EXECUTIVE SUMMARY

The First Amended and Restated Owner Participation Agreement (OPA) with 1501 N Blackstone L.P. is for a mixed use of affordable housing and retail development located on the west side of Blackstone between McKinley and Home Avenues. The OPA will address affordable housing goals set forth in SB 341 and will redevelop an underutilized, unattractive infill site along the Blackstone Avenue Bus Rapid Transit Corridor with proximity to transportation and schools including Fresno City College. The Interfund Loan Agreement and Appropriation Resolutions combine with other sources to complete project funding.

BACKGROUND

Introduction

In the past few years, the City of Fresno has taken significant steps in responding to the changing needs of its growing population and the challenges that come with it. The various planning

documents prepared within the last decade lay the framework for a responsible growth strategy that is focused around smart growth principles, a multi-modal transportation approach, complete neighborhood concept and development that promotes fiscal stability. The 2015 General Plan adopted in 2014 recommends strategies for addressing the city's challenges and capitalizing on its opportunities and assets.

The City has committed capital investment in public improvements and recognizes the need to: invest for long term sustainable equitable economic growth; incentivize infill development; create strategic partnerships; and, up-zone land along Bus Rapid Transit (BRT) corridors to attract investment.

The Blackstone McKinley project is an important step in realizing the vision and direction set forth in the General Plan through transit supportive infill development. The Project, situated at two major intersections along future high quality BRT stops, will be a catalyst project within an infill area. The project will help achieve important public policy objectives of both the City and the San Joaquin Valley Air Pollution Control District (SJVAPCD).

Project Description

In January 2016 the City as Housing Successor approved an Owner Participation Agreement with 1501 N Blackstone Ave L.P. Since that time the developers and City have worked to improve the project scope, funding and feasibility resulting in the proposed First Amended and Restated Owner Participation Agreement. The Agreement would lead to the development of eighty eight (88) multifamily residential units and 7,500 square feet of ground floor retail situated in two, four story buildings served by 112 on-grade, on-site parking spaces. The site of approximately three acres is located on the Bus Rapid Transit Corridor on the west side of Blackstone between McKinley Avenue on the north and Home Avenue on the South. The project site is zoned Neighborhood Mixed Use and is proposed for 30.8 units per acre.

The residential portion of the development is proposed to consist of 88 units in a mix of twenty seven (27) one bedroom units; twenty nine (29) two bedroom units, thirty one (31) three bedroom units and a managers unit. In terms of affordability 18 units shall be available to households earning 30% of AMI or less, 35 units shall be available to households earning 50% of AMI or less and 34 units shall be available to households earning 60% of AMI or less. As shown in Exhibit C the various unit sizes (i.e. 1, 2 and 3 bedrooms) are available at every affordability level (i.e. 30%, 50% and 60%). The affordable units will be covenanted for a period of fifty five (55) years. The Project will be designed as both a LEED Gold Certified and net-zero-energy mixed use project in which the development generates as much on site energy as it consumes.

The majority of commercial space is being sought by Clinica Sierra for medical and health related services. The balance of space is being considered for lease to the City of Fresno to serve as a 2,000 square foot senior center for a term of 15 years at \$1.00 per year. Fresno City College intends to provide intern programs through both Clinica Sierra and the senior center.

The Blackstone McKinley mixed use project would be developed and owned by 1501 N Blackstone L.P. a California limited partnership comprised of : Integrated Community Development LLC a California limited liability company, the " Administrative General Partner "; the Corporation for Better Housing a California a non-profit corporation "Managing General Partner"; and, Kavigam Inc, a California corporation , the Limited Partner who will be replaced at the time of tax credit syndication by the tax credit investor.

Integrated Community Development LLC, a real estate development company, and the Corporation for Better Housing, a 501 (c) (3) are experienced affordable housing developers

headquartered in Woodland Hills California. Integrated Community Development LLC is headed by Charles Brumbaugh, Principal, Ben Lingo, Principal and Jake Lingo, Senior Vice President. Together, Integrated Community Development LLC and Corporation for Better Housing have constructed over 3,900 units in 59 projects throughout California since 1997. Locally they have 330 units in operation in Fresno County.

Financing

The total project costs are estimated at \$38,302,248. The financing plan consists of: \$12,627,600 from Affordable Housing Sustainable Communities (AHSC) program administered by the California Housing and Community Development Commission (HCD); a request of \$3,158,000 from permanent conventional loan financing through Cal HFA; \$1,760,000 from CalHFA Earned Surplus (soft loan); \$329,000 from the City of Fresno in the form of an impact fee exemption (FMC 12-4.1400); \$500,000 contribution from the City of Fresno General Fund; \$478,000 from the City of Fresno in off-site improvements; \$2,200,000 residual receipts loan from the Housing Successor's Low and Moderate Income Housing Asset Fund (LMIHAF); a \$1,843,572,000 grant from the San Joaquin Valley Air Pollution Control District; \$3,064,446 from Deferred Developer Fees; and, \$12,341,790 from tax credit equity from the low income housing 4% tax credit program.

- *Housing Successor LMIHAF*

The terms of the Housing Successor's Low and Moderate Income Housing Asset Fund Loan of \$2,200,000 are as follows: the principal amount of the loan will be \$2,200,000; the loan will mature fifty -five years after the "payment commencement date" (May 15 of the year immediately following the Certificate of Occupancy); and, the loan will bear a 3% per annum interest rate with interest accruing as of the payment commencement date. Repayment of the loan starts on May 15th of the year that is one year after the certificate of occupancy and is based upon residual receipts. At loan maturity the entire remaining unpaid balance of principal with interest is due and payable.

- *Other City Contributions*

The \$2,200,000 loan includes a \$600,000 Interfund Loan from the City of Fresno's General Fund to the Housing Successor's Low and Moderate Income Housing Asset Fund. The \$600,000 loan to be made at the City's Pooled Investment Rate will be effective upon the date which the developer has satisfied conditions precedent to the City's obligation to perform as set forth in the Amended and Restated OPA. The loan will be repaid to the City General fund by the Housing Successor LMIHAF over a 5 year period. In addition, the City of Fresno proposes to contribute \$500,000 at no interest from the remaining EDA grant match from the General Fund that was placed into an affordable housing fund as part of the Fiscal Year 2018 budget adoption. Lastly the City is providing \$329,000 in the form of an impact fee exemption and \$478,000 in off-site improvements.

- *San Joaquin Valley Pollution Control District*

The San Joaquin Valley Air Pollution Control District (SJVAPCD) has preliminarily awarded a grant of \$1,843,572.36 to the City of Fresno for the construction of the Blackstone and McKinley Transit Oriented Development Project (C-53862-A). The grant is being awarded under the District's Public Benefit Grants Program—Community Improvement Projects that Reduce Vehicle Use and Emissions Component. The City has agreed for the grant to be passed through to the developer for construction of the project.

Performance Schedule

The performance schedule (Exhibit B) estimates the AHSC funding application date of January 2018 with a an estimated award date of June 2018 followed by application for 4% tax credits in July 2018 with an award date of September 2018. The building plans are proposed to be submitted in September 2018 with the commencement of construction and loan disbursement in March 2019. The project completion date is scheduled for September 2020.

OPA Highlights

The OPA sets forth conditions precedent to the Housing Successor and City obligations. Chief among these conditions are the following:

1. The owner provides acceptable evidence of property ownership;
2. The Owner has entered into (and provides evidence of) agreements with any and all funding sources and the general contractor for the project; and,
3. The owner has provided evidence that the combined monies from the various funding sources are not less than the greater of the total development cost or the amount which the City determines is necessary to complete the project.

Implementation of Plans and Policies

The development supports and helps implement numerous public policy objectives related to transportation and land use practices that reduce air pollution, increase transit ridership, support infill and increase accessibility to jobs, housing and urban services.

The Blackstone McKinley Project's 88 units help to meet the City Housing Element's Regional Housing Needs Allocation (RHNA) quantified 2015-2023 Objectives for 7,971 extremely low, very low and low income affordable housing units. In addition to quantified goals, the project helps to meet numerous objectives and policies outlined in the City's Housing Element including those to: encourage development of residential uses in strategic proximity to employment, schools and transportation routes; promote the development of affordable housing near transit and/or smart growth areas; facilitate housing development that is affordable to extremely low and very low income households; promote and encourage sustainable development and green building practices; and, provide incentives for residential projects constructed specifically for lower income households.

The proposed project helps to fulfill SB 341 affordable housing goals and its most challenging expenditure requirements wherein at least 30% of the Housing Successor's LMIHAF must be spent for the development of rental housing affordable to and occupied by extremely low income households earning 30% or less of AMI; and, wherein 50% of LMIHAF must be spent for very low income households earning 50% or less of AMI. Eighteen of the 88 units are earmarked for households earning 30% or less of AMI and all of the LMIHF are designated for these units. In addition, in consideration of the OPA the Housing Successor will also receive 55 year affordability covenants on the remaining 69 units of which 35 and 34 serve very low and lower income households respectively. The Project provides affordable housing to the lowest income groups as envisioned and required by SB 341 for expenditure of LMIHA funds.

ENVIRONMENTAL FINDINGS

This project was determined to be statutorily exempt from the requirements of CEQA pursuant to CEQA Guidelines section 15061(b)(3) because it was determined with certainty that there is no possibility the project will have a significant effect on the environment. Council adopted an exemption pursuant to this section on January 14, 2016. The project description has not substantially changed since that action and no additional environmental review is required.

LOCAL PREFERENCE

The local preference is not applicable because this is not a contract for goods, services or public works of improvement.

FISCAL IMPACT

The \$2.2 million provided by the Housing Successor is available through the adopted FY 17-18 budget (\$1.6 million) and the Interfund Loan Agreement (\$600,000); a \$500,000 contribution in the form of the City of Fresno General Fund; \$478,000 from the City of Fresno in off-site improvements; and \$329,000 from the City of Fresno in the form of an impact fee exemption.

FIRST AMENDED AND RESTATED OWNER PARTICIPATION AGREEMENT

THIS FIRST AMENDED AND RESTATED OWNER PARTICIPATION AGREEMENT (Agreement) is entered as of the Effective Date (defined in this Agreement), by and among the CITY OF FRESNO, a municipal corporation, in its capacity as Housing Successor to the Redevelopment Agency of the City of Fresno (City), and 1501 N. BLACKSTONE AVE. L.P., a California limited partnership (Owner).

RECITALS

The parties enter this Agreement based on the following facts, understandings, and intentions:

A. This Agreement supersedes the Owner Participation Agreement dated January 15, 2016.

B. City is the housing successor in interest to the Redevelopment Agency of the City of Fresno (Former RDA) pursuant to Resolution No. 2012-12, and as such assumes all housing rights and obligations of the Former RDA; and

C. City is responsible for administration of the Low and Moderate Income Housing Asset Fund pursuant to Sections 34176 and 34176.1 of the Health & Safety Code, as amended most recently by Senate Bill 341, effective on January 1, 2014.

D. Owner owns, or will acquire, all rights, title and interest in fee to the certain real property described in Exhibit "A" attached hereto and incorporated herein (the Property), including improvements located thereon which shall be improved by Owner as contemplated by this Agreement located at 1501-1531 North Blackstone Avenue and 1631 East Home Avenue, Fresno, California (the Project). The Property and Project are located within the territorial jurisdiction of the City.

E. Owner proposes to develop a new mixed use project on the Property consisting of eighty-eight (88) residential rental units (comprised of 1 manager's unit at market rate and 87 Affordable Units, as defined below) and 7,500 square feet of ground floor retail. The Project shall be designed as both a LEED Gold Certified and net-zero energy mixed use project in which the development generates as much on-site energy as it consumes. Sixty-nine (69) units shall be available to households earning 60% or less of the Area Median Income (AMI), and eighteen (18) units shall be available to households earning 30% or less AMI (collectively, the Affordable Units). The Affordable Units are to be rented and preserved as Affordable Rental Housing for a period of fifty five (55) years. As a condition of this Agreement, the Owner will provide transit passes at no charge to Owner's tenants for a minimum of three years.

F. Owner agrees to undertake improvements in accordance with the combined Performance and Payment Schedule described in Exhibit "B" attached hereto and incorporated herein (the Performance and Payment Schedule).

G. To the extent Housing Set Aside Funds will exceed 50 percent of the cost of producing the Affordable Units, the City has determined based on substantial evidence, that the use of the Funds is necessary because the City or Owner of the Affordable Units has made a good faith attempt but been unable to obtain commercial or private means of financing the units at the same level of affordability and quantity. The Project is not feasible and cannot be completed and restricted to the affordable rental housing purposes and uses provided under Law and this Agreement absent the financial support of the City.

H. The Property and associated on site and off site improvements are collectively referred to in this Agreement as the "Improvements" or the "Project," all of which will directly benefit the Property and the Affordable Units, cannot otherwise be reasonably paid for or financed solely through private financing, and are necessary to eliminate blight.

I. City is willing to assist Owner's construction of the Affordable Units by making available to Owner as a loan certain Low to Moderate Income Housing Asset Funds in the amount of up to \$2,200,000 (the "Loan") upon the terms and conditions specified in this Agreement. The Loan is comprised of an original \$1,500,000 loan from the City, an additional \$100,000 from the City, and \$600,000 from an Interfund Loan Agreement between the COF's General fund and the Low and Moderate Income Housing Asset Fund. The Loan shall be allocated such that \$2,200,000 shall secure affordability covenants on the Affordable Units comprised of eighteen (18) units available to extremely low income families (30% AMI), and in addition, in consideration of this Agreement, affordability covenants on the sixty-nine (69) units available to lower income families (60% AMI).

J. The Loan shall be paid in accordance with the schedule set out in Exhibit "B" to the Agreement and repaid in accordance with the promissory note a specimen of which is attached hereto as Exhibit "G". The Loan and performance of the affordability and other covenants and restrictions set forth in this Agreement shall be evidenced by this Agreement and the Restrictions and Deed of Trust, attached hereto as Exhibit "H," which shall be recorded against and run with and encumber the Property. Said Agreement, Restrictions and Deed of Trust shall be recorded concurrent with construction loan closing.

K. In addition to the Loan, the City of Fresno, a municipal corporation not acting in its capacity as the Housing Successor to the Redevelopment Agency (COF) is willing to provide further financial assistance to the Owner in the form of \$500,000 from the remaining EDA grant match from the COF's general fund that was placed into an affordable housing fund as part of the Fiscal Year 2018 budget adoption, a pass-

through grant from the San Joaquin Valley Air Pollution Control District in the amount of \$1,843,572.36, impact fee waivers, and offsite improvements as detailed in this Agreement which shall be conditioned upon Owner's performance as set forth in this Agreement.

NOW THEREFORE, in consideration of the above recitals, which are contractual in nature, the mutual covenants contained herein and such other and further consideration as is hereby acknowledged, the parties agree as follows:

The City shall not disburse any portion of the Loan and the COF shall not provide any further financial assistance or begin construction of any off-site improvements prior to confirmation that all of Owner's funding sources are secured and sufficient to complete the Project.

3.1 Owner will take all reasonable precautions to prevent the release into the environment of any Hazardous Materials in, on or under the Property in violation of applicable laws or regulations. Owner will comply with all governmental requirements with respect to Hazardous Materials. In addition, Owner shall install and use equipment and implement and follow procedures that are consistent with reasonable standards for the disclosure, storage, use, removal and disposal of Hazardous Materials.

3.2 Owner will notify the City and give City a copy of all environmental permits, disclosures, applications, entitlements or inquiries relating to the Property including, without limitation, notices of violation, notices to comply, citations, inquiries, cleanup or abatement orders, cease and desist orders, reports filed pursuant to self-reporting requirements and reports filed or applications made pursuant to any governmental regulation relating to Hazardous Materials. Within 3 days after each incident, Owner will report to City any unusual or potentially important incidents respecting the environmental condition of the Property.

If a release of any Hazardous Materials into the environment occurs, Owner will, as soon as possible after the release, furnish City with a copy of any reports relating thereto and copies of all correspondence with governmental agencies relating to the release. Upon request, Owner will furnish City with a copy of any other environmental entitlements or inquiries relating to or affecting the Property including, without limitation, all permit applications, permits and reports, even reports and other matters.

3.3 From the Effective Date of this Agreement, Owner shall indemnify, hold harmless and defend City, City and each of their officers, officials, employees, agents and volunteers from any and all claim, action, suit, proceeding, loss, cost, damage, liability, deficiency, fine, penalty, punitive damage, or expense (including, without limitation, reasonable attorneys' fees), arising out of (i) the presence, release, use, generation, discharge, storage or disposal of any Hazardous Materials on, under, in or about the Property, or the transportation of any Hazardous Materials to or from the Property, or (ii) the violation, or alleged violation, of any statute, ordinance,

order, rule, regulation, permit, judgment or license relating to any use, generation, release, discharge, storage, disposal or transportation of Hazardous Materials on, under, in or about, to or from, the Property. This indemnity will include, without limitation, any damage, liability, fine, penalty, parallel indemnity after closing, cost or expense arising from or out of any claim, action, suit or proceeding for personal injury (including sickness, disease or death), tangible or intangible property damage, compensation for lost wages, business income, profits or other economic loss, damage to the natural resource or the environment, nuisance, contamination leak, spill, release or other adverse effect on the environment. Owner's obligations under the preceding sentence shall apply regardless of whether City, City or any of their officers, officials, employees, agents or volunteers are negligent, but shall not apply to any claim, action, suit, proceeding, loss, cost, damage, liability, deficiency, fine, penalty, punitive damage, or expense caused solely by the gross negligence, or caused by the willful misconduct, of City, City or any of their officers, officials, employees, agents or volunteers. This section shall survive expiration or termination of this Agreement.

- 3.4 The status and qualifications of Owner are of particular concern to City. From the Effective Date of this Agreement until the Restrictions expire, no voluntary or involuntary successor-in-interest of Owner will acquire any rights or powers under this Agreement, provided that the parties acknowledge the Owner shall hold the Affordable Units for rental as Affordable Rental Housing as provided in this Agreement. Owner shall retain ownership of the property throughout construction of the Project and for an additional fifteen years after completion of the Project. After fifteen years and notwithstanding anything to the contrary herein or in any other Funding Sources, Owner shall have the right to transfer ownership of the Property to another person or entity having experience in the ownership and operation of Affordable Rental Housing, as reasonably determined by City, which approval shall not be unreasonably withheld, delayed or conditioned. Notwithstanding the foregoing, the sale of a partnership interest to generate proceeds in consideration of Tax Credits shall be a pre-approved transfer. In addition, the Developer's limited partner and any successor thereto, may, without the prior consent of the City and except as set forth in the senior permitted liens, sell, transfer, assign, pledge, hypothecate, and encumber some or all of the partnership interests in the Developer and the same shall not be a violation of this Agreement. The Developer's limited partner and any successor thereto, shall have the right, without the prior consent of the City and except as set forth in the senior permitted liens, to remove any or all of the Developer's general partners for cause as permitted under Developer's limited partnership agreement and replace any or all removed general partners with a person or entity determined in the limited partner's sole discretion.

The COF's further financial assistance shall have the same conditions precedent as set forth in Sections 2.2, 2.3, 2.4 and 5.1 of this Agreement. Until each and all of the conditions are satisfied, COF is not obligated to take any action or provide any further financial assistance under this Agreement.

Pending confirmation of a final award, COF agrees to provide further financial assistance to the Owner in the form of a pass-through grant from the San Joaquin Valley Air Pollution Control District (SJVAPCD) in the amount of \$1,843,572.36. Owner shall enter into any agreements required under the SJVAPCD grant.

5. DEVELOPMENT OF THE PROPERTY.

- 5.1 Except as set forth in this Agreement, before Owner begins constructing the Improvements or undertakes any other work of improvement on the Property, Owner, at its own cost and expense, will secure all land use and other entitlements, permits, and approvals that City or any other

governmental agency with jurisdiction over the Project requires for construction of the Project. The City shall not disburse any portion of the Loan and COF shall not provide any further financial assistance or begin construction of any off-site improvements prior to confirmation that Owner has secured all land use and other entitlements, permits and approvals required for construction and completion of the Project. Without waiver or limitation, Owner will secure and pay all costs, charges and fees associated with, the following:

5.1.1 All permits and fees that the City, County of Fresno, and other governmental agencies with jurisdiction over the Project, the Improvements or the Property may require.

5.1.2 ADA/Barriers to the Disabled. The Project shall comply with all applicable federal, state and local accessibility requirements.

- 5.2 Scope of Development and Project Design. Owner has submitted a general or basic concept drawing to City, and a copy of which is attached as Exhibit "E" (the "Scope of Development and Project Design"). Owner will complete the Improvements on the Property in one phase, according to the Scope of Development and Project Design, and the plans, drawings, and documents that Owner submits to City. Owner shall carry out construction of the Project including the Improvements in accordance with all applicable local, state and federal laws, codes, ordinances and regulations, including without limitation all applicable state and federal labor standards.
- 5.3 Books and Records. Owner shall make available for examination at reasonable intervals and during normal business hours, all books, accounts, reports, files and other papers or property with respect to all matters covered by this Agreement, and shall permit City to audit, examine and make excerpts or transcripts from such records. City may audit any conditions relating to this Agreement at City's expense, unless such audit shows a materially significant discrepancy in information reported by Owner to City in which case Owner shall bear the cost of such audit. Owner shall also reasonably cooperate with and assist the City in City's compliance with any applicable audit requirements of the California Redevelopment Law including California Health and Safety Code Sections 33080 and 33080.1. This section shall survive for a period of four years after the expiration or termination of this Agreement.
- 5.4 Audit. Owner shall be accountable to City for all Loan funds disbursed to Owner pursuant to this Agreement. Owner will cooperate fully with City and the State of California in connection with any interim or final audit relating to the Project that may be performed. Owner will maintain

accurate and current books and records for the Project using generally accepted accounting principles. Owner agrees to maintain books and records that accurately and fully show the date, amount, purpose and payee of all expenditures financed with Loan funds and to keep all invoices, receipts and other documents related to expenditures financed with Loan funds for not less than four (4) years after the fiscal year in which such expenditures are incurred. For purposes of this section, "books, records and documents" include, without limitation, plans, drawings, specifications, ledgers, journals, statements, contracts/agreements, funding information, purchase orders, invoices, loan documents, computer printouts, correspondence, memoranda and electronically stored versions of the foregoing. This section shall survive for a period of four years after the expiration or termination of this Agreement.

- 5.5 Owner shall cause the issuance of all necessary discretionary governmental permits, approvals and entitlements, close any implicated funding or other escrow and begin/complete construction of the Improvements according to the Performance and Payment Schedule.

5.5.1 Project Completion. City, acting through and in the discretion of its Director, may extend dates within the performance schedule and/or the completion date of the Project for that period of time that City, in its reasonable discretion, determines necessary to overcome any delay if and to the extent such delay is due to a cause which is beyond Owner's reasonable control, and if Owner could not, with reasonable diligence, have foreseen and avoided such cause for delay. Such causes include, without limitation, acts of God, unusually severe weather or flood, war, terrorism, riot or act of the public enemy, labor disputes, unavoidable inability to secure labor, materials, supplies, tools or transportation, or acts or omissions of any governmental authority having jurisdiction. City will not extend the completion date for acts or omissions occurring through the fault of Owner. An extension of time as provided in this subsection will be Owner's sole remedy for any delays in the Performance and Payment Schedule the Project completion date.

As a condition precedent to any extension requested by Owner, Owner will give the City notice within ten (10) days after any cause for delay occurs, stating the cause and the additional time Owner anticipates needed to complete the Project. Any extension by City must be in writing and signed by the Director or the Director's designee, which approval shall not be unreasonably withheld, delayed or conditioned.

- 5.6 Subject to the terms of this Agreement, the Loan and any further financial assistance set forth in Section 4 of this Agreement shall be disbursed to Owner according to the terms of this Agreement and only after Sections 2.2, 2.3, 2.4, and 5.1 have been completed. All Loan funds and any further financial assistance shall be used solely for costs of the Project and Improvements.
- 5.7 Certificate of Completion. Owner will notify City when Owner deems the Project complete. Within ten (10) business days after such notice, City will inspect the Improvements. When City reasonably determines Owner has completed the Improvements as required in this Agreement and the Law, City will furnish Owner with the Certificate of Completion. City will not unreasonably delay, condition or refuse to issue the Certificate of Completion. The recorded Certificate of Completion will be a conclusive determination that Owner has satisfactorily completed the Improvements required under this Agreement. Any parties then owning or subsequently purchasing, leasing or otherwise acquiring any interest in the Property will not (because of that ownership, purchase, lease or acquisition) after the recording, incur any obligation or liability under this Agreement for constructing the Improvements, but will take such interest in the Property subject to the continuing covenants set forth in this Agreement.
- 5.7.1 If City determines not to furnish the Certificate of Completion, in accordance with Section 5.7 above, City will give Owner a written notice stating why City has decided not to issue the Certificate of Completion, or why it is delaying the issuance, and the reasonable actions that, in City's opinion, Owner must take before City can issue the Certificate of Completion. City's failure to give the notice within ten (10) days, however, will not cause the Owner to be entitled to the Certificate of Completion. The Certificate of Completion is not a notice of completion as referred to in Section 3093 of the California Civil Code.
- 5.7.2 The following are conditions precedent to City issuing the Certificate of Completion, and each submission will be in form and substance satisfactory to the Director: Evidence that the time to file all mechanics' liens or material men's liens has expired and any such liens recorded against the Property or Improvements have been released or, if not released, sufficiently bonded (i.e. 150%) against as required by law.
- 5.8 To the extent economically feasible, consistent with the requirements of any permitted encumbrance, or as otherwise approved by City or provided in the Agreement, if any building or improvement on the Property is damaged or destroyed by an insurable cause, Owner shall, at its cost and

expense, diligently undertake to repair or restore said buildings and improvements consistent with the Scope of Development and Project Design for the Project. Such work or repair shall commence within ninety (90) days after the insurance proceeds are made available to Owner and shall be complete within one (1) year thereafter. All insurance proceeds collected for such damage or destruction shall be applied to the cost of such repairs or restoration and, if such insurance proceeds shall be insufficient for such purpose, Owner shall make up the deficiency.

5.9 Inspections. Owner shall permit, facilitate and require its contractors to permit and facilitate observation and inspection of the Project by City during reasonable business hours and upon reasonable notice for the purpose of determining compliance with this Agreement.

5.10 If and to the extent that development of the Project results in the permanent or temporary displacement of residential tenants, homeowners or businesses, Owner shall comply with all applicable local, state and federal statutes and regulations with respect to relocation planning, advisory assistance and payment of monetary benefits. Owner shall be solely responsible for payment of any relocation benefits to any displaced persons and any other obligations associated with complying with said relocation laws.

5.11 Reporting Requirements. Owner shall submit to City the following reports:

5.11.1 Annual Reports. Annually, beginning in the year following City's issuance of the Certificate of Completion, and continuing until the expiration of this Agreement, on such dates and in the form agreeable between the parties and consistent with all federal and state reporting requirements applicable to the Project, Owner shall submit an annual report to City, specifically the Executive Director of the Housing Successor to the Redevelopment Agency and the City Manager, in a form approved by City. Such annual report shall include for each of the Affordable Units: the rent, the annual income and the family size of the Household occupying the Affordable Unit. Such annual report shall also state the date the tenancy commenced for each Affordable Unit, certification from an officer of Owner that the Affordable Unit is in compliance with the Affordable Rental Housing requirements, and such other information the City may be required by Law to obtain. Owner shall provide any additional information reasonably requested by the City provided such information is directly related to Owner's compliance with this Agreement.

5.11.2 Annual Proof of Insurance. Annually, beginning in the year following City's issuance of the Certificate of Completion, and continuing until the expiration of the Agreement, Owner shall submit proof of insurance as required by this Agreement.

5.12 All Leases used to rent the Affordable Units are subject to the following:

5.12.1 Annual Income Certification and Reporting. Owner shall include in leases for all Affordable Units provisions which authorize Owner to immediately terminate the tenancy of any Household one or more of whose members misrepresented any fact material to the Household's qualification as a Household for low income family. Each such lease shall also provide that the Household is subject to annual certification, and that, if the Household's annual income increases above the applicable limits for low income family such Household's rent may be subject to increase to the amount payable by tenant under federal, state or local law, except that, consonant with the Law, tenants of the Affordable Units that have been allocated to low income housing tax credits by a housing credit agency pursuant to section 42 of the Internal Revenue Code of 1986 (26 U.S.C. 42) must pay rent governed by Section 42.

5.12.2 The leases for the Affordable Units shall provide that if the Project is subject to state or federal rules governing low income housing tax credits, the provision of those rules regarding continued occupancy by, and increases in rent for, Households whose incomes exceed the eligible income limitation shall apply in place of the provisions set forth in subsection 5.12.1 above.

5.13 With respect to the Project, Owner shall comply with the following:

5.13.1 Except to any extent otherwise provided in this Agreement, Owner is specifically responsible for all management functions with respect to the Affordable Units including, without limitation, the selection of tenants, certification and re-certification of Household size and income, evictions, collection of rents and deposits, maintenance, landscaping, routine and extraordinary repairs, replacement of capital items and security. City shall have no responsibility for management of the Affordable Units of the Project.

5.14 Owner covenants and agrees the Affordable Units shall constitute Affordable Rental Housing during the entire Affordability Period. If Owner fails to comply the requirement to lease the Affordable Units only to

qualified Households during the Affordability period, as described in the attached Form of Regulatory Agreement and Declaration of Covenants and Restrictions attached hereto as Exhibit "F," City shall be entitled to enjoin Owner from leasing the Affordable Units in the Project, as Owner acknowledges that damages are not an adequate remedy at law for such breach.

6. INDEMNITY; INSURANCE

6.1 Owner shall indemnify, hold harmless and defend City, City and each of their officers, officials, employees, agents from any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage) incurred by City, City, Owner, or any other person, and from any and all claims, demands and actions in law or equity (including attorney's fees and litigation expenses), arising or alleged to have arisen directly or indirectly out of Owner's performance of this Agreement. Owner's obligations under the preceding sentence shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused solely by the gross negligence, or caused by the willful misconduct, of City, City or any of their officers, officials, employees, agents or volunteers. This section shall survive expiration or termination of this Agreement.

6.2 Throughout the life of this Agreement, the Owner shall pay for and maintain in full force and effect all policy(ies) of insurance as required by the City Manager, , which may be amended from time to time, with an insurance company either (1) admitted by the California Insurance Commissioner to do business in the State of California and rated not less than "A-VII" in Best's Insurance Rating Guide, or (2) authorized by the City's Risk Manager or his/her designee. The failure by Owner to pay for and obtain insurance policies as required by the City Manager shall be a material breach of this Agreement. The following policies of insurance are required:

6.2.1 Until the Certificate of Completion is recorded, Builders Risk (Course of Construction) insurance in an amount equal to the completed value of the project with no coinsurance penalty provisions.

6.2.2. Following the recording of the Certificate of Completion, COMMERCIAL PROPERTY insurance which shall be as broad as the most current version of Insurance Service Office (ISO) commercial Property Form CP 10 30 (Cause of Loss – Special Form), with limits of insurance in

an amount equal to the full (100%) replacement cost (without deduction for depreciation) of the Improvements with no coinsurance penalty provisions. Such insurance shall include coverage for business income, including "rental value", in an amount equal to the two (2) years of the annual rent generated by the Improvements. Coverage for business income, including "rental value," shall be at least as broad as the most current version of Insurance Service Office (ISO) Commercial Property Form CP 00 30.

Owner shall be responsible for payment of any deductibles contained in any insurance policies required hereunder and Owner shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the City's Risk Manager or his/her designee.

All policies of insurance required hereunder shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after 30 calendar day written notice has been given to City. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, Owner shall furnish City with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during the term of this Agreement, Owner shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than 15 calendar days prior to the expiration date of the expiring policy.

The Builders Risk (Course of Construction) and Property insurance policies shall be endorsed to name City as a loss payee.

Owner shall furnish City with all certificate(s) and **applicable endorsements** effecting coverage required hereunder. All certificates and **applicable endorsements** are to be received and approved by the City's Risk Manager or his/her designee prior to City's execution of this Agreement.

If at any time Owner fails to maintain the required insurance in full force and effect, Owner shall immediately discontinue all work under this Agreement until City receives notice that the required insurance has been restored to full force and effect and that the premiums therefore have been paid for a period satisfactory to the City. Owner's failure to maintain any required insurance shall be sufficient cause for City to terminate this Agreement.

The fact that insurance is obtained by Owner shall not be deemed to release or diminish the liability of Owner, including, without limitation,

liability under the indemnity provisions of this Agreement. The duty to indemnify City, City and each of their officials, officers, employees, agents and volunteers shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Owner. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Owner.

Upon request of City, Owner shall immediately furnish City with a complete copy of any insurance policy required under this Agreement, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Agreement.

- 6.3 Owner will obtain and deliver payment and performance bonds issued by an insurance company admitted in California in good standing as a surety and meeting the criteria for Owner's other insurance under this Agreement, each bond in an amount at least equal to 100% of Owner's estimated construction costs, provided that the City hereby waives any requirement for said bonds at all time during which Owner is in full compliance with this Agreement and the Project remains fully funded.
- 6.4 Until City issues the Certificate of Completion City will have access to the Property, after reasonable notice to the Owner (except in emergencies), without charge or fee, during normal construction hours, for purposes of assuring compliance with this Agreement. City representatives will comply with all safety rules while on the Project or the Property.
- 6.5 Owner will design and construct the Improvements, and after that, prior to any allowable transfer or sale thereof, Owner will maintain the Property according to all applicable laws including, without limitation, all applicable state labor standards, City zoning and development standards, building, plumbing, mechanical and electrical codes, all provisions of the Fresno Municipal Code and all applicable access requirements. City makes no representation about which, if any, of such laws, ordinances, regulations or standards apply to development of the Project.

Owner acknowledges that Owner, not City, is responsible for determining applicability of and compliance with all local, state, and federal laws including, but not limited to, any applicable provisions of the California Labor Code, Public Contract Code, and Government Code. City makes no express or implied representation as to the applicability or inapplicability of any such laws to this Agreement or to the parties' respective rights or obligations hereunder including, but not limited to, payment of prevailing wages, competitive bidding, subcontractor listing, or similar or different matters. Owner further acknowledges that City shall

not be liable or responsible at law or in equity for any failure by Owner to comply with any such laws, regardless of whether City knew or should have known of the need for such compliance, or whether City failed to notify Owner of the need for such compliance.

- 6.6 Owner will take reasonable efforts to not permit any lien or stop notice to be filed against the Property, provided Owner may reasonably determine to contest any such lien or stop notice. If a claim of lien or stop notice is recorded against the Property or Improvements, Owner, within 30 days after recordation of a claim of lien or stop notice or within 5 days after City's demand, whichever first occurs, will do the following:

6.6.1 Pay and discharge the same; or

6.6.2 Effect the release of such lien by recording and delivering to City a surety bond in sufficient form and amount (i.e. 150%), or otherwise; or

6.6.3 Give City other assurance which City, in its sole discretion, deems satisfactory to protect the City from the effect of the lien or bonded stop notice.

7. SECURITY FINANCING AND RIGHTS OF HOLDERS

- 7.1 Notwithstanding any other provision of this Agreement, Owner may not grant a security interest in the Property before the City issues and records a Certificate of Completion, without the written consent of City, provided that City hereby approves the recommended security interest of Owner's financial institutions and tax credit investors, including their respective successors or assigns, as described in the Financing Plan.

8. CONTINUING OWNER OBLIGATIONS

- 8.1 In its performance of this Agreement, Owner covenants by and for itself and its successors and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of any person, including contractors, subcontractors, bidders and vendors, on account of race, color, religion, ancestry, national origin, sex, sexual preference, age, pregnancy, childbirth or related medical condition, medical condition (e.g., cancer related) or physical or mental disability, and in compliance with all applicable federal, state and local laws, regulations and rules including without limitation Title VII of the Civil Rights Act of 1964, 42 U.S.C. Section 2000, *et seq.*, the Federal Equal Pay Act of 1963, 29 U.S.C. Section 206(d), the Age Discrimination in Employment Act of 1967, 29 U.S.C. Section 621, *et seq.*, the Immigration Reform and

Control Act of 1986, 8 U.S.C. Section 1324b, *et seq.*, 42 U.S.C. Section 1981, the California Fair Employment and Housing Act, Cal. Government Code Section 12900, *et seq.*, the California Equal Pay Law, Cal. Labor Code Section 1197.5, Cal. Government Code Section 11135, the Americans with Disabilities Act, 42 U.S.C. Section 12101, *et seq.*, and all other applicable anti-discrimination laws and regulations of the United States and the State of California as they now exist or may hereafter be amended. Owner will allow City representatives access to its employment records related to this Agreement during regular business hours and upon reasonable notice to verify compliance with these provisions when so requested by the City.

8.2 Owner will pay before delinquency all ad valorem real estate taxes and assessments on the Property, subject to the Owner's right to contest in good faith any such taxes. Owner will remove any levy or attachment on the Property or any part of it, or assure the satisfaction of the levy or attachment within a reasonable time. Owner will notify City prior to applying for or receiving any exemption from the payment of property taxes or assessments on any interest in or to the Property or the Improvements. Owner further agrees that the prior consent of City shall be required if the basis for such exemption is other than for qualified property held by a nonprofit entity that has been determined to be exempt from federal and state income taxation, which consent shall not be unreasonably withheld.

9. COVENANTS AND RESTRICTIONS RUNNING WITH THE LAND. The following covenants shall run with the land and shall bind Owner, and Owner's successors in interest to the Property for the periods stated, and shall be fully binding for the benefit of the community and City without regard to technical classification or designation, legal or otherwise.

9.1 Owner covenants for itself, its successors, assigns, and every successor in interest to the Property or any part of it that, after closing of any applicable escrow, during construction, and after completing the Improvements, the Owner shall devote the Affordable Units on the Property to the uses specified in this Agreement for the Affordability Period. All uses of the Affordable Units including, without limitation, all activities Owner undertakes pursuant to this Agreement, shall conform with this Agreement and the Law. Without waiver or limitation, each of the Affordable Units to be constructed pursuant to this Agreement shall be maintained as Affordable Rental Housing pursuant to this Agreement and the Restrictions.

9.2 Owner and those taking under Owner will maintain the Property and all Improvements on site in reasonably good-condition and repair (and, as to

landscaping, if any, in a healthy condition), all according to the Scope of Development and Project Design and related plans, as amended from time to time. Owner and those taking under Owner shall: (i) maintain all on-site Improvements according to all other applicable laws, rules, ordinances, orders, and regulations of all federal, state, county, municipal, and other governmental agencies and bodies having or claiming jurisdiction and all their respective departments, bureaus, and officials; (ii) keep the Improvements free from graffiti; (iii) keep the Property free from any accumulation of debris or waste material; (iv) promptly make repairs and replacements to the on-site Improvements; and (v) promptly replace any dead, or diseased plants and/or landscaping (if any) with comparable materials.

City will give Owner written notice of any breach of this Section 9.2. Within 10 days from receipt of such notice, City and Owner will meet and confer, and agree to corrective actions and a schedule of performance for such corrective actions. Owner must cure the default within the agreed schedule or within (a) 10 days after the City's notice for any default involving landscaping, graffiti, debris, waste material, or general maintenance on the Property; or (b) 30 days after City's notice for any default involving the Improvements. If Owner does not cure the default within the agreed schedule, City, without obligation to, may enter the Property, cure the default, and protect, maintain, and preserve the Improvements and landscaping.

City may lien or assess the Property for the City's expenses in protecting, maintaining, and preserving the on-site Improvements and aesthetics of the Property, including any lawful administrative charge in the manner used by the City in the abatement of public nuisances. The notice and opportunity to cure provided for herein will supplement the noticing, hearing, and nuisance abatement order used by City. Owner will promptly pay all such amounts to City upon demand.

- 9.3 From the Effective Date until the expiration of the Affordability Period, Owner covenants to use and operate the Affordable Units on the Property as Affordable Rental Housing pursuant to this Agreement.
- 9.4 Owner covenants for itself and any successors in interest and all persons claiming by, through or under them, in perpetuity, that there shall be no discrimination against or segregation of any person or group of persons because of race, color, creed, religion, sex, sexual preference, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Affordable Units, nor shall Owner itself or any person claiming under or through Owner establish or permit any such practice or practices of discrimination or segregation

concerning the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the Affordable Units.

- 9.5 All deeds, leases, or contracts concerning the Affordable Units shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

In deeds: "The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons because of race, color, creed, religion, sex, sexual preference, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation concerning the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein, conveyed. The foregoing covenants shall run with the land."

In leases: "The lessee herein covenants by and for himself or herself, his or her heirs, executors, administrators, and assigns, and all persons claiming under or through him or her, and this lease is made and accepted upon and subject to the following conditions:

"That there shall be no discrimination against or segregation of any person or group of persons, because of race, color, creed, religion, sex, sexual preference, marital status, national origin, or ancestry in the leasing, subleasing, transferring, use, occupancy, tenure, or enjoyment of the premises herein leased nor shall the lessee himself or herself, or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation concerning the selection, location, number, use, or occupancy of tenants, lessees, sublessees, subtenants, or vendees in the premises herein leased."

In contracts: "There shall be no discrimination against or segregation of, any person, or group of persons because of race, color, creed, religion, sex, sexual preference, marital status, national origin, or ancestry, in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the premises, nor shall the transferee himself or herself or any person claiming under or

through him or her, establish or permit any such practice or practices of discrimination or segregation concerning the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the premises.”

- 9.6 City is the beneficiary of the covenants running with the land for itself and for protecting the interests of the community and other parties, public or private, in whose favor and for whose benefit the covenants are provided, without regard to whether City has been, remains, or is an owner of any land or interest in the Affordable Units on the Property. City may exercise all rights and remedies, and maintain any actions or suits at law or in equity or other proceedings to enforce the covenants for itself or any other beneficiaries.

10. DEFAULTS AND REMEDIES

- 10.1 Subject to the extensions of time permitted under this Agreement, either party's failure to perform any material action or material covenant as required by this Agreement, following notice and failure to cure, is a "Default" under this Agreement. A party claiming a Default shall give written notice of Default to the other party specifying the Default complained of, and the cure demanded. Except as otherwise expressly provided in this Agreement, the noticing party shall not begin any proceeding against the other party until the other party is given an opportunity to cure the Default. The other party will have 30 calendar days after receiving the notice to cure the Default, or, if the party cannot reasonably cure the Default within such 30 days, the other party must begin to cure within the 30 days and diligently pursue the cure to completion, whereupon there shall be no event of Default.

Notwithstanding anything to the contrary contained in this Agreement, if a non-monetary default or event of default occurs under the terms of any of this Agreement, prior to exercising any remedies thereunder, the City will give Owner and Limited Partner written notice of such default; provided the failure by City to notify the lender and Limited Partner shall not vitiate or negatively affect any notice given to Borrower. If the default is reasonably capable of being cured within thirty (30) days, Owner shall have such period to effect a cure prior to exercise of remedies by City under this Agreement, or such longer period of time as may be specified in this Agreement. If the default is such that it is not reasonably capable of being cured within thirty (30) days (or such longer period if so specified), and if Owner (a) initiates corrective action within said period, and (b) diligently, continually, and in good faith works to effect a cure as soon as possible, then Borrower shall have such additional time as is reasonably necessary to cure the default prior to the exercise of any remedies by City.

The City hereby further agrees that any cure tendered or made by limited partners of Owner shall be accepted or rejected on the same basis as if tendered or made by Owner.

- 10.2 Subject to first giving the notice and opportunity to cure, a party may begin an action at law to enforce, or in equity to seek specific performance of, the terms of this Agreement, or to cure, correct, or remedy any Default, to recover damages for any Default, or to obtain any other remedy consistent with the purpose of this Agreement. A party must bring any legal action in the Superior Court of the County of Fresno, State of California, in an appropriate municipal court in Fresno County, or in the District of the United States District Court serving Fresno County.
- 10.3 If Owner begins any legal action against City, it shall serve process on the City by personal service on the Director, or in any other manner the law permits. If City begins any legal action against the Owner, it will serve process on the Owner by personal service on Owner, Owner's Agent or in any other manner the law permits.
- 10.4 Except as otherwise expressly stated in this Agreement, the rights and remedies of the parties are cumulative, and a party's exercise of one or more rights or remedies will not preclude the party's exercise, at the same or different times, of any other rights or remedies for the same or any other Default of the other party.
- 10.5 A party's failure or delay in asserting any right or remedy will not be a waiver of any Default or of any right or remedy, and will not deprive the party of its right to begin and maintain any action or proceeding to protect, assert or enforce any right or remedy.
- 10.6 The laws of the State of California shall govern the interpretation and enforcement of this Agreement.

- 11.12 Each party represents and warrants to the other that (a) each has read this Agreement, and (b) is signing this Agreement with full knowledge of any rights and obligations each may have, and (c) each has received independent legal advice from their respective legal counsel as to the matters set forth in this Agreement, or has knowingly chosen not to consult legal counsel, and (d) has signed this Agreement without relying on any agreement, promise, statement or representation by or for the other party, or their respective agents, employees, or attorneys, except as specifically set forth in this Agreement, and without duress or coercion, whether economic or otherwise.

- 11.13 No member, official or employee of City has or shall have any personal interest, direct or indirect, in this Agreement, nor shall any such member, official or employee participate in any decision relating to the Agreement which affects his personal interests or the interests of any corporation, partnership or association in which he is directly or indirectly interested. Owner represents and warrants that it has not paid or given, and will not pay or give, to any third party any money or other consideration for obtaining this Agreement, other than normal costs of conducting business and costs of professional services such as architects, consultants, engineers and attorneys.

Except as provided by law, or as otherwise agreed to in writing between City and such person, each such person shall be deemed to have waived in writing all right to seek redress from City under any circumstances whatsoever.
- 11.16 Owner hereby covenants and warrants that it is a duly authorized and existing California limited liability company, in good standing; that it shall remain in good standing; that it has the full right, power and authority to enter into this Agreement and to carry out all actions on its part contemplated by this Agreement; that the execution and delivery of this Agreement were duly authorized by proper action of the Owner and no consent, authorization or approval of any person is necessary in connection with such execution and delivery or to carry out all actions of the Owner's part contemplated by this Agreement, except as have been obtained and are in full force and effect; and that this Agreement constitutes the valid, binding and enforceable obligation of the Owner.

SCOPE OF DEVELOPMENT AND PROJECT DESIGN

Design, finance, construct and operate an affordable housing development consisting of 88 residential units, 7,500 square feet of commercial space, community rooms, parking lot, off-site improvements and outdoor recreation areas.

The design will utilize the length of Blackstone Avenue from the railroad tracks moving south to Home Avenue and provide 7,500 square feet of ground floor retail and 88 residential apartment units situated in two, four-story buildings serviced by elevators. The ground floor retail will be presented with large moment frame windows and an attractive contemporary facade. The residential development will consist of one, two and three-bedroom apartment units and community rooms which will provide computer labs, laundry facilities, bicycle parking, community kitchen and space for resident services programs and classes. The development will provide 112 parking spaces including handicap accessible spaces and bicycle parking spaces. The on-grade parking will be situated behind the building and shielded from public view.

2,000 square feet of the commercial space is intended to be leased to the City of Fresno at the lease rate of \$1 a year for 15 years to serve as Community Senior Center.

Should the development receive an award of Affordable Housing and Sustainable Communities (AHSC) funds in the 2018 NOFA cycle, then the development will be designed to obtain LEED Gold Certification. Additionally, the development will incorporate the use of solar panels (to be located on the roof and carports) with the goal of off-setting 100% of the energy required to operate the building resulting in the development being a net-zero consumer of energy.

Due to the high costs associated with this type of development, should the development not receive a 2018 AHSC allocation of funds, the parties shall reevaluate and renegotiate the Proforma and Project costs associated with LEED Gold and net-zero-energy aspects of the project will.

The work will include relocation of existing businesses and demolition of structures.

3. Income Computation and Certification Reporting Requirements. Prior to each Household's occupancy of an Affordable Unit, Owner shall comply with all of the following requirements:

a. **Income Computation.** Immediately prior to a Household's occupancy of an Affordable Unit, Owner shall obtain and maintain on file an Income Computation and Certification form, attached hereto as Exhibit "2," from each such Household dated immediately prior to the date of initial occupancy in the Project by such Household. In addition, the Owner will provide such further information as may be required in the future by the City. Owner shall use its best efforts to verify that the income provided by an applicant is accurate by taking the following steps as a part of the verification process: (i) obtain three (3) pay stubs for the most recent pay periods; (ii) obtain a written verification of income and employment from applicant's current employer; (iii) obtain an income verification form from the Social Security Administration and/or California Department of Social Services if the applicant receives assistance from either agency; (iv) if an applicant is unemployed or did not file a tax return for the previous calendar year, obtain other verification of such applicant's income as is satisfactory to the City; and (v) obtain such other information as may be requested by the City. A copy of each such completed Income Computation and Certification form shall be filed with the City prior to the occupancy of an Affordable Unit by a Household whenever possible, but in no event more than thirty (30) days after initial occupancy by said Household.

b. **Income Recertification.** Immediately prior to the first anniversary date of the occupancy of an Affordable Unit by a Household and on each anniversary date thereafter, Owner shall recertify the income of such Household by obtaining a completed Income Computation and Certification form based upon the current income of each occupant of the Affordable Unit. In the event the recertification demonstrates that such Household's income exceeds the income at which such Household would qualify to rent the Affordable Unit, such Household will no longer qualify for Affordable Rent. Owner shall provide the City with a copy of each such completed recertification with the next submission of Certificate of Continuing Program Compliance, as specified herein.

c. **Certificate of Continuing Program Compliance.** Upon the issuance of the Certificate of Completion and annually by October 31 of each year, or at any time upon the written request of City, Owner shall advise the City of the occupancy of the Project by delivering a Certificate of Continuing Program Compliance, attached hereto as Exhibit "3," certifying: (i) the number of Affordable Units of the Project which were occupied or deemed

occupied pursuant to this Agreement by a Household during such period; and (ii) to the knowledge of Owner either: (a) no unremedied default has occurred under this Agreement; or (b) a default has occurred, in which event the Certificate of Continuing Program Compliance shall describe the nature of the default and set forth the measures being taken by the Owner to remedy such default.

d. **Maintenance of Records.** Owner shall maintain complete and accurate records pertaining to the Affordable Units, and shall permit any duly authorized representative of the City to inspect the books and records of Owner pertaining to the Project including, but not limited to, those records pertaining to the occupancy of the Affordable Units.

4. **Acceptance and Ratification.** All present and future owners of the Property and other persons claiming by, through, or under them shall be subject to and shall comply with the above Restrictions. The acceptance of a deed of conveyance to the Property shall constitute an agreement that the Restrictions, as such may be amended or supplemented from time to time, is accepted and ratified by such future owners, tenant or occupant, and such Restrictions shall be a covenant running with the land and shall bind any person having at any time any interest or estate in the Property, all as though such Restrictions were recited and stipulated at length in each and every deed, conveyance, mortgage or lease thereof.

5 **Benefit.** This Agreement and the Restrictions herein shall run with and bind the Property for a term commencing on the date this Agreement is recorded in the Office of the Recorder of the County of Fresno, State of California, and expiring upon the expiration of the Affordability Period. The failure or delay at any time of City and/or any other person entitled to enforce these Restrictions shall in no event be deemed a waiver of the same, or of the right to enforce the same at any time or from time to time thereafter, or an estoppel against the enforcement thereof.

6. Costs and Attorney's Fees. In any proceeding arising because of failure of Owner or any future owner of the Property to comply with the Restrictions required by this Agreement, as may be amended from time to time, City shall be entitled to recover its respective costs and reasonable attorney's fees incurred in connection with such default or failure.

7. Waiver. Neither Owner nor any future owner of the Property may exempt itself from liability for failure to comply with the Restrictions required in this Agreement.

PROMISSORY NOTE

DO NOT DESTROY THIS NOTE: When paid, this note must be surrendered to Borrower for cancellation.

\$2,200,000.00
[], 2017

Fresno, California

For value received, the undersigned, 1501 N. Blackstone Ave., L.P., a California limited partnership ("Borrower"), promises to pay to the order of the City of Fresno in its capacity as Housing Successor to the Redevelopment Agency of the City of Fresno ("Lender" or "Beneficiary"), the sum of \$2,200,000.00, together with interest on unpaid principal at the rate of 3% per annum, with such interest accruing as of the Payment Commencement Date, to the extent such funds are loaned to the Borrower, all due and payable as described herein and pursuant to the Owner Participation Agreement. This Promissory Note ("Note") is made and entered into in accordance with the terms of the Owner Participation Agreement dated [] 201_, entered into between Borrower and Lender ("Agreement").

Commencing on May 15th of the year immediately following issuance of the Certificate of Occupancy for the Project (the "Payment Commencement Date"), and continuing on the same date each year thereafter until the date which is fifty-five (55) years after the Payment Commencement Date ("Maturity Date"), Borrower shall submit to the Lender an audited project financial statement (covering the previous calendar year) along with Lender's pro rata share of the annual Project Residual Receipts (as defined below) as calculated by Borrower. The actual and final amount of Lender's share of Residual Receipts shall be determined by the Lender upon review of the audited financial statement. "Residual Receipts" are determined on a cash basis and defined as revenue minus the total of approved operating expenses, deferred portion of the developer fees in the development budget, approved debt service, deposits to operating and replacement reserve accounts per contract, and approved related party expenses. Such annual payments shall continue until the Maturity Date at which time the entire remaining unpaid balance of principal together with interest and unpaid penalties or late charges where applicable thereon shall be all due and payable, along with attorney's fees and costs of collection, and without relief from valuation and appraisal laws. Lender's share of Residual Receipts shall be 25%.

Any failure to make a payment required hereunder shall constitute a default under this Note.

All capitalized terms used in this Note, unless otherwise defined, will have the respective meanings specified in the Agreement.

This Note, and any extensions or renewals hereof, is secured by a Deed of Trust with Assignment of Rents on real estate in Fresno County, California (the "Property"), dated as of the same date as this Note, and executed in favor of and delivered to the Lender ("Deed of Trust"). The Deed of Trust provides for acceleration of the repayment of this Note upon stated events. The Deed of Trust shall be insured by Old Republic Title Company or similar nationally recognized Title Company as no worse than an ALTA or CLTA third position lien.

Time is of the essence with respect to all terms of this Note. It will be a default under this Note if Borrower defaults under the Agreement or other documents pursuant to the Agreement, including but not limited to the Deed of Trust and Regulatory Agreement and Declaration of Covenants and Restrictions (collectively, the "Project Loan Documents"), and if Borrower fails to pay when due any sum payable under this Note, or under any other obligation secured by a Deed of Trust or other lien senior to the Deed of Trust which secures this Note after the expiration of the applicable cure period. Borrower shall promptly inform Lender of any new or additional financing or funding, and Borrower shall provide Lender copies of all agreements with any and all Funding Sources for this Project, in accordance with the terms set forth in Section 2.2 of the Agreement. In the event of a default by Borrower, the Borrower shall pay a late charge equal to 2% of any outstanding payment. All payments collected shall be applied first to payment of any costs, fees or other charges due under this Note or any other project loan documents then to the interest and then to principal balance. On the occurrence of a default or on the occurrence of any other event that under the terms of the Agreement or Project Loan Documents gives rise to the right to accelerate the balance of the indebtedness, then, at the option of Lender, this Note or any notes or other instruments that may be taken in renewal or extension of all or any part of the indebtedness will immediately become due without any further presentment, demand, protest, or notice of any kind.

The indebtedness evidenced by this Note may, at the option of the Borrower, be prepaid in whole or in part, at any time, without penalty. Lender will apply all the prepayments first to the payment of any costs, fees, late charges, or other charges due under this Note, the Agreement or Project Loan Documents, and then to the interest and then to the principal balance.

All payments are payable in lawful money of the United States of America at any place that Lender or the legal holders of this Note may, from time to time, in writing designate, and in the absence of that designation, then to Lender at its address of record provided in the Agreement.

Borrower agrees to pay all costs including, without limitation, attorney fees, incurred by the holder of this Note in enforcing payment, whether or not suit is filed, and including, without limitation, all costs, attorney fees, and expenses incurred by the holder of this Note in connection with any bankruptcy, reorganization, arrangement, or other similar proceedings involving the undersigned that in any way affects the exercise by the holder of this Note of its rights and remedies under this Note. All costs incurred

by the holder of this Note in any action undertaken to obtain relief from the stay of bankruptcy statutes are specifically included in those costs and expenses to be paid by Borrower. Borrower will pay to Lender all attorney fees and other costs referred to in this paragraph on demand.

Any notice, demand, or request relating to any matter set forth herein shall be in writing and shall be given as provided in the Agreement.

No delay or omission of Lender in exercising any right or power arising in connection with any default will be construed as a waiver or as an acquiescence, nor will any single or partial exercise preclude any further exercise. Lender may waive any of the conditions in this Note and no waiver will be deemed to be a waiver of Lender's rights under this Note, but rather will be deemed to have been made in pursuance of this Note and not in modification. No waiver of any default will be construed to be a waiver of or acquiescence in or consent to any preceding or subsequent default.

The Deed of Trust provides as follows:

DUE ON SALE—CONSENT BY BENEFICIARY. Beneficiary may, at its option, declare immediately due and payable all sums secured by this Deed of Trust upon the sale or transfer, without the Beneficiary's prior written consent, of all or any part of the Property, or any interest in the Property. A "sale or transfer" means the conveyance of the Property or any right, title or interest therein; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract, or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Property, or by any other method of conveyance of Property interest. If any Trustor is a corporation, partnership or limited liability company, transfer also includes any change in ownership of more than fifty percent (50%) of the voting stock, partnership interests or limited liability company interests, as the case may be, of Trustor, other than a transfer to the managing member of Trustor or an affiliate of the managing member. However, this option shall not be exercised by Beneficiary if such exercise is prohibited by applicable law.

Lender may transfer this Note and deliver to the transferee all or any part of the Property then held by it as security under this Note, and the transferee will then become vested with all the powers and rights given to Lender; and Lender will then be forever relieved from any liability or responsibility in the matter, but Lender will retain all rights and powers given by this Note with respect to Property not transferred.

If any one or more of the provisions in this Note is held to be invalid, illegal, or unenforceable in any respect by a court of competent jurisdiction, the validity, legality, and enforceability of the remaining provisions will not in any way be affected or

impaired. This Note will be binding on and inure to the benefit of Borrower, Lender, and their respective successors and assigns.

Borrower agrees that this Note will be deemed to have been made under and will be governed by the laws of California in all respects, including matters of construction, validity, and performance, and that none of its terms or provisions may be waived, altered, modified, or amended except as Lender may consent to in a writing duly signed by Lender or its authorized agents.

The Loan shall be non-recourse to the Borrower and all constituent members of the Borrower.

IN WITNESS WHEREOF, Borrower has caused this Note to be executed by Borrower or Borrower's authorized agent(s) as of the date and year first above written.

Said real property and personal property described above, together with appurtenances, are referred to collectively in this Deed of Trust as the "Collateral."

FOR THE PURPOSE OF SECURING THE FOLLOWING OBLIGATIONS:

(a) Payment to the Beneficiary of an indebtedness in the principal amount of Two Million Two Hundred Thousand Dollars (\$2,200,000), evidenced by a promissory note executed by the Trustor and payable to the order of the Beneficiary, bearing the same date as this Deed of Trust, and any and all modifications, extensions or renewals thereof or substitutions therefor (the "Note"), and performance and satisfaction of each and all other obligations of the Trustor under the Note;

(b) Performance of every obligation of Trustor in this Deed of Trust, the Note, the Owner Participation Agreement between Beneficiary and Trustor related to the Property (the "Owner Participation Agreement") contemplating the improvement of the "Project" (as that term is defined in the Owner Participation Agreement); and

(c) Payment of all sums, if any, and interest thereon that may hereafter be loaned or advanced by the Beneficiary to or for the benefit of the Trustor or to its successors, transferees and assigns, made to the Trustor while the Trustor is the owner of record of fee title to the Property, or any portion thereof, or to the successors, transferees or assigns of the Trustor while they are the owners of record of such fee title, and evidenced by one or more notes or written instruments which recite that they are secured by this Deed of Trust.

TO PROTECT THE SECURITY OF THIS DEED OF TRUST, THE TRUSTOR COVENANTS AND AGREES AS FOLLOWS:

1. The Trustor shall not use or permit the use of any of the Collateral for any purpose other than the use for which it was intended at the time this Deed of Trust was executed, as provided in the Owner Participation Agreement.

2. Upon default under this Deed of Trust or the Note (following delivery of notice and expiration of the cure period, if any, provided therein), the Beneficiary, at its option, may declare the whole of the obligations and sums secured hereby to be immediately due and payable.

3. The person(s) or entity(ies) who have executed this Deed of Trust are fully authorized, and have obtained any and all written authorizations, approvals or consents necessary, to bind the Trustor to this Deed of Trust.

4. All rents, profits and income from the Collateral covered by this Deed of Trust are hereby assigned to the Beneficiary for the purpose of discharging the obligations hereby secured. However, the Trustor shall be permitted, so long as no default exists hereunder or under the Note, to collect such rents, profits and income for use consistent with the provisions of the Owner Participation Agreement.

5. Upon default hereunder or under the Note (following delivery of notice and expiration of the cure period, if any, provided herein or therein), for the purpose of protecting its interests hereunder, the Beneficiary will be entitled to the appointment by a court having jurisdiction, without further notice and without regard to adequacy of any security for the indebtedness secured hereby, of a receiver to take possession of and protect the Collateral described herein and operate same and collect the rents, profits and income therefrom. The entering upon and taking possession of the Property or other Collateral by such receiver, the collection of such rents, profits and income and the application thereof shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

6. The Trustor, at its sole cost and expense, shall provide and maintain on the entire Property, including all buildings and improvements thereon: (i) a policy of broad-form builder's risk insurance sufficient to cover 100 percent of the replacement value of all buildings and improvements on the Property including; without limitation, labor and materials in place or to be used as part of the permanent construction (including, without limitation, surplus miscellaneous materials and supplies incidental to the work, and scaffolding, staging, towers, forms and equipment not owned or rented by the Beneficiary, the cost of which is not included in the cost of work), insuring against loss or damage by fire, extended coverage perils and such other hazards, casualties or other contingencies as from time to time may be reasonably required by the Beneficiary; (ii) a policy of commercial general liability insurance that includes contractual, products and completed operations coverages, bodily injury and property damage liability insurance with combined single limits of not less than \$1,000,000 per occurrence; and (iii) such other insurance as may be reasonably required by the Beneficiary, in each case in such amounts, in such manner and with such companies as the Beneficiary and Trustor may reasonably approve. The foregoing minimum insurance coverage limits shall be subject to reasonable adjustment from time to time by the Beneficiary. Each such policy shall be endorsed with a standard mortgage clause with loss payable to the Beneficiary and the Trustor, and shall provide that the policy shall not be canceled or materially changed without at least thirty (30) days' prior notice to the Beneficiary. Upon request by the Beneficiary, the Trustor immediately shall deposit with the Beneficiary certificates evidencing such policies.

7. The Trustor shall pay: (i) at least ten days before delinquency, all taxes and assessments affecting the Collateral, including assessments on appurtenant water stock; (ii) when due, all encumbrances, charges and liens, with interest, on the Collateral or any part thereof which appear to be prior or superior hereto; and (iii) all costs, fees and expenses of the Trustee or the Beneficiary reasonably incurred in connection with the trusts created under this Deed of Trust.

8. The Trustor shall: (i) keep the Collateral in good condition and repair and not remove or demolish any buildings on the Property; to the extent insurance or condemnation proceeds are available; (ii) complete or restore promptly and in good and workmanlike manner the buildings and improvements and any other building or improvement which may be constructed, damaged or destroyed thereon; (iii) pay when due all claims for labor performed and materials furnished therefore; (iv) comply in all material respects with all laws affecting the Collateral or requiring any alterations or improvements to be made thereon; (v) not commit or permit waste of or on the Collateral; and (vi) not commit, suffer or permit any act upon the Property in violation of law and/or any covenants, conditions or restrictions affecting the Collateral.

9. The Trustor shall appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of the Beneficiary or the Trustee, and shall pay all costs and expenses, including cost of evidence of title and reasonable attorneys' fees, in any such action or proceeding in which the Beneficiary or

the Trustee may appear, or in any suit brought by the Beneficiary to foreclose this Deed of Trust.

10. Should the Trustor fail to make any payment or do any act as herein provided, then the Beneficiary or the Trustee, without obligation to do so, and following notice to or demand on the Trustor, and without releasing the Trustor from any obligation hereof: (i) may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, the Beneficiary or the Trustee being authorized to enter on the Property for such purposes; (ii) may commence, appear in and/or defend any action or proceeding purporting to affect the security hereof or the rights or powers of the Beneficiary or the Trustee; (iii) may pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto (except for the deeds of trust, encumbrances and liens securing the Construction/Permanent Financing Loan(s), as such terms are defined below); and (iv) in exercising any such powers, may pay necessary expenses, employ legal counsel and pay such counsel's reasonable fees. All such amounts paid by the Beneficiary or the Trustee hereunder shall be added to the obligations secured by this Deed of Trust.

The term "Construction/Permanent Financing Loan" means, collectively, the construction financing and take-out financing, and any refinancing or replacement of that financing from time to time, to be provided by a commercial or other lender(s); provided, however, that (i) before entering into any Construction/Permanent Financing Loan, the Trustor shall give the Beneficiary notice of the Construction/Permanent Financing Loan and copies of the loan agreement and all other loan documents evidencing the Construction/Permanent Financing Loan; (ii) the funds disbursed from each Construction/Permanent Financing Loan shall be used only for costs and charges associated with the loan and for the operation, maintenance and/or improvement of the Project or the Property as provided in the Owner Participation Agreement or to refinance existing indebtedness; (iii) the interest on each Construction/Permanent Financing Loan shall be at a reasonable rate based on all the facts and circumstances; and (iv) the combined amounts of all Construction/Permanent Financing Loans or any re-financing thereof and the Note secured by this Deed of Trust shall not exceed one hundred percent (100%) of the fair market value of the Property as improved by the Project under the Owner Participation Agreement (such value to be determined by a qualified appraiser reasonably acceptable to Trustor and Beneficiary).

11. The Beneficiary shall have the right, but not the obligation, to pay when due fire or other insurance premiums required hereunder if the Trustor fails to make such payments. All such amounts paid by the Beneficiary hereunder shall be added to the obligations secured by this Deed of Trust.

12. The Trustor shall pay immediately upon demand all sums so expended by the Beneficiary or the Trustee under this Deed of Trust, with interest from date of expenditure at the legal rate.

13. If the Trustor fails to pay any amount required by the Note or this Deed of Trust when due and payable, or fails to perform all other covenants, conditions and agreements of the Note, this Deed of Trust or the Owner Participation Agreement (following delivery of notice and expiration of the cure period, if any, provided therein), the amount of the Note, including unpaid principal and late charges, and all other charges and amounts required by the Note and this Deed of Trust shall, at the option of the Beneficiary, become immediately due and payable. This shall be in addition to and without limitation on any other remedy or right available to the Beneficiary for such failure.

14. The Trustor shall not voluntarily create or permit to be created against the Collateral any lien or liens except as specifically permitted by this Deed of Trust or otherwise authorized by the Beneficiary. The Trustor shall keep and maintain the Collateral free from the claims of all persons supplying labor or materials who will enter into the construction, rehabilitation, renovation or repair of any and all buildings or improvements now existing or to be erected on the Property.

15. By accepting payment of any sum secured by this Deed of Trust after its due date or by accepting partial payment of any such sum, the Beneficiary does not waive its right either to require prompt payment when due of all other sums so secured or to declare default for the Trustor's failure to pay.

16. If the Trustor, without the prior written consent of the Beneficiary: (i) agrees to or actually sells, conveys, transfers or disposes of the Collateral or any interest therein or portion thereof, or (ii) assigns or delegates any right or obligation under the Owner Participation Agreement, the Note or this Deed of Trust, then all amounts secured by this Deed of Trust may be declared immediately due and payable, at the option of the Beneficiary. The Beneficiary shall not unreasonably withhold its consent to any such transaction. The Beneficiary's consent to one transaction of this type shall not be a waiver of the right to require consent to future or successive transactions.

DUE ON SALE-CONSENT BY BENEFICIARY. Beneficiary may, at its option, declare immediately due and payable all sums secured by this Deed of Trust upon the sale or transfer, without the Beneficiary's prior written consent, of all or any part of the Property, or any interest in the Property. A "sale or transfer" means the conveyance of the Property or any right, title or interest therein; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract, or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Property, or by any other method of conveyance of Property interest. If any Trustor is a corporation, partnership or limited liability company, transfer also includes any change in ownership of more than fifty percent (50%) of the voting stock, partnership interests or limited

liability company interests, as the case may be, of Trustor, other than a transfer to the managing member of Trustor or an affiliate of the managing member. However, this option shall not be exercised by Beneficiary if such exercise is prohibited by applicable law.

17. As further security for the full and complete performance of each and every obligation, covenant, agreement and duty of the Trustor contained herein or in the Note, the Trustor hereby grants and conveys to the Beneficiary a security interest in and lien on all of the Collateral. This Deed of Trust shall serve as a security agreement and financing statement created pursuant to the California *Commercial Code*, and the Beneficiary will have and may exercise all rights, remedies and powers of a secured party under the California *Commercial Code*. Further, this Deed of Trust is filed as a fixture filing pursuant to the California *Commercial Code* and other applicable law, and covers goods which are or are to become fixtures.

18. Should the Property, the buildings or improvements thereon, or any part of any of them be taken or damaged by reason of any public improvement or condemnation proceeding, or damaged by fire or earthquake or in any other manner, the Beneficiary will be entitled, subject to the rights of the holder of any senior deed of trust securing a Construction/Permanent Financing Loan, to all of the Trustor's interest in compensation, awards and other payments or relief therefor; and, following the occurrence of a default as defined in the Note, the Beneficiary shall be entitled, jointly with the Trustor, at the Beneficiary's option, to commence, appear in and prosecute in its own name, any action or proceeding, or to make any compromise or settlement, in connection with such taking or damage. All such compensation, awards, damages, rights of action and proceeds, including the proceeds of any fire and other insurance affecting the Property or the buildings or improvements thereon, are hereby assigned to the Beneficiary, subject to the rights of the holder of any senior deed of trust securing a Construction/Permanent Financing Loan. After deducting therefrom all its expenses, including reasonable attorneys' fees, and if there has not occurred a default under the Note, the Beneficiary shall apply all such proceeds to restoring the Property or the buildings or improvements thereon, or if there has been such default, or if the Trustor determines not to rebuild, the Beneficiary shall retain the proceeds to the extent of the amount due under the Note and any amounts due under this Deed of Trust. Any balance of such proceeds still remaining shall be disbursed by the Beneficiary to the Trustor.

19. If the Trustor fails to perform any covenant or agreement in this Deed of Trust or the Owner Participation Agreement, or if a default occurs under the Note, the Beneficiary may declare all obligations and sums secured hereby immediately due and payable by delivery to the Trustee of written declaration of default and demand for sale and written notice of default and of election to cause the Collateral to be sold, which notice the Trustee shall cause to be duly filed for record, and the Beneficiary may foreclose this Deed of Trust; provided, however that the Trustor shall not be deemed to be in default hereunder for failure to make any payment when due or for failure to perform any other covenant or agreement contained herein until thirty (30) days after

written notice of such failure is given to the Trustor and Trustor is afforded a reasonable opportunity to cure the default. The Beneficiary shall also deposit with the Trustee this Deed of Trust, the Note and all other documents evidencing the obligations or sums secured hereby.

20. After the lapse of such time as may then be required by law following the recordation of the notice of default, and notice of sale having been given as then required by law, the Trustee, without demand on the Trustor, shall sell the Property at the time and place fixed by the Trustee in the notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. The Trustee may postpone sale of all or any portion of the Property by public announcement at the time and place of sale, and from time to time thereafter may further postpone the sale by public announcement at the time fixed by the preceding postponement. The Trustee shall deliver to the purchaser its deed conveying fee title to the Property or portion thereof so sold, but without any covenant or warranty, express or implied. The recitals in the Trustee's deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including the Trustor, the Trustee and the Beneficiary, may purchase at the sale. The Trustee shall apply the proceeds of the sale to payment of: (i) the expenses of the sale, together with the reasonable expenses of the trust created by this Deed of Trust, including reasonable Trustee's fees and attorneys' fees for conducting the sale, and the actual cost of publishing, recording, mailing and posting notice of the sale; (ii) the cost of any search and/or other evidence of title procedure in connection with the sale and of revenue stamps on the Trustee's deed; (iii) all sums expended under the terms hereof not then repaid, with accrued interest at the legal rate; (iv) all other sums then secured hereby; and (v) the remainder, if any, to the person or persons legally entitled thereto.

21. The Beneficiary may from time to time substitute a successor or successors to the Trustee named herein or acting hereunder to execute the trusts under this Deed of Trust. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any Trustee herein named or acting hereunder. Each such appointment and substitution shall be made by written instrument executed by the Beneficiary, containing reference to this Deed of Trust and its place of record, which instrument, when duly recorded in Fresno County, California, shall be conclusive proof of proper appointment of the successor trustee.

22. Upon written request of the Beneficiary stating that all obligations secured hereby have been satisfied and all sums secured hereby have been paid, and upon surrender of this Deed of Trust and the Note to the Trustee for cancellation and retention, and upon payment of its fees, the Trustee shall reconvey, without warranty, the Collateral then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

23. The trusts created by this Deed of Trust are irrevocable by the Trustor.

24. This Deed of Trust applies to, inures to the benefit of, and binds of the Trustor, the Beneficiary and the Trustee and their respective administrators, executors, officers, directors, transferees, successors and assigns. The term "Beneficiary" shall include not only the original Beneficiary hereunder but also any future owner and holder, including pledges, of the Note secured hereby. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular includes the plural.

25. In addition to and without limitation on any other rights or remedies of the Trustee or the Beneficiary, if the Trustee or the Beneficiary commences any legal action or proceeding to enforce or interpret any provision of this Deed of Trust or the Note, the Trustor shall pay all costs and expenses incurred by the Trustee or the Beneficiary in connection with such action or proceeding, including legal expenses and reasonable attorneys' fees and court costs.

26. The Trustee accepts the trusts hereunder when this Deed of Trust, duly executed and acknowledged, is made public record as provided by law. Except as otherwise provided by law, the Trustee is not obligated to notify any party hereto of pending sale under this Deed of Trust or of any action or proceeding in which the Trustor, the Beneficiary or the Trustee is a party, unless brought by the Trustee.

27. The Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to it at its principal place of business, address set forth above.

28. The Trustor shall cause a copy of each deed of trust securing a Construction/ Permanent Financing Loan to be provided to the Beneficiary immediately upon its recordation, so that the Beneficiary may prepare and record a request for notice of default and notice of sale thereunder pursuant to California *Civil Code* Section 2924b.

29. PROVIDED THAT NO NOTICE OF DEFAULT HEREUNDER THEN APPEARS OF RECORD AND SUBJECT TO THE CONDITIONS IN SECTION 10 ABOVE AND/OR IN THE OWNER PARTICIPATION AGREEMENT, THIS DEED OF TRUST SHALL BE SUBORDINATE AND SUBJECT TO ANY DEED OR DEEDS OF TRUST SECURING A CONSTRUCTION/PERMANENT FINANCING LOAN. BENEFICIARY SHALL, UPON REQUEST OF TRUSTOR, EXECUTE SUCH SUBORDINATION AGREEMENT OR OTHER DOCUMENTATION REASONABLY NECESSARY TO SUBORIDINATE THE LIEN AND CHARGE OF THIS DEED OF TRUST TO LIEN OF ANY DEED OR DEEDS OF TRUST SECURING A CONSTRUCTION/PERMANENT FINANCING LOAN, AS PROVIDED IN THE OWNER PARTICIPATION AGREEMENT.

30. This Deed of Trust shall be interpreted and enforced, and the rights and duties (both procedural and substantive) of the parties hereunder shall be determined, according to California law.

31. Capitalized terms not otherwise defined herein shall have the meanings given them in the Owner Participation Agreement or the Note.
