This ON-AIRPORT NON-EXCLUSIVE RENTAL CAR CONCESSIONS AGREEMENT ("Concession Agreement" or "Agreement") is dated as of August 15, 2014, by and between the CITY OF FRESNO, DEPARTMENT OF AIRPORTS ("City"), a municipal corporation of the State of California, and The Hertz Corporation, a Delaware Corporation ("Concessionaire"), (collectively, the "Parties").

RECITALS

WHEREAS, City owns, controls, operates and maintains a municipal airport known as FRESNO YOSEMITE INTERNATIONAL AIRPORT, in the City and County of Fresno, California ("Airport"), with the power to grant rights and privileges with respect thereto; and

WHEREAS, Rental Car services at the Airport are essential for proper accommodation of passengers arriving at and departing from the Airport; and

WHEREAS, Concessionaire is fully qualified to conduct a Rental Car concession and currently offers passenger automobile rental services under the provisions of a Restated Concession Agreement ("Existing Agreement") between Concessionaire and City, dated September 1, 2009 which expires on August 31, 2014, incorporated herein; and

WHEREAS, City advertised a Request For Proposals ("RFP") for a new On-Airport Non-Exclusive Rental Car Concession Agreement and elected to cancel the RFP and initiate direct negotiations with the incumbent Concessionaires as a class, due to lack of interest from other non-incumbent rental car operators, and the results of a subsequent Request for Letters of Interest advertisement, which confirmed that the incumbent Concessionaires were the only rental car companies that expressed interest in the concession opportunity; and

WHEREAS, over the last five years a number of mergers and acquisitions have occurred resulting in 95% of the industry represented by three major rental car companies, all of which currently operate at the Airport; and

WHEREAS, the Parties have agreed through negotiation of a term sheet that, among other provisions: 1) a business model change in the concession contract from single-brand concessions to multi-brand concessions would provide a greater selection of brands; 2) the City's current revenue levels would be protected through increased Minimum Annual Guarantee (MAG) and the rental of all available space; and 3) capital improvements would be jointly made to reconfigure and remodel counter space and Ready Return Area; and

WHEREAS, the Parties have previously entered into a Service Facility Lease Agreement, in 2009; and

WHEREAS, the Concessionaire and the other Concessionaires intend to fund Common Area operating and maintenance costs.

NOW, THEREFORE, for and in consideration of the privileges, premises, mutual covenants and agreements herein contained, City and Concessionaire agree, for themselves, their successors and assigns, as follows:

Section 2.01: Representations and Covenants by the Concessionaire's Parent Entity and Brands (the Concessionaire).

The Concessionaire hereby makes the following representations and covenants:

The Concessionaire is a Corporation in good standing in the State of Delaware, is duly qualified in good standing to do business in/under the laws of the State of California, is not in violation of any provision of its governing documents (e.g., articles of incorporation, by-laws, partnership agreement, etc.), has full power to own its properties and conduct its business, has full legal right, power and authority to enter into this Agreement and to consummate all transactions contemplated hereby and by proper action has duly authorized the execution and delivery of this Agreement.

Section 2.02: Customer Facility Charge (CFC).

- A. The Concessionaire acknowledges that the City may impose a CFC and establish a collection rate in accordance with applicable laws. If such a CFC is imposed, the Concessionaire agrees to collect such fee from each Airport Patron entering into a Rental Transaction with the Concessionaire and remit such fee to the City. The City agrees that the CFC rate shall be the same for all Airport Patrons, regardless of which Concessionaire is used by the Airport Patron. The City shall notify the Concessionaire of any change in the CFC rate at least 30 days prior to the effective date of the change.
- B. As of the Effective Date, the CFC rate shall be \$4.50 per Rental Day, up to a maximum of five (5) Rental Days per Rental Transaction.
- C. On the first but not later than the twentieth (20th) day of each calendar month during the Term, the Concessionaire must remit to the City the total CFCs collected by the Concessionaire during the immediately preceding calendar month. The Concessionaire also agrees to furnish to the Director on the first but not later than the twentieth day of each calendar month during the Term, two copies of a true and correct statement of the CFCs collected by the Concessionaire for the preceding calendar month signed by an Authorized Concessionaire Representative together with all supporting documents and information reasonably requested by the City. At a

minimum, the statement will list the CFCs collected by each brand that the Concessionaire operates at the Airport. The amount remitted must equal the sum of the CFCs listed by brand on the statement. One of the copies shall be transmitted in an electronic format. The required format is attached hereto and incorporated herein as Exhibit "F". The Concessionaire must maintain such books and records for at least a three (3) year period. The Concessionaire agrees to give the City access during reasonable hours to such books and records. The Concessionaire also agrees to provide, in writing, to the City within 90 days following the close of each agreement year, the following information:

1. The Concessionaire's Rental Transactions per calendar month for the preceding 12-calendar month period beginning on each September 1 and ending on each subsequent August 31 ("Concessionaire Reporting Period") and;
2. The total amount of the CFCs collected by the Concessionaire per each calendar month and remitted by the Concessionaire to the City during the Concessionaire Reporting Period.
3. Such information must be provided by the Concessionaire to the City with the following certification by an Authorized Concessionaire Representative:

"To the best of my knowledge, the information contained herein provided by the Concessionaire to the City is complete and accurate."

- D. The CFCs collected by the Concessionaire must be accounted for in total and by Brand, separately on the Concessionaire's books of account. The Concessionaire agrees to maintain a separate account on its books or records in which it will hold all CFCs owed under this section. The CFC collected by the Concessionaire will be regarded as trust funds held by the Concessionaire as an agent, for the beneficial interest of the City. All CFCs collected and held by the Concessionaire are property in which the Concessionaire holds only a possessory interest and not an equitable interest. The Concessionaire agrees that in the event of a bankruptcy filing, any CFC remittance made by the Concessionaire is deemed a remittance made out of a trust fund, and the Concessionaire will not attempt to collect the remittances as preferences, fraudulent transfers, etc.
- E. Once remitted to the City, all CFC collections shall be deposited by the City into the Revenue Fund established under the Indenture and subsequently disbursed according to provisions defined therein. Any CFCs deposited into the Surplus Fund established under the Indenture shall be restricted to use for any lawful purpose in the sole discretion of the Director provided that, without contradicting any other requirements of the Indenture, payment of Debt Service shall be the priority use. Any funds remaining in the Surplus Fund at Termination shall be the property of the City and shall be used in accordance with permitted statutory purposes.
- F. The Concessionaire is obligated to collect the CFCs in accordance with this Agreement. The Concessionaire covenants and agrees that it will not be entitled to any rights of offset or other reduction in the requirements herein. The City acknowledges and agrees that, notwithstanding anything else to the contrary herein, the Concessionaire does not guarantee the payment of principal or interest on the Bonds except to the extent of its CFC obligations, Concessionaire Contingent Rent Payments and any other relevant fees and payments expressly provided hereunder.

Section 2.03: Concessionaire's Rights, Privileges and Obligations.

- A. The non-exclusive right, privilege and obligation to conduct a Rental Car business at the Airport for the benefit and convenience of Airport Patrons in accordance with this Agreement and the Service Facility Lease Agreement. Concessionaire understands and agrees that it shall not engage in any other business at the Concession Facility under this Agreement or the Service Facility under the Service Facility Lease Agreement.
- B. The right, for itself, its agents, employees, patrons, suppliers and other persons doing business with Concessionaire, of ingress and egress to and from the Concession Facilities over Airport roadways, including the use of roadways, subject only to law and to such reasonable rules and regulations governing the use of the Airport as the Director may establish.
- C. The obligation, where required, to hold a license, franchise, agency agreement or other form of consent from Concessionaire and to do business at the Airport under the trade name and style of that Concessionaire.
- D. The obligation to collect and remit CFCs, as more fully described herein.
- E. The Concessionaire agrees that there will be two phases to the allocation of the Concessionaire's Concession Facility: (1) The allocation for the counter space and ready return areas shall be determined by September 1, 2014, based on the monthly operations reports submitted July 1, 2013 through June 30, 2014, and implemented upon completion of the respective construction projects. (2) On the fifth (5th) anniversary of the Effective Date, all parties to this contract shall have a one-time option to reallocation based on 'leapfrogging' criteria defined as follows: (i) market share statistics must be collected by the City for the period following September 1, 2017 for two years, (ii) reallocation will only be permitted on a "leapfrogging basis", i.e., one or more the Concessionaires may displace (a) any of the other Concessionaires with a three percent (3%) market share disadvantage relative to the leapfrogging Concessionaires, (iii) in order to trigger the leapfrog provision the Concessionaire requesting the move must have a three percent (3%) market share advantage (as determined by such Concessionaire's proportionate share of the total gross revenues of all the Concessionaires) over any competitor Concessionaires at the end of the fifth (5th) year, (iv) during the Term leapfrogging will be permitted only once, (v) all costs associated with leapfrogging for any affected Concessionaire will be borne entirely by the Concessionaire requesting to leapfrog, (vi) the request to leapfrog must be conveyed in writing to the Director within sixty (60) days of close of the fifth (5th) year. The Director will not unreasonably withhold permission, provided leapfrogging cannot impair the business operations of the Concessionaire being displaced and further provided that the move must be completed within the timeframe approved by the Director.

In the event of reallocation as above, the City shall prepare, pay for and promptly distribute preliminary Exhibits "A" and "B" to each of the Concessionaires setting forth the revised Ready Return Area of the Concessionaires within their respective Exclusive Use Premises. Within thirty (30) days of receipt of such revised Exhibits, if the Concessionaire has obtained additional Ready Return Area due to such reallocation, it shall notify, in writing, the City as to whether it desires to rent or lease

such additional area. Immediately upon receipt of all such notices from any of the Concessionaires, the City shall notify, in writing, all of the other Concessionaires of the ready return not desired by each of the Concessionaires and provide the other Concessionaires with the opportunity to lease such areas. Priority among the other Concessionaires for the lease of such unwanted area shall be based on market share as measured by Gross Revenues during the preceding twelve (12) months ("Allocation Market Share"), so that (i) the rank order in selecting the lessee of unwanted area shall be with the Concessionaire having the greatest amount of Allocation Market Share selecting first, and the Concessionaire with the least amount of Allocation Market Share selecting last, and (ii) unless otherwise provided in the immediately succeeding sentence, the maximum percentage amount of the unwanted area leased by any one of the other Concessionaires shall not exceed its Allocation Market Share. Any one of the Concessionaires may lease more than its Allocation Market Share of the unwanted area if fewer than all of the other Concessionaires express the written desire to lease such unwanted area, in which event the priority order of selection for the remaining unwanted area shall be as set forth in the immediately preceding sentence. If any portion of the Concessionaire's unwanted Ready Return Area is not leased to one or more of the other Concessionaires, then the Concessionaire shall be obligated to lease such unwanted additional area. The City shall thereafter prepare, pay for and distribute revised Exhibits "A" and "B" showing the final Ready Return Area to be leased by the Concessionaire.

- F. Subject to the other terms of this Agreement, Concessionaire shall assume the responsibility, cost and expense, for the operation and all repair and maintenance whatsoever of its Exclusive Use Premises, whether such repair or maintenance be ordinary or extraordinary, structural or otherwise, as set forth in this Agreement. However if the repair or maintenance is covered by a manufacturer's warranty, contractor's warranty or other such warranty the Concessionaire shall contact the Director and warrantor to arrange for the required repair or maintenance to be completed. Without limiting the generality of the foregoing, the Concessionaire shall be obligated as to the following, at its expense and without cost or expense to the City:
1. Maintenance including janitorial services and any necessary repair or replacement of the Exclusive Use Premises shall be borne by the Concessionaire;
 2. The Concessionaire shall keep the Exclusive Use Premises in good order and condition and will make all necessary and appropriate repairs and replacements thereof promptly and in a good and workmanlike fashion without diminishing the original quality of such improvements;
 3. The Concessionaire shall not permit rubbish, debris, waste materials or anything unsightly or detrimental to health, or likely to create a fire hazard, or conducive to deterioration, to remain on any part of the Exclusive Use Premises or to be disposed of improperly;
 4. The Concessionaire shall appropriately light, maintain and repair all surface areas for the parking of vehicles on the Exclusive Use Premises, including repair of any damage to paving or other surfaces caused by any oil, gasoline, grease, lubricants or other flammable liquids and substances having a corrosive or detrimental effect thereon;

5. The Concessionaire agrees that the Director or his authorized representative shall have the right to make reasonable objections regarding the maintenance and appearance of the Exclusive Use Premises. The Concessionaire agrees to promptly begin remediation of any objectionable condition within thirty (30) days after written notice by the Director or his authorized representative.
6. The Concessionaire shall provide and maintain all obstruction lights and similar devices, fire protection and safety equipment and all other equipment of every kind and nature required by laws, rule, order, ordinance, resolution or regulation of any competent authority, including the City and Director;
7. The Concessionaire shall be responsible for the maintenance and repair of all utility services lines placed on the Exclusive Use Premises and used by the Concessionaire exclusively, including, but not limited to, water lines, gas lines, electrical power and telephone and data conduits and lines, sanitary sewers, and storm sewers;
8. The Concessionaire shall take all reasonable measures not to produce on the Airport through the operation of machinery or equipment any electrical, electronic or other disturbance that interferes with the operation by the City, the Federal Aviation Administration or the scheduled airlines, of air navigational, communication or flight equipment on the Airport or on aircraft using the Airport, or with ground transportation communications;
9. The Concessionaire shall within reason, control the conduct, demeanor and appearance of its employees and, upon reasonable objection from Director concerning the conduct, demeanor or appearance of any such person, immediately take all reasonable steps necessary to remove the cause of the objection;
10. The Concessionaire shall commit no nuisance, waste or injury, and shall not do, or permit to be done, anything which may result in the creation, commission or maintenance of such nuisance, waste or injury on the Exclusive Use Premises;
11. The Concessionaire shall comply with the requirements of all generally applicable air pollution and nuisance statutes and ordinances;
12. Subject to the Concessionaire's rights to use City services on the same basis as other customers of the City, the Concessionaire shall not do, nor permit to be done, anything which may interfere with the effectiveness or accessibility of the drainage system, sewerage system, fire protection system, sprinkler system, alarm system and fire hydrants and hoses, if any, installed or located at the Exclusive Use Premises;
13. The Concessionaire shall collect all garbage, debris and waste material (whether solid or liquid) arising out of its occupancy hereunder, store same pending disposal in covered metal or other rigidly and sturdily constructed receptacles and dispose of same off the Airport at regular intervals, except for sewage which may be disposed of in the City's sewer system, all at Concessionaire's expense, in the manner reasonably required by the Director;

14. The Concessionaire shall apply and be governed by the Hazardous Substances provisions in this Agreement whether the Concession Facility is expressly mentioned or not.
- G. Subject to the other terms of this Agreement, Concessionaire shall assume the responsibility, cost and expense, for the operation and all repair and maintenance whatsoever of its Common Area, whether such repair or maintenance be ordinary or extraordinary, structural or otherwise, as set forth in this Agreement. However if the repair or maintenance is covered by a manufacturer's warranty, contractor's warranty or other such warranty the Concessionaire shall contact the Director and warrantor to arrange for the required repair or maintenance to be completed. The following restrictions shall apply to the conduct of Concessionaire's operations on the Airport:

- A. The rights granted to Concessionaire hereunder shall be expressly limited to maintaining and operating a Rental Car business at the Airport and functions incidental and related thereto.
- B. Unless the Director gives prior written approval in each instance, Concessionaire shall not engage in the maintenance, servicing or storage of Rental Cars which are not intended to be rented or returned to the Concessionaire at the Airport, or which are intended for retail sale to the public, excepting only, where a rental car otherwise prohibited under this Paragraph B breaks down in route to or from another location and the Concessionaire's Exclusive Use Premises at the Airport is nearest facility from which the required repairs can be made.
- C. Except where authorized by the Director in writing, Concessionaire is prohibited from selling fuel to any other person/entity not renting a Rental Car, and is prohibited from servicing, parking or storing any vehicles other than those Rental Cars used by Concessionaire in its business at the Airport. Should the Director approve any such activities, and the Concessionaire conduct such activities, the gross receipts therefrom shall be included in the Gross Revenues defined in this Agreement, and be subject to payment by Concessionaire of the same Percentage Fee as other Gross Revenues, or such other fee as the parties may agree upon by written amendment to this Agreement.

Concessionaire agrees that, in the event any of the Concessionaires discontinue(s) operations at the Airport, the City reserves to itself the right to enter an interim concession agreement with or without a solicitation and/or first refusal by the remaining Concessionaires.

Section 2.06: City's Covenant Regarding Concessionaire Allowance and Renewal and Replacement Account.

City shall, upon Concessionaire's reasonable request and within thirty (30) days thereof, fund the Concessionaire Allowance and Renewal and Replacement Account, upon the terms and condition in this Agreement, provided Concessionaire cooperates with City in City's perfection of any security interest/UCC filings/fixture filings and liens.

ARTICLE III - TERM

All Parties must mutually agree to the terms and conditions before this Agreement can be renewed for an additional five (5) year period.

Section 3.03: Cessation of Operation.

No notice to cease operation at the Termination date of the Term of this Agreement shall be necessary. Concessionaire covenants and agrees that at the Termination Date of the Term or at the earlier termination thereof, Concessionaire, of its own accord, will peaceably cease its operations at the Concession Facility in accordance with Article X herein.

ARTICLE IV - RENTAL, CONCESSION FEES AND OTHER CHARGES

Section 4.01: Annual Rent, Paid Monthly.

 - 1. Terminal Space rent which shall consist of a an annual sum calculated every July 1st on the basis of Forty-Three Dollars (\$43.00) per square foot, or whatever amount is specified in the City's Master Fee Schedule, and payable in 12 equal installments on the first day of each month, for the area of Concessionaire's

2. Ready Return rent which shall consist of a sum calculated each Agreement Year on the basis of eighty seven and seventy-six ten-thousandths of a cent (\$0.8776) per square foot and be payable in 12 equal installments on the first day of each month, for the land area of Concessionaire's Ready Return Area, as more specifically set forth in Exhibit "B", subject to adjustment per Section 4.03 below, plus
 3. Prorata (on the basis of size of the Concessionaire's Concession Facility relative to the concession facilities of other Concessionaires) Common Area rent which shall consist of a sum calculated each Agreement Year on the basis of eighty seven and seventy-six ten-thousandths of a cent (\$0.8776) per square foot per square foot, and payable in 12 equal installments on the first day of each month, for the area, as more specifically set forth in Exhibit "A", subject to adjustment per Section 4.03 below, plus
 4. The Concessionaire Contingent Rent Payment, if any.
- B. The City hereby acknowledges that in the event a Contingent Rent Amount is due, the Indenture requires that the City apply Revenues (as defined in the Indenture) to the payment of Debt Service in an amount, which will equal the difference between the Contingent Rent Amount and the Concessionaire Contingent Rent Payment received by the City.
- C. It is mutually understood and expressly agreed that City shall have the right by authorized action to change the rent specified in this Section of this Article. Rents are published in the Master Fee Schedule of the City of Fresno.

Section 4.02: Annual Concession Fees.

In addition to the above rents and commencing on the Effective Date, Concessionaire covenants and agrees for each Agreement Year to pay Annual Concession Fees. The Annual Concession Fees in the first Agreement Year shall be the greater of (i) the Percentage Fee, a sum equal to ten percent (10%) of the Concessionaire's Gross Revenues, or (b) the Minimum Annual Guarantee (MAG).

The Minimum Annual Guarantee for the first Agreement Year shall be 95% of the actual Percentage Fee for most recent audited annual periods. This is determined to be Eight Hundred Fifty Nine Thousand Four Hundred Eighty Eight Dollars and Forty Seven cents (\$859,488.47) and will take effect on the September 1, 2014. The annual MAG shall be payable in advance in 12 equal installments. The MAG for each subsequent Agreement Year shall be the greater of: (a) the MAG for the prior Agreement Year or (b) eighty-five percent (85%) of the Concession Fees due from the Concessionaire for the prior Agreement Year, but never less than the prior Agreement Year MAG.

Section 4.03: Adjustments.

- A. Payments due for any partial calendar month payable during the Term will be prorated. Pro-rata payments will be calculated by dividing the total annual Rent by three hundred

sixty-five (365) and multiplying that daily amount by the number of days in the partial month period.

- B. The Concessionaire agrees to promptly pay (prorata with the other On-Airport Concessionaires) all charges and assessments imposed by the City for maintenance costs associated with the Common Areas. The Concessionaire will carry out or have carried out all of the Concessionaire's obligations to maintain and/or pay the City to maintain the Common Areas.
- C. The rent under Section 4.01(A) (for Ready Return and Common Area) will be adjusted starting on the first annual anniversary of the Agreement Year, and on the annual anniversary of the Agreement Year each year thereafter, based on the annual percentage change in the CPI-U Index. However, in no event will the annual adjustment result in rents being less than the amount charged during the prior year or more than two percent (2%) above the amount charged during the prior year.
- D. If, at any time during the Term, any one or more of the events and/or conditions listed below, shall continuously occur/exist during a period in excess of three full consecutive calendar months, then, beginning with the fourth consecutive calendar month of the period during which any such event/condition shall have continuously occurred/existed, and continuing monthly thereafter so long as such an event/condition shall continue to occur/exist, Concessionaire shall pay ten percent (10%) of Concessionaire's Gross Revenues during the month for which such fees shall be due, whether such sum shall be less than, equal to, or greater than one-twelfth (1/12th) of Concessionaire's MAG. In any Agreement Year during which such monthly Percentage Fees are due pursuant to this provision in lieu of any MAG, Concessionaire's total due at the end of the Agreement Year shall be reduced by an amount equal to the monthly MAG payments that would have otherwise been payable.
 - 1. The total number of scheduled passenger deplanements from scheduled airline flights at Airport for any full calendar month shall be less than seventy-five percent (75%) of the total number of such passengers for the same period during the preceding Agreement Year. Passenger traffic shall be determined by deplaned passenger statistics supplied to the City on a monthly basis by the Scheduled Airlines operating at the Airport; or
 - 2. Where, in the opinion of the Director, fuel shortages, government mandated gasoline rationing, or strikes by employees of automobile manufacturers or within any transportation industry affecting the manufacture, transport, and/or delivery of automobiles directly causes the total, combined Gross Revenues of all Concessionaires for any full calendar month to be less than seventy-five percent (75%) of the total combined Gross Revenues for the same period in the preceding Agreement Year. The Director shall have complete discretion in determining whether the downturn in the rental car market was directly caused by the events enumerated above.

Section 4.04: Monthly Statement and Payment of Fees and Charges.

- A. All rents and fees are due on the first day of each calendar month and late if not paid before the fifth (5th) calendar day of each calendar month during the Term except that (i) the Concessionaire Contingent Rent Payments shall be due and payable by

Concessionaire to City within 30 days of written notice from the City that there is a Concessionaire Contingent Rent Payment, and (ii) the Minimum Annual Guarantee is due and payable in advance on the first day of each calendar month. Concessionaire shall submit to City two copies of a detailed statement of Gross Revenues ("Statement"), in the form attached hereto as Exhibit "D" one of which shall be in an electronic format acceptable to the Airport. The Statement shall be for the preceding calendar month and shall show such reasonable details and breakdown as the Director may require. At a minimum, the Statement shall identify the following by separate line item:

1. Gross Revenues for the preceding calendar month itemized to identify revenues earned in each of the categories specified in the Gross Revenues definition;
 2. Calculation of the Percentage Fee owed to City for the preceding calendar month. An Authorized Concessionaire Representative must certify all Statements. If the twentieth (20th) day of the month is a Saturday, Sunday or Airport holiday, the Statement shall be due on the next succeeding business day.
- B. On or before the 20th day of each calendar month during the Term, Concessionaire must pay to City, without demand or invoice therefore the Percentage Fee due in accordance with this Article, if any, for the previous month.
- C. All reporting shall be completed by both brand and in total for the Parent Entity on a monthly and annual basis.

Section 4.05: Certified Statement of Gross Revenues and CFC Collections Due within Ninety (90) Days of Close of each Agreement Year.

Within ninety (90) days following the close of each Agreement Year, Concessionaire shall furnish to City a sworn statement certified by an independent certified public accountant or firm of certified public accountants showing the total of Gross Revenues and CFC collections at the Airport for said Agreement Year and stating that Gross Revenues and CFC collections have been correctly reported in accordance with the terms of this Agreement.

Within ninety days following the termination of any other agreement or permit with the City, Concessionaire must provide, at its sole cost and expense, an audit by an independent certified public accountant or firm of certified public accountants, of monthly gross revenues, as defined in any other agreement or permit with the City for the period beginning at the last audited month and ending at the commencement date of this Agreement.

If the aggregate payments made for any Agreement Year exceed the greater of: (1) the Minimum Annual Guarantee if applicable to such year, or (2) Percentage Fee, the excess balance shall be credited to Concessionaire's account and applied against one or more of the next succeeding monthly payments during the next ensuing Agreement Year, if there is one, as the City may elect. If the Agreement is terminated, City shall repay such excess Annual Concession Fees to Concessionaire in lawful tender of the United States.

If the certified statement provided by the Concessionaire to the City indicates that the aggregate payments made for any Agreement Year was less than the aggregate payments due for any Agreement Year under the terms of this Agreement, then Concessionaire shall pay the difference to the City at the same time it provides the certified statement to the City. In the

event the underpayment is greater than five percent (5%) then the Concessionaire shall pay Past Due Interest on the amount of such difference.

Section 4.06: Right to Conduct Business on Credit Basis.

Concessionaire shall have the right to conduct its Rental Car business at the Airport as authorized under this Agreement on a credit basis; provided, however, that the risk of such operation shall be borne solely by Concessionaire. Concessionaire shall report all income, both cash and credit, in its monthly statements of Gross Revenues.

Section 4.07: Unpaid Rents.

All rents to City hereunder will bear a reasonable service charge per month equal to the Past Due Interest if not paid to and received by City within ten business days following the due date. Concessionaire shall pay and discharge all reasonable costs and expenses, including reasonable attorneys' fees, incurred or expended by City in the collection of delinquent amounts due.

Section 4.08: Additional Fees and Charges.

Concessionaire shall pay additional fees and charges only under the following conditions:

- A. If City has paid any sum or sums, or has incurred any obligation or expense, which Concessionaire has agreed to pay to, or to reimburse the City; or
- B. If City is required or elects to pay any sum or sums, or incur any obligation or expense, because of Concessionaire's failure, neglect or refusal to perform or fulfill any condition of this Agreement.

Any payment of the above-described additional fees and charges shall include all interest, costs, damages and penalties incurred in connection with said fees and charges and may be added to any installment of future fees and charges due hereunder. Each and every part of such payment shall be recoverable by City in the same manner and with like remedies as if it were originally a part of the rents and fees or other charge set forth herein.

Section 4.09: Security Deposit.

- A. In order to guarantee the timely payment of the Annual Concession Fee, Concessionaire must remit to the City within ten business days prior to the Effective Date, a Security Deposit equal to one-fourth (1/4) of the Concessionaire's Minimum Annual Guarantee Fee, pursuant to this Agreement. The Security Deposit must be in the form of (i) a payment bond or an irrevocable letter of credit, renewable annually, from an insurer or bank reasonably acceptable to the City, (ii) cash or (iii) such other form of security as the City may deem reasonably acceptable.
- B. At any time that any of Concessionaire's Annual Concession Fees, or any other amounts due hereunder are more than thirty (30) days past due, the City, upon written notice to Concessionaire, will be entitled to apply all or any portion of the Security Deposit to the payment of such unpaid amounts including any reasonable costs the City incurs in collecting the amounts it is owed. In any such event, Concessionaire must again meet the Security Deposit requirements set forth above within seven business days from its receipt of such written notice.

Section 4.10: Place and Manner of Payments.

Concessionaire shall make payment in legal tender of the United States of America at the office of the City's Department of Airports: 4995 E. Clinton Way, Fresno, CA 93727: Attn. Accounts Receivable or at such other place within the City of Fresno, California as City may direct in writing to Concessionaire.

Section 4.11: Retention of Records.

Upon commencement of the Term, Concessionaire agrees that it will make available to the City within thirty (30) business days of written notice, the books and records of accounts of Concessionaire for the last three twelve-month periods completed operations and the current Agreement Year, showing the information required under this Article IV or other similar Article(s) contained in any previous agreement(s), relating to business conducted at the Airport, the deductions there from, and other pertinent information required by the provisions of this Article or other similar Articles contained in such previous agreement. Concessionaire's obligation to retain such books and records is limited to the extent required under this Agreement, and/or previous agreement(s), until the Concessionaire retains sufficient books and records to meet the retention requirements stated above. Upon the City's prior written notice such books and records of accounts must be accessible to City or its duly authorized agents or auditors, during regular business hours only for the purpose of verifying compliance by Concessionaire with the terms of this Agreement, and/or previous agreement. At the City's request, Concessionaire will pay for the copying and delivery of all records and books requested by the City. In the event the City determines that the auditors need to travel to the Concessionaire's location where the books and records are kept, Concessionaire will pay for the reasonable and customary travel and other incidental costs incurred by the City's auditors.

Section 4.12: Independent Certified Public Accountants.

Wherever the statement of an Independent Certified Public Accountant is required, the parties agree that said CPA must not be an employee or agent of Concessionaire.

Section 4.13: City's Right to Audit Statements and Reports.

City shall have the right to audit the statements and reports provided by Concessionaire in accordance with Article IV herein. Except as provided in Section 4.09 above, the cost of audit shall be borne by City; unless the audit reveals an underpayment of Annual Concession Fees by Concessionaire of five percent (5%) or greater, or if the audit reveals that the condition of the Concessionaire's records is such that the revenue due City cannot reasonably be properly determined. In the event of either condition described above, the reasonable cost of the audit including any applicable travel costs, must be borne by the Concessionaire and must be paid within five business days of receipt of an invoice.

Section 4.14: Taxes and Assessments.

In addition to the rents, Annual Concession Fees, and charges herein set forth, Concessionaire shall pay, as and when due, but not later than fifteen (15) days prior to the delinquency date thereof any and all taxes and general and special assessments of any and all types or descriptions whatsoever which, at any time and from time to time during the life hereof, may be levied upon or assessed against Concessionaire, the Concession Facility and/or any one or more of the improvements located therein or thereon and appurtenances thereto, other property located therein or thereon belonging to City or Concessionaire, and/or upon or against

Concessionaire's interest(s) in and to the Concession Facility, improvements and/or other property, including possessory interest as and when such be applicable to Concessionaire hereunder (See footnote 1 below).

Concessionaire agrees to protect and hold harmless City, the Concession Facility and any and all improvements located therein or thereon and any and all facilities appurtenant thereto and any and all other property(ies) located therein or thereon and any and all of City's interest(s) in and/or to the Concession Facility, improvements, appurtenant facilities, and/or other property(ies), from any and all such taxes and assessments, including any and all interest, penalties and other expenses which may be imposed thereby or result therefrom, and from any lien therefore or sale or other proceedings to enforce payment thereof.

Nothing within this Section of This Article shall be deemed to limit any of Concessionaire's rights to appeal any such levies and/or assessments in accordance with the rules, regulations, laws, statutes, or ordinances governing the appeal process of the taxing authority(ies) making such levies and/or assessments.¹

ARTICLE V - CONCESSIONAIRE'S OPERATIONS

Section 5.01: Operational Rights.

The operational rights granted herein must be used by the Concessionaire for the purpose of providing Rental Car service and incidental and related services at the Airport, and for the purposes of arranging for such services for the public using the Airport, at destinations where Rental Car services are furnished by the Concessionaire.

Section 5.02: Standards of Operation.

The principal purpose, for which the City is entering into this Agreement, is to make the Rental Car services which the Concessionaire is permitted to render hereunder available to the travelers and other Airport Patrons. The services herein stipulated to be in effect at the outset of the Term and any other incidental and related services which the City reserves the right to require the Concessionaire to establish during the Term are not intended to create equal competitive forces between the Concessionaire and the other Concessionaires. Rather, the minimum services stipulated or reserved for stipulation are established for the purpose of providing rental car services which are generally equal in quality for all Airport Patrons and air travelers without regard to which Terminal Buildings the individual may be seeking service from or to.

Therefore, the Concessionaire covenants and agrees that it will perform the permitted services by adhering to high standards of operations including but not limited to the following:

- A. The Concessionaire will be open for and will conduct business and furnish services seven days per week, from a time each day thirty (30) minutes before the first

With regard to any possessory interest to be acquired by Concessionaire, Concessionaire, by its signature(s) hereunto affixed, warrants, stipulates, confirms, acknowledges and agrees that, prior to its executing this agreement, the company either took a copy hereof to the office of the Fresno County Tax Assessor or by some other appropriate means, independent of city or any employee, agent or representative of city determined, to company's full and complete satisfaction, how much company shall be taxed, if at all.

The schedule of business hours so established shall be subject to periodic review upon written request of Concessionaire to Director or Director to Concessionaire. As a result of such review, Director may require an expansion or allow reduction of the hours of operation as public demand requires. In no event shall the hours of operation be curtailed to an extent that the service contemplated herein shall be diminished.

- B. The Concessionaire will select and appoint a manager of the Concessionaire's operation at the Airport who must be a qualified and experienced manager or supervisor vested with full power and authority with respect to the conduct of Rental Car operations at the Airport. Such manager or supervisor will be assigned to a duty station or office at the Airport where he/she will ordinarily be available during regular business hours; and, at all times during his/her absence, a responsible subordinate must be in charge and available at such duty station or office.

The Concessionaire covenants that it will take all reasonable measures in every proper manner to maintain, develop and increase the business conducted by it hereunder, and the Concessionaire must not intentionally divert or cause or allow any such business to be diverted from the Airport by referral or any other method. Any action taken by the Concessionaire intentionally to induce its patrons to rent or receive Rental Cars in such a manner and at such places so as to diminish the Gross Revenue of the Concessionaire under this Agreement will constitute a material breach hereof and be cause for the termination of this Agreement by the City.
- K. The Concessionaire's personnel performing services hereunder to the Airport Patrons must be distinctively uniformed, neat, clean and courteous.

Section 5.03: Multiple Brands owned by Parent Company.

- A. Parent Entity identifies they are doing business as: Hertz Car Rental, Dollar Car Rentals, and Thrifty Car Rental.

Section 6.01: Indemnification.

Concessionaire shall hold City completely harmless and indemnify, protect and defend City and each of its officers, officials, employees, agents and volunteers against any and all claims, judgments, fines, penalties, forfeitures, damages, demands, liabilities, suits, notices, costs and expenses [including all reasonable costs and expenses for investigation and defense thereof (including, but not limited to attorney fees, court costs and expert fees)], or any one, more or all of these, of any nature whatsoever, arising or allegedly arising, directly or indirectly, out of, as a result of, or incident to, or in any way connected with: (1) Concessionaire's occupancy(ies) and/or use(s) of any part or all of the Concession Facility; (2) Concessionaire's exercise of any one, more or all of the rights and privileges herein granted; (3) any breach or default in the performance of any obligation on Concessionaire's part to be performed under the terms of this Agreement; and/or (4) any act(s) or omission(s) on the part of Concessionaire and/or any officer(s), agent(s), employee(s), contractor(s), sub-contractor(s), servant(s), or representative(s) of Concessionaire during the Term, except for any claims, judgments, fines, penalties, forfeitures, damages, demands, liabilities, suits, notices, costs and expenses, or any of these, caused solely by the gross negligence or by the willful misconduct of City or any of its officials, officers, or employees acting within the scope of their duties for City.

Concessionaire shall conduct all defenses at no cost or expense to the City. City shall be reimbursed for all costs and attorney's fees incurred by City in enforcing this obligation. This indemnity shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Concessionaire. City shall give to Concessionaire reasonable notice of any such claims or actions.

The provisions of this section of this article shall survive the expiration or early termination of this Agreement.

///

ARTICLE XII - SIGNS

Section 12.01: Standard Signs.

- A. Concessionaire shall be required to provide, at its cost and expense, any directional or service identification signs, which are required within the Concessionaire's Exclusive Use Area, which bear Concessionaire's company name or logo or brand.
- B. Concessionaire may, at its option, install its company or business identification sign on any sign directories provided by City. The installation of such optional signs shall be subject to space availability, and City will not be required to provide space to Concessionaire if none is available. The airlines shall always have first priority, even to the extent of removing or relocating non-airline signs already in place if necessary to accommodate additional airline signs. Following the airlines, space assignments shall be on a first-come first-served basis.
- C. All such standard signs, whether required or optional, shall be fabricated and installed in accordance with plans and specifications on file with Director and shall in every respect match the standards and appearance of existing signs. These signs shall be and remain the property of Concessionaire, and upon termination of this Agreement, all such signs shall be removed by Concessionaire and replaced with blank media.

Section 12.02: Non-Standard Signs.

- A. Concessionaire shall be allowed to install its company logo and decor on the back wall behind the customer service counter or within the enclosed customer service area for

each brand they plan to offer. In such area Concessionaire may also post customary service oriented signs (such as flight schedules, business hours, etc.) and customary signs pursuant to legal or regulatory authority (such as limits of liability, airport security notices, etc.).

- B. Concessionaire may also, from time to time, display within the customer service area special promotional signs (such as introduction of new service, special rates, etc.), provided that any such promotional signs shall be permitted only for limited periods of time.
- C. No signs, banners, or advertising material shall be placed in front of the customer service counter, or anywhere outside of the Concession Facility. Concessionaire shall, however, have the right to purchase advertising space through the Airport advertising company, in which case any sign media must comply with the physical requirements of the advertising company and with the design requirements established by the City herein.
- D. In the Ready Return Area, Concessionaire shall install signs which identify the Concessionaire and the number assigned to the parking space, in order to aid customers in locating specific Rental Cars. Such signs may not exceed seven hundred twenty (720) square inches in area, with the maximum dimension in any direction being thirty (30) inches. Colors, lettering, and style are to be determined by each of the Concessionaires for their respective spaces. However the design for all signs must be approved in advance by the Director. All such signs are to be prepared by August 15, 2014, in order to be available for the initial allocation of Ready Return parking spaces; any additional or modified signs required due to the annual reallocation of such area shall be available by October 1 of each subsequent Agreement Year. These signs shall be the property of the Concessionaire, and the cost of providing such signs shall be entirely borne by each of the Concessionaires for its signs.

Section 12.03: Conditions Applicable To Signs.

The following shall apply to any and all signs:

- A. The location, size, type and style of each and every sign shall conform to and be compatible with the general architecture, design and appearance of the Terminal Building area and facilities.
- B. No such sign shall be erected, installed or operated until Concessionaire has first submitted written request, together with descriptions, plans and drawings of such proposed sign, to Director and has received prior written approval from Director.
- C. Concessionaire shall obtain any permits or approvals required for such signs and shall bear all costs and expenses pertaining to the construction, installation, maintenance, repair and removal of any and all such signs.
- D. Any and all such signs shall be professionally designed, manufactured, installed and maintained so as to present at all times a professional and attractive appearance; hand written or hand printed signs are expressly prohibited. Section 16.05: Amendments.

This Agreement may be amended from time to time by written Amendment, duly authorized and executed by representatives the parties hereto.

Section 16.06: Headings; Construction of Agreement; Gender.

The headings of each Section of this Agreement are for reference only. Words of any gender in this Agreement will be held and construed to include any other gender.

Section 16.07: Force Majeure.

Neither City nor Concessionaire will be deemed in violation of this Agreement if either is prevented from performing any of the obligations hereunder by reason of strikes, boycotts, labor disputes, embargoes, shortages of materials, acts of God, acts of public enemy, acts of superior governmental authority, weather conditions, riots, rebellion, sabotage, or any other circumstances for which it is not responsible or which are not within its control.

Section 16.08: Exclusiveness of Concessionaire's Rights.

Section 16.09: Withholding Required Approvals.

Whenever the approval of City or Director or Concessionaire is required herein, no such approval shall be unreasonably, conditioned, delayed or withheld.

Section 16.10: Inspection of City Records.

Concessionaire, at its expense and upon reasonable notice, shall have the right to inspect the books, records and other data of City relating to the provisions and requirements hereof, provided such inspection is made during regular business hours.

Section 16.11: Successors and Assigns.

Subject to the limitations on assignment contained herein, all of the terms, provisions, covenants, stipulations, conditions and considerations in this Agreement shall extend to and bind the legal representatives, successors and assigns of the respective parties hereto.

Section 16.12: Accord and Satisfaction.

No payment by Concessionaire or receipt by City of a lesser amount than the rent, fees and/or charges due to be made by Concessionaire hereunder shall be deemed to be other than on account of the rent, fees and/or charges due. No endorsement or statement on any check or in any letter accompanying any check or payment as rent; fees and or charges shall be deemed an accord and satisfaction. City may accept such check or payment without prejudice to City's right to recover the balance of such rent, fees and/or charges or to pursue any other remedy provided in this Agreement.

Section 16.13: Observation of Governmental Regulations.

City's Airport Rules and Regulations: City reserves the right to adopt, amend and enforce reasonable rules and regulations governing the Concession Facility and the public areas and facilities used by Concessionaire in connection therewith. Such rules and regulations shall be consistent with the safety, security and overall public utility of Airport and with the rules, regulations and orders of the Federal Aviation Administration (FAA) (or such successor agency[ies] as may, at any time and from time to time during the Term be designated by the Federal Government to perform either similar, new, additional, and/or supplemental functions, powers and/or duties with respect to air transportation, aircraft, Airports, etc.), and such rules and regulations shall not be inconsistent with the provisions of this Agreement or the procedures prescribed and approved, from time to time, by the FAA with respect to the operation of aircraft at the Airport. Concessionaire agrees to observe, obey and abide by all such rules and regulations heretofore or hereafter adopted or amended by City, including compliance with all FAA and Airport security rules, regulations and plans, including any and all measures mandated by the FAA from time to time to provide increased levels of security at Airport, and Concessionaire shall be fully liable to City for any and all claims, demands, damages, fines and/or penalties of any nature whatsoever which may be imposed upon City by the United States Government as a result of any unauthorized entry by Concessionaire, Concessionaire's employees, agents, representatives, servants, tenants, and/or sub-lessees, or vehicle operated by any of these or by a customer of Concessionaire, into any area of the Airport to which access by persons or vehicles is restricted/controlled pursuant to FAA/Airport Security Rules and Regulations.

Other Governmental Regulations: Concessionaire shall, at all times during the Term, observe, obey and comply with any and all laws, statutes, ordinances, codes, rules, regulations, and/or orders of any governmental entity(ies) lawfully exercising any control(s) over either the Airport or over any part or all of Concessionaire's activities/ operations thereon and/or therefrom, including, without limitation, any and all local business license and/or permit requirements.

Increased Levels of Security: In the event City must provide for an increased level of security in the areas occupied or used by any or all of the Concessionaires as mandated by the Transportation Security Administration ("TSA"), the Concessionaire agrees that the City shall have the following options:

1. Require Concessionaire to take whatever steps are necessary to meet the security requirements of the TSA mandate, at its own cost and expense; or
2. Close the Ready Return Areas. In the event of closure of any part of such Area the City may at its option provide an alternate location for such area, but shall not be required to do so; or
3. Take the steps necessary to provide the required additional security measures and assess the cost of those steps to Concessionaire. Such costs will be allocated among all the Concessionaires based on each Concessionaire's proportionate share of Ready Return Area. For example, a Concessionaire that occupies twenty-five percent (25%) of the ready return spaces will be responsible for twenty-five percent (25%) of the costs. City shall invoice Concessionaire directly, in arrears, for its share, and payment to the City shall be due upon receipt of such invoice. In the event that Federal reimbursement for such costs is made available to City, the City shall apply for such funds prior to seeking reimbursement from Concessionaire.

Section 16.15: Waiver.

Waiver by City of any term, covenant, or condition hereof shall not operate as a waiver of any subsequent breach of the same or of any other term, covenant or condition. No term, covenant, or condition of this Agreement can be waived except by written consent of City, and forbearance or indulgence by City in any regard whatsoever shall not constitute a waiver of same to be performed by Concessionaire to which the same may apply and, until complete performance by Concessionaire of the term, covenant or condition, City shall be entitled to invoke any remedy available to it under this Agreement or by law despite any such forbearance or indulgence.

Section 16.16: Modification.

Unless stated otherwise in this Agreement, no provision of this Agreement may be waived, modified or amended except in writing and signed by City.

Section 16.17: Severability of Provisions.

Except, as specifically provided in this Agreement, all of the provisions of this Agreement shall be severable. In the event that any provision of this Agreement is found by a court of competent jurisdiction to be unconstitutional or unlawful, the remaining provisions of this Agreement shall be valid unless the court finds that the valid provisions of this Agreement are so essentially and inseparably connected with and so dependent upon the invalid provision(s) that it cannot be presumed that the parties to this Agreement could have included the valid provisions without the

invalid provision(s); or unless the court finds that the valid provisions, standing alone, are incapable of being performed in accordance with the intentions of the parties.

Section 16.18: Conflicts of Interest.

Concessionaire certifies that no officer or employee of City has, or will have, a direct or indirect financial or personal interest in this Agreement, and that no officer or employee of City, or member of such officer's or employee's immediate family, either has negotiated, or has or will have an arrangement, concerning employment to perform services on behalf of Concessionaire in this Agreement.

Section 16.19: Public Address System.

Concessionaire shall permit the installation, within its Concession Facility, of outlets for the Airport public address system and allow the reception in and about its Concession Facility of flight announcements and other information broadcast over such system. Concessionaire may, at its option, have access to the public address system for the purpose of making customer-service announcements. Section 16.20: Employee Parking.

Employee parking fees for Concessionaire's employees shall be paid to City by Concessionaire, as and when due, whether or not Concessionaire includes the costs of such parking in the benefits it provides its employees or requires its employees to reimburse it for the costs of such parking.

Nothing in this Section of this Article shall be construed to represent a prohibition against Concessionaire's allowing one, more or all of its employees to use, for employee parking purposes, space located on the Service Facility which Concessionaire occupies and uses on the Airport by separate agreement with City, and, in such event, no parking fees shall accrue to City with respect to those employees of Concessionaire who park their vehicles on such Service Facility.

Specific Assurances

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in this grant agreement.

Footnotes to Assurance C.1.

¹ These laws do not apply to airport planning sponsors.

² These laws do not apply to private sponsors.

³ 49 CFR Part 18 and 2 CFR Part 200 contain requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation and circular shall also be applicable to private sponsors receiving Federal assistance under Title 49, United States Code.

⁴ On December 26, 2013 at 78 FR 78590, the Office of Management and Budget (OMB) issued the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200. 2 CFR Part 200 replaces and combines the former Uniform Administrative Requirements for Grants (OMB Circular A-102 and Circular A-110 or 2 CFR Part 215 or Circular) as well as the Cost Principles (Circulars A-21 or 2 CFR part 220; Circular A-87 or 2 CFR part 225; and A-122, 2 CFR part 230). Additionally it replaces Circular A-133 guidance on the Single Annual Audit. In accordance with 2 CFR section 200.110, the standards set forth in Part 200 which affect administration of Federal awards issued by Federal agencies become effective once implemented by Federal agencies or when any future amendment to this Part becomes final. Federal agencies, including the Department of Transportation, must implement the policies and procedures applicable to Federal awards by promulgating a regulation to be effective by December 26, 2014 unless different provisions are required by statute or approved by OMB.

⁵ Cost principles established in 2 CFR part 200 subpart E must be used as guidelines for determining the eligibility of specific types of expenses.

⁶ Audit requirements established in 2 CFR part 200 subpart F are the guidelines for audits.

2. Responsibility and Authority of the Sponsor.

a. Public Agency Sponsor:

It has legal authority to apply for this grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

b. Private Sponsor:

It has legal authority to apply for this grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this grant agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability.

It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under this grant agreement which it will own or control.

4. Good Title.

- a. It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.
- b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

- a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this grant agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.

- b. It will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in this grant agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of this grant agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this grant agreement.
- c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.
- d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.
- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
- f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance Title 49, United States Code, the regulations and the terms, conditions and assurances in this grant agreement and shall insure that such arrangement also requires compliance therewith.
- g. Sponsors of commercial service airports will not permit or enter into any arrangement that results in permission for the owner or tenant of a property used as a residence, or zoned for residential use, to taxi an aircraft between that property and any location on airport. Sponsors of general aviation airports entering into any arrangement that results in permission for the owner of residential real property adjacent to or near the airport must comply with the requirements of Sec. 136 of Public Law 112-95 and the sponsor assurances.

6. Consistency with Local Plans.

The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

7. Consideration of Local Interest.

It has given fair consideration to the interest of communities in or near where the project may be located.

8. Consultation with Users.

In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings.

In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.

10. Metropolitan Planning Organization.

In projects involving the location of an airport, an airport runway, or a major runway extension at a medium or large hub airport, the sponsor has made available to and has provided upon request to the metropolitan planning organization in the area in which the airport is located, if any, a copy of the proposed amendment to the airport layout plan to depict the project and a copy of any airport master plan in which the project is described or depicted.

11. Pavement Preventive Maintenance.

With respect to a project approved after January 1, 1995, for the replacement or reconstruction of pavement at the airport, it assures or certifies that it has implemented an effective airport pavement maintenance-management program and it assures that it will use such program for the useful life of any pavement constructed, reconstructed or repaired with Federal financial assistance at the airport. It will provide such reports on pavement condition and pavement management programs as the Secretary determines may be useful.

12. Terminal Development Prerequisites.

For projects which include terminal development at a public use airport, as defined in Title 49, it has, on the date of submittal of the project grant application, all the safety equipment required for certification of such airport under section 44706 of Title 49, United States Code, and all the security equipment required by rule or regulation, and

has provided for access to the passenger enplaning and deplaning area of such airport to passengers enplaning and deplaning from aircraft other than air carrier aircraft.

13. Accounting System, Audit, and Record Keeping Requirements.

- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of this grant, the total cost of the project in connection with which this grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.
- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which this grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

14. Minimum Wage Rates.

It shall include, in all contracts in excess of \$2,000 for work on any projects funded under this grant agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor, in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

15. Veteran's Preference.

It shall include in all contracts for work on any project funded under this grant agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in Section 47112 of Title 49, United States Code. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

16. Conformity to Plans and Specifications.

It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this grant agreement, and, upon approval of the Secretary, shall be incorporated into this grant agreement. Any modification to the approved plans,

specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into this grant agreement.

17. Construction Inspection and Approval.

It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

18. Planning Projects.

In carrying out planning projects:

- a. It will execute the project in accordance with the approved program narrative contained in the project application or with the modifications similarly approved.
- b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
- c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.
- d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.
- e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.
- f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.
- g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.
- h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

19. Operation and Maintenance.

- a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal,

state and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary. In furtherance of this assurance, the sponsor will have in effect arrangements for-

- 1) Operating the airport's aeronautical facilities whenever required;
 - 2) Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
 - 3) Promptly notifying airmen of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.
- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

20. Hazard Removal and Mitigation.

It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

21. Compatible Land Use.

It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

22. Economic Nondiscrimination.

- a. It will make the airport available as an airport for public use on reasonable terms and without unjust discrimination to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport.
- b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or

to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to-

- 1) furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and
 - 2) charge reasonable, and not unjustly discriminatory, prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
- c. Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.
 - d. Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.
 - e. Each air carrier using such airport (whether as a tenant, non-tenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable classifications such as tenants or non-tenants and signatory carriers and non-signatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.
 - f. It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees [including, but not limited to maintenance, repair, and fueling] that it may choose to perform.
 - g. In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.
 - h. The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.
 - i. The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

23. Exclusive Rights.

It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:

- a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and
- b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport. It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

24. Fee and Rental Structure.

It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for which a grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

25. Airport Revenues.

- a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. The following exceptions apply to this paragraph:
 - 1) If covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or

operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.

- 2) If the Secretary approves the sale of a privately owned airport to a public sponsor and provides funding for any portion of the public sponsor's acquisition of land, this limitation on the use of all revenues generated by the sale shall not apply to certain proceeds from the sale. This is conditioned on repayment to the Secretary by the private owner of an amount equal to the remaining unamortized portion (amortized over a 20-year period) of any airport improvement grant made to the private owner for any purpose other than land acquisition on or after October 1, 1996, plus an amount equal to the federal share of the current fair market value of any land acquired with an airport improvement grant made to that airport on or after October 1, 1996.
 - 3) Certain revenue derived from or generated by mineral extraction, production, lease, or other means at a general aviation airport (as defined at Section 47102 of title 49 United States Code), if the FAA determines the airport sponsor meets the requirements set forth in Sec. 813 of Public Law 112-95.
- b. As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a manner consistent with Title 49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.
 - c. Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of Section 47107 of Title 49, United States Code.

26. Reports and Inspections.

It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;
- b. for airport development projects, make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
- c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of this grant agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request; and

- d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 - 1) all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 - 2) all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

27. Use by Government Aircraft.

It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that –

- a. Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or
- b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied by gross weights of such aircraft) is in excess of five million pounds.

28. Land for Federal Facilities.

It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein, or rights in buildings of the sponsor as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

29. Airport Layout Plan.

- a. It will keep up to date at all times an airport layout plan of the airport showing
 - 1) boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto;
 - 2) the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and

roads), including all proposed extensions and reductions of existing airport facilities;

- 3) the location of all existing and proposed nonaviation areas and of all existing improvements thereon; and
 - 4) all proposed and existing access points used to taxi aircraft across the airport's property boundary. Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.
- b. If a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary (1) eliminate such adverse effect in a manner approved by the Secretary; or (2) bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

30. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any activity conducted with, or benefiting from, funds received from this grant.

- a. Using the definitions of activity, facility and program as found and defined in §§ 21.23 (b) and 21.23 (e) of 49 CFR § 21, the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by, or pursuant to these assurances.
- b. Applicability
 - 1) Programs and Activities. If the sponsor has received a grant (or other federal assistance) for any of the sponsor's program or activities, these requirements extend to all of the sponsor's programs and activities.
 - 2) Facilities. Where it receives a grant or other federal financial assistance to construct, expand, renovate, remodel, alter or acquire a facility, or part of a facility, the assurance extends to the entire facility and facilities operated in connection therewith.

- 3) Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.

c. Duration.

The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

- 1) So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
- 2) So long as the sponsor retains ownership or possession of the property.

d. Required Solicitation Language. It will include the following notification in all solicitations for bids, Requests For Proposals for work, or material under this grant agreement and in all proposals for agreements, including airport concessions, regardless of funding source:

“The **(Name of Sponsor)**, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises and airport concession disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.”

e. Required Contract Provisions.

- 1) It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the DOT, and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT acts and regulations.
- 2) It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.
- 3) It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a sponsor.
- 4) It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin, creed, sex, age, or handicap as a

covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:

- a) For the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b) For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
- f. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.
- g. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

31. Disposal of Land.

- a. For land purchased under a grant for airport noise compatibility purposes, including land serving as a noise buffer, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value, at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States' share of acquisition of such land will be, at the discretion of the Secretary, (1) reinvested in another project at the airport, or (2) transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order, (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund. If land acquired under a grant for noise compatibility purposes is leased at fair market value and consistent with noise buffering purposes, the lease will not be considered a disposal of the land. Revenues derived from such a lease may be used for an approved airport development project that would otherwise be eligible for grant funding or any permitted use of airport revenue.
- b. For land purchased under a grant for airport development purposes (other than noise compatibility), it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value or make available to the Secretary an amount equal to the United States' proportionate share of the fair market value of the land. That portion of the proceeds of such disposition which is proportionate to the United States' share of the cost of acquisition of such land will, (1) upon application to the Secretary, be reinvested or transferred to another

eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order: (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund.

- c. Land shall be considered to be needed for airport purposes under this assurance if (1) it may be needed for aeronautical purposes (including runway protection zones) or serve as noise buffer land, and (2) the revenue from interim uses of such land contributes to the financial self-sufficiency of the airport. Further, land purchased with a grant received by an airport operator or owner before December 31, 1987, will be considered to be needed for airport purposes if the Secretary or Federal agency making such grant before December 31, 1987, was notified by the operator or owner of the uses of such land, did not object to such use, and the land continues to be used for that purpose, such use having commenced no later than December 15, 1989.
- d. Disposition of such land under (a) (b) or (c) will be subject to the retention or reservation of any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with operation of the airport.

32. Engineering and Design Services.

It will award each contract, or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping or related services with respect to the project in the same manner as a contract for architectural and engineering services is negotiated under Title IX of the Federal Property and Administrative Services Act of 1949 or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

33. Foreign Market Restrictions.

It will not allow funds provided under this grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

34. Policies, Standards, and Specifications.

It will carry out the project in accordance with policies, standards, and specifications approved by the Secretary including but not limited to the advisory circulars listed in the Current FAA Advisory Circulars for AIP projects, dated _____ (the latest approved version as of this grant offer) and included in this grant, and in accordance

with applicable state policies, standards, and specifications approved by the Secretary.

35. Relocation and Real Property Acquisition.

- a. It will be guided in acquiring real property, to the greatest extent practicable under State law, by the land acquisition policies in Subpart B of 49 CFR Part 24 and will pay or reimburse property owners for necessary expenses as specified in Subpart B.
- b. It will provide a relocation assistance program offering the services described in Subpart C and fair and reasonable relocation payments and assistance to displaced persons as required in Subpart D and E of 49 CFR Part 24.
- c. It will make available within a reasonable period of time prior to displacement, comparable replacement dwellings to displaced persons in accordance with Subpart E of 49 CFR Part 24.

36. Access By Intercity Buses.

The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport; however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

37. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its DBE and ACDBE programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1936 (31 U.S.C. 3801).

38. Hangar Construction.

If the airport owner or operator and a person who owns an aircraft agree that a hangar is to be constructed at the airport for the aircraft at the aircraft owner's expense, the airport owner or operator will grant to the aircraft owner for the hangar a long term lease that is subject to such terms and conditions on the hangar as the airport owner or operator may impose.

39. Competitive Access.

- a. If the airport owner or operator of a medium or large hub airport (as defined in section 47102 of title 49, U.S.C.) has been unable to accommodate one or more requests by an air carrier for access to gates or other facilities at that airport in order to allow the air carrier to provide service to the airport or to expand service at the airport, the airport owner or operator shall transmit a report to the Secretary that-
 - 1) Describes the requests;
 - 2) Provides an explanation as to why the requests could not be accommodated;
and
 - 3) Provides a time frame within which, if any, the airport will be able to accommodate the requests.
- b. Such report shall be due on either February 1 or August 1 of each year if the airport has been unable to accommodate the request(s) in the six month period prior to the applicable due date.
