**LEGAL AUTHORITIES
CODE ENFORCEMENT CASE NO. E25-16660**

Fresno Municipal Code

SEC. 1-302. - GENERAL ENFORCEMENT AUTHORITY; ENFORCEMENT OFFICERS.

- (a) The City Manager or any of his or her designated enforcing officers as set forth in this Code have the authority and powers necessary to gain compliance with the provisions of the Code and applicable laws. The term "enforcement officers" includes any city employee vested with authority to enforce the Code, which also includes any employee or person under contract with the City Attorney appointed to investigate and/or prosecute violations of this Code. These powers include the power to inspect public and private property and use whatever judicial and administrative remedies are available under the Code or applicable laws.
- (b) Notwithstanding any Code provision otherwise, and in addition to any authority granted the Director or others, but excluding any authority granted solely to the Police Chief or Police Department, the City Attorney, pursuant to Charter section 803(b), shall have the authority and discretion to investigate and prosecute any violations of this Code by administrative citation, civil action, and/or criminal prosecution.
- (c) Where the Director or City Manager has authority to enforce the code or approve regulations to implement or interpret the code, such authority shall also be granted to the City Attorney.

SEC. 1-303. - AUTHORITY TO INSPECT.

Any enforcement officer shall also have authority to enter upon any property or premises to ascertain whether provisions of the Fresno Municipal Code or applicable state codes, regulations, or ordinances are being obeyed, and to make examinations and surveys as may be necessary in the performance of their duties. These may include taking photographs, video, samples, or other physical evidence. All inspections, entries, examinations, and surveys shall be done in a reasonable manner and where entry onto the premises is necessary with the consent of the owner, agent, or occupant. If an owner, occupant, or agent refuses permission to enter or inspect, the enforcement officer may seek an inspection warrant pursuant to the procedures provided for in Code of Civil Procedure Sections 1822.50 through 1822.59 or their successors to perform duties imposed upon said person.

SEC. 1-308. - ADMINISTRATIVE CITATIONS AND PENALTIES.

The Council finds that there is a need for an alternative method of enforcement of violations of the Municipal Code. The Council further finds and declares that an appropriate method for enforcement for violations of the Code is the following administrative citation and civil penalty program.

- (a) **Administrative Citation.** Any person violating any provision of the Code may be issued an administrative citation by an enforcement officer as provided in this article. A separate civil penalty for each violation of the Code may be assessed by means of one administrative citation. Violations deemed a threat to health and safety as

defined in this Code or pursuant to Health and Safety Code Section 17920.3 shall be penalized as set forth in the Master Fee Schedule.

- (b) **Contents.** Upon discovering or observing any violation of the Municipal Code, an enforcement officer may issue an administrative citation, in a form approved by the City Attorney, to a violator or property owner, with the following contents:
- (1) Date and location of the violation(s), including the street address, if any, and the approximate time the violation(s) were observed;
 - (2) Section(s) of the Code violated and brief description of how the section(s) are violated; if the citation is for a violation of the Management of Real Property Ordinance set forth in Chapter 10, Article 7, the citation shall include a statement specifying the behaviors which constitute the nuisance.
 - (3) Description of the action required to correct the violation(s), if applicable; and if applicable, the date by which the violation must be corrected.
 - (4) Statement explaining the consequences of failure to correct the violation(s);
 - (5) Amount of penalty imposed for the violation(s);
 - (6) Explanation of how the penalty shall be paid and the time period by which it shall be paid, and the consequences of failure to pay the penalty;
 - (7) Right to contest the contents of the administrative citation and right of appeal, including the name and address of the City Manager for purposes of filing any notice of appeal; and
 - (8) Signature of the enforcement officer.
- (c) **Issuance.** The enforcement officer shall attempt to issue the citation to the responsible party for any violation of this Code. For purposes of issuance of a citation to a business, the citation may be issued to the person in immediate control of the business on site at the time of the issuance of the administrative citation and penalty. The citation officer may, but is not required, to obtain the signature of the person upon whom the citation was issued. The lack of signature shall in no way affect the validity of the citation and subsequent proceedings.
- (d) **Issuance When Unable to Locate Violator.** If the enforcement officer is unable to locate the violator(s) then the administrative citation shall be mailed to the responsible party and property owner, if different than the violator. Administrative citations issued for violations of the provisions in Chapter 10, Article 3 of the Municipal Code (Animal Shelter) shall be mailed to the violator(s) or property owners(s) by first class mail with proof of service. Proof of service shall be documented at the time of service by a declaration under penalty of perjury executed by the person effecting service, declaring the time and manner in which the service was made. All other administrative citations shall be mailed to the violator(s) or property owners(s) by certified and first class mail. The failure of any person with an interest in the property to receive such notice shall not affect the validity of any proceedings taken under this chapter. Notice by the methods described above shall become effective on the date of mailing.

- (e) **Imposition of Penalty.** An administrative citation issued for a violation of a building, plumbing, electrical, or other structural or zoning regulation, that does not create an immediate danger to public health or safety, may be issued to the responsible party, and the citation shall state the date by which the violation must be corrected, which shall be a reasonable period of time, given the circumstances; 18 calendar days shall be a default time to correct, unless the circumstances indicate a shorter or greater time is appropriate. It shall be the responsibility of the person receiving the citation to correct the violation and provide proof to the city that it has been corrected, as set forth in the citation, or call for an inspection, as set forth in the citation, to verify the correction was made on or before the date specified on the citation. If the correction was fully and timely made, then the citation, or that part of the citation, shall be dismissed. If the correction was not fully and timely made, then the citation shall continue and penalties shall be deemed final, and failure to correct shall be deemed a continuing violation until the specified violations are verified as corrected by the city, with further penalties incurred as set forth in this Code. An administrative citation issued for a violation of a state law or this code that is a nuisance, for example, parking a vehicle on an unimproved surface, not otherwise a violation of a building, plumbing, electrical, or other structural or zoning regulation, may be issued to the responsible party immediately, and each successive day the violation continues shall constitute a separate violation with further penalties incurred as set forth in this Code.
- (f) **Appeal.** Any person issued an administrative citation may contest the contents of the administrative citation by filing an appeal under the City's Administrative Ordinance set forth in Article 4. If no appeal is filed within the time prescribed, the penalty shall be final and immediately payable.
- (g) **Penalty.** Except as otherwise set forth in this Code, the Master Fee Schedule shall establish the base schedule for the amount of the civil penalty assessed for code violations, which may vary by types and numbers of violations.
- (h) **Failure to Correct.** If the violator or property owner fails to correct the violation, subsequent administrative citations and penalties may be issued for the same violation(s) or the city may institute any other applicable action permissible under this Code to gain compliance. The amount of the penalty for each subsequent violation of the same Code provision shall increase at a rate specified in this Code.
- (i) **Payment of Fine Without Correction of Violation.** Payment of any penalty shall not excuse the failure to correct the violation nor shall it bar further enforcement action by the city. The failure of any person to pay any penalty assessed by administrative citation within the time specified on the administrative citation shall result in the assessment of an additional late fee to be charged. The amount of the late fee shall be ten percent of the total amount of the civil penalty due and owing.
- (j) **Collection of Penalty.** The city shall collect delinquent and late fees under the provisions of the Cost and Penalty Recovery Ordinance in Chapter 1, Article 5 of the Code.
- (k) **Authority to Issue Administrative Citation.** The following officers and employees have the authority to issue administrative citations and civil penalties: City Manager, City Attorney, Planning and Development Director, Director of Public Utilities, Public

Works Director, Police Chief and Fire Chief, and Director of Parks and Recreation and any other person delegated such authority by any of the above.

- (l) **Payment of Penalty and Use of Proceeds.** Except as otherwise provided, all civil penalties assessed shall be payable to the city.

SEC. 1-408. CONDUCT OF HEARING.

- (a) **Continuance.** Upon good cause shown, the hearing officer may continue the hearing by written notice before the scheduled hearing or orally at or during the hearing. Failure of the parties to exchange documents in advance of the hearing does not constitute good cause, and is not a basis for a continuance.
- (b) **Hearing.** At the hearing, the officer or employee who issued the order, citation, decision, or determination or his or her designee shall present evidence in support of the findings or reasons upon which the order, citation, decision, or determination, was based. The appellant, or any individual authorized in writing to represent the appellant, may then present evidence in support of the contentions made in the notice of appeal. The hearing shall be informally conducted. The hearing officer shall call each hearing and conduct the hearing in an orderly manner. The hearing officer shall maintain control over the order of evidence and order of witnesses called. The hearing officer shall maintain processes and procedures to facilitate an efficient and effective handling of multiple hearings.
- (c) **Rights of Parties.** The parties and anyone who participates in a hearing may be represented by an attorney or other person of the parties' choice. The parties have a right to appear, testify, present evidence, examine and cross-examine witnesses, and present written or oral arguments. Additionally, the parties may request and the hearing officer may allow the parties to submit written briefs, either before, during or after the hearing.
- (d) **Evidence.** All administrative hearings shall be governed by the following rules of evidence:
 - (1) Oral evidence shall be taken only on oath or affirmation which shall be administered by the hearing officer. Only credible testimony shall be considered by the hearing officer.
 - (2) Each party may call and examine witnesses, introduce exhibits, and cross-examine and impeach any witness on any matter relevant to the issues. If the appellant does not testify in his/her own behalf, the appellant may be called and examined as if under cross-examination.
 - (3) Such hearing need not be conducted according to the technical rules of law relating to evidence and witnesses. Any relevant evidence may be admitted if it is the type of evidence on which responsible persons are accustomed to rely on in the conduct of serious affairs, regardless of the existence of any common law rule or statute which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions.

- (4) Copies of the reports and records of any governmental agency, division, or bureau will be accepted as evidence in lieu of the original thereof.
- (e) **Scope.** The scope of the hearing shall be limited to the order, citation, decision, or determination being appealed, the grounds for relief raised in the notice of appeal and any specific requirements of this Code. The hearing officer may expand the scope of the hearing on a finding that it is necessary to ensure a fair process.
- (f) **Burden of Proof; Burden of Evidence.** Except where otherwise provided in this Code, the burden of proof and production of evidence shall be with the city. Except where otherwise provided in the Code, the burden of proof shall be preponderance of the evidence.
- (g) **Open to the Public.** All hearings shall be open to the public. Any interested person shall have the right to speak at the hearing subject to the hearing officer's right to exclude irrelevant and unduly repetitious evidence. Notwithstanding the above, the parties have the right to petition the hearing officer and the hearing officer may in his or her discretion accept submission of evidence outside the presence of the public, if such evidence would not be disclosable under the Public Records Act, California Gov't Code §§ 6250, et seq.
- (h) **Waiver of Rights.** The failure of the appellant or any interested party to raise an objection to the hearing officer either before or during the hearing of any defect in notice or procedure provided under the Code or at law or in equity shall be deemed a waiver of the defect. For purposes of a waiver of objection in this subsection, defect in procedure shall include a claim that the hearing officer is biased when facts regarding the claimed bias are known or readily discoverable by the appellant or interested party or have been published to the appellant or interested party by the city. An objection of bias of the hearing officer shall be raised to the City Manager.
- (i) **Failure of Appellant to Appear.** Unless otherwise provided in the Code, if the appellant fails to appear for the hearing at the time and place noticed, the hearing officer in his or her discretion may conduct the hearing to a conclusion or may dismiss the appeal. If the appeal is dismissed, the order, citation, decision, determination appealed from shall become final and effective on the date of the hearing. Upon a showing of good cause, the hearing officer may set aside his or her decision or dismissal upon the appellant's failure to appear and may reschedule the appeal for hearing.
- (j) **Recording.** Code Enforcement appeal hearings shall be digitally sound recorded and made available for inspection and copying in the City Clerk's Office or on the City Clerk's website. Additionally, the proceedings may also be recorded by a certified shorthand reporter. If an appellant requests a certified shorthand reporter the costs of the reporter shall be borne by the appellant.
- (k) **Ex parte communication.** Other than at the hearing, there shall be no direct oral communication between the parties and the hearing officer on any matter related to the hearing without both parties being present. Any written communication to the hearing officer by a party shall be copied and served to the other party.

SEC. 1-409. HEARING OFFICER AUTHORITY.

- (a) **Order of Attendance or Production.** At the request of either the city or the appellant, the hearing officer or the City Clerk shall, on behalf of the city, issue orders for attendance of witnesses at the hearing, or production of documents on a date certain. In no event shall the date for the production of documents be less than ten days after the date the order was issued. Failure by a party to comply with an order of attendance or production may be considered a violation of this Code and, at the petition of a party, the hearing officer may impose a civil fine of up to one hundred dollars (\$100) at the time of the hearing and may take such failure into consideration in making his or her determination of the hearing.
- (b) **Subpoenas.** At the request of either the city or the appellant, the hearing officer or the City Clerk shall, on behalf of the city, issue subpoenas for attendance of witnesses at the hearing or production of documents on a date certain. In no event shall the date for production of documents be less than ten days from the date the subpoena was issued. Disobedience of such subpoena or the refusal to testify, upon other than constitutional grounds, shall constitute a misdemeanor.
- (c) **Inspection of Premises.** The hearing officer may inspect the premises involved in the hearing at any time prior to a decision, to investigate or confirm the existence of the violation(s) or conditions which are on appeal, provided that:
 - (1) Consent is granted by a person with the lawful right to grant consent or an inspection warrant is obtained;
 - (2) Reasonable notice of such inspection is given to the owner before the inspection is made;
 - (3) The parties are given an opportunity to be present during the inspection;
 - (4) The hearing officer shall place in the record the material facts and the conclusions drawn from the inspection either orally at the time of the hearing or in writing after the hearing; and
 - (5) Each party then shall have a right to rebut or explain the matters so stated by the hearing officer for the record either at the hearing or by filing a written statement within ten calendar days after the hearing.
- (d) **Oaths.** The hearing officer shall have the power to administer oaths and affirmations.
- (e) **Procedures.** The hearing officer shall have the authority to establish procedures before or during a hearing consistent with this article and the Code for purposes of efficiency and order.
- (f) **Review Authority.** The hearing officer shall sit as the trier of fact and shall rule on questions of law and admissibility of evidence. The hearing officer may affirm, reverse, modify, or set aside the order, citation, decision, or determination appealed from or may delete or impose conditions as the facts and law warrant. The hearing officer may not increase a penalty or impose a harsher remedy beyond the penalty or remedy imposed under the order, citation, decision, or determination being appealed.

- (1) If the hearing officer finds any nuisance or legal violation set forth in the citation or notice and order is continuing and remains as of the time of the hearing, the hearing officer shall order the record owner and or occupants to repair or otherwise remedy the illegal condition within thirty days from the date of the order. The hearing officer shall set a hearing to occur between thirty and sixty days after the date of the order to confirm whether the record owner and or occupants have made all repairs or remedied all illegal conditions as ordered. If the owner and or occupants show at the subsequent hearing they have made substantial progress, but have not been able to complete repairs or remedy all illegal conditions for reasons beyond their control, the hearing shall be continued to a later date to allow sufficient time to complete repairs or remedy all illegal conditions as ordered. If it is shown at a subsequent hearing the record owner and or occupants have failed to fully repair or otherwise remedy the illegal conditions, the hearing officer shall order payment of double the maximum fines permitted in this code, as well as all allowable costs and fees. Brief description of the specific order, citation, decision, or determination being appealed (What are you appealing?):

Requirement of Permit. Building in question has been recorded and on record with Fresno City since built in 1950 Permits were not required at time of when it was built and should be considered legal

Statement of the relief sought (What are you requesting?) PLEASE NOTE- THE HEARING OFFICER IS PROHIBITED FROM REDUCING OR REVOKING A FINE PER FMC §1-409(g):

That the recorded portion of the code violation is considered legal non-conforming. ^{non-conforming or grand} fathered

Reasons why such relief should be granted (Why should your request be granted?):

UPON my research the City of Fresno has had this property on file since 1950 when it was built, it is recorded in the building record and a part of the history, moreover permits weren't required at the time it was built so it should be legal non-conforming of grand-fathered in.
