## Public Comment

### Fee

The \$5 fee is a significant obstacle for low-income families and minors who rely on the PARCS system. For many, this charge is more than just a financial burden—it's a barrier to essential services that should be accessible to all.

### Measure P Capital Improvement

Southeast Fresno deserves equitable investment through Measure P. The Southeast Fresno Sports Complex should receive its fair share of funding as a vital community asset, serving students and families across Southeast Fresno as a state-of-the-art regional park.

## New eComment for Parks, Recreation, and Arts Commission on 2026-01-26 5:30 PM - Regular Meeting

Shelly Spencer submitted a new eComment.

Meeting: Parks, Recreation, and Arts Commission on 2026-01-26 5:30 PM - Regular Meeting

Item: 11.-B. ID 26-91 Hearing - Receive public input on allocations related to Measure P, updates to the Parks Master Plan and Cultural Arts Plan, and annual PARCS Department Budget and Capital Improvement Plans.

eComment: I would like to see the approved plan include specific priorities for Southeast Fresno, like park improvements (we've been waiting forever on the pocket park on Tulare by Cedar), recreational programming (swim lessons in the summer are always full!), and cultural arts opportunities (maybe with more community connections and communications - I often don't hear about these until after they've happened). I barely heard about the proposed Gymnasium at the Southeast Fresno Sports Complex. I hope there is funding for this or more time til a decision is made so community members can get this info! I barely heard about this today 1/24/26 from a neighborhood leader. How is this committee seeking to engage with the public?
