*Bidder's proposal missing required document(s)

Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Unit at the latest by Monday, June 8, 2020 5:00 P.M.

The Budget Allocation for this expenditure is \$399,200.00. The contract price is 35% above the Budget Allocation. If the overage is greater than 10% or only one bid was received, give explanation:

Received bids had higher than expected costs for the Traffic Signal Modification bid item. This may be due to a bid discrepancy between the plans and specifications and it may not be clear what the contractor is to provide for this particular bid item.

BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

The project will modify the traffic signal and install new ADA curb ramps at the intersection of W. Barstow Avenue and N. Palm Avenue. Awarding a construction contract for this project will improve pedestrian and vehicle movements and facilitate pedestrian traffic to and from nearby Bullard High School.

Bid File No.: 3748
Bid Opening: 5/19/2020

DEPARTMENT CONCLUSIONS AND RECOMMENDATION:

Award a contract in the amount of \$ _____
to _____
as the lowest responsive and responsible bidder.

Remarks:

Reject all bids. Reason: There is a discrepancy between the plans and bid specifications related to a major bid item, which may have led to higher than expected bids, but it also undermined the competitiveness of the bid results. Additionally, the apparent low bid exceeds the project's budget allocation.
