RE: Water Capacity Fee

Dear Councilmembers:

This is to support the points made by Jeff Reid, of McCormick Barstow, on behalf of the Building Industry Association in his letter dated December 2, 2016. Bonadelle Neighborhoods shares his concerns about the effect on existing vesting tract maps and we urge you not to attempt to apply the new Water Capacity Fee to these maps.

In addition, we are very concerned about the magnitude of the increase.

If you have any questions, please call me at (559) 435-9700.

Sincerely,

John A. Bonadelle
Director of Operations
