Agenda Item: ID#19-1420 (1:30 PM #2)

Date: 5/2/2019

2019 APR 31 A 10:12
CITY OF FRESNO
CITY CLERK'S OFFICE

FRESNO CITY COUNCIL

Supplemental Information Packet

Agenda Related Item(s) – ID#19-1420 (1:30 PM #2)

Contents of Supplement: Letters of Support

Item(s)

HEARING to Consider Acceptance of the Southern Blackstone Avenue Smart Mobility Strategy

1. ADOPT a finding that there is no possibility that acceptance of the Southern Blackstone Avenue Smart Mobility Strategy will have a significant effect on the environment and is exempt from CEQA pursuant to CEQA Guidelines Section 15061(b)(3);
2. RESOLUTION – Accepting the Southern Blackstone Avenue Smart Mobility Strategy.

Supplemental Information:

Any agenda related public documents received and distributed to a majority of the City Council after the Agenda Packet is printed are included in Supplemental Packets. Supplemental Packets are produced as needed. The Supplemental Packet is available for public inspection in the City Clerk's Office, 2600 Fresno Street, during normal business hours (main location pursuant to the Brown Act, G.C. 54957.5(2)). In addition, Supplemental Packets are available for public review at the City Council meeting in the City Council Chambers, 2600 Fresno Street. Supplemental Packets are also available on-line on the City Clerk's website.

Americans with Disabilities Act (ADA):

The meeting room is accessible to the physically disabled, and the services of a translator can be made available. Requests for additional accommodations for the disabled, sign language interpreters, assistive listening devices, or translators should be made one week prior to the meeting. Please call City Clerk's Office at 621-7650. Please keep the doorways, aisles and wheelchair seating areas open and accessible. If you need assistance with seating because of a disability, please see Security.

1. Name: Jimmy Barboza
2. Address:
3. Major Cross Street:

Dear Fresno City Council:

I would like to state my support for the Southern Blackstone Avenue Smart Mobility Strategy Concept (ID 19-1420), which will be considered on May 2nd (Thurs), at 1:30 pm, according to Council Meeting Agenda schedule.

I care about Blackstone because I am a stakeholder/resident of the Blackstone area, with a strong invested interest in its betterment. A lot of what I do and how I live involves Blackstone.

I also participated in the Southern Blackstone Smart Mobility process in many ways, but most importantly, by attending the Multi-Day Charrette, Workshops, and/or Open Houses. I also helped get the word out by talking to my neighbors and asking them to come to the meetings.

I believe the strategy reflects what me and my neighbors want to see on Blackstone. It will make Blackstone safer, the sidewalks more walkable, better crossing points, a path for bikes, more effective street lights and signage, reduced pedestrian-involved accidents, and stimulated economic activity.

As a constituent who values your leadership and who's active in the community, I am asking you to please accept the strategy

Sincerely,

Jimmy Barboza

Members of the Council,

In the past few years, I have attended a number of community meetings at which the Southern Blackstone Avenue Smart Mobility Strategy was developed. I hope you will listen carefully to the information presented today and then endorse this vision for a revitalized Blackstone. As a resident of central Fresno, all my neighbors and I are directly affected by the city planning policies you adopt. When one drives north, it is clear that many newer neighborhoods have been planned, so that cars, bikes, and pedestrians coexist comfortably. The Smart Mobility Strategy brings this same idea to Blackstone, encouraging the presence of pedestrians and bicyclists while still allowing a high volume of cars. These changes would be a boon for the businesses that line the avenue. How so? In large part because a more attractive and safe Blackstone will have a positive effect upon the adjacent neighborhoods. Blackstone and its businesses do not exist in a vacuum. When the surrounding neighborhoods deteriorate, this deterioration finds its way to Blackstone and over time has a detrimental effect on businesses located there. Today's proposal advocates for in-fill housing, bike lanes, improved lighting, and street landscaping—all elements endorsed by the city's General Plan adopted in 2015.

It is time for the City to have a well-thought out, research-based vision for Blackstone Avenue. The Southern Blackstone Avenue Smart Mobility Strategy is that vision. This is based on research and best practices in city planning, and was developed with the input of many stakeholders. I hope you will seize this moment to move Fresno forward and vote to endorse this vision.

Sincerely,

Clare Statham
District 7 Resident

I believe the strategy reflects what me and my neighbors want to see on Blackstone. It will make Blackstone safer, the sidewalks more walkable, better crossing points, a path for bikes, more effective street lights and signage, reduced pedestrian-involved accidents, and stimulated economic activity.

As a constituent who values your leadership and who's active in the community, I am asking you to please accept the strategy

Sincerely,

Mary Powell

1. Name: Luis Hernandez Ramirez
2. Address: 310 N. 9th St. #102 Fresno, CA 93702
3. Major Cross Street: Belmont + Cedar.

Dear Fresno City Council:

I would like to state my support for the Southern Blackstone Avenue Smart Mobility Strategy Concept (ID 19-1420), which will be considered on May 2nd (Thurs), at 1:30 pm, according to Council Meeting Agenda schedule.

I care about Blackstone because I am a stakeholder/resident of the Blackstone area, with a strong invested interest in its betterment. A lot of what I do and how I live involves Blackstone.

I also participated in the Southern Blackstone Smart Mobility process in many ways, but most importantly, by attending the Multi-Day Charrette, Workshops, and/or Open Houses. I also helped get the word out by talking to my neighbors and asking them to come to the meetings.

I believe the strategy reflects what me and my neighbors want to see on Blackstone. It will make Blackstone safer, the sidewalks more walkable, better crossing points, a path for bikes, more effective street lights and signage, reduced pedestrian-involved accidents, and stimulated economic activity.

As a constituent who values your leadership and who's active in the community, I am asking you to please accept the strategy

Sincerely,

A handwritten signature in blue ink, appearing to read "Luis Hernandez Ramirez", with a long horizontal flourish extending to the right.
