Briefly explain why are you interested in serving on this board or commission?

As Dean of the College of Arts and Humanities at Fresno State, I have a keen interest in promoting the importance of poetry for our city and the wider world. I helped create both the Laureate Lab for Juan Felipe Herrera and the Philip Levine Reading Room in the Fresno State Library and believe we need to continue celebrating the fact that we grow writers in this Valley.

Educational background, Schools Attended, Degrees and Certifications

Stanford University, BA in Latin and PhD in Classics (ancient literature, history, and religion)

Briefly explain your qualifications or areas of demonstrated expertise for this board or commission.

I have judged the Saroyan Prize for writers at Stanford as well as Provost's Awards for faculty at Fresno State. I was also asked by the Swedish Academy to submit a Nobel Prize in Poetry nomination three years ago. Finally, I have judged grants for the National Endowment for the Humanities, Swiss National Science Foundation, Israel Science Foundation, and California Humanities.
