Briefly explain why are you interested in serving on this board or commission?

Although a transplant to the Fresno area in 2000, I now consider myself native. I spent my youth split between the East & West growing up in NY, NJ & Southern CA. My experiences have provided a unique perspective as to what Fresno is and what it can be, while still embracing it's history and defining industries. I want to see the city of Fresno flourish for generations to come.
