Councilmembers of The City of Fresno:

We are writing to you today in support of the Third Party Plan Check Review Program and we urge your approval of the Side Letters for FCEA and CFPEA. This program will help speed up the approval process for new residential housing projects that our City and State need so badly. The faster the approval process, the more enticing it is for developers to build in the great City of Fresno to meet the rising demand. When our City grows so, too, does our local economy.

Once again, we appreciate your support in approving the Side Letters to allow the Third Party Plan Check Review Program to move forward. If you have any questions, please do not hesitate to reach out.

Regards,
