MEMORANDUM

November 01, 2024

TO: PLANNING & DEVELOPMENT DEPARTMENT

THROUGH: MINDY CASTO, Interim Chief 
Police Department

MICHAEL LANDON, Deputy Chief 
Police Department

FROM: JENNIFER HORSFORD, Central District Commander 
Police Department

SUBJECT: CONDITIONAL USE PERMIT APPLICATION P24-01344

The Planning & Development Department has determined Application P24-01344 cannot meet the location restrictions contained in the Responsible Neighborhood Market Act (RNMA.) The Police Department has examined quantifiable data related to calls for service and has determined an exception cannot be made.

The proposed A's Family Market to be located at 2717 N Hughes, FRESNO, CA 93705 is:

- (a) Is located in an area that would be detrimental to the public health, safety or welfare of persons located in the area and,
- (b) would increase the severity of existing law enforcement or public nuisance problems in the area.

The proposed location is in the Central Policing District. There are seventeen (17) existing locations within a one-mile radius that have (ABC) Type 20/21 alcohol licenses (Off-Sale beer and wine/ Off-sale general.) In the past 24 months, these locations have accounted for 925 calls for service amounting to an average of 27 calls for service annually for each location, approximately two (2) calls for service a month. 30% of the calls for service (275 total calls) were related to violent crime or weapons violations.

Based upon the information above, the Police Department finds the proposed establishment does not meet the location restriction exception under FMC 15-2706-F(6)(a).

If the application is approved, we recommend the conditions listed on the attached conditional use permit.

Re: SPECIAL PERMIT NO. P24-01344

A's Family Market

2717 N Hughes Ave Ave., Fresno, CA 93705

APN# 44208229

Dear Planner Valarie Ramirez,

Pursuant to your Department's request, the Fresno Police Department has reviewed the special permit application for property located at **2717 N Hughes Ave**. The property has been zoned **CG (Commercial General)**. The Fresno Police Department's primary concern with the application is the propensity of the operations on the premises to generate calls for police service, and therefore, be detrimental to the public welfare.

As you know, to approve any Conditional Use Permit, the City must make the following findings:

1. All applicable provisions of the Fresno Municipal Code are complied with and the site of the proposed use is adequate in size and shape to accommodate the use, and all yards, spaces, walls and fences, parking, loading, recycling areas, landscaping, and other required features; and,
2. The site for the proposed use relates to streets and highways adequate in width and pavement type to carry the quantity and kind of traffic generated by the proposed use; and,
3. The proposed use will not be detrimental to the public welfare or injurious to property or improvements in the area in which the property is located. This third finding shall not apply to uses which are subject to the provisions of Section 12-306-N-39 of the Fresno Municipal Code (Regulating Adult Businesses).

The conditions are established to ensure public safety, and to minimize any impact to the surrounding area. If approved, this Conditional Use Permit would allow for an **off-sale general Type 20 ABC license** (*Retail store – sale of beer, wine, and distilled spirits for consumption off of the premises*). We request the following conditions be included as Conditions of Approval for Conditional Use Permit Application No., **P24-01344**. These conditions will help to insure maintain an environment that is least likely to generate criminal activity, public complaints and police calls for service. We understand from the Operational Statement that the applicant intends to operate this establishment between the hours of:

Business Operation:

Seven Days Per Week – 07:00 a.m. – 11:00 p.m.

The Fresno Police Department is not in opposition of this Conditional Use Permit, providing the applicant agrees to the listed conditions. If the following conditions are not included as conditions of approval of CUP No., **P24-01344** the Fresno Police Department shall oppose the approval of this Conditional Use Permit, and shall appeal such approval to the Planning Commission. As such, we request that you provide Detective Curtis Bunch with notice of the Director's decision regarding this Conditional Use Permit as well as a complete copy of the conditions of approval, if the Director approves the Conditional Use Permit.

The applicant must send a letter to the Fresno Police Department, signed, and dated by the applicant, every 180 days that authorizes FPD peace officers to enter the applicant's real property and/or establishment to enforce against the aforementioned activities at the business. The owners and employees are responsible for abating those activities when they occur during business hours.

9. Consumption of Alcoholic Beverages and Loitering.

- 9.1 The establishment shall not allow alcoholic beverages to be consumed outside the building premises or any other adjacent property under its control. No alcoholic beverage will be consumed on any property adjacent to the premises (i.e., parking lot and sidewalks). In addition to recommending the commencement of revocation proceedings, the FPD may pursue any of the other remedies set forth in FMC, section 10-710, including assessing fines against the proprietor for the violations of the Management of Real Property Ordinance.

"Frequent" means response by the Fresno Police Department is occurring more than 1.5 times the average number of such responses (3 calls for every 2) for property of a similar size and character within the same policing district.

SUBJECT: **APPLICATION NO. P24-01344**
2717 N. HUGHES AVE.

Dear Ms. Ramirez,

In response to the City's request for comments on the pending application referenced above, Fresno Unified School District (FUSD) has the following comments and concerns.

The established 'A's Family Market' located at 2717 North Hughes Avenue is requesting authorization to establish a Type 20 (*Package Store – sale of beer and wine for consumption off the premises where sold*) alcohol license for the market store. The property is located within approximately 1,450 feet from Homan Elementary School.

As per the State of California's Alcohol Beverage Control Act, an alcohol license can be refused by the State if the location is "within at least 600 feet from schools." Per California Business and Professions Code Section 23789(b), "The department is specifically authorized to refuse the issuance, other than renewal or ownership transfer, of any retail license for premises located within at least 600 feet of schools and public playgrounds or nonprofit youth facilities, including, but not limited to, facilities serving Girl Scouts, Boy Scouts, or Campfire Girls. This distance shall be measured pursuant to rules of the department." The District **does not support** the alcohol license request and continues to have concerns regarding potentially dangerous interaction between our students and the proposed operation. FUSD's response on this project is subject to the Alcohol Beverage Control Act and the Fresno Police Department's review and support of the project with regard to the concentration and use of alcohol-related business in close proximity to school sites.

The District levies a commercial/industrial development fee and the current fee rate is \$0.78 per square foot. Any new development on the property will be subject to the development fee prior to issuance of a building permit and fees will be calculated pursuant to the rate effective at the time of payment. However, if no development occurs, then no fee will be charged.

If you have any questions or require additional information regarding our comments and concerns, please contact our office at (559) 457-6113.

Sincerely,

Alex Belanger, Chief Executive
