Hello, I am writing about my concern regarding the lack of safe biking infrastructure in Fresno. As I'm sure you're aware, Fresno ranks among the most dangerous cities for bicyclists. I am a bike commuter here in Fresno and I am constantly at risk on these unsafe roads. I implore you to do more to help keep bicyclists in Fresno safe, and be apart of the change to make better biking infrastructure in our community. There is a real need for more bicycling infrastructure here, and your voters are depending on you to implement that change and advocate for us.

Sincerely,

A bike commuter and Fresno resident.
