIENCE

This Agreement, notwithstanding anything to the contrary herein above or hereinafter set forth, may be terminated by County at any time without cause or legal excuse by providing the other party with thirty (30) calendar days written notice of such termination.

Upon effective date of termination, County shall have no further liability to Contractor except for payment for actual services incurred during the performance hereunder. Such liability is limited to the time specified in said notice and for services not previously reimbursed by County. Such liability is further limited to the extent such costs are actual, necessary, reasonable, and verifiable costs and have been incurred by Contractor prior to, and in connection with, discontinuing the work hereunder.

9. TERMINATION FOR CAUSE

The County may terminate this Agreement and be relieved of making any payments to Contractor and all duties to Contractor should the Contractor fail to perform any material duty or obligation of the Agreement. Notice shall be given as otherwise provided herein. In the event of such termination the County may proceed with the work in any manner deemed proper by the County. All costs to the County shall be deducted from any sum otherwise due the Contractor and the balance, if any, shall be paid to the Contractor upon demand. Such remedy is in addition to such other remedies as may be available to the County provided by law.

10. MODIFICATION OF THE AGREEMENT

Notwithstanding any of the provisions of this Agreement, the parties may agree to amend this Agreement. No alteration or variation of the terms of this Agreement shall be valid unless made in writing and signed by the parties hereto. No oral understanding or agreement not incorporated herein shall be binding on any of the parties hereto

All deductibles and SIRs shall be fully disclosed in the Certificates of Insurance and are subject to the express written permission of the County Risk Manager.

1. Commercial General Liability: \$1,000,000 per occurrence and \$2,000,000 annual aggregate covering products and completed operations, bodily injury, personal injury and property damage. The County and its officers, employees and agents shall be endorsed to above policy as additional insured, using ISO form CG2026 or an alternate form that is at least as broad as form CG2026, as to any liability arising from the performance of this Agreement.
2. Automobile Liability: \$1,000,000 per accident for bodily injury and property damage, or alternatively split limits of \$500,000 per person and \$1,000,000 per accident for bodily injury with \$250,000 per accident for property damage.
3. Workers Compensation: Statutory coverage, if and as required according to the California Labor Code, including Employers' Liability limits of \$1,000,000 per accident. The policy shall be endorsed to waive the insurer's subrogation rights against the County.

Coverage shall be sufficiently broad to respond to the duties and obligations as is undertaken by the Contractor in this agreement and shall include, but not be limited to, claims involving infringement of intellectual

property, copyright, trademark, invasion of privacy violations, information theft, release of private information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines and penalties as well as credit monitoring expenses with limits sufficient to respond to these obligations.

The Policy shall include, or be endorsed to include, property damage liability coverage for damage to, alteration of, loss of, or destruction of electronic data and/or information "property" of the Agency in the care, custody, or control of the Contractor. If not covered under the Contractor's liability policy, such "property" coverage of the Agency may be endorsed onto the Contractor's Cyber Liability Policy as covered property as follows:

Lower rated, or approved but not admitted insurers, or any other requirement changes (such as limits) are subject to the prior approval of the County Risk Manager.
2. Each of the above required policies shall be endorsed to provide the County with thirty (30) days prior written notice of cancellation. The County is not liable for the payment of premiums or assessments on the policy. No cancellation provisions in the insurance policy shall be construed in derogation of the continuing duty of Contractor to furnish insurance during the term of this Agreement.
3. If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the County requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

4. If the Contractor uses Sub-Contractors or others to perform work under this Agreement, such Sub-Contractor or other persons shall be Named Insured or Additionally Insured to the Contractor's required insurance coverage, or required by the Contractor to comply with equivalent insurance and conditions of this Section.

12. INDEMNIFICATION

Contractor has the contracted duty (hereinafter "the duty") to indemnify, defend and hold harmless, County, its Board of Supervisors, officers, employees, agents and assigns from and against any and all claims, demands, liability, judgments, awards, interest, attorney's fees, costs, experts' fees and expenses of whatsoever kind or nature, at any time arising out of or in any way connected with the performance of this Agreement, whether in tort, contract or otherwise. This duty shall include, but not be limited to, claims for bodily injury, property damage, personal injury, and contractual damages or otherwise alleged to be caused to any person or entity including, but not limited to employees, agents and officers of Contractor.

Contractor's liability for indemnity under this Agreement shall apply, regardless of fault, to any acts or omissions, willful misconduct or negligent conduct of any kind, on the part of the Contractor, its agents, subcontractor and employees. The duty shall extend to any allegation or claim of liability except in circumstances found by a jury or judge to be the sole and legal result of the willful misconduct of County. This duty shall arise at the first claim or allegation of liability against County. Contractor will on request and at its expense defend any action suit or proceeding arising hereunder. This clause for indemnification shall be interpreted to the broadest extent permitted by law.

13. INDEPENDENT CONTRACTOR

It is mutually understood and agreed that Contractor is an independent Contractor in the performance of the work duties and obligations devolving upon Contractor under this Agreement. County shall neither have, nor exercise any control or direction over the methods by which Contractor shall perform the assigned work and functions. The contractual interest of County is to assure that the services covered by this Agreement shall be performed and rendered in a competent, efficient and satisfactory manner.

It is agreed that no employer-employee relationship is created and Contractor shall hold County harmless and be solely responsible for withholding, reporting and payment of any federal, state or local taxes; any contributions or premiums imposed or required by workers' compensation; any unemployment insurance; any social security income tax; and any other obligations from statutes or codes applying to Contractor, or its subcontractors and employees, if any.

It is mutually agreed and understood that Contractor, its subcontractors and employees, if any, shall have no claim under this Agreement or otherwise against the County for vacation pay, sick leave, retirement or social security benefits, occupational or non-occupational injury, disability or illness, or loss of life or income, by whatever cause.

Contractor shall insure that all its personnel and employees, subcontractors and their employees, and any other individuals used to perform the contracted services are aware and expressly agree that County is not responsible for any benefits, coverage or payment for their efforts.

14. RECORDS, INFORMATION AND REPORTS

Contractor shall maintain full and accurate records with respect to all matters covered under this Agreement. To the extent permitted by law, County shall have free access at all proper times or until the expiration of four (4) years after the furnishing of services to such records, and the right to examine and audit the same and to make transcripts therefrom, and to inspect all data, documents, proceedings, and activities pertaining to this Agreement.

To the extent permitted by law, Contractor shall furnish County such periodic reports as County may request pertaining to the work or services undertaken pursuant to this Agreement. The costs and obligations incurred or to be incurred in connection therewith shall be borne by the Contractor.

15. OWNERSHIP OF DOCUMENTS

To the extent permitted by law, all technical data, evaluations, plans, specifications, reports, documents, or other work products developed by Contractor hereunder are the exclusive property of County and upon request of County shall be delivered to County upon completion of the services authorized hereunder. In the event of termination, all finished or unfinished documents and other materials, if any, at the option of County, and to the extent permitted by law, shall become the property of the County. Contractor may retain copies thereof for its files and internal use.

Any publication of information directly derived from work performed or data obtained in connection with services rendered under this Agreement must be first approved by County.

16. QUALITY OF SERVICE

Contractor shall perform its services with care, skill, and diligence, in accordance with the applicable professional standards currently recognized by such profession, and shall be responsible for the professional quality, technical accuracy, completeness, and coordination of all reports, designs, drawings,

plans, information, specifications, and/or other items and services furnished under this Agreement.

Contractor shall, without additional compensation, correct or revise any errors or deficiencies immediately upon discovery in its reports, drawings, specifications, designs, and/or other related items or services.

17. PERSONAL SATISFACTION AS A CONDITION PRECEDENT

The obligations of County as provided in this Agreement are expressly conditioned upon Contractor's compliance with the provisions of this Agreement to the personal satisfaction of the County. County shall determine compliance in good faith as a reasonable person would under the circumstances.

18. ENTIRE AGREEMENT

This Agreement and any additional or supplementary document or documents incorporated herein by specific reference contain all the terms and conditions agreed upon by the parties hereto, and no other contracts, oral or otherwise, regarding the subject matter of this Agreement or any part thereof shall have any validity or bind any of the parties hereto.

19. PRICING

If the FOCUS partnering contractor's prices decline, or should Contractor, at any time during the term of this Agreement, provide the same or similar goods or services under similar quantity and delivery conditions and terms and conditions of purchase to the State of California or any county, municipality or district of the state at prices below those set forth in this Agreement, then such lower prices shall be immediately extended to Merced County and the FOCUS users up to and including date of shipment from Contractor's shipping point.

20. COUNTY NOT OBLIGATED TO THIRD PARTIES

County shall not be obligated or liable hereunder to any party other than Contractor.

21. LAWS, LICENSES, PERMITS AND REGULATIONS

Contractor and County agree to comply with all State laws and regulations that pertain to construction, health and safety, labor, minimum wage, fair employment practice, equal opportunity, and all other matters applicable to Contractor and County, their sub-grantees, Contractors, or subcontractor, and their work.

Contractor shall possess and maintain all necessary licenses, permits, certificates and credentials required by the laws of the United States, the State of

California, County of Merced and all other appropriate governmental agencies, including any certification and credentials required by County. Failure to maintain the licenses, permits, certificates, and credentials shall be deemed a breach of this Agreement and constitutes grounds for the termination of this Agreement by County.

22. LIMITED AFFECT OF WAIVER OR PAYMENT

In no event shall the making, by County, of any payment to Contractor constitute, or be construed as, a waiver by County of any breach of covenant, or any default which may then exist, on the part of Contractor. The making of any such payment by County while any such breach or default shall exist, shall not be construed as acceptance of substandard or careless work or as relieving Contractor from its full responsibility under this Agreement.

No waiver by either party of any default, breach or condition precedent shall be valid unless made in writing and signed by the parties hereto. No oral waiver of any default, breach or condition precedent shall be binding on any of the parties hereto. Waiver by either party of any default, breach or condition precedent shall not be construed as a waiver of any other default, breach or condition precedent, or any other right hereunder.

23. PERSONNEL

Contractor represents that it has, or will secure at its own expense, all personnel required in performing the services under this Agreement. All of the services required hereunder will be performed by Contractor or under its supervision, and all personnel engaged in the work shall be qualified to perform such services.

24. APPLICABLE LAW; VENUE

All parties agree that this Agreement and all documents issued or executed pursuant to this Agreement as well as the rights and obligations of the parties hereunder are subject to and governed by the laws of the State of California in all respects as to interpretation, construction, operation, effect and performance. No interpretation of any provision of this Agreement shall be binding upon County unless agreed in writing by County and counsel for County.

Notwithstanding any other provision of this Agreement, any disputes concerning any question of fact or law arising under this Agreement or any litigation or arbitration arising out of this Agreement, shall be tried in Merced County, unless the parties agree otherwise or are otherwise required by law.

25. BREACH OF CONTRACT

Upon breach of this Agreement by Contractor, County shall have all remedies available to it both in equity and/or at law.

26. REMEDY FOR BREACH AND RIGHT TO CURE

Notwithstanding anything else in this Agreement to the contrary, if Contractor fails to perform any obligation of this Agreement, the County may itself perform, or cause the performance of, such agreement or obligation. In that event, Contractor will, on demand, fully reimburse County for all such expenditures. Alternatively, County, at its option, may deduct from any funds owed to Contractor the amount necessary to cover any expenditures under this provision. This is in addition to any other remedies available to the County by law or as otherwise stated in this Agreement.

27. SUCCESSORS IN INTEREST

All the terms, covenants, and conditions of this Agreement shall be binding and in full force and effect upon any successors in interest and assigns of the parties hereto. This paragraph shall not be deemed as a waiver of any of the conditions against assignment set forth herein.

28. CONFLICT OF INTEREST

Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of this Agreement. Contractor shall ensure that no conflict of interest exists between its officers, employees, or subcontractors, and the County. Contractor shall ensure that no County officer or employee in a position that enables them to influence this Agreement will have any direct or indirect financial interest resulting from this Agreement. Contractor shall ensure that no County employee shall have any relationship to the Contractor or officer or employee of the Contractor, nor that any such person will be employed by Contractor in the performance of this Agreement without immediate divulgence of such fact to the County.

29. NONDISCRIMINATION IN EMPLOYMENT, SERVICES, BENEFITS AND FACILITIES

Contractor and any subcontractors shall comply with all applicable federal, state, and local Anti-discrimination laws, regulations, and ordinances and shall not unlawfully discriminate, deny family care leave, harass, or allow harassment against any employee, applicant for employment, employee or agent of County, or recipient of services contemplated to be provided or provided under this Agreement, because of race, ancestry, marital status, color, religious creed,

political belief, national origin, ethnic group identification, sex, sexual orientation, age (over 40), medical condition (including HIV and AIDS), or physical or mental disability. Contractor shall ensure that the evaluation and treatment of its employees and applicants for employment, the treatment of County employees and agents, and recipients of services are free from such discrimination and harassment.

Contractor represents that it is in compliance with and agrees that it will continue to comply with the Americans with Disabilities Act of 1990 (42 U.S.C. § 12101 et seq.), the Fair Employment and Housing Act (Government Code §§ 12900 et seq.), and ensure a workplace free of sexual harassment pursuant to Government Code 12950 and regulations and guidelines issued pursuant thereto.

Contractor agrees to compile data, maintain records and submit reports to permit effective enforcement of all applicable antidiscrimination laws and this provision.

Contractor shall include this nondiscrimination provision in all subcontracts related to this Agreement and when applicable give notice of these obligations to labor organizations with which they have Agreements.

30. CAPTIONS

The captions of each paragraph in this Agreement are inserted as a matter of convenience and reference only, and in no way define, limit, or describe the scope or intent of this Agreement or in any way affect it.

31. SUBCONTRACTS - ASSIGNMENT

Contractor shall not subcontract or assign this Agreement, or any part thereof, or interest therein, directly or indirectly, voluntarily or involuntarily, to any person without obtaining the prior written consent by County. Contractor remains legally responsible for the performance of all contract terms including work performed by third parties under subcontracts. Any subcontracting will be subject to all applicable provisions of this Agreement. Contractor shall be held responsible by County for the performance of any subcontractor whether approved by County or not.

Contractor hereby assigns to the County all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from the purchase of goods, materials, or services by the Contractor for sale to the County pursuant to this Agreement.

32. SEVERABILITY

If a court of competent jurisdiction holds any provision of this Agreement to be illegal, unenforceable or invalid, in whole or in part, for any reason, the validity and enforceability of the remaining provisions, or portion of them, will not be affected. Compensation due to Contractor from the County may, however, be adjusted in proportion to the benefit received despite the removal of the effected provision.

33. DUPLICATE COUNTERPARTS

This Agreement may be executed in duplicate counterparts, each of which shall be deemed a duplicate original. The Agreement shall be deemed executed when it has been signed by both parties.

EXHIBIT C

City's Insurance and Indemnity

Exhibit C

Insurance and Indemnity

INDEMNIFICATION

To the furthest extent allowed by law, VENDOR shall indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by CITY, VENDOR or any other person, and from any and all claims, demands and actions in law or equity (including reasonable attorney's fees, litigation expenses and cost to enforce this agreement), arising or alleged to have arisen directly or indirectly out of performance of this Contract. VENDOR'S obligations under the preceding sentence shall apply regardless of whether CITY or any of its officers, officials, employees, agents or volunteers are passively negligent, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused by the active or sole negligence, or the willful misconduct, of CITY or any of its officers, officials, employees, agents or volunteers.

If VENDOR should subcontract all or any portion of the work to be performed under this Contract, VENDOR shall require each subcontractor to indemnify, hold harmless and defend CITY and each of its officers, officials, employees, agents and volunteers in accordance with the terms of the preceding paragraph.

This section shall survive termination or expiration of this Contract.

INSURANCE REQUIREMENTS

(a) Throughout the life of this Agreement, VENDOR shall pay for and maintain in full force and effect all insurance as required herein with an insurance company(ies) either (i) admitted by the California Insurance Commissioner to do business in the State of California and rated no less than "A-VII" in the Best's Insurance Rating Guide, or (ii) as may be authorized in writing by CITY'S Risk Manager or his/her designee at any time and in his/her sole discretion. The required policies of insurance as stated herein shall maintain limits of liability of not less than those amounts stated therein. However, the insurance limits available to CITY, its officers, officials, employees, agents and volunteers as additional insureds, shall be the greater of the minimum limits specified therein or the full limit of any insurance proceeds to the named insured.

(b) If at any time during the life of the Agreement or any extension, VENDOR or any of its subcontractors fail to maintain any required insurance in full force and effect, all services and work under this Agreement shall be discontinued immediately, and all payments due or that become due to VENDOR shall be withheld until notice is received by CITY that the required insurance has been restored to full force and effect and that the premiums therefore have been paid for a period satisfactory to CITY. Any failure to maintain the required insurance shall be sufficient cause for CITY to terminate this

Agreement. No action taken by CITY pursuant to this section shall in any way relieve VENDOR of its responsibilities under this Agreement. The phrase "fail to maintain any required insurance" shall include, without limitation, notification received by CITY that an insurer has commenced proceedings, or has had proceedings commenced against it, indicating that the insurer is insolvent.

(c) The fact that insurance is obtained by VENDOR shall not be deemed to release or diminish the liability of VENDOR, including, without limitation, liability under the indemnity provisions of this Agreement. The duty to indemnify CITY shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by VENDOR. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of VENDOR, vendors, suppliers, invitees, contractors, sub-contractors, subcontractors, or anyone employed directly or indirectly by any of them.

information, alteration of electronic information, extortion and network security. The policy shall provide coverage for breach response costs as well as regulatory fines penalties and credit monitoring expenses with limits sufficient to respond to these obligations.

In addition, such Umbrella or Excess insurance policy(ies) shall also apply on a primary and non-contributory basis for the benefit of the CITY, its officers, officials, employees, agents and volunteers.

DEDUCTIBLES AND SELF-INSURED RETENTIONS

(v) Should any of these policies provide that the defense costs are paid within the Limits of Liability, thereby reducing the available limits by defense costs, then the requirement for the Limits of Liability of these policies will be twice the above stated limits.

(vi) All insurance policies required herein shall contain, or be endorsed to contain, a waiver of subrogation as to CITY, its officers, officials, agents, employees and volunteers.

4. A copy of the claims reporting requirements must be submitted to CITY for review.
5. These requirements shall survive expiration or termination of the Agreement.

Should any of these policies provide that the defense costs are paid within the Limits of Liability, thereby reducing the available limits by defense costs, then the requirement for the Limits of Liability of these policies will be twice the above stated limits.

PROVIDING OF DOCUMENTS

VENDOR shall furnish CITY with all certificate(s) and applicable endorsements effecting coverage required herein. All certificates and applicable endorsements are to be received and approved by the CITY'S Risk Manager or his/her designee prior to CITY'S execution of the Agreement and before work commences. All non-ISO endorsements amending policy coverage shall be executed by a licensed and authorized agent or broker. Upon request of CITY, VENDOR shall immediately furnish CITY with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement. All subcontractors working under the direction of VENDOR shall also be required to provide all documents noted herein.
