B. CALCULATIONS

COMMERCIAL/INDUSTRIAL SUBDIVISIONS

On or about April 1 of each fiscal year, the City of Fresno ("City") or its designee shall determine how many square feet of taxable area are in each individual assessor's parcels within each commercial or industrial development/subdivision of CFD No. 9.

For commercial and industrial subdivisions the area to be taxed is the total area within each assessor's parcel of the development/subdivision not designated as public right-of-

EXHIBIT B

way and is not to exceed the Maximum Special Tax identified for the development/subdivision in Section C, Table 1 below.

C. MAXIMUM SPECIAL TAX

The Maximum Special Tax ("MST") applicable to each assessor's parcel in CFD No. 9 shall be specific to each development/subdivision/portion thereof within CFD No. 9. When additional property is annexed into CFD No. 9, the rate and method adopted for the annexed property shall reflect the MST for the subdivision or subdivisions or respective portion thereof then annexed.

The MST applicable to each development/subdivision in CFD No. 9 shall be the rate that is created at the time of CFD No. 9 annexation expressly for the individual development/subdivisions/portions thereof being annexed to CFD No. 9 at that time. Beginning in January of each year, the MST may be adjusted upward annually at the discretion of the City with a limit of 3% plus the rise, if any, in the Construction Cost Index (CCI) for the San Francisco Region for the prior 12-month period (December through December) as published in the Engineering News Record, or published in a comparable index if the Engineering News Record is discontinued or otherwise not available. Each annual adjustment of the MST shall become effective on the subsequent July 1.

Subject to the maximum limit set by the MST, the Special Tax for commercial and industrial development/subdivision assessor's parcels is calculated by spreading the Special Tax Requirement to the total taxable square footage of the development/subdivision and then apportioned proportionately by area to the individual assessor's parcels within the development/subdivision.

The Maximum Special Tax for Fiscal Year 2014-2015 for Final Parcel Map No. 2014-05 is identified in Table 1 below:

Table 1 Maximum Special Tax (Fiscal Year 2014-2015)*	
<i>Final Parcel Map Number**</i>	<i>Total Maximum Special Tax</i>
2014-05	\$6,963.00

** A Special Tax shall be levied on all parcels within an identified development/subdivision except excluded parcels as identified in Attachment 1.

D. METHOD OF LEVY AND COLLECTION OF THE SPECIAL TAX

Commencing with Fiscal Year 2014-2015, the Special Tax shall be levied on all Assessor's Parcels within the development/subdivision of taxable property as follows:

- Step 1: Determine the Special Tax Requirement (as defined in Section A above) for the fiscal year in which the special tax will be collected;

EXHIBIT B

Step 2: Calculate the total special tax revenues that could be collected from taxable property within CFD No. 9 based on applying the Maximum Special Tax rates determined pursuant to Section C above to each assessor's parcel of taxable property in CFD No. 9;

If the amount determined in Step 1 is greater than or equal to the amount calculated in Step 2, levy the Maximum Special Tax set forth in Table 1 above on all assessor's parcels of taxable property in CFD No. 9;

If the amount determined in Step 1 is less than the amount calculated in Step 2, levy the Special Tax proportionately against all assessor's parcels of taxable property up to 100% of the Maximum Special Tax for each subdivision as identified in Table 1, until the amount of the Special Tax levy equals the Special Tax Requirement for that fiscal year.

The Special Tax for CFD No. 9 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that CFD No. 9 may (under the authority of Government Code 53340), in any particular case, bill the taxes directly to the property owner off of the County of Fresno tax roll, and the Special Taxes will be equally subject to penalties and foreclosure if delinquent.

E. EXEMPTIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Tax shall be levied on parcels that have been conveyed to a public agency, except as otherwise provided in City Law. In addition, no Special Tax shall be levied on excluded parcels or parcels that are determined not to be developable lots.
