Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Division at the latest by Monday, November 14, 2016, 5:00 P.M.

The Engineer's Estimate for this expenditure is \$ 155,000.00. The contract price is 41% above the Engineer's Estimate. If the overage is greater than 10% or only one bid was received, give explanation:

The physical components of the project were re-evaluated to determine if an unexpected cost increase had influenced the bid amounts. After determining that this was not the case, it is believed that the contractors have adequate work at this time and are bidding projects extremely high.

BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

The scope of work includes providing a Storm Water Pollution Prevention Plan and install approved best management practice (BMP) elements, removal of existing planting and irrigation, amend soil per soils report, install and test irrigation components, install planting and mulch and provide a ninety (90) day Plant Establishment Period.
