

Master Plan

June 2022

MISSION

*We inspire people to care for animals, create connections,
build community, and save wildlife.*

VISION

A just future that begins with us and makes possible a world where people and wildlife thrive together.

We inspire people to care for animals, create connections, build community, and save wildlife.

SAVING WILDLIFE

BUILDING TEAMS

RESPONSIBLE
BUSINESS

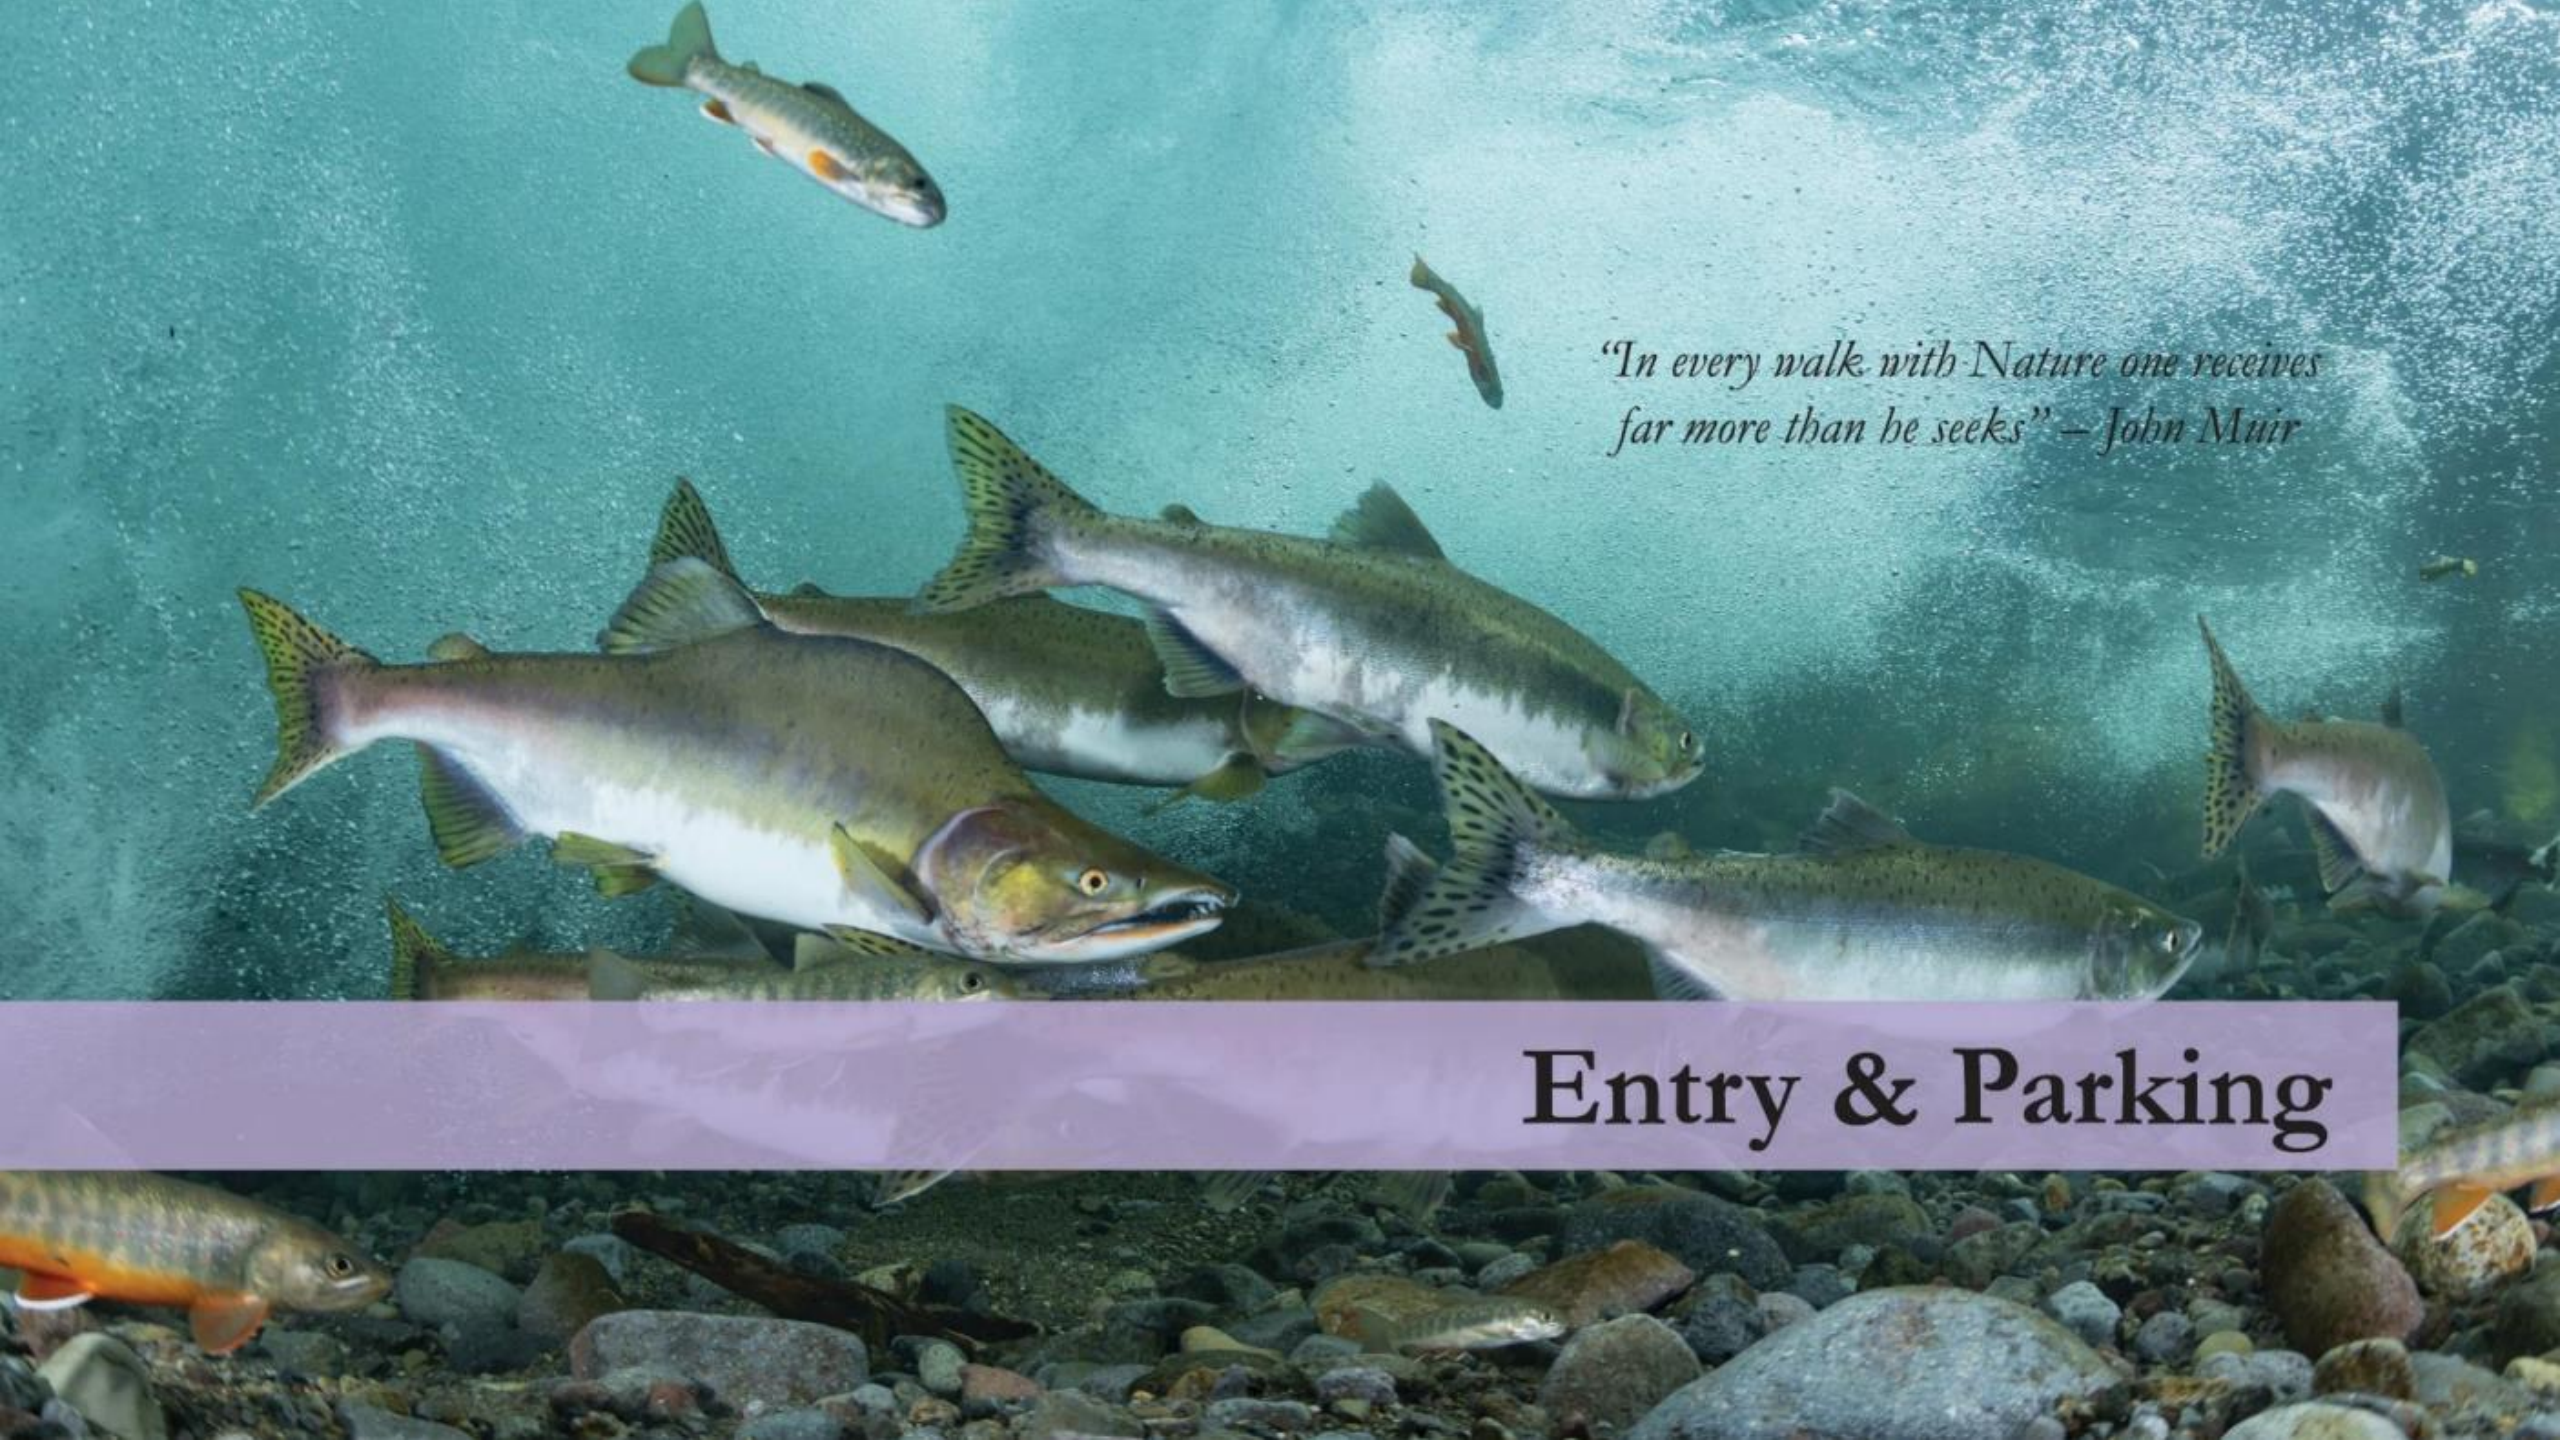

STRENGTHENING
COMMUNITY

Our Core Values:

- **United:** We are one team, working together to support our mission, communities, and each other.
- **Dedicated:** We are knowledgeable and passionate, driven to improve, grow, and learn.
- **Respectful:** We show respect for one another and the unique contributions we each make to our institution.
- **Grateful:** We appreciate the support of our community, the people we work with, and the treasures of the natural world.
- **Welcoming:** We work to ensure that everything we do is accessible and inclusive of all.
- **Aspirational:** Through our work, we will have a positive impact on nature, people, and wildlife.

Master Plan

An underwater photograph of several salmon swimming in clear, turquoise water. The fish are silvery with some showing orange and red hues. They are swimming above a rocky riverbed. The lighting is bright, creating a shimmering effect on the water's surface.

*“In every walk with Nature one receives
far more than he seeks” – John Muir*

Entry & Parking

Overview

The new entry to the Fresno Chaffetz Zoo is located in the Central Valley of California. Drawing inspiration from the history of the region, the landscape design connects the existing parking areas around the Zoo with new three parking garages. Together, they create a new, shaded, shaded route to an important entry point that establishes a new sense of place and a welcoming entrance. The new entry reorganizes the functions of existing, reimagines, guest services, restaurants, and retail, preparing the Zoo to handle more than one million visitors a year.

Program

Parking Garage 1	300 Spaces
Parking Garage 2	300 Spaces
Animal Plaza	4,500 SF
Retail	4,100 SF
Guest Services	3,800 SF
Restrooms	2

Lawson Lane Campus, Milpitas CA
• Bronze Mesh

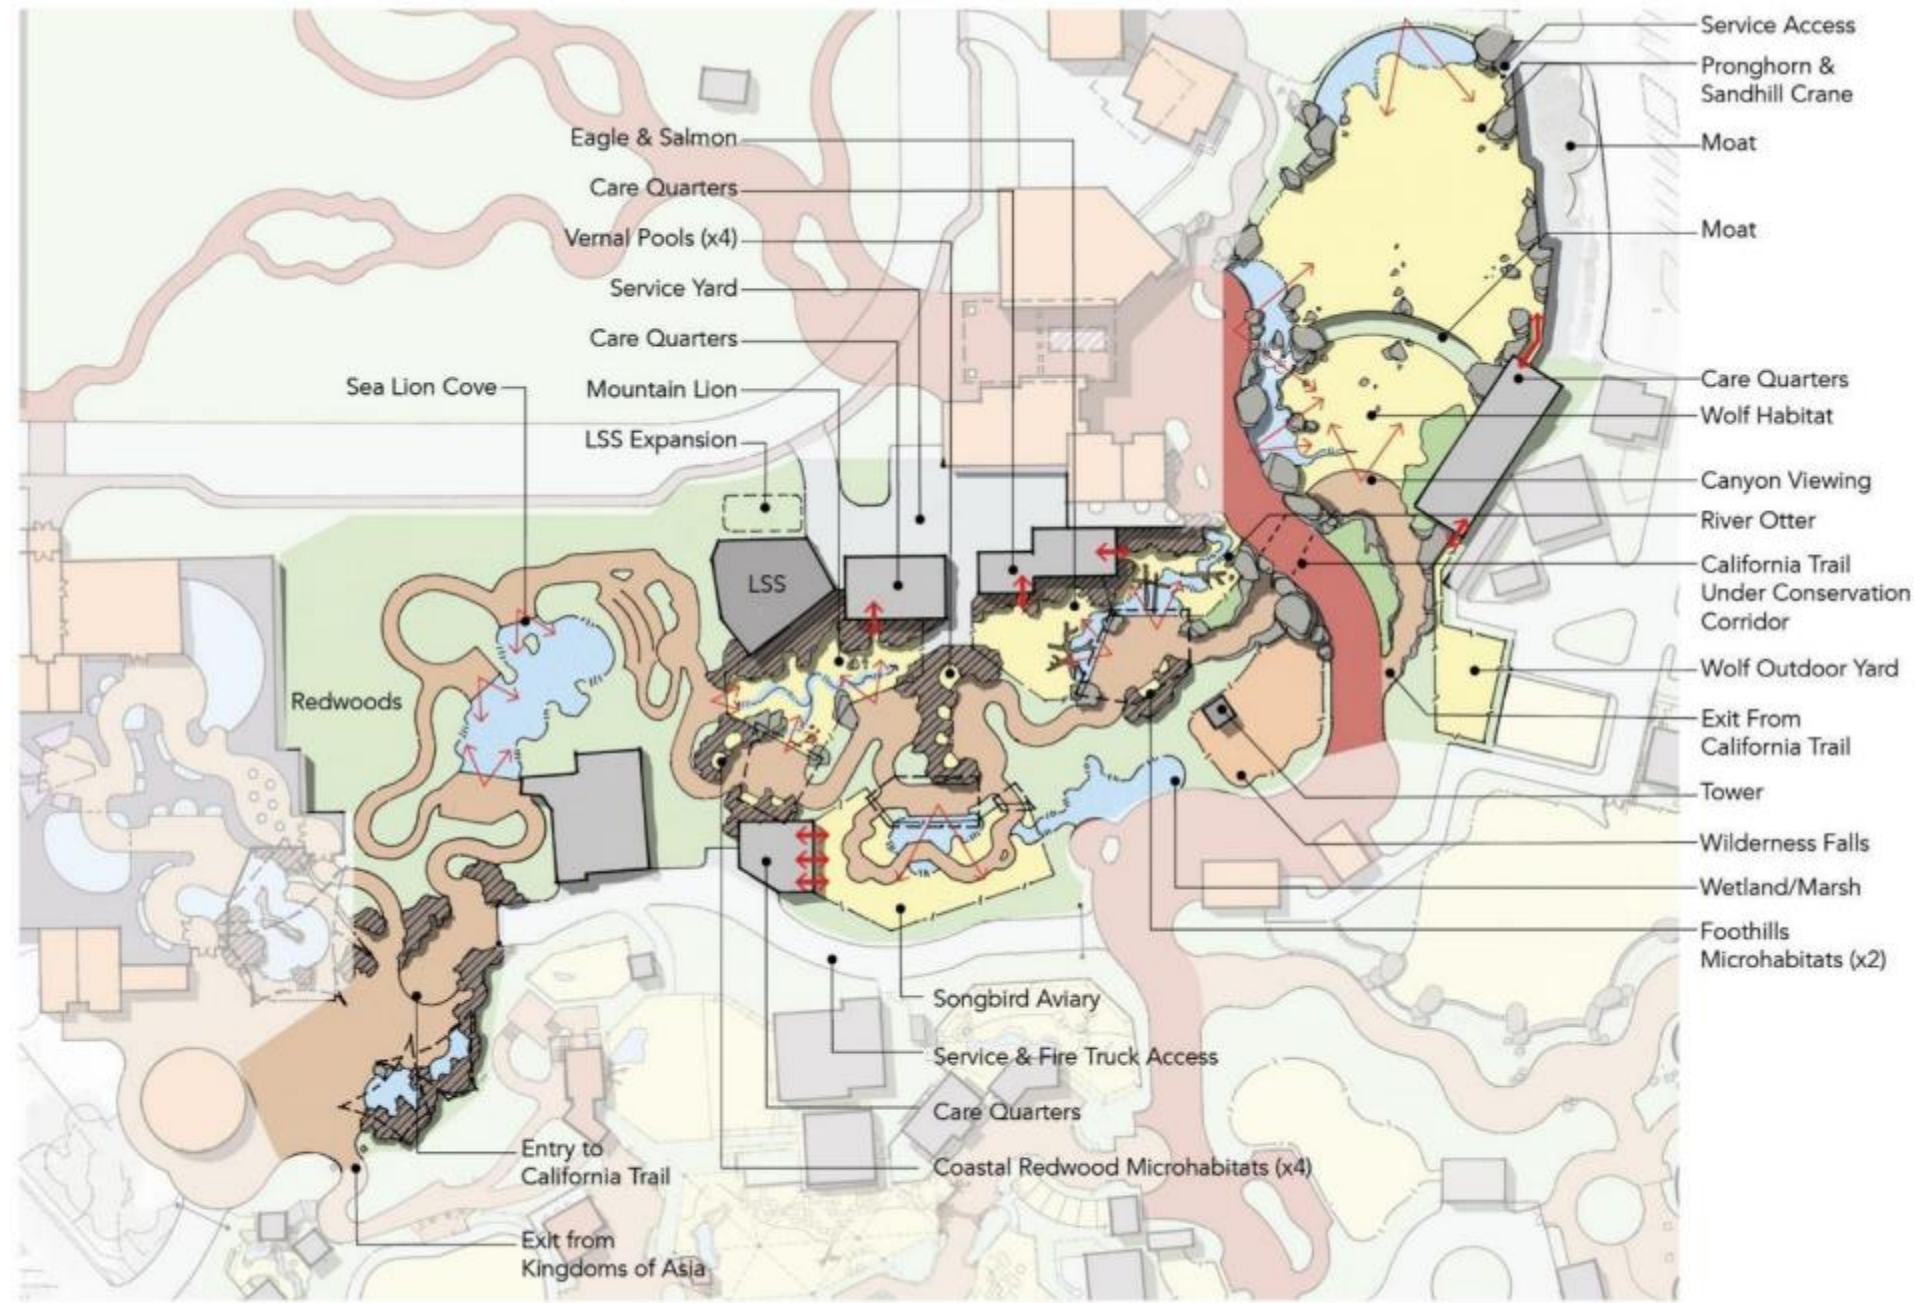

A pack of coyotes is shown in a dark, natural setting, all howling upwards. The focus is on the coyote in the foreground, which has its mouth wide open, showing its teeth and tongue. Another coyote is visible in the background, also howling. The lighting is dramatic, highlighting the texture of their fur and the intensity of their howl.

“...A landscape was displayed that after all my wanderings still appears as the most beautiful I have ever beheld. At my feet lay the Great Central Valley of California, level and flowery, like a lake of pure sunshine” – John Muir

Events and Education

A close-up photograph of two lemurs, likely ring-tailed lemurs, looking towards the right. They have grey and white fur with distinctive white tufts on their heads. Their eyes are a striking orange-brown color. The background is a soft, out-of-focus green, suggesting a natural habitat. The text is overlaid on the right side of the image.

*“The world’s big and I want to have
a good look at it before it gets dark.”
– John Muir*
