Ordinance No. _____

SECTION 1. Based upon the testimony and information presented at the hearing and upon review and consideration of the environmental documentation provided, the adoption of the proposed rezoning is in the best interest of the City of Fresno. The Council finds in accordance with its own independent judgment that with the project specific mitigation imposed, there is no substantial evidence in the record that Rezone Application No. R-16-003 may have additional significant effects on the environment that were not identified in the Fresno General Plan Master Environmental Impact Report SCH No. 2012111015 ("MEIR") and that all applicable mitigation measures of the MEIR have been applied to the project, together with the project specific mitigation measures necessary to assure that the project will not cause significant adverse cumulative impacts. In addition, pursuant to Public Resources Code, Section 21157.6(b)(1), Council finds that no substantial changes have occurred with respect to the circumstances under which the MEIR was certified; and, that no new information, which was not known and could not have been known at the time that the MEIR was certified as complete, has become available. Accordingly, the Council adopts the Mitigated Negative Declaration prepared for Environmental Assessment No. A-16-003/R-16-003 dated July 1, 2016.

SECTION 2. The Council finds the requested RS-4/UGM (*Residential Single Family, Medium Low Density/Urban Growth Management*) zone district is consistent with the proposed Medium Low Density Residential planned land use designation of the Fresno General Plan, Edison Community Plan, and Fresno-Chandler Downtown Airport Master Plan.

SECTION 3. The Council finds that the zone district of the real property described hereinbelow, located in the City of Fresno, is reclassified from the CMX/UGM (*Corridor/Center Mixed-Use/Urban Growth Management*) zone district to RS-4/UGM (*Residential Single*

Family, Medium Low Density/Urban Growth Management) zone district, as depicted in the attached Exhibit "A".

SECTION 4. This ordinance shall become effective and in full force and effect at 12:01 a.m. on the thirty-first day after its passage.
