

**CITY OF FRESNO
PLANNING AND DEVELOPMENT DEPARTMENT**

CONDITIONS OF APPROVAL

SEPTEMBER 16, 2020

**VESTING TENTATIVE TRACT MAP No. 6299/UGM
“A PLANNED DEVELOPMENT”**

SOUTHEAST CORNER OF EAST BELMONT AND NORTH ARMSTRONG AVENUES

All vesting tentative tract maps are subject to the applicable provisions of the State Subdivision Map Act, Fresno Municipal Code (FMC), City policies, and City of Fresno Standard Specifications. The following specific conditions are applicable to this vesting tentative tract map:

NOTICE TO PROJECT APPLICANT

In accordance with the provisions of Government Code §66020(d)(1), the imposition of fees, dedications, reservations or exactions for this project are subject to protest by the project applicant at the time of approval or conditional approval of the development or within 90 days after the date of the imposition of the fees, dedications, reservations or exactions imposed on the development project.

GENERAL CONDITIONS

1. Upon conditional approval of Vesting Tentative Tract Map No. 6299/UGM, a 218-lot single-family residential subdivision dated June 24, 2020, the subdivider may prepare a Final Map in accordance with the approved vesting tentative map.
 - a. Approval of Vesting Tentative Tract Map No. 6299/UGM is contingent upon City Council approval of Plan Amendment-Rezone Application No. P20-00577.
 - b. Approval of Vesting Tentative Tract Map No. 6299/UGM is contingent upon City Council approval of related Planned Development Application No. P20-00845.
2. Prior to final map approval, the subdivider shall execute a “Right to Farm” covenant with the City of Fresno. Said covenant is to run with the land and shall acknowledge and agree that the subject property is in or near agricultural districts located in the City and/or County of Fresno and that the residents of the subject property should be prepared to accept the inconveniences and discomfort

associated with normal farm activities. The "Right to Farm" covenant shall be recorded prior to or concurrent with the recording of any Final Map of Vesting Tentative Tract Map No. 6299/UGM.

3. Submit grading plans and a soils report to the City of Fresno Planning and Development Department, Development Services (Planning) Division for verification prior to Final Map approval. Grading plans shall indicate the location of any required walls and indicate the proposed width of required landscape easements or strips. Approval of the grading plan is required prior to Final Map approval.
4. At the time of Final Map submittal, the subdivider shall submit engineered construction plans to the City of Fresno Public Works, Public Utilities, and Planning and Development Departments for grading, public sanitary sewer system, public water system, street lighting system, public streets, and storm drainage, including other technical reports and engineered plans as necessary to construct the required public improvements and work and applicable processing fees.
5. Engineered construction plans shall be approved by the City prior to the approval of the Final Map. If, at the time of Final Map approval, such plans have not been approved, the subdivider shall provide performance security in an amount established by the City to guarantee the completion of plans.
6. Public utilities easements, as necessary, shall be shown on the Final Map and dedicated to the City of Fresno. Public utility easements beyond the limits of the Final Map, but required as a condition of development, shall be acquired at the subdivider's cost and shall be dedicated by separate instrument at the time of Final Map approval. The relocation of existing utilities necessitated by the required public improvements shall be paid for by the subdivider. The subdivider is responsible to contact the appropriate utility company for information.
7. Comply with the conditions, policies and standards set forth in the City of Fresno, Municipal Code, Part IV, Chapter 15, "Land Divisions;" Resolution No. 68-187, "City Policy with Respect to Subdivisions;" and City of Fresno Standard Specifications, 2002 Edition, and any amendments thereto.
8. The developer/owner shall pay applicable fees for, but not limited to, plan checks for street improvements and other grading and construction; street trees, street signs, water and sewer service, and inspections in accordance with the City of Fresno Master Fee Schedule (City Resolution No. 79-606 and No. 80-420) and

any amendments, modifications, or additions thereto; and in accordance with the requirements of State law as related to vesting tentative maps.

9. The subdivider shall furnish to the City acceptable security to guarantee the construction of the off-site street improvements in accordance with all applicable provisions of the Fresno Municipal Code (FMC) and the State Subdivision Map Act. The subdivider shall complete all the public improvements prior to the approval of the Final Map by the City. If, at the time of Final Map approval, any public improvements have not been completed and accepted in accordance with the standards of the City, the subdivider may elect to enter into an agreement with the City to thereafter guarantee the completion of the improvements.
10. As a condition of Final Map approval, the subdivider shall furnish to the City a subdivision guarantee listing all parties having any right, title or interest and the nature of their interest per State law.
11. Planned Development Permit No. P20-00845, filed to establish a 218-lot planned development shall be approved prior to final map approval.
12. This application is subject to compliance with the mitigation measures established by the adoption of the Mitigated Negative Declaration prepared for Environmental Assessment No. P20-00577/P20-00845/T-6299 dated June 26, 2020.

GENERAL INFORMATION

13. When the grading plan establishes a top of slope beyond the required landscape easement noted and the construction of the required wall is to be established coincident with the top of slope, then the required minimum easement width shall be expanded to include the full landscaped area up to the wall location.
14. The long term maintenance of all the items listed below is the ultimate responsibility of the landowner/developer:
 - a. The property owner shall be responsible for providing for the maintenance of all landscaping and hardscaping located within the proposed Outlots associated with the proposed project.
 - b. The property owner shall be responsible for providing for the maintenance of all landscaping and hardscaping located in any entry median island or traffic medians located within the project.

- c. The property owner shall be responsible for providing for the maintenance of the curbs and gutters, valley gutter, sidewalks, street lights and street signage within any local public street rights-of-way associated with the project.
 - d. The property owner shall be responsible for providing for the maintenance of all street trees within any local public street rights-of-way associated with the project.
15. Maintenance of the required landscape easements, streets, curbs and gutters, sidewalks, medians, and street furniture may be the responsibility of the City's Community Facilities District. Contact the Public Works Department, Engineering Services Division at (559) 621-8695 for information regarding the City's Community Facilities District. The property owner(s) may petition the City for annexation to the City's Community Facilities District prior to Final Map approval.
16. If the developer/subdivider elects to petition for annexation into the City's Community Facilities District, the subdivider/owner shall be required to provide the City of Fresno, Department of Public Works, with copies of signed acknowledgements from each purchaser of a lot within the subdivision, attesting to the purchasers understanding that the lot will have an annual maintenance assessment and that he/she is aware of the estimated amount of the assessment. The subdivider/owner shall execute and record a covenant on each lot providing notice that the subject property is subject to annual payment of the Community Facilities District assessment.
17. Should the City Council not approve the annexation of any or all of the maintenance items listed above, then the property owner/subdivider shall create a homeowners association for the maintenance of these items and proposed private streets, utilities, and walls/gates. The proposed Declaration of Covenants, Conditions, and Restrictions (CC&Rs) and the proposed instruments for the homeowners association shall be submitted to the Planning and Development Department for review two weeks prior to Final Map approval. Said documents shall be recorded with the Final Map or alternatively submit recorded documents or documents for recording prior to final acceptance of subdivision improvements. Said documents shall include assignment of responsibility to the homeowners association for landscaping and other provisions as stated in the Planning and Development Department Guidelines for preparation of CC&Rs dated January 11, 1985.
18. The proposed landscape and pedestrian easements along the major street frontages and major street entryways of the subdivision shall be identified as Outlots to be dedicated to the City of Fresno, in fee, for public landscape,

pedestrian and utility purposes on the Final Map. The City Engineer may discretionarily require modification to other public easements proposed when/where such easements are preferred to be identified as Outlots to be dedicated to the City, in fee.

Walls/Fences/Landscaping/Open Space

19. Provide and dedicate a minimum 20-foot wide landscape outlot for public landscape purposes (and irrigation system) along the northern property lines of all lots with frontage along East Belmont Avenue. The 20-foot wide landscape outlot shall be located adjacent to the "sidewalk pattern" within the adjacent public street rights-of-way and shall incorporate street trees to shade the adjacent sidewalks in accordance with Public Works standards, specifications, and policies.
20. Provide and dedicate a trail consistent with Public Works Standards and comments provided relative to the trail on the Public Works Department memorandum dated July 10, 2020. The location of the trail shall align along the east side of North Armstrong Avenue between East Belmont Avenue and the existing trail alignment south of East Fancher Creek Drive.
21. The open space area labeled as Outlot B shall be surrounded by 6-inch curb and gutter, at a minimum.
22. Construct a 7-foot high decorative solid masonry wall (at finished grade of proposed site) pursuant to the solid wall requirements of Section 15-2006 of the FMC. The decorative wall shall be located behind the required 20-foot wide landscape outlot along the northern property lines of all lots with frontage along East Belmont Avenue (lots 1 through 9, and 56 through 65), along all rear property lines along North Armstrong Avenue (lots 10 through 13), and along all rear property lines of the southern subdivision boundary (lots 14 through 33, and 150 through 165).
23. Provide a minimum 7-foot high decorative solid masonry wall along the side property lines of Outlots I and J with a maximum of 3 feet in height within the front yard setback area.
24. The construction of all solid masonry walls shall comply with the mitigation measures and the "Sound Wall locations" exhibit of the Acoustical Analysis Study dated February 19, 2020.

25. When the street side yard faces the front yard of a home across the street, a minimum landscape easement of 5 feet is required, unless a 4-foot park strip is provided between the curb and sidewalk. A minimum 6-foot masonry wall shall be placed at the rear of the landscape easement. An opening in the masonry wall may be permitted to provide a gate for access if approved by the Public Works Director. This requirement applies to lots 75, 76, 92, 93, 102, 103, 114, 115, 129, 138, 198, 199, 206, 207, 209 and 214-218 (Pursuant to Section 15-4105.G.2.b of the FMC).

With the exception of those areas which may be eligible for inclusion within the Community Facilities District (CFD) as referenced hereinabove, obligations for retention and maintenance of required end-block landscaped areas or strips for all corner lots shall be the responsibility of the respective property owner(s) on which the landscaped area is located

- a. Execute a covenant for all properties for which retention and maintenance of an end-block landscaped area or strip on a corner lot, in accordance with Section 15-4105.G.2.b of the FMC, is the responsibility of the respective property owner prior to recordation of a Final Map.
- NOTE: The covenant shall disclose and acknowledge all responsibilities associated with these conditions of approval to prospective buyers when individual lots are sold and identify terms, as appropriate, to assure compliance. The covenant shall be prepared in a form approved by the City of Fresno.
26. When a Local Street intersects a Major Street and the corner lot sides onto the Local Street, the corner lot shall provide a 10-foot wide landscape outlot. A minimum 6-foot masonry wall shall also be placed at the rear of the landscape outlot. This requirement applies to lots 1, 56, and 65 (Pursuant to Section 15-4105.G.2.a).
- a. Street trees shall be planted at the minimum rate of one tree for each 60 feet of street frontage; or, one tree per home (whichever is greater) by the developer.
- i. The subdivider is required to provide irrigation for all street trees. The irrigation system shall comply with FMC Section 15-2309.
- NOTE: Irrigation systems shall comply with the requirements of the California Green Building Standards Code and/or the California Model

Water Efficient Landscape Ordinance and/or California Plumbing Code, as may be amended.

27. The proposed landscape and pedestrian easements along the Major Street frontages and Major Street entryways of the subdivision shall be identified as Outlots to be dedicated to the City of Fresno, in fee, for public landscape, pedestrian and utility purposes on the Final Map. The City Engineer may discretionarily require modification to other public easements proposed when/where such easements are preferred to be identified as Outlots to be dedicated to the City, in fee.
28. Provide a corner cut-off area at all street intersections in accordance with the requirements of the Fresno Municipal Code. Corner cut-offs are established to provide an unobstructed view for vehicular and pedestrian traffic approaching an intersection. They are a triangular area formed by the property lines and a diagonal line adjoining points on the property lines, measured a specific distance from the point of their intersection.

Lot Dimensions

29. Lot dimensions shall match those depicted on Vesting Tentative Tract Map No. 6299/UGM dated June 24, 2020, excepting changes as required per the conditions of approval.
30. The minimum depth of all lots abutting State Route 180 shall be allowed to be no less than 70'.

Lot Coverage

31. Lot coverage shall not exceed that shown on Exhibit A-1 dated July 15, 2020 of Planned Development Application No. P20-00845. Additionally, lot coverage shall comply with the requirements of the Fresno Metropolitan Flood Control District.

Building Height

32. The maximum building height allowed is 35' pursuant to the requirements of the Fresno Municipal Code.

Building Setbacks

33. Building setbacks shall be in accordance with Exhibit A-1 dated July 15, 2020 of Planned Development Application No. P20-00845, unless otherwise noted in these conditions:

Front yard:	10' to living space, 18' to garage to back of sidewalk
Garage, from primary façade:	2'
Interior side yard:	3' per side, 8' total
Street side yard (standard lot):	10'
Street side yard (reverse corner lot):	13'
Rear yard:	10'

INFORMATION

34. Prior to the issuance of building permits for the subdivision, school construction fees shall be paid to the Clovis Unified School District in accordance with the school district's adopted schedule of fees.
35. Contact the United States Postal Service for the location and type of mailboxes to be installed in this subdivision.
- a. It is recommended that at least 6 months prior to the first occupancy, the Developer shall contact the local United States Postal Service representative to complete a Mode of Delivery Agreement for New Construction. The Mode of Delivery Agreement must have a District approval signature to be valid. In addition to completing the Agreement, the Developer shall provide a final map (with address details) to the local USPS representative. The Developer shall, at their own expense, procure, construct and install all mail receptacle facilities for each location as specified and approved by the USPS.
36. Pursuant to Section 66456.1 of the Subdivision Map Act, which states "The right of the subdivider to file multiple Final Maps shall not limit the authority of the local agency to impose reasonable conditions relating to the filing of multiple Final Maps," multiple final maps filed by the subdivider on this tract shall fully and

independently conform to all provisions of the Fresno Municipal Code, Subdivision of Real Property.

37. The developer/owner shall obtain any and all permits required for the removal or demolition of any existing building or structure located within the subdivision boundaries. The developer/owner shall also obtain any and all permits required for the proper abandonment/closure of any existing water well, septic tank/leach field or cesspool, and irrigation pipeline on the subject property. All such permits shall be obtained prior to commencement of tract grading work, in accordance with Chapter 13 of the Fresno Municipal Code.
38. If archaeological and/or animal fossil material is encountered during project surveying, grading, excavating, or construction, work shall stop immediately.
39. If there are suspected human remains, the Fresno County Coroner shall be immediately contacted (business hours: (559) 269-0109; after hours the contact phone number is (559) 488-3111 for the Fresno County Sheriff's Department). If remains or other archaeological material is possibly Native American in origin, the Native American Heritage Commission (phone number (916) 653-4082) shall be immediately contacted, and the California Archaeological Inventory/Southern San Joaquin Valley Information Center (phone number (805) 644-2289) shall be contacted to obtain a referral list of recognized archaeologists.
40. If animal fossils are uncovered, the Museum of Paleontology at the University of California, Berkeley shall be contacted to obtain a referral list of recognized paleontologists. An assessment shall be conducted by a paleontologist; if the paleontologist determines the material to be significant, a recommendation shall be made to the City as to any further site investigation or preservation measures.
41. Apportionment of Special Assessment: If, as part of this subdivision, a division will be made of any lot or parcel of land upon which there is an unpaid special assessment levied under any State or local law, including a division into condominium interest as defined in Section 783 of the Civil Code, the developer owner shall file a written application with the City of Fresno Director of Public Works, requesting apportionment of the unpaid portion of the assessment or pay off such assessment in full. If the subdivider elects to apportion the assessment, the application shall contain the following information:
 - a. A full description of each assessed lot, parcel or interest to be divided and of how such lot, parcel or interest will be divided;

- b. A request that the Engineer apportion the amount remaining unpaid on the assessment in accordance with applicable law; and
 - c. Written consent of the owner(s) of each such lot, parcel, or interest to the requested apportionment.
 - d. The application shall be filed prior to the approval of the Final Map(s) by the City and shall be accompanied by a fee in an amount specified in the Master Fee Resolution for each separate lot, parcel, or interest into which the original assessed lot, parcel, or interest is to be divided. The fee shall be in an amount sufficient to pay all costs of the City and the Engineer of Work responsible for determining the initial assessment in making the requested apportionment.
42. The subdivider shall comply with Regulation VIII of the San Joaquin Valley Air Pollution Control District for the control of particulate matter and fugitive dust during construction of this project.
43. Solid waste disposal for the subdivision shall be provided by the City of Fresno. The method of collection to be utilized in this tract shall be subject to approval of the Solid Waste Manager (see below-noted conditions).

PARK SERVICE

44. Comply with all of the requirements from the Public Works Department memorandum dated June 25, 2020.

COMMUNITY FACILITIES DISTRICT

45. Comply with all of the requirements from the Public Works Department memorandum dated April 1, 2020.

FIRE SERVICE

46. Comply with all of the requirements from the Fire Department memorandum dated April 9, 2020.

SOLID WASTE SERVICE

47. Comply with all of the requirements from the Public Utilities Department memorandum dated April 14, 2020.

STREETS AND RIGHTS-OF-WAY

48. The subdivider shall furnish to the City acceptable security to guarantee the construction of the off-site street improvements in accordance with all applicable provisions of the FMC and the State Subdivision Map Act.
49. The subdivider shall make provisions for disabled persons in accordance with the Department of Public Works standards and as required by State law. Handicap access ramps are required to be constructed in sidewalks at all corners within the limits of the tract. Where street furniture is located within the sidewalk area (fire hydrants, streetlights, etc.), a minimum of 48 inches of unobstructed path shall be maintained to satisfy the American Disabilities Act requirements. If necessary, dedicate a pedestrian easement to accommodate for the 4-foot minimum unobstructed path requirement.
50. All of the required street improvements shall be constructed and/or installed in accordance with the City of Fresno Standard Specifications (2002 Edition). The following shall be submitted as a single package to the Public Works Department for review and approval:
 - a. Signing and striping plans (per current California Department of Transportation standards);
 - b. Street Construction Plans; and
 - c. Landscape and irrigation plans.
51. The subdivider shall construct an underground street lighting system per Public Works Standards within the limits of the tract. Spacing and design shall conform to Public Works Standards. Height, type, spacing, etc., of standards and luminaries shall be in accordance with Resolution No. 68-187, 78-522, 81-219, and 88-229 or any modification thereto approved by the City Traffic Engineer prior to Final Map approval. Upon completion of the work by the subdivider and acceptance of the work by the City, the street lighting system shall be dedicated to the City. Submit engineered construction plans to the Public Works Department for approval.
52. All dead-end streets created by this subdivision shall be properly barricaded in accordance with City standards within seven days from the time the streets are surfaced or as directed by the City Engineer.

53. The developer shall comply with Rule 8060 of the San Joaquin Valley Air Pollution Control District for the control of fugitive dust requirements from paved and unpaved roads.
54. Comply with all of the requirements from the Public Works Department memorandum dated April 23, 2020 and July 10, 2020.

SANITARY SEWER SERVICE

55. Comply with all of the requirements from the Public Utilities Department memorandum dated April 14, 2020.

WATER SERVICE

56. Comply with all of the requirements from the Public Utilities Department memorandum dated April 20, 2020.

URBAN GROWTH MANAGEMENT REQUIREMENTS (GENERAL)

57. The developer of property located within the Urban Growth Management (UGM) boundaries shall comply with all sewer, water, and street requirements and pay all applicable UGM fees imposed under the UGM process (with appropriate credit given for the installation of required UGM improvements) in accordance with the requirements of State Law as related to vesting tentative tract maps.
58. The developer will be responsible for the relocation or reconstruction of any existing improvements or facilities necessary to construct any of the required UGM improvements.

RIGHT-OF-WAY ACQUISITION

59. The developer will be responsible for the acquisition of any necessary right-of-way to construct any of the required improvements.
60. Rights-of-way acquisition shall include any rights-of-way necessary for proper drainage, signing, pole relocation, and shoulder grading. In general, this will require right-of-way to be provided approximately 10 feet outside the travel lane. The exact requirement must be determined at the project design stage based on the existing conditions and detailed design information.
61. In the event an acquisition not be accomplished by the subdivider prior to Final Map approval, the subdivider must request and grant to the City the full authority

to attempt acquisition either through negotiation or through its power of eminent domain. The subdivider shall furnish to the City Public Works Department, Engineering Division/Real Estate Section, an appraisal report or a request for an estimated appraisal amount (to be determined by the City of Fresno Real Estate Section) prior to preparation of a Subdivision Agreement.

62. The subdivider/owner shall submit adequate security in the form of a cash deposit to guarantee payment of all costs associated with the acquisition, including staff time, attorney's fees, appraisal fees, court costs, and all related expenditures and costs necessary to effect the acquisition of such easements or rights-of-way.

FLOOD CONTROL AND DRAINAGE

63. Comply with all of the requirements from the Fresno Municipal Flood Control District memorandum dated April 27, 2020.

STREET NAMES

64. Submit a list of street names to Nicholas Caldera in the Planning and Development Department, for review and approval. The street names provided must be continuations of existing public street alignments.

FRESNO COUNTY ENVIRONMENTAL HEALTH

65. Comply with all of the requirements from the Fresno County Environmental Health Department memorandum dated April 6, 2020.

FRESNO IRRIGATION DISTRICT

66. Comply with all of the requirements from the Fresno Irrigation District memorandum dated April 13, 2020.

CLOVIS UNIFIED SCHOOL DISTRICT

67. Comply with all of the requirements from the Clovis Unified School District memorandum dated April 13, 2020.
