**NOTICE OF THE FRESNO CITY PLANNING COMMISSION
AND CITY COUNCIL HEARINGS REGARDING THE WEST
AREA NEIGHBORHOODS SPECIFIC PLAN AND RELATED
FINAL PROGRAM ENVIRONMENTAL IMPACT REPORT
(SCH NO. 2019069117)**

NOTICE IS HEREBY GIVEN that the Fresno City Planning Commission and City Council, in accordance with the procedures of Chapter 15, Sections 5007 and 5801-5812 of the Fresno Municipal Code (FMC), will conduct public hearings to consider the draft West Area Neighborhoods Specific Plan and related Final Program Environmental Impact Report (FPEIR), State Clearinghouse (SCH) # 2019069117. These applications have been initiated by the Fresno City Council.

Project Description. The project is the adoption of the West Area Neighborhoods Specific Plan (WANSP). Adoption of the plan would require repeal of the West Area Community Plan and a portion of the Highway City Neighborhood Specific Plan and an amendment to the City of Fresno General Plan land use map. In addition, a rezone is proposed to reclassify the zoning on property within the plan area to be consistent with the land uses proposed in the plan. The intent of the WANSP is to refine and build upon the General Plan goals for the area through specific guiding principles, goals, and policies that were developed based on resident and stakeholder feedback to improve the coordination of public and private development, given the unique opportunities and characteristics of the plan area.

The specific applications filed for the Project are described as follows:

1. **Plan Amendment Application P22-01351** proposes to repeal the West Area Community Plan, pertaining to approximately 12,341 acres located in the DA-1 West Development Area, and the portion of the Highway City Neighborhood Specific Plan that overlaps the West Area Neighborhoods Specific Plan Boundary, approximately 455 acres.
2. **Plan Amendment Application P22-01352** proposes to adopt the West Area Neighborhoods Specific Plan and accompanying Planned Land Use Map.
3. **Plan Amendment Application P22-01353** proposes to update the Planned Land Use Map (Figure LU-1) of the Fresno General Plan to incorporate the land use changes proposed in the West Area Neighborhoods Specific Plan.
5. **Rezone Application P22-01353** proposes to rezone approximately 1,172 acres of property within the West Area Neighborhoods Specific Plan area to be consistent with the planned land uses proposed in the Plan.
7. **Program Environmental Impact Report Sch No. 2019069117:** In accordance with the California Environmental Quality Act (CEQA), a Program Environmental Impact Report (PEIR) was prepared by the City to consider potential impacts

associated with implementation of the project, and to provide mitigation measures that would reduce impacts to less than significant levels. The Draft PEIR was released for a 47-day public review period beginning on February 10, 2022 and ending on March 28, 2022. A Final PEIR was released on July 8, 2022 which includes all comments received during the public review period, City responses to issues raised regarding adequacy of the Draft PEIR, and minor edits to the Draft PEIR.

This published notice is provided in lieu of mailed notices to affected property owners pursuant to Fresno Municipal Code section 15-5007-d.

Public hearings on these items are scheduled with the Fresno Planning Commission and City Council as noted below. The Planning Commission's recommendation is advisory to the City Council. The City Council's action is final.
