With respect to interests in real property acquired by the former redevelopment agency prior to February 1, 2012, the time period described in Section 3334.16 shall be deemed to have commenced on the date that the Department of Finance approved the property as a housing asset in the LMIHAF; thus, as to real property acquired by the former redevelopment agency now held by the Housing Successor in the LMIHAF, the Housing Successor must initiate activities consistent with the development of the real property for the purpose for which it was acquired within five years of the date the DOF approved such property as a housing asset. Section 34176.1(a)(3)(B) requires that the Housing Successor must require at least 30% of the LMIHAF to be expended for development of rental housing affordable to and occupied by households earning 30% or less of the AMI. If the Housing Successor fails to comply with the Extremely-Low Income requirement in any five-year report, then the Housing Successor must ensure that at least 50% of the funds remaining in the LMIHAF be expended in each fiscal year following the latest fiscal year following the report on households earning 30% or less of the AMI until the Housing Successor demonstrates compliance with the Extremely-Low Income requirement. The Housing Successor is to calculate the percentage of units of deed-restricted rental housing restricted to seniors and assisted by the Housing Successor, the former redevelopment agency and/or the City within the previous 10 years in relation to the aggregate number of units of deed-restricted rental housing assisted by the Housing Successor, the former redevelopment agency and/or City within the same time period. If this percentage exceeds 50%, then the Housing Successor cannot expend future funds in the LMIHAF to assist additional senior housing units until the Housing Successor or City assists and construction has commenced on a number of restricted rental units that is equal to 50% of the total amount of deed-restricted rental units.
