Department Recommendation

(To be completed by the Department)

Background (Explain the need for the procurement below.)

The Lafayette Park Improvements Project is necessary to enhance public safety, accessibility, and recreational amenities at Lafayette Park, located in Council District 7.

The scope of work includes installation of a new shade sail structure over the play area, decorative bark mulch, asphalt pavement, temporary Measure P signage, truncated domes, ADA-compliant striping, ADA-deepened concrete playground curb and concrete edge, removal and replacement of existing playground equipment with a new play structure, replacement of existing rubber surfacing with poured-in-place rubber surface subgrade, and accessibility improvements to enhance the park guest experience.

Design for the Project was initiated through a consultant agreement with O'Dell Engineering Inc., on May 3, 2023, for the design and preparation of construction documents. The construction contract will be funded using Fiscal Year 2026 appropriations from the Community Development Block Grant (CDBG) Program administered by the U.S. Department of Housing and Urban Development (HUD) and General Funds.

Award a contract as follows:

Bidder/Proposer	Award Amount
Rakkar Development and Construction	\$469,836.58
2038 E Jensen Ave	
Fresno, CA 93706	

The Budget Allocation for this expenditure is \$470,700.00 The contract price is 0.18% below. (If the overage is greater than 10% provide an explanation below.)

Reject all bids/proposals. (If electing to reject all, provide an explanation below.)

Anticipated Council Date: 10/30/2025
