#### Briefly explain why are you interested in serving on this board or commission?

---

I am a homeowner in District 3 in south Tower district, a teacher, and a founding board member of the South Tower Community Land Trust. I want to see that our area receives just and adequate infrastructure to promote active transportation in an area that is one of the best set up to be a complete and walkable area. My great grandfather lived in tower and didn't need to own a car to commute to his job in San Fransisco. It would be great to see that access come back!

While I am a music teacher by day, I am a planning and active infrastructure nerd by night. I have served on the board of the South Tower Community Land Trust since its inception and have led the charge in developing consensus, leading with accountability, and helping form key aspects of policy. I am also a user of active transportation in my neighborhood and across the state.
