Each bidder has agreed to allow the City sixty-four (64) days from date bids are opened to accept or reject their bid proposal. Purchasing requests that you complete the following sections and return this bid evaluation to the Purchasing Unit at the latest by Monday, June 10, 2019 5:00 P.M.

The Engineer's Estimate for this expenditure is \$492,000. The contract price is 1.94% below the Engineer's Estimate. If the overage is greater than 10% or only one bid was received, give explanation:

BACKGROUND OF PROJECT (To be completed by Evaluating Department/Division. Explain need for project/equipment):

This project is located within the vicinity of Airways Golf Course that is being served by undersized, and aging water mains. Several water mains located in undetectable and unknown location. These undersized and aging water mains tend to have frequent failures disrupting service to customers. Under this project, new larger water mains and new services will be installed within the street right-of-way improving access for City maintenance staff.
