### Current Situation

All bid responses have been evaluated by H-GAC staff. Twenty bids (consisting of seventy-four vendors) are being recommended for award. Request authorization of contracts with the lowest responsible bidders for product items as summarized in the Award Recommendation Table and, as may be applicable, to extend contract assignments to other authorized entities during the contract period. If an awarded bidder fails to execute a contract within forty-five days, fails to maintain required licenses, or is determined to be ineligible, authorization is requested to contract with the next lowest responsible bidder.
