YOUR GIFT DOUBLED: Demand Justice for People in Iran

Across Iran, protesters led by women and girls are fighting to end over four decades of systematic repression in the country. In their drive to crush dissent, Iranian security forces have thrown tear gas into peaceful crowds, shot protesters dead, and beaten children to death.

As the atrocities grow in Iran, so must our response to expose these horrific abuses. Make your best gift right now when every \$1 you donate equals \$2. Please don't delay. Justice can't wait. ■
