THIS LEASE agreement (Lease) is by and between the CITY OF FRESNO, a California municipal corporation (Lessor or City) and MID-VALLEY DISPOSAL, LLC., a California Limited Liability Company, with a principal place of business at 15300 W. Jensen Avenue, Kerman, California 93630 (Lessee).

RECITALS

WHEREAS, Lessor owns and operates the Fresno Chandler Executive Airport (Airport), located in the City of Fresno, County of Fresno, State of California; and

WHEREAS, Lessee wishes to operate as a Specialized Aviation Service Operator (SASO) using the property located at 648 W. Kearney Boulevard, Fresno, California 93706 (Premises), at the Airport; and

WHEREAS, Lessee desires to enter into a ground lease with the City; and

WHEREAS, Lessor has determined it is in the City's best interest to enter into this Lease with Lessee.

NOW THEREFORE, the parties agree as follows:

AGREEMENT

This Lease is subject to the terms, covenants, conditions, agreements, warranties, and provisions herein contained and Lessee expressly covenants and agrees, as a material part of the consideration for the Lease, that Lessee shall fully and faithfully comply with, keep, perform and/or observe each and every term, covenant, condition, agreement, warranty, and/or provision hereof to be complied with, kept performed, and/or observed by Lessee.

ARTICLE I: PROPERTY, TERM, RENT AND OTHER CHARGES

Section 1.01 Leased Premises or Premises.

The leased Premises (Lease Lot 3) consists of a total of 37,527 square feet; which includes a 10,000 square foot hangar (Lease Lot No. FBO-7), 23,911 square foot paved aircraft parking apron, and 3,616 square foot other paved area, as depicted in **Exhibit A**, attached hereto and made a part hereof.

Section 1.02 Term.

- A. The term of this Lease shall be for the five-year period commencing June 1, 2020, and ending May 31, 2025, unless terminated earlier in the manner and under the conditions herein provided. Either party may terminate this Lease at any time and without cause by serving written notice upon the other party no less than thirty days before such termination is to be effective.

- B. First Option: Lessor hereby grants to Lessee a First option to extend the term of this Lease for a period of five years from and after the ending date of the term specified in Paragraph "A" of Section 1.02 of this Lease. The First option shall be exercised by Lessee by service of written notice upon Lessor of Lessee's exercise of the First option, which notice shall be served by Lessee with sufficient timeliness so as to be received by Lessor a minimum of 90 days prior to the ending date of the term of this Lease as set forth in Section 1.02(A). Upon receipt of the written notice by Lessor, the term of this Lease shall then be extended for an additional five-year period, and the parties shall be bound by all of the terms, covenants, and conditions during the additional period. Failure by Lessee to exercise the First option right shall operate to terminate the Second option right granted Lessee in Section 1.02(C) of this Lease.
- C. Second Option: In the event Lessee exercised the First option within Section 1.02(B) of this Lease, Lessor grants to Lessee a Second option to further extend the term of this Lease for an additional period of five years from and after the ending date of the term hereof, as extended by Lessee's exercise of that First option provided in Section 1.02(B) of this Lease. The Second option shall be exercised by Lessee by service of written notice upon Lessor of Lessee's exercise of the Second option, which notice shall be served by Lessee with sufficient timeliness so as to be received by Lessor a minimum of 90 days prior to the ending date of the term extended by Lessee's exercise of the First option as set forth in Section 1.02(B). Upon receipt of the Second notice by Lessor, the term of this Lease shall then be extended for an additional five-year period and the parties shall be bound by all of the terms, covenants, and conditions during the second additional period.

Section 1.03 Rent.

Definition: (Rent) shall mean all monetary obligations of Lessee to Lessor under the terms of this Lease.

A. Net Agreement.

This is a Net Agreement with respect to monthly base rent, fees and charges paid to Lessor by Lessee. Lessee shall, at Lessee's cost and expense, in addition to the Rent, fees and charges set forth herein, pay all costs and expenses associated with Lessee's occupancy and use of the Premises and with the activities and operations conducted thereon/therefrom pursuant to this Agreement, including but not limited to those certain activities and operations described herein.

B. Base Rent.

Amount and Due Date: Commencing June 1, 2020, then continuing monthly thereafter during the term of this Lease, Lessee shall pay to City rent in the amount of One Thousand Nine Hundred and Fifty dollars (\$1,950.00) per month, such rent will be due and payable on or before the 1st day of the month for which due, without invoice. The rent due hereunder for any period less than a full calendar month shall be prorated.

C. Base Rent Adjustment.

Annually, commencing upon Lessee's exercise of the First option referenced within Paragraph (B) of Section 1.02, June 1, 2026, then on June 1 each and annually thereafter, the Base Rent will increase by the same percentage as the percentage change, with a maximum of 2.00%, in the U.S. Department of Labor, Bureau of Labor Statistics (USDLBLS) Consumer Price Index (CPI) for Urban Wage Earners and Clerical Workers (all items, U.S. city average) from January 1 to December 31 during the last full calendar year prior to the scheduled rent adjustment date. The amount of all such annual adjustments shall be determined in the manner illustrated within **Exhibit D** "Illustration of Annual Rental Adjustment Computation", attached hereto and made a part hereof. At no time shall the Base Rent decrease below the initial rate listed in Section 1.03(B) above. The base year for the first year adjustment (year six of the Lease, if Lessee exercises First option) shall be the CPI calendar year 2024.

1. Throughout the term of this Lease including any available option or holding over periods, the amount of the monthly Base Rent to be paid to Lessor by Lessee shall be subject to increase only. The increased amount will become the new Base Rent and Utilities Rent each year respectively and will be calculated as stated above in Section 1.03(C).
2. **Retroactive Rent Adjustment:** In the event any annual rent adjustment computation shall, for any reason whatsoever, be delayed beyond the Scheduled Adjustment Date, Lessee shall continue paying the existing monthly base rent amount (i.e., the amount being paid immediately prior to the Scheduled Adjustment Date) when due until the new rental rate is finally determined by Lessor.
 - a. Any rent adjustment due as a result of any such late computation shall apply and be paid by Lessee retroactively as of the Scheduled Adjustment Date for which any such late computation shall be applicable.
 - b. When any such late computation results in an increase in the monthly rent, Lessee shall pay the difference between the new rate and the old rate, for each of the months commencing with the Scheduled Adjustment Date during which the new rent amount shall have been in effect, along with the next due monthly rent payment.
3. **Place of Payment:** Rent shall be paid to Lessor at the address shown below or at such place or places at which Lessor may in writing direct the payment thereof from time to time during the term hereof.

1. Airport use fees and/or charges as are levied generally by Lessor directly upon the operations of aircraft, including, without limitation, aircraft landing fees and aircraft storage fees resulting from use of the public, common-use areas/facilities of the Airport under the direct control of Lessor;
2. Miscellaneous fees and/or charges (including, without limitation, fees/charges for Airport security badges, copies of public documents [including extra copies of this Lease], returned check charges, etc.) as are generally assessed by Lessor against members of the general public and/or Lessees, tenants, and/or other users of Airport Premises and/or facilities.

B. Reimbursement for Insurance and other Lessor Expenses.

Lessee shall pay and nothing within this Lease shall be deemed to relieve Lessee, any employee of Lessee, or any one or more of Lessee's tenants, sub-Lessees, customers, invitees, successors, assigns, or any other person or entity whomsoever, from payment of such other fees and charges as may legitimately incurred by Lessor pursuant to Lessor's ownership of the Premises including but not limited to the pro-rata portion of the Fire and Extended Coverage insurance policy covering the subject Premises.

C. Effect of Failure to Pay Fees/Charges.

Any failure by Lessee to pay any and all airport use fees, and/or miscellaneous fees and charges to Lessor (as additional rent), as and when due to be paid to Lessor thereby, shall constitute a default on the part of Lessee under this Lease.

Section 1.05 Taxes And Assessments.

In addition to the rentals, fees, and charges herein set forth, Lessee shall pay, as and when due (but not later than fifteen days prior to the delinquency date thereof) any and all taxes and general and special assessments of any and all types or descriptions whatsoever which, at any time and from time to time during the term of this Lease, may

be levied upon or assessed against Lessee, the Premises and/or any one or more of the improvements located therein or thereon and appurtenances thereto, other property located therein or thereon belonging to Lessor or Lessee, and/or upon or against Lessee's interest(s) in and to said Premises, improvements and/or other property, including possessory interest as and when such be applicable to Lessee hereunder¹.

The minimum charge per month shall be one dollar (\$1.00).

B. Best Estimate of Damage.

Lessee and Lessor recognize that the damage which Lessor shall suffer as a result of Lessee's failure to pay rent and/or other sums when due is difficult to ascertain, and therefore agree the above said late charge is the best estimate of the damage which Lessor shall suffer in the event of Lessee's late payment.

C. Change to Late Payment Charge.

It is expressly stipulated that the amount of the Late Payment Charge (above) may, at any time and from time to time during the term of this Lease, be changed by ordinance/ resolution passed/adopted by the City Council of Lessor when, in said Council's opinion, economic conditions and/or other relevant facts and/or circumstances may reasonably warrant such action.

Lessee shall, at all times, keep the Premises and each and every part thereof in a neat, clean and orderly condition, and shall prevent the accumulation of, and shall maintain said Premises free from, any refuse or waste materials which might be or constitute a potential health, environmental, or fire hazard or public or private nuisance. Lessee shall neither conduct nor suffer or permit the conducting of any activity on the Premises which either directly or indirectly produces objectionable or unlawful amounts or levels of air pollution (gases, particulate matter, odors, fumes, smoke, dust, etc.); water pollution; light, glare, or heat; electronic and/or radio emissions interfering with any navigational or communications facilities/operations associated with the operation of the airport and/or its use by aircraft; trash or refuse accumulation; or any other activity/operation which is hazardous or dangerous by reason or risk of explosion, fire or harmful emission.

Any and all such consents of Lessor shall be deemed given subject to and conditioned upon Lessee's fully and faithfully complying with any and all federal, state, or local statutes, laws, ordinances, rules and/or regulations, now or hereafter enacted, applicable to the use, generation, manufacture, refining, production, processing, transport, transfer, storage, and/or sale of that/those Hazardous Substances to which any such consent of Lessor may, in any way whatsoever, be deemed to apply.
- c. Lessor's consent/approval shall not be required for the use, storage and disposal of materials/supplies containing hazardous substances where such materials/supplies shall be lawfully available to BOTH the general public and Lessee through commercial retail outlets so long as:
 - i. such materials/supplies are NOT for "RESALE", are obtained periodically but frequently enough to preclude the storage of unreasonable quantities of such on the Premises, and are for use by Lessee or Lessee's employees, agents, representatives, contractors, or sub-contractors in the performance of Lessee's normal day-to-day and/or periodic housekeeping and routine, recurring maintenance activities on the Premises (e.g., commercial cleaning products [soaps/detergents/solvents], furniture and floor waxes, landscape fertilizers, weed/pest killers, products normally used in the Lessee's industry, etc.); and

 - d. Lessee shall promptly provide all information regarding the use, generation, storage, transportation, or disposal of Hazardous Substances that is requested by Lessor. If Lessee fails to fulfill any duty imposed under this Article within a reasonable period of time following service of proper notice, Lessor may do so; and, in such case, Lessee shall cooperate with Lessor in order to prepare any and all documents Lessor deems necessary or appropriate to determine the applicability of the Laws to the Premises and Lessee's occupancy(ies) and/or use(s) thereof, and for compliance therewith, and Lessee shall execute any and all such documents promptly upon Lessor's request. No such action by Lessor and no attempt made by Lessor to mitigate damages under any law shall constitute a waiver of any of Lessee's obligations under this article.
4. Indemnification: Lessee shall indemnify, defend, and hold harmless Lessor, Lessor's officers, agents, employees, and volunteers from all fines, suits, procedures, claims, and actions of every kind, and all costs associated therewith (including reasonable attorneys' and consultants' fees) arising out of or in any way connected with any deposit, spill, discharge, or other release of Hazardous Substances that occurs at any time during the term of this Lease as a result of any and all use(s) and/or occupancy(ies) of said Premises by Lessee or any employee, representative, agent, contractor, sub-contractor, supplier, customer, guest, invitee, tenant or sub-Lessee of Lessee, or as a result of Lessee's failure to provide any or all information, make any or all submissions, and take any and all steps required by any or all Authorities under the Laws and any and all other environmental laws.

 2. Lessee shall be solely responsible for controlling access to any such restricted/controlled areas from any and all parts of the Premises and shall, at all times during the term hereof, at Lessee's own cost and expense, provide and/or implement such approved airport security monitoring and control systems, equipment, and/or procedures as may be required to fully comply with any and all such rules/ regulations/plans

Lessor shall not be liable to Lessee for any diminution or deprivation of possession or any of Lessee's rights hereunder when such shall result from any exercise by Lessor of any such right or authority as in this Section or within EXHIBIT "B", hereto, provided; and Lessee, by reason of the exercise of any such right or authority by Lessor, shall not be entitled to terminate, in whole or in part, the leasehold estate herein created unless the exercise thereof by Lessor shall so interfere with

Lessee's use and occupancy of the leasehold estate herein created so as to constitute a termination in whole or in part of this Lease by operation of law in accordance with the laws of the State of California.

F. Commercial Aviation Activity.

1. Compliance with Governmental Regulations: Lessee, Lessee's tenants and sub-Lessees, and any and all other persons or entities whomsoever, engaging in any commercial aviation activities whatsoever in, on, to and/or from the Premises shall, at all times during the term of this Lease, conduct any and all such activities in compliance with any and all laws, statutes, ordinances, rules, and regulations of any and all federal, state and local governmental agencies lawfully exercising authority over the Airport and/or over commercial activities conducted thereon, thereto or therefrom, including, without limitation, Chapter 5, Article 4, "Airport Regulations" of the City of Fresno Municipal Code (FMC), as such laws, statutes, ordinances, rules, and regulations exist(ed) at the time this Lease was entered into or as such may exist at any time and from time to time during the term hereof. - (b.) Lessee shall be responsible for ensuring the observance, by all of its tenants and/or sub-Lessees, of any and all of the foregoing provisions of this sub-section of this Section of this Article, and any breach thereof by any of Lessee's tenants or sub-Lessees shall constitute a breach of this lease by Lessee.

The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

Lessee's obligations under the preceding sentence shall apply to any negligence of City, but shall not apply to any loss, liability, fines, penalties, forfeitures, costs or damages caused solely by the gross negligence, or by the willful misconduct, of City.
- B. Lessee acknowledges that any and all loss, liability, fines, penalties, forfeitures, costs and damages (whether in contract, tort or strict liability, including but not limited to personal injury, death at any time and property damage, including damage by fire or other casualty) arising out of or in any way connected with releases or discharges of a Hazardous Substance, or the exacerbation of a Potential Environmental Hazard, occurring as a result of or in connection with Lessee's activities or the

activities of any of Lessee's representatives (including, without limitation, any of Licensee's officers, officials, employees, agents, volunteers, invitees, subtenants, consultants, subconsultants, contractors or subcontractors), and all costs, expenses and liabilities for environmental investigations, monitoring, containment, abatement, removal, repair, cleanup, restoration, remediation and other response costs, including reasonable attorneys' fees and disbursements and any fines and penalties imposed for the violation of any Legal Requirements relating to the environment or human health, are expressly within the scope of the indemnity set forth above.

- C. - D. The provisions of this Section shall survive the termination or expiration of this Lease.

Section 5.02 Exemption.

Lessee hereby specifically warrants, covenants and agrees that Lessor shall not be liable for injury to Lessee's business or any loss of income therefrom or for damage to the goods, wares, merchandise or other property of Lessee, Lessee's employees, patrons, invitees, or any other person whomsoever, in or about the Premises, nor shall Lessor be liable for injury to the person of Lessee, Lessee's servants, agents, employees, contractors, sub-contractors, tenants, sub-lessees, customers, or invitees, whether or not said damage or injury is caused by or results from fire, steam, electricity, gas, water or rain, or from the leakage, breakage, obstruction or other defects of pipes, sprinklers, wires, appliances, plumbing, air conditioning or lighting fixtures, or from any other cause, whether or not the said damage or injury results from conditions arising in or on any part or all of the Premises or in or on any of the improvement(s) and facilities appurtenant thereto located therein or from other sources or places, and regardless of whether or not the cause of such damage or injury or the means of repairing the same is inaccessible to Lessee, except where such injury, damage, and/or loss shall have been caused solely by the gross negligence or willful misconduct of Lessor. Lessee also covenants and agrees that Lessor shall not be liable for any damages arising from any act or neglect on the part of any third parties.

Section 5.03 Insurance.

- C. Lessee shall be responsible for payment of any deductibles contained in any insurance policies required hereunder and Licensee shall also be responsible for payment of any self-insured retentions. Any deductibles or self-insured retentions must be declared to, and approved by, the City's Risk Manager or designee. At the option of the City's Risk Manager or designee, either (i) the insurer shall reduce

or eliminate such deductibles or self-insured retentions as respects City, its officers, officials, employees, agents, and volunteers; or (ii) Lessee shall provide a financial guarantee, satisfactory to City's Risk Manager or designee, guaranteeing payment of losses and related investigations, claim administration and defense expenses. - D. All policies of insurance required hereunder shall be endorsed to provide that the coverage shall not be cancelled, non-renewed, reduced in coverage or in limits except after thirty calendar day written notice has been given to City. Upon issuance by the insurer, broker, or agent of a notice of cancellation, non-renewal, or reduction in coverage or in limits, Lessee shall furnish City with a new certificate and applicable endorsements for such policy(ies). In the event any policy is due to expire during this Agreement, Licensee shall provide a new certificate, and applicable endorsements, evidencing renewal of such policy not less than calendar days prior to the expiration date of the expiring policy.
- E. The Airport Liability (or General Liability, if applicable), Aircraft Liability, Pollution and Automobile Liability insurance policies shall be written on an occurrence form and shall name City, its officers, officials, agents, employees, and volunteers as an additional insured. Such policy(ies) of insurance shall be endorsed so Lessee's insurance shall be primary and no contribution shall be required of City. The coverage shall contain no special limitations on the scope of protection afforded to City, its officers, officials, employees, agents, and volunteers. Any Workers' Compensation insurance policy shall contain a waiver of subrogation as to City, its officers, officials, agents, employees, and volunteers.
- F. Lessee shall furnish City with all certificate(s) and applicable endorsements effecting coverage required hereunder. All certificates and applicable endorsements are to be received and approved by the City's Risk Manager or designee prior to City's execution of this Lease. Via email at FYIProperties@fresno.gov

- G. Upon request of City, Lessee shall immediately furnish City with a complete copy of any insurance policy required under this Contract, including all endorsements, with said copy certified by the underwriter to be a true and correct copy of the original policy. This requirement shall survive expiration or termination of this Lease.
- H. Any failure to maintain the required insurance shall be sufficient cause for City to

terminate this Lease. No action taken by City hereunder shall in any way relieve Lessee of its responsibilities under this Lease.

- I. The fact that insurance is obtained by Lessee shall not be deemed to release or diminish the liability of Lessee, including, without limitation, liability under the indemnity provisions of this Lease. The duty to indemnify City and its officers, officials, employees, agents, and volunteers shall apply to all claims and liability regardless of whether any insurance policies are applicable. The policy limits do not act as a limitation upon the amount of indemnification to be provided by Lessee. Approval or purchase of any insurance contracts or policies shall in no way relieve from liability nor limit the liability of Lessee.
- J. Lessee and its insurers hereby waive all rights of recovery against City and its officers, officials, employees, agents, and volunteers, on account of injury, loss by or damage to the Lessee or its officers, officials, employees, agents, volunteers, invitees, consultants, subconsultants, contractors and subcontractors, or its property or the property of others under its care, custody and control. Lessee shall give notice to its insurers that this waiver of subrogation is contained in this Lease. This requirement shall survive termination or expiration of this Lease.

SUBCONTRACTORS -If Lessee subcontracts any or all of the services to be performed under this Agreement, Lessee shall require, at the discretion of the City Risk Manager or designee, subcontractor(s) to enter into a separate Side Agreement with the City to provide required indemnification and insurance protection. Any required Side Agreement(s) and associated insurance documents for the subcontractor must be reviewed and preapproved by City Risk Manager or designee. If no Side Agreement is required, Lessee shall require and verify that subcontractors maintain insurance meeting all the requirements stated herein and Lessee shall ensure that CITY, its officers, officials, employees, agents, and volunteers are additional insureds. The subcontractors' certificates and endorsements shall be on file with Lessee, and CITY, prior to commencement of any work by the subcontractor.

ARTICLE VI - OPERATING STANDARDS

In doing business at the city's airports, Lessee agrees to comply with each and every one of the minimum standards affecting such business(es) as city may from time to time adopt and promulgate. Moreover, in using the city's airports or conducting any operations thereat or thereon, Lessee agrees to comply with all applicable rules and regulations then in effect. Continued failure to comply with any minimum standard, rule or regulation within a reasonable time after instruction by city to do so will constitute a material breach of this Lease. This paragraph shall apply once Lessee begins conducting commercial activity(ies) from the leased Premises or at the Airport.

Section 6.01 Designation of Local Representative By Lessee.

Lessee shall at all times retain in the local area a qualified, competent and experienced representative to supervise its operations and authorized to represent and act for Lessee in matters pertaining to the day-to-day conduct of Lessee's business operations on the Premises. During any temporary periods of absence by said representative, an alternate representative of Lessee with like authorization must be present. Lessee shall at all times keep the Airports Director advised as to who Lessee's authorized representative is and how immediate communication can be established with that representative on a 24-hour basis in the event of an emergency.

Section 6.02 Quality of Service.

In entering into this Lease, Lessor has foremost in mind providing the aviation public with facilities and services of high quality, commensurate with the trade that is accustomed to using contemporary airport facilities, and Lessee (together with its tenants and sub-Lessees, if any) agrees to conduct its/their business in a proper and first-class manner at all times. Lessee further agrees that any and all services provided by Lessee and/or by Lessee's tenants and sub-Lessees at Airport shall at all times be rendered in a prompt, clean, courteous, efficient, safe, and professional manner and that any and all persons employed by Lessee, Lessee's tenants and sub-Lessees for the purpose of providing any services shall at all times be professionally qualified and, as and when required, properly trained, certified and/or licensed to so perform, and that the number of such persons shall at all times be adequate to meet the demand for such services as shall be provided under authority hereof. This paragraph shall apply once Lessee begins conducting commercial activity(ies) from the leased Premises or at the Airport.

Section 6.03 Hours of Operation.

If Lessee begins service as a SASO, Lessee's services in and at the Premises shall be available a minimum of forty (40) hours per week except for an annual vacation period of not more than three weeks. This paragraph shall apply once Lessee begins conducting commercial activity(ies) from the leased Premises or at the Airport.

Section 6.04 Outside Storage.

No materials, supplies, products, equipment or other personal property (other than operational vehicles directly related to the business in regular use) shall be stored or permitted to remain outside any approved buildings or structures except within approved outside storage yards constructed by Lessee, at Lessee's cost and expense, so as to meet the requirements and standards of this Lease and Lessor's Development Department.

- C. Commercial Advertising Signs. Lessee shall not suffer or permit to be installed upon or maintained on the Premises, or on the outside of any improvements located thereon, any billboards or commercial advertising signs of any type whatsoever.
- D. Used or Temporary Buildings/Structures. No used buildings/structures and/or temporary buildings/structures may be moved onto or installed on the Premises.
- E. Liability for damage. Lessee shall be liable for and shall promptly repair any damage to the Premises where such damage shall be caused by any act or omission on the part of Lessee, Lessee's employees, contractors, agents, representatives, tenants, sub-Lessee's, customers, or invitees. Lessee shall also be liable for and shall promptly repair any damage to other airport Premises/facilities where such damage shall be caused by any act or omission on the part of Lessee, Lessee's employees, contractors, agents, or representatives. Should Lessee fail or be unable to promptly effect any such repairs within thirty days following Lessor's notice of the need therefor, Lessor shall have the right to make such repairs, and Lessee agrees to reimburse Lessor for all costs of such repairs, including administrative costs, within thirty days following Lessor's providing Lessee with a bill for such costs.

ARTICLE VII - DESTRUCTION OF IMPROVEMENTS

Section 7.01 General.

In the event that any improvements located in or on the Premises shall be partially or totally destroyed at any time during the term hereof, the respective rights and obligations of the parties hereto with respect to reconstructing, re-building, restoring and/or repairing such improvements, and/or with respect to the matter of the continuance or termination of this Lease following such destruction, shall be controlled by the provisions of this Article, and Lessee shall notify Director of any instance of destruction of or major damage to such improvements immediately upon Lessee's becoming aware of any such occurrence.

In the event of Partial Destruction, subject to subsection C below, Lessor may agree to restore the Premises and Lessee shall remain in possession without abatement of rent, or either party may terminate this Lease in the manner provided herein.
- B. "Total Destruction". The term "total destruction", as used herein, shall be deemed to mean a destruction of improvements to such an extent that the total costs of reconstructing/restoring/repairing/ replacing the destroyed improvements, to as good a condition of habitability and/or usability (for those certain uses herein authorized and intended therefor) as existed immediately prior to the occurrence of any such destruction, shall exceed fifty percent (50%) of the total replacement cost of all of the improvements located in and on the Premises as of the date immediately preceding the date of such destruction. In the event of Total Destruction, subject to subsection C below, Lessor may agree to restore the Premises and Lessee's rent shall abate for such period, or either party may terminate this Lease in the manner provided herein.
- C. Partial or Total Destruction as the Result of Willful Misconduct on the Part of Lessee. In the event any or all of the improvements located in or on any part or all of the Premises shall, at any time during the term hereof, suffer either partial or total destruction, if such destruction shall be caused by a casualty not covered under any insurance policy(ies) maintained by lessee, and shall be the result of any willful misconduct on the part of lessee, this Lease shall continue in full force and effect, without any abatement of rental, and lessee shall, at Lessee's cost and expense, promptly commence the reconstruction, restoration, replacement, and/or repair of such improvements and shall diligently prosecute and complete such reconstruction, restoration, replacement, and/or repair, within a reasonable period time, so as to restore said improvements to as good or better condition of habitability and/or usability (for those certain uses herein authorized and intended therefor) as existed immediately prior to the occurrence of any such destruction.

to hypothecate, encumber, sell, assign, surrender, or otherwise transfer, in whole or in part, any of Lessee's rights, title and/or interests in or to any part or all of the Premises and/or in or to any part or all of the improvements and appurtenances which existed therein or thereon at the commencement of the term hereof or which may, at any time and from time to time, be constructed/installed therein or thereon during the term of this Lease; or to rent, sublet or otherwise permit/allow/suffer occupancy and/or use of any part or all of the Premises by any person or entity, other than Lessee, except with the consent of Lessor.

Section 8.02 Assignment.

- A. Assignment: Lessee may not and shall not sell, transfer or make any assignment of this Lease to any other person(s) or entity(ies) whomsoever without the prior written consent of Lessor and any purported/attempted sale, transfer and/or assignment of this Lease, following Lessee's fulfillment of such obligations, without such advance written consent, shall be null and void and shall constitute a breach of this Lease. Any person or entity to whom this Lease is sold, transferred or assigned shall be required to comply with and fulfill all terms and conditions of this Lease.
 - 1. Lessor shall not be obligated to consent to and shall not consent to any sale, transfer and/or assignment of this Lease by Lessee to any other person or entity whomsoever where Lessee shall be in default of any of its obligations thereunder as of the date on which Lessor's consent to the sale, transfer and/or assignment would have otherwise been given.

- B. Lessor's consenting to any such actions shall not constitute a waiver of the conditions, limitations, and restrictions of this Article relative to further or other such actions, which conditions, limitations, and restrictions apply to each and every sale, transfer and/or assignment hereof and shall be binding upon each and every transferee, assignee, and/or other successor in interest of Lessee.

Lessee may not and shall not sub-lease any part or all of the Premises to any other person(s) or entity(ies) whomsoever without the prior written consent of Lessor, and any attempted/purported sub-leasing without such advance written consent shall be null and void and shall constitute a breach of this Lease.
 - 1. Neither the provisions of any sub-lease consented to by Lessor nor the fact that Lessor consented to any sub-lease shall, in any way whatsoever, be deemed to relieve Lessee of any one or more of Lessee's obligations under this Lease.
 - 2. Lessor's consenting to any sub-lease shall not constitute a waiver of any one or more of the conditions, limitations, and restrictions in this Article relative to further or other sub-lease agreements, which conditions, limitations and restrictions shall apply to each and every sub-lease and shall

be binding upon each and every sub-Lessee, assignee, transferee, and/or any other successor in interest of Lessee.

 - F. Priority of Instruments. Whether or not such be clearly evidenced by an appropriate provision within any sub-lease made and entered into by and between Lessee and any other person or entity concerning any part or all of the Premises (and notwithstanding the absence of any such evidence within any sub-lease consented to by Lessor) any and all sub-leases shall be subject to any and all of the terms, covenants, conditions, prohibitions, limitations, reservations, restrictions, warranties, agreements, and provisions of this Lease and to any and all rights and interests of Lessor therein and thereto, none of which shall be deemed to be waived by any consent of Lessor to any such sub-lease. Neither the intent nor language of any sub-lease entered into by and between Lessee and any other person(s) or entity(ies) concerning any part or all of the Premises shall conflict with any of the terms, covenants, or conditions of this Lease and, in the event of any conflict between the provisions of this Lease and the provisions of any such sub-lease, the provisions of this Lease, in each and every instance, shall control.

- B. Lessor's Consent. Neither Lessee nor any buyer or purchaser may hypothecate, transfer, sublease, encumber and/or assign this Lease and leasehold estate, in whole or in part, by any deed of trust without first obtaining the written consent of Lessor in advance, and any attempted or purported hypothecation, transfer, sublease, encumbrance and/or assignment of this Lease by deed of trust (or otherwise) without such consent shall be null and void and shall constitute a breach of this Lease.

In the event Lessor shall give its consent in writing to any hypothecation, transfer, sublease, encumbrance and/or assignment of this lease and the leasehold estate by any deed of trust to any reputable lender as security for repayment of a loan made pursuant to the provisions of this article, such consent shall be deemed to be given by Lessor (and accepted by the particular lender/beneficiary concerned) subject to and/or conditioned upon all of the covenants, conditions, warranties, terms, agreements and provisions of this lease applicable thereto.
- D. Lessor's Consent Not a Waiver of Any of Lessor's Rights and Interests.

Except as may otherwise be expressly set forth within Lessor's written consent thereto, any and all such trust deeds and any and all of the rights acquired by any and all persons or entities thereunder shall be subject to all of the terms, covenants, conditions, reservations, restrictions, prohibitions, limitations, warranties, agreements, and provisions of this Lease, and to any

and all of the rights and interests of Lessor therein and thereto, none of which shall be waived by any such consent.

2. Lessor's consenting to any such action shall not constitute a waiver of the conditions, limitations, and restrictions set forth within this Lease relative to further or other such actions, which conditions, limitations, and/or restrictions shall be binding upon each and every assignee, transferee or other successor in interest of Lessee.

- E. Request for Lessor's Consent During a Period When Lessee is in Default. Lessor shall have the right to withhold its consent to any deed of trust where Lessee shall be in default of any of its obligations under this Lease as of the date on which Lessor's consent to assignment by the deed of trust would have otherwise been given, provided that Lessee was notified of default, and failed to cure within the time required.

 7. The failure by Lessee to make any payment of rent or any other required payment, as and when due under this Lease, where such failure shall continue for a period of ten days following service of notice thereof upon Lessee by Lessor.
 8. The failure by Lessee to keep, observe, undertake, fulfill, or perform any of the terms, covenants, conditions, warranties, agreements, obligations, and/or provisions of this Lease to be kept, observed, undertaken, fulfilled, and/or performed by Lessee, other than those hereinabove, where such failure shall continue for a period of thirty days following service of written notice thereof upon Lessee by Lessor, pursuant to this Lease; provided, however, that if the nature of Lessee's default is such that more than thirty days are reasonably required for its cure, then Lessee shall not be deemed to be in default and breach of this Lease if Lessee commences such cure

within said thirty day period and thereafter diligently prosecutes such cure to completion as soon as reasonably possible.

B. Lessor's Remedies.

1. Abandonment: If Lessee abandons the Premises, this Lease shall continue in effect. Lessor shall not be deemed to terminate this Lease as a result of such material default and breach other than by written notice of termination served upon Lessee by Lessor, and Lessor shall have all of the remedies available to Lessor under Section 1951.4 of the Civil Code of the State of California so long as Lessor does not terminate Lessee's right to possession of the Premises, and Lessor may enforce all of Lessor's rights and remedies under this Lease, including the right to recover the rent as it becomes due under this Lease. After abandonment of the Premises by Lessee, Lessor may, at any time thereafter, give notice of termination.
2. Termination: Following the occurrence of any material default and breach of this Lease by Lessee as set forth within this Section, above, Lessor may then immediately, or at any time thereafter, terminate this Lease by service of a minimum of ten days advance written notice to such effect upon Lessee and this Lease shall terminate at 11:59:59 p.m., on the termination date specified within such notice.
3. Such notice shall set forth the following:
 - a. The default and breach which resulted in such termination by Lessor; and
 - (a.) A Demand For Possession, which, in the event only ten days advance notice shall be given by Lessor, shall be effective at 12:00:01 A.M., on the eleventh calendar day following the date on which the notice in which such demand is contained shall be sufficiently served upon Lessee by Lessor in conformity with the Notice provisions of this Lease; or, if more than the minimum number of days advance notice shall be given, at 12:00:01 a.m., on the next day following the date specified within such notice as being the date of termination hereof.
 - (b.) Such notice may contain any other notice which Lessor shall be required or desire to give under this Lease.
4. Possession: Following termination of this Lease by Lessor pursuant to the provisions of this Section, without prejudice to other remedies Lessor may have by reason of Lessee's default and breach and/or by reason of such termination, Lessor may:
 - (a.) Peaceably re-enter the Premises upon voluntary surrender thereof by Lessee or remove Lessee and/or any other persons and/or entities

occupying the Premises therefrom, using such legal proceedings as may be available to Lessor under the laws or judicial decisions of the State of California;

(b.) Repossess the Premises or re-let the Premises or any part thereof for such term (which may be for a term extending beyond the term of this Lease) at such rental and upon such other terms and conditions as Lessor in Lessor's sole discretion shall determine, with the right to make reasonable alterations and repairs to the Premises; and

(c.) Remove all personal property therefrom and store all personal property not belonging to Lessor in a public warehouse or elsewhere at the cost of and for the account of Lessee.

5. Recovery: Following termination of this Lease by Lessor pursuant to the provisions above, Lessor shall have all the rights and remedies available to Lessor under Section 1951.2 of the Civil Code of the State of California. The amount of damages Lessor may recover following such termination of this Lease shall include:

(a.) The worth at the time of award of the unpaid rent which had been earned at the time of termination of this Lease;

(b.) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination of this Lease until the time of award exceeds the amount of such rental loss that Lessee proves could have been reasonably avoided;

(c.) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for the same period Lessee proves could be reasonably avoided, and

(d.) Any other amount necessary to compensate Lessor for all the detriment proximately caused by Lessee's failure to perform Lessee's obligations under this Lease or which in the ordinary course of things would be likely to result therefrom.

6. Additional Remedies: Following the occurrence of any material default and breach of this Lease by Lessee as set forth within this Article, above, in addition to the foregoing remedies, Lessor may maintain Lessee's right to possession, in which case this Lease shall continue in effect whether or not Lessee shall have abandoned the Premises and, so long as this Lease is not terminated by Lessor or by a decree of a court of competent jurisdiction, Lessor shall be entitled to enforce all of Lessor's rights and remedies under this Lease, including the right to recover the rent as it becomes due

thereunder and, during any such period, Lessor shall have the right to remedy any default of Lessee, to maintain or improve the Premises without terminating this Lease, to incur expenses on behalf of Lessee in seeking a new Lessee, to cause a receiver to be appointed to administer the Premises, and to add to the rent payable hereunder all of Lessor's reasonable costs in so doing, with interest at the maximum reasonable rate then permitted by law from the date of such expenditure until the same is repaid.

7. Other: In the event Lessee causes or threatens to cause a breach of any of the covenants, terms or conditions contained in this Lease, Lessor shall be entitled to obtain all sums held by Lessee, by any trustee or in any account provided for herein, to enjoin such breach or threatened breach and to invoke any remedy allowed at law, in equity, by statute or otherwise as though re-entry, summary proceedings and other remedies were not provided for in this Lease.
8. Cumulative Remedies: Each right and remedy of Lessor provided for in this Article or now or hereafter existing at law, in equity, by statute or otherwise shall be cumulative and shall not preclude Lessor from exercising any other rights or from pursuing any other remedies provided for in this Lease or now or hereafter available to Lessor under the laws or judicial decisions of the State of California.
9. Indemnification: Nothing contained within this Article affects the right of Lessor to indemnification by Lessee, as elsewhere within this Lease provided, for liability arising from personal injuries or property damage prior to the termination of this Lease.

Each individual executing this Lease on behalf of Jonathan Kalpakoff, V.P. Projects Development, Mid-Valley Disposal, LLC., represents and warrants that he/she is duly authorized to execute and deliver this Lease on behalf of said Company in accordance with its governing documents including articles of incorporation and bylaws, and that this Lease is binding upon said Company in accordance with its terms.

Section 11.02 Interpretation of Agreement .

Nothing contained within this Lease shall be construed or interpreted, in any manner whatsoever, as limiting, relinquishing or waiving any of the rights of ownership enjoyed by Lessor in and to Airport property, or in any manner waiving or limiting Lessor's control over the operation, maintenance, etc., of Airport property or in derogation of such governmental rights as Lessor possesses, except as is specifically provided for within this Lease.

Section 11.03 Waiver of Breach Of Covenants.

No waiver of any default or breach of any covenant by either party to this Lease shall be implied from any omission by either party to take action on account of such default if such default persists or is repeated, and no express waiver shall affect any default other than the default specified in the waiver, and then said waiver shall be operative only for the

time and to the extent therein stated. The waiver by either party hereto of any breach of any term, covenant, or condition herein contained shall not be deemed to be a waiver of any subsequent breach of the same covenant, term or condition or of any other term, covenant or condition contained within this Lease. The subsequent acceptance of rent, fees and/or other charges hereunder by Lessor shall not be deemed to be a waiver of any preceding breach by Lessee of any term, covenant or condition of this Lease, other than the failure of Lessee to pay the particular rental, fees and/or other charges so accepted, regardless of Lessor's knowledge of such preceding breach at the time of acceptance of such rent, fees or other charges. The exercise of any right or option or privilege under this Lease by Lessor shall not prevent Lessor from exercising any and all other rights, privileges and options hereunder, and Lessor's failure to exercise any right, option or privilege under this Lease shall not be deemed a waiver of said right, option or privilege, nor shall it relieve Lessee from Lessee's obligation to perform each and every covenant and condition on Lessee's part to be performed hereunder, nor from damages or other remedy for failure to perform or meet the obligations of this Lease. The consent or approval by either party to or of any act by either party requiring further consent or approval shall not be deemed to waive or render unnecessary their consent or approval to or of any subsequent similar acts.

Section 11.04 Venue and Litigation.

- a. This Lease, and the rights and obligations of the parties thereto, shall be construed, interpreted, and enforced pursuant to the laws of the State of California and exclusive venue in any and all actions arising under this Lease shall be laid in the Judicial District of Fresno County, California.
- B. In any action or proceeding which Lessor or Lessee may be required to prosecute to enforce its respective rights under this Lease, the unsuccessful party therein agrees to pay all costs incurred by the prevailing party therein, including reasonable interest and attorneys' fees, to be fixed by the court, and said costs, interest, and attorneys' fees shall be made a part of the judgment in said action.

Section 11.05 Liens and Claims.

Lessee shall not suffer or permit to be enforced against Lessor's title to the Premises, or any part thereof, any lien, claim or demand arising from any work of construction, repair, restoration, maintenance or removal as herein provided, or otherwise arising (except liens, claims or demands suffered by or arising from the actions of Lessor), and Lessee shall pay all such liens, claims and demands before any action is brought to enforce same against said Premises; and Lessee agrees to hold Lessor and said Premises free and harmless from all liability for any and all such liens, claims or demands, together with all costs and expenses in connection therewith. Lessor shall have the right at any time to post and maintain on said Premises such notices as may be necessary to protect Lessor against liability for all such liens, claims and demands.

Section 11.06 Successors and Assigns.

Subject to such limitations and/or requirements as may elsewhere within this Lease be set forth with regard to Lessee's sub-leasing any part or all of the Premises or with regard to either Lessee's assigning this Lease or Lessee's pledging, mortgaging, hypothecating, or otherwise encumbering this Lease or any of Lessee's rights, title and/or interests thereunder, this Lease and all of the terms, covenants, conditions, stipulations, warranties, prohibitions, limitations, reservations, restrictions, agreements, and provisions therein contained shall extend to and bind the legal representatives, successors and assigns of the respective parties hereto.

Section 11.07 Invalid Provisions.

In the event any covenant, condition or provision of this Lease, or the application thereof to any person, entity, or circumstance, shall to any extent be held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, covenants, conditions or provisions of this Lease, or the application thereof to any person, entity, or circumstance, shall remain in full force and effect and shall in no way be affected, impaired or invalidated, provided that such invalidity, voiding or non-enforceability of such covenant, condition or provision does not materially prejudice either party in its respective rights and obligations contained in the then remaining valid covenants, conditions or provisions of this Lease.

Section 11.08 Captions and Article/Section/Paragraph Numbers.

The captions, article numbers, section and sub-section numbers, paragraph and sub-paragraph numbers and/or alphabetical identifiers and index appearing in this Lease are inserted solely for the purpose of convenience in reference and in no way define, limit, construe, or describe the scope or intent of such articles, sections, sub-sections, paragraphs or sub-paragraphs of this Lease nor in any way whatsoever affect this Lease.

Section 11.09 Covenants and Conditions.

Each provision of this Lease performable by Lessee shall be deemed both a covenant and a condition.

Section 11.10 Consents/Approvals.

Wherever in this Lease the consent/approval of one party is required to an act of the other party, such consent/approval shall not be unreasonably withheld or delayed.

Section 11.11 Merger.

The voluntary or other surrender of this Lease by Lessee, or a mutual cancellation hereof, or a termination by Lessor, or an automatic termination, or termination by a court of competent jurisdiction, or any other termination hereof shall not work a merger, and shall, at the option of Lessor, terminate any or all existing Sub-leases/-Tenancies or may, at the option of Lessor, operate as an assignment to Lessor of any or all such Sub-leases/-Tenancies.

Section 11.12 Cumulative Remedies.

No remedy or election under this Lease shall be deemed exclusive but shall, wherever possible, be cumulative with all other remedies at law or in equity.

Section 11.13 Prior Agreements.

Amendments: This Lease and those certain Exhibits attached hereto and made a part hereof by reference herein contain all agreements of the parties with respect to any matter mentioned herein. No prior agreement or understanding pertaining to any such matter shall be effective. This Lease may not be amended or otherwise modified in any way whatsoever, except in writing signed by the parties. Except as otherwise stated in this Lease, Lessee acknowledges that neither Lessor nor Lessor's officers, employees or agents has made any oral or written warranties or representations to Lessee relative to the condition or use by Lessee of the Premises and Lessee acknowledges that Lessee assumes all responsibility regarding the Occupational Safety Health Act, the legal use and adaptability of the Premises, and the compliance thereof with all applicable laws and regulations in effect during the term of this Lease except as otherwise specifically stated in this Lease.

Section 11.14 Quiet Possession.

Upon Lessee paying the rental, fees and/or other charges reserved under this Lease and keeping, observing and/or performing all of the covenants, conditions, warranties, promises, agreements, and/or provisions on Lessee's part to be kept, observed and/or performed thereunder, Lessee shall have quiet possession of the Premises during the full term of this Lease, and any extensions thereto, subject to all of the provisions of this Lease.

Section 11.15 Time Of Essence.

Time is of the essence with respect to this Lease and matters therein contained.

Section 11.16 Review/Examination of Lease.

Submission of the instrument by Lessor for review /examination or signature by Lessee does not constitute a reservation of or option to lease, and the instrument is not effective as a Lease or otherwise, unless and until execution and delivery by both Lessor and Lessee.

Section 11.17 Accord and Satisfaction.

No payment by Lessee or receipt by Lessor of a lesser amount than the rent, fees and/or charges payment(s) due to be made by Lessee under this Lease shall be deemed to be other than on account of the rent, fees and/or charges due, and no endorsement or statement on any check or in any letter accompanying any check or payment as rent, fees and/or charges shall be deemed an accord and satisfaction, and Lessor may accept such check or payment without prejudice to Lessor's right to recover the balance of such rent, fees and/or charges or to pursue any other remedy provided in this Lease.

Section 11.18 National Emergency and Condemnation/Eminent Domain.

- A. Total Taking/Condemnation of Leased Premises: In the event that the Government of the United States takes over the operation of the Airport, or any part thereof which shall include all of the Premises, by requisition or other unilateral action as the result of a national emergency or otherwise, the lease shall terminate as of the effective date of any such taking; or, if all of the Premises shall be taken by public authority pursuant to condemnation actions(s) under the laws of eminent domain, the lease shall terminate as of the date of title vesting in such proceeding.
1. Upon termination of this Lease as a result of either of the events hereinabove described within this Section, the parties hereto shall be relieved of any and all obligations, one to the other, hereunder, not accrued to the date of such termination and Lessor shall promptly return, on a prorated basis, any then unearned rent theretofore paid by Lessee under this Lease.
 2. Lessor shall not be liable to Lessee for any injury to Lessee's business or loss of income or any other injury or loss suffered by Lessee as a result of any such taking and/or termination.
- B. Partial Taking/Condemnation of Leased Premises: In the event that only a part of the Premises shall be taken as a result of any of those actions described in this Section, and if such taking and the reasons therefore shall not constitute a bar to Lessee's continued beneficial occupancy and use of that/those portion(s) of the Premises not so taken, where such taking may reasonably be deemed to not adversely affect Lessee's commercial business operations therein and thereon to a significant extent/degree, this Lease shall continue in full force and effect and that/those certain parcel(s) of land so taken shall be automatically deleted from the Premises leased by Lessor to Lessee thereunder, as of the date of such taking and/or title vesting.
- C. Awards: In the event that all or part of the Premises shall be taken as a result of any of those actions described in this Section, above, the rights of the parties hereto with respect to such award(s) as shall be paid for such taking shall be as follows:
1. Lessor shall be entitled to the entire amount of any and all compensation awarded by reason of the taking of the leased land and any and all Lessor-owned improvements then located therein or thereon and Lessee waives any right or claim to any part thereof from Lessor or the condemning authority.
 2. Subject to the provisions of this Section, below, Lessee shall have the right to claim and recover from the condemning authority such compensation as may be separately awarded or recoverable by Lessee in Lessee's own right on account of:

- a. The taking of or injury to any Lessee-owned improvements then located on the leased land, including the value of the then existing leasehold interest therein and thereto, to the extent of Lessee's interest therein, based on the value of the then remaining unexpired portion of the term of this Lease, as said value shall be determined in the proceedings for the taking of such operations and awarding such compensation; and
 - b. Any and all cost or loss (including loss of business) which may be incurred by Lessee as a result of Lessee's having to remove Lessee's personal property (including merchandise, furniture, trade fixtures and equipment) to a new location.
- D. Payments to Encumbrancers: Any compensation which would otherwise be payable to Lessee under this Section, above, shall be paid directly to any known lawful encumbrancer of the leasehold interest, to the extent of such encumbrance.
- E. Notice and Execution: Upon service of process upon Lessor in connection with *either* any taking over of Airport by the United States Government *or* any condemnation or potential condemnation, Lessor shall immediately give Lessee notice thereof in writing. Lessee shall immediately execute and deliver to Lessor any and all instruments which may be required to fully effectuate any and all of the provisions of this Article if, as and when any such instruments shall be required of Lessee.

Section 11.19 Relationship of Parties.

Nothing contained in this Lease shall be deemed or construed by the parties or by any third persons to create the relationship of principal and agent or of partnership or joint venture between Lessor and Lessee.

Specific Assurances

Specific assurances required to be included in grant agreements by any of the above laws, regulations or circulars are incorporated by reference in this grant agreement.

Footnotes to Assurance C.1.

- ¹ These laws do not apply to airport planning sponsors.
- ² These laws do not apply to private sponsors.
- ³ 49 CFR Part 18 and 2 CFR Part 200 contain requirements for State and Local Governments receiving Federal assistance. Any requirement levied upon State and Local Governments by this regulation and circular shall also be applicable to private sponsors receiving Federal assistance under Title 49, United States Code.
- ⁴ On December 26, 2013 at 78 FR 78590, the Office of Management and Budget (OMB) issued the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards in 2 CFR Part 200. 2 CFR Part 200 replaces and combines the former Uniform Administrative Requirements for Grants (OMB Circular A-102 and Circular A-110 or 2 CFR Part 215 or Circular) as well as the Cost Principles (Circulars A-21 or 2 CFR part 220; Circular A-87 or 2 CFR part 225; and A-122, 2 CFR part 230). Additionally it replaces Circular A-133 guidance on the Single Annual Audit. In accordance with 2 CFR section 200.110, the standards set forth in Part 200 which affect administration of Federal awards issued by Federal agencies become effective once implemented by Federal agencies or when any future amendment to this Part becomes final. Federal agencies, including the Department of Transportation, must implement the policies and procedures applicable to Federal awards by promulgating a regulation to be effective by December 26, 2014 unless different provisions are required by statute or approved by OMB.

⁵ Cost principles established in 2 CFR part 200 subpart E must be used as guidelines for determining the eligibility of specific types of expenses.

⁶ Audit requirements established in 2 CFR part 200 subpart F are the guidelines for audits.

2. Responsibility and Authority of the Sponsor.

a. Public Agency Sponsor:

It has legal authority to apply for this grant, and to finance and carry out the proposed project; that a resolution, motion or similar action has been duly adopted or passed as an official act of the applicant's governing body authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

b. Private Sponsor:

It has legal authority to apply for this grant and to finance and carry out the proposed project and comply with all terms, conditions, and assurances of this grant agreement. It shall designate an official representative and shall in writing direct and authorize that person to file this application, including all understandings and assurances contained therein; to act in connection with this application; and to provide such additional information as may be required.

3. Sponsor Fund Availability.

It has sufficient funds available for that portion of the project costs which are not to be paid by the United States. It has sufficient funds available to assure operation and maintenance of items funded under this grant agreement which it will own or control.

4. Good Title.

a. It, a public agency or the Federal government, holds good title, satisfactory to the Secretary, to the landing area of the airport or site thereof, or will give assurance satisfactory to the Secretary that good title will be acquired.

b. For noise compatibility program projects to be carried out on the property of the sponsor, it holds good title satisfactory to the Secretary to that portion of the property upon which Federal funds will be expended or will give assurance to the Secretary that good title will be obtained.

5. Preserving Rights and Powers.

a. It will not take or permit any action which would operate to deprive it of any of the rights and powers necessary to perform any or all of the terms, conditions, and assurances in this grant agreement without the written approval of the Secretary, and will act promptly to acquire, extinguish or modify any outstanding rights or claims of right of others which would interfere with such performance by the sponsor. This shall be done in a manner acceptable to the Secretary.

- b. It will not sell, lease, encumber, or otherwise transfer or dispose of any part of its title or other interests in the property shown on Exhibit A to this application or, for a noise compatibility program project, that portion of the property upon which Federal funds have been expended, for the duration of the terms, conditions, and assurances in this grant agreement without approval by the Secretary. If the transferee is found by the Secretary to be eligible under Title 49, United States Code, to assume the obligations of this grant agreement and to have the power, authority, and financial resources to carry out all such obligations, the sponsor shall insert in the contract or document transferring or disposing of the sponsor's interest, and make binding upon the transferee all of the terms, conditions, and assurances contained in this grant agreement.
- c. For all noise compatibility program projects which are to be carried out by another unit of local government or are on property owned by a unit of local government other than the sponsor, it will enter into an agreement with that government. Except as otherwise specified by the Secretary, that agreement shall obligate that government to the same terms, conditions, and assurances that would be applicable to it if it applied directly to the FAA for a grant to undertake the noise compatibility program project. That agreement and changes thereto must be satisfactory to the Secretary. It will take steps to enforce this agreement against the local government if there is substantial non-compliance with the terms of the agreement.
- d. For noise compatibility program projects to be carried out on privately owned property, it will enter into an agreement with the owner of that property which includes provisions specified by the Secretary. It will take steps to enforce this agreement against the property owner whenever there is substantial non-compliance with the terms of the agreement.
- e. If the sponsor is a private sponsor, it will take steps satisfactory to the Secretary to ensure that the airport will continue to function as a public-use airport in accordance with these assurances for the duration of these assurances.
- f. If an arrangement is made for management and operation of the airport by any agency or person other than the sponsor or an employee of the sponsor, the sponsor will reserve sufficient rights and authority to insure that the airport will be operated and maintained in accordance Title 49, United States Code, the regulations and the terms, conditions and assurances in this grant agreement and shall insure that such arrangement also requires compliance therewith.
- g. Sponsors of commercial service airports will not permit or enter into any arrangement that results in permission for the owner or tenant of a property used as a residence, or zoned for residential use, to taxi an aircraft between that property and any location on airport. Sponsors of general aviation airports entering into any arrangement that results in permission for the owner of residential real property adjacent to or near the airport must comply with the requirements of Sec. 136 of Public Law 112-95 and the sponsor assurances.

6. Consistency with Local Plans.

The project is reasonably consistent with plans (existing at the time of submission of this application) of public agencies that are authorized by the State in which the project is located to plan for the development of the area surrounding the airport.

7. Consideration of Local Interest.

It has given fair consideration to the interest of communities in or near where the project may be located.

8. Consultation with Users.

In making a decision to undertake any airport development project under Title 49, United States Code, it has undertaken reasonable consultations with affected parties using the airport at which project is proposed.

9. Public Hearings.

In projects involving the location of an airport, an airport runway, or a major runway extension, it has afforded the opportunity for public hearings for the purpose of considering the economic, social, and environmental effects of the airport or runway location and its consistency with goals and objectives of such planning as has been carried out by the community and it shall, when requested by the Secretary, submit a copy of the transcript of such hearings to the Secretary. Further, for such projects, it has on its management board either voting representation from the communities where the project is located or has advised the communities that they have the right to petition the Secretary concerning a proposed project.

10. Metropolitan Planning Organization.

In projects involving the location of an airport, an airport runway, or a major runway extension at a medium or large hub airport, the sponsor has made available to and has provided upon request to the metropolitan planning organization in the area in which the airport is located, if any, a copy of the proposed amendment to the airport layout plan to depict the project and a copy of any airport master plan in which the project is described or depicted.

11. Pavement Preventive Maintenance.

With respect to a project approved after January 1, 1995, for the replacement or reconstruction of pavement at the airport, it assures or certifies that it has implemented an effective airport pavement maintenance-management program and it assures that it will use such program for the useful life of any pavement constructed, reconstructed or repaired with Federal financial assistance at the airport. It will provide such reports on pavement condition and pavement management programs as the Secretary determines may be useful.

12. Terminal Development Prerequisites.

For projects which include terminal development at a public use airport, as defined in Title 49, it has, on the date of submittal of the project grant application, all the safety equipment required for certification of such airport under section 44706 of Title 49, United States Code, and all the security equipment required by rule or regulation, and

has provided for access to the passenger enplaning and deplaning area of such airport to passengers enplaning and deplaning from aircraft other than air carrier aircraft.

13. Accounting System, Audit, and Record Keeping Requirements.

- a. It shall keep all project accounts and records which fully disclose the amount and disposition by the recipient of the proceeds of this grant, the total cost of the project in connection with which this grant is given or used, and the amount or nature of that portion of the cost of the project supplied by other sources, and such other financial records pertinent to the project. The accounts and records shall be kept in accordance with an accounting system that will facilitate an effective audit in accordance with the Single Audit Act of 1984.
- b. It shall make available to the Secretary and the Comptroller General of the United States, or any of their duly authorized representatives, for the purpose of audit and examination, any books, documents, papers, and records of the recipient that are pertinent to this grant. The Secretary may require that an appropriate audit be conducted by a recipient. In any case in which an independent audit is made of the accounts of a sponsor relating to the disposition of the proceeds of a grant or relating to the project in connection with which this grant was given or used, it shall file a certified copy of such audit with the Comptroller General of the United States not later than six (6) months following the close of the fiscal year for which the audit was made.

14. Minimum Wage Rates.

It shall include, in all contracts in excess of \$2,000 for work on any projects funded under this grant agreement which involve labor, provisions establishing minimum rates of wages, to be predetermined by the Secretary of Labor, in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5), which contractors shall pay to skilled and unskilled labor, and such minimum rates shall be stated in the invitation for bids and shall be included in proposals or bids for the work.

15. Veteran's Preference.

It shall include in all contracts for work on any project funded under this grant agreement which involve labor, such provisions as are necessary to insure that, in the employment of labor (except in executive, administrative, and supervisory positions), preference shall be given to Vietnam era veterans, Persian Gulf veterans, Afghanistan-Iraq war veterans, disabled veterans, and small business concerns owned and controlled by disabled veterans as defined in Section 47112 of Title 49, United States Code. However, this preference shall apply only where the individuals are available and qualified to perform the work to which the employment relates.

16. Conformity to Plans and Specifications.

It will execute the project subject to plans, specifications, and schedules approved by the Secretary. Such plans, specifications, and schedules shall be submitted to the Secretary prior to commencement of site preparation, construction, or other performance under this grant agreement, and, upon approval of the Secretary, shall be incorporated into this grant agreement. Any modification to the approved plans,

specifications, and schedules shall also be subject to approval of the Secretary, and incorporated into this grant agreement.

17. Construction Inspection and Approval.

It will provide and maintain competent technical supervision at the construction site throughout the project to assure that the work conforms to the plans, specifications, and schedules approved by the Secretary for the project. It shall subject the construction work on any project contained in an approved project application to inspection and approval by the Secretary and such work shall be in accordance with regulations and procedures prescribed by the Secretary. Such regulations and procedures shall require such cost and progress reporting by the sponsor or sponsors of such project as the Secretary shall deem necessary.

18. Planning Projects.

In carrying out planning projects:

- a. It will execute the project in accordance with the approved program narrative contained in the project application or with the modifications similarly approved.
- b. It will furnish the Secretary with such periodic reports as required pertaining to the planning project and planning work activities.
- c. It will include in all published material prepared in connection with the planning project a notice that the material was prepared under a grant provided by the United States.
- d. It will make such material available for examination by the public, and agrees that no material prepared with funds under this project shall be subject to copyright in the United States or any other country.
- e. It will give the Secretary unrestricted authority to publish, disclose, distribute, and otherwise use any of the material prepared in connection with this grant.
- f. It will grant the Secretary the right to disapprove the sponsor's employment of specific consultants and their subcontractors to do all or any part of this project as well as the right to disapprove the proposed scope and cost of professional services.
- g. It will grant the Secretary the right to disapprove the use of the sponsor's employees to do all or any part of the project.
- h. It understands and agrees that the Secretary's approval of this project grant or the Secretary's approval of any planning material developed as part of this grant does not constitute or imply any assurance or commitment on the part of the Secretary to approve any pending or future application for a Federal airport grant.

19. Operation and Maintenance.

- a. The airport and all facilities which are necessary to serve the aeronautical users of the airport, other than facilities owned or controlled by the United States, shall be operated at all times in a safe and serviceable condition and in accordance with the minimum standards as may be required or prescribed by applicable Federal,

state and local agencies for maintenance and operation. It will not cause or permit any activity or action thereon which would interfere with its use for airport purposes. It will suitably operate and maintain the airport and all facilities thereon or connected therewith, with due regard to climatic and flood conditions. Any proposal to temporarily close the airport for non-aeronautical purposes must first be approved by the Secretary. In furtherance of this assurance, the sponsor will have in effect arrangements for-

- 1) Operating the airport's aeronautical facilities whenever required;
 - 2) Promptly marking and lighting hazards resulting from airport conditions, including temporary conditions; and
 - 3) Promptly notifying airmen of any condition affecting aeronautical use of the airport. Nothing contained herein shall be construed to require that the airport be operated for aeronautical use during temporary periods when snow, flood or other climatic conditions interfere with such operation and maintenance. Further, nothing herein shall be construed as requiring the maintenance, repair, restoration, or replacement of any structure or facility which is substantially damaged or destroyed due to an act of God or other condition or circumstance beyond the control of the sponsor.
- b. It will suitably operate and maintain noise compatibility program items that it owns or controls upon which Federal funds have been expended.

20. Hazard Removal and Mitigation.

It will take appropriate action to assure that such terminal airspace as is required to protect instrument and visual operations to the airport (including established minimum flight altitudes) will be adequately cleared and protected by removing, lowering, relocating, marking, or lighting or otherwise mitigating existing airport hazards and by preventing the establishment or creation of future airport hazards.

21. Compatible Land Use.

It will take appropriate action, to the extent reasonable, including the adoption of zoning laws, to restrict the use of land adjacent to or in the immediate vicinity of the airport to activities and purposes compatible with normal airport operations, including landing and takeoff of aircraft. In addition, if the project is for noise compatibility program implementation, it will not cause or permit any change in land use, within its jurisdiction, that will reduce its compatibility, with respect to the airport, of the noise compatibility program measures upon which Federal funds have been expended.

22. Economic Nondiscrimination.

- a. It will make the airport available as an airport for public use on reasonable terms and without unjust discrimination to all types, kinds and classes of aeronautical activities, including commercial aeronautical activities offering services to the public at the airport.
- b. In any agreement, contract, lease, or other arrangement under which a right or privilege at the airport is granted to any person, firm, or corporation to conduct or

to engage in any aeronautical activity for furnishing services to the public at the airport, the sponsor will insert and enforce provisions requiring the contractor to-

- 1) furnish said services on a reasonable, and not unjustly discriminatory, basis to all users thereof, and
 - 2) charge reasonable, and not unjustly discriminatory, prices for each unit or service, provided that the contractor may be allowed to make reasonable and nondiscriminatory discounts, rebates, or other similar types of price reductions to volume purchasers.
- c. Each fixed-based operator at the airport shall be subject to the same rates, fees, rentals, and other charges as are uniformly applicable to all other fixed-based operators making the same or similar uses of such airport and utilizing the same or similar facilities.
 - d. Each air carrier using such airport shall have the right to service itself or to use any fixed-based operator that is authorized or permitted by the airport to serve any air carrier at such airport.
 - e. Each air carrier using such airport (whether as a tenant, non-tenant, or subtenant of another air carrier tenant) shall be subject to such nondiscriminatory and substantially comparable rules, regulations, conditions, rates, fees, rentals, and other charges with respect to facilities directly and substantially related to providing air transportation as are applicable to all such air carriers which make similar use of such airport and utilize similar facilities, subject to reasonable classifications such as tenants or non-tenants and signatory carriers and non-signatory carriers. Classification or status as tenant or signatory shall not be unreasonably withheld by any airport provided an air carrier assumes obligations substantially similar to those already imposed on air carriers in such classification or status.
 - f. It will not exercise or grant any right or privilege which operates to prevent any person, firm, or corporation operating aircraft on the airport from performing any services on its own aircraft with its own employees [including, but not limited to maintenance, repair, and fueling] that it may choose to perform.
 - g. In the event the sponsor itself exercises any of the rights and privileges referred to in this assurance, the services involved will be provided on the same conditions as would apply to the furnishing of such services by commercial aeronautical service providers authorized by the sponsor under these provisions.
 - h. The sponsor may establish such reasonable, and not unjustly discriminatory, conditions to be met by all users of the airport as may be necessary for the safe and efficient operation of the airport.
 - i. The sponsor may prohibit or limit any given type, kind or class of aeronautical use of the airport if such action is necessary for the safe operation of the airport or necessary to serve the civil aviation needs of the public.

23. Exclusive Rights.

It will permit no exclusive right for the use of the airport by any person providing, or intending to provide, aeronautical services to the public. For purposes of this paragraph, the providing of the services at an airport by a single fixed-based operator shall not be construed as an exclusive right if both of the following apply:

- a. It would be unreasonably costly, burdensome, or impractical for more than one fixed-based operator to provide such services, and
- b. If allowing more than one fixed-based operator to provide such services would require the reduction of space leased pursuant to an existing agreement between such single fixed-based operator and such airport. It further agrees that it will not, either directly or indirectly, grant or permit any person, firm, or corporation, the exclusive right at the airport to conduct any aeronautical activities, including, but not limited to charter flights, pilot training, aircraft rental and sightseeing, aerial photography, crop dusting, aerial advertising and surveying, air carrier operations, aircraft sales and services, sale of aviation petroleum products whether or not conducted in conjunction with other aeronautical activity, repair and maintenance of aircraft, sale of aircraft parts, and any other activities which because of their direct relationship to the operation of aircraft can be regarded as an aeronautical activity, and that it will terminate any exclusive right to conduct an aeronautical activity now existing at such an airport before the grant of any assistance under Title 49, United States Code.

24. Fee and Rental Structure.

It will maintain a fee and rental structure for the facilities and services at the airport which will make the airport as self-sustaining as possible under the circumstances existing at the particular airport, taking into account such factors as the volume of traffic and economy of collection. No part of the Federal share of an airport development, airport planning or noise compatibility project for which a grant is made under Title 49, United States Code, the Airport and Airway Improvement Act of 1982, the Federal Airport Act or the Airport and Airway Development Act of 1970 shall be included in the rate basis in establishing fees, rates, and charges for users of that airport.

25. Airport Revenues.

- a. All revenues generated by the airport and any local taxes on aviation fuel established after December 30, 1987, will be expended by it for the capital or operating costs of the airport; the local airport system; or other local facilities which are owned or operated by the owner or operator of the airport and which are directly and substantially related to the actual air transportation of passengers or property; or for noise mitigation purposes on or off the airport. The following exceptions apply to this paragraph:
 - 1) If covenants or assurances in debt obligations issued before September 3, 1982, by the owner or operator of the airport, or provisions enacted before September 3, 1982, in governing statutes controlling the owner or operator's financing, provide for the use of the revenues from any of the airport owner or

operator's facilities, including the airport, to support not only the airport but also the airport owner or operator's general debt obligations or other facilities, then this limitation on the use of all revenues generated by the airport (and, in the case of a public airport, local taxes on aviation fuel) shall not apply.

- 2) If the Secretary approves the sale of a privately owned airport to a public sponsor and provides funding for any portion of the public sponsor's acquisition of land, this limitation on the use of all revenues generated by the sale shall not apply to certain proceeds from the sale. This is conditioned on repayment to the Secretary by the private owner of an amount equal to the remaining unamortized portion (amortized over a 20-year period) of any airport improvement grant made to the private owner for any purpose other than land acquisition on or after October 1, 1996, plus an amount equal to the federal share of the current fair market value of any land acquired with an airport improvement grant made to that airport on or after October 1, 1996.
 - 3) Certain revenue derived from or generated by mineral extraction, production, lease, or other means at a general aviation airport (as defined at Section 47102 of title 49 United States Code), if the FAA determines the airport sponsor meets the requirements set forth in Sec. 813 of Public Law 112-95.
- b. As part of the annual audit required under the Single Audit Act of 1984, the sponsor will direct that the audit will review, and the resulting audit report will provide an opinion concerning, the use of airport revenue and taxes in paragraph (a), and indicating whether funds paid or transferred to the owner or operator are paid or transferred in a manner consistent with Title 49, United States Code and any other applicable provision of law, including any regulation promulgated by the Secretary or Administrator.
 - c. Any civil penalties or other sanctions will be imposed for violation of this assurance in accordance with the provisions of Section 47107 of Title 49, United States Code.

26. Reports and Inspections.

It will:

- a. submit to the Secretary such annual or special financial and operations reports as the Secretary may reasonably request and make such reports available to the public; make available to the public at reasonable times and places a report of the airport budget in a format prescribed by the Secretary;
- b. for airport development projects, make the airport and all airport records and documents affecting the airport, including deeds, leases, operation and use agreements, regulations and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request;
- c. for noise compatibility program projects, make records and documents relating to the project and continued compliance with the terms, conditions, and assurances of this grant agreement including deeds, leases, agreements, regulations, and other instruments, available for inspection by any duly authorized agent of the Secretary upon reasonable request; and

- d. in a format and time prescribed by the Secretary, provide to the Secretary and make available to the public following each of its fiscal years, an annual report listing in detail:
 - 1) all amounts paid by the airport to any other unit of government and the purposes for which each such payment was made; and
 - 2) all services and property provided by the airport to other units of government and the amount of compensation received for provision of each such service and property.

27. Use by Government Aircraft.

It will make available all of the facilities of the airport developed with Federal financial assistance and all those usable for landing and takeoff of aircraft to the United States for use by Government aircraft in common with other aircraft at all times without charge, except, if the use by Government aircraft is substantial, charge may be made for a reasonable share, proportional to such use, for the cost of operating and maintaining the facilities used. Unless otherwise determined by the Secretary, or otherwise agreed to by the sponsor and the using agency, substantial use of an airport by Government aircraft will be considered to exist when operations of such aircraft are in excess of those which, in the opinion of the Secretary, would unduly interfere with use of the landing areas by other authorized aircraft, or during any calendar month that –

- a. Five (5) or more Government aircraft are regularly based at the airport or on land adjacent thereto; or
- b. The total number of movements (counting each landing as a movement) of Government aircraft is 300 or more, or the gross accumulative weight of Government aircraft using the airport (the total movement of Government aircraft multiplied by gross weights of such aircraft) is in excess of five million pounds.

28. Land for Federal Facilities.

It will furnish without cost to the Federal Government for use in connection with any air traffic control or air navigation activities, or weather-reporting and communication activities related to air traffic control, any areas of land or water, or estate therein, or rights in buildings of the sponsor as the Secretary considers necessary or desirable for construction, operation, and maintenance at Federal expense of space or facilities for such purposes. Such areas or any portion thereof will be made available as provided herein within four months after receipt of a written request from the Secretary.

29. Airport Layout Plan.

- a. It will keep up to date at all times an airport layout plan of the airport showing
 - 1) boundaries of the airport and all proposed additions thereto, together with the boundaries of all offsite areas owned or controlled by the sponsor for airport purposes and proposed additions thereto;
 - 2) the location and nature of all existing and proposed airport facilities and structures (such as runways, taxiways, aprons, terminal buildings, hangars and

roads), including all proposed extensions and reductions of existing airport facilities;

- 3) the location of all existing and proposed nonaviation areas and of all existing improvements thereon; and
 - 4) all proposed and existing access points used to taxi aircraft across the airport's property boundary. Such airport layout plans and each amendment, revision, or modification thereof, shall be subject to the approval of the Secretary which approval shall be evidenced by the signature of a duly authorized representative of the Secretary on the face of the airport layout plan. The sponsor will not make or permit any changes or alterations in the airport or any of its facilities which are not in conformity with the airport layout plan as approved by the Secretary and which might, in the opinion of the Secretary, adversely affect the safety, utility or efficiency of the airport.
- b. If a change or alteration in the airport or the facilities is made which the Secretary determines adversely affects the safety, utility, or efficiency of any federally owned, leased, or funded property on or off the airport and which is not in conformity with the airport layout plan as approved by the Secretary, the owner or operator will, if requested, by the Secretary (1) eliminate such adverse effect in a manner approved by the Secretary; or (2) bear all costs of relocating such property (or replacement thereof) to a site acceptable to the Secretary and all costs of restoring such property (or replacement thereof) to the level of safety, utility, efficiency, and cost of operation existing before the unapproved change in the airport or its facilities except in the case of a relocation or replacement of an existing airport facility due to a change in the Secretary's design standards beyond the control of the airport sponsor.

30. Civil Rights.

It will promptly take any measures necessary to ensure that no person in the United States shall, on the grounds of race, creed, color, national origin, sex, age, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in any activity conducted with, or benefiting from, funds received from this grant.

- a. Using the definitions of activity, facility and program as found and defined in §§ 21.23 (b) and 21.23 (e) of 49 CFR § 21, the sponsor will facilitate all programs, operate all facilities, or conduct all programs in compliance with all non-discrimination requirements imposed by, or pursuant to these assurances.
- b. Applicability
 - 1) Programs and Activities. If the sponsor has received a grant (or other federal assistance) for any of the sponsor's program or activities, these requirements extend to all of the sponsor's programs and activities.
 - 2) Facilities. Where it receives a grant or other federal financial assistance to construct, expand, renovate, remodel, alter or acquire a facility, or part of a facility, the assurance extends to the entire facility and facilities operated in connection therewith.

3) Real Property. Where the sponsor receives a grant or other Federal financial assistance in the form of, or for the acquisition of real property or an interest in real property, the assurance will extend to rights to space on, over, or under such property.

c. Duration.

The sponsor agrees that it is obligated to this assurance for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the assurance obligates the sponsor, or any transferee for the longer of the following periods:

- 1) So long as the airport is used as an airport, or for another purpose involving the provision of similar services or benefits; or
- 2) So long as the sponsor retains ownership or possession of the property.

d. Required Solicitation Language. It will include the following notification in all solicitations for bids, Requests For Proposals for work, or material under this grant agreement and in all proposals for agreements, including airport concessions, regardless of funding source:

“The **(Name of Sponsor)**, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, disadvantaged business enterprises and airport concession disadvantaged business enterprises will be afforded full and fair opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.”

e. Required Contract Provisions.

- 1) It will insert the non-discrimination contract clauses requiring compliance with the acts and regulations relative to non-discrimination in Federally-assisted programs of the DOT, and incorporating the acts and regulations into the contracts by reference in every contract or agreement subject to the non-discrimination in Federally-assisted programs of the DOT acts and regulations.
- 2) It will include a list of the pertinent non-discrimination authorities in every contract that is subject to the non-discrimination acts and regulations.
- 3) It will insert non-discrimination contract clauses as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a sponsor.
- 4) It will insert non-discrimination contract clauses prohibiting discrimination on the basis of race, color, national origin, creed, sex, age, or handicap as a

covenant running with the land, in any future deeds, leases, license, permits, or similar instruments entered into by the sponsor with other parties:

- a) For the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b) For the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
- f. It will provide for such methods of administration for the program as are found by the Secretary to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the acts, the regulations, and this assurance.
- g. It agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the acts, the regulations, and this assurance.

31. Disposal of Land.

- a. For land purchased under a grant for airport noise compatibility purposes, including land serving as a noise buffer, it will dispose of the land, when the land is no longer needed for such purposes, at fair market value, at the earliest practicable time. That portion of the proceeds of such disposition which is proportionate to the United States' share of acquisition of such land will be, at the discretion of the Secretary, (1) reinvested in another project at the airport, or (2) transferred to another eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order, (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund. If land acquired under a grant for noise compatibility purposes is leased at fair market value and consistent with noise buffering purposes, the lease will not be considered a disposal of the land. Revenues derived from such a lease may be used for an approved airport development project that would otherwise be eligible for grant funding or any permitted use of airport revenue.
- b. For land purchased under a grant for airport development purposes (other than noise compatibility), it will, when the land is no longer needed for airport purposes, dispose of such land at fair market value or make available to the Secretary an amount equal to the United States' proportionate share of the fair market value of the land. That portion of the proceeds of such disposition which is proportionate to the United States' share of the cost of acquisition of such land will, (1) upon application to the Secretary, be reinvested or transferred to another

eligible airport as prescribed by the Secretary. The Secretary shall give preference to the following, in descending order: (1) reinvestment in an approved noise compatibility project, (2) reinvestment in an approved project that is eligible for grant funding under Section 47117(e) of title 49 United States Code, (3) reinvestment in an approved airport development project that is eligible for grant funding under Sections 47114, 47115, or 47117 of title 49 United States Code, (4) transferred to an eligible sponsor of another public airport to be reinvested in an approved noise compatibility project at that airport, and (5) paid to the Secretary for deposit in the Airport and Airway Trust Fund.

- c. Land shall be considered to be needed for airport purposes under this assurance if (1) it may be needed for aeronautical purposes (including runway protection zones) or serve as noise buffer land, and (2) the revenue from interim uses of such land contributes to the financial self-sufficiency of the airport. Further, land purchased with a grant received by an airport operator or owner before December 31, 1987, will be considered to be needed for airport purposes if the Secretary or Federal agency making such grant before December 31, 1987, was notified by the operator or owner of the uses of such land, did not object to such use, and the land continues to be used for that purpose, such use having commenced no later than December 15, 1989.
- d. Disposition of such land under (a) (b) or (c) will be subject to the retention or reservation of any interest or right therein necessary to ensure that such land will only be used for purposes which are compatible with noise levels associated with operation of the airport.

32. Engineering and Design Services.

It will award each contract, or sub-contract for program management, construction management, planning studies, feasibility studies, architectural services, preliminary engineering, design, engineering, surveying, mapping or related services with respect to the project in the same manner as a contract for architectural and engineering services is negotiated under Title IX of the Federal Property and Administrative Services Act of 1949 or an equivalent qualifications-based requirement prescribed for or by the sponsor of the airport.

33. Foreign Market Restrictions.

It will not allow funds provided under this grant to be used to fund any project which uses any product or service of a foreign country during the period in which such foreign country is listed by the United States Trade Representative as denying fair and equitable market opportunities for products and suppliers of the United States in procurement and construction.

34. Policies, Standards, and Specifications.

It will carry out the project in accordance with policies, standards, and specifications approved by the Secretary including but not limited to the advisory circulars listed in the Current FAA Advisory Circulars for AIP projects, dated _____ (the latest approved version as of this grant offer) and included in this grant, and in accordance

with applicable state policies, standards, and specifications approved by the Secretary.

35. Relocation and Real Property Acquisition.

- a. It will be guided in acquiring real property, to the greatest extent practicable under State law, by the land acquisition policies in Subpart B of 49 CFR Part 24 and will pay or reimburse property owners for necessary expenses as specified in Subpart B.
- b. It will provide a relocation assistance program offering the services described in Subpart C and fair and reasonable relocation payments and assistance to displaced persons as required in Subpart D and E of 49 CFR Part 24.
- c. It will make available within a reasonable period of time prior to displacement, comparable replacement dwellings to displaced persons in accordance with Subpart E of 49 CFR Part 24.

36. Access By Intercity Buses.

The airport owner or operator will permit, to the maximum extent practicable, intercity buses or other modes of transportation to have access to the airport; however, it has no obligation to fund special facilities for intercity buses or for other modes of transportation.

37. Disadvantaged Business Enterprises.

The sponsor shall not discriminate on the basis of race, color, national origin or sex in the award and performance of any DOT-assisted contract covered by 49 CFR Part 26, or in the award and performance of any concession activity contract covered by 49 CFR Part 23. In addition, the sponsor shall not discriminate on the basis of race, color, national origin or sex in the administration of its DBE and ACDBE programs or the requirements of 49 CFR Parts 23 and 26. The sponsor shall take all necessary and reasonable steps under 49 CFR Parts 23 and 26 to ensure nondiscrimination in the award and administration of DOT-assisted contracts, and/or concession contracts. The sponsor's DBE and ACDBE programs, as required by 49 CFR Parts 26 and 23, and as approved by DOT, are incorporated by reference in this agreement. Implementation of these programs is a legal obligation and failure to carry out its terms shall be treated as a violation of this agreement. Upon notification to the sponsor of its failure to carry out its approved program, the Department may impose sanctions as provided for under Parts 26 and 23 and may, in appropriate cases, refer the matter for enforcement under 18 U.S.C. 1001 and/or the Program Fraud Civil Remedies Act of 1936 (31 U.S.C. 3801).

38. Hangar Construction.

If the airport owner or operator and a person who owns an aircraft agree that a hangar is to be constructed at the airport for the aircraft at the aircraft owner's expense, the airport owner or operator will grant to the aircraft owner for the hangar a long term lease that is subject to such terms and conditions on the hangar as the airport owner or operator may impose.

39. Competitive Access.

- a. If the airport owner or operator of a medium or large hub airport (as defined in section 47102 of title 49, U.S.C.) has been unable to accommodate one or more requests by an air carrier for access to gates or other facilities at that airport in order to allow the air carrier to provide service to the airport or to expand service at the airport, the airport owner or operator shall transmit a report to the Secretary that-
 - 1) Describes the requests;
 - 2) Provides an explanation as to why the requests could not be accommodated;
and
 - 3) Provides a time frame within which, if any, the airport will be able to accommodate the requests.
- b. Such report shall be due on either February 1 or August 1 of each year if the airport has been unable to accommodate the request(s) in the six month period prior to the applicable due date.

CITY OF FRESNO, CALIFORNIA – DEPARTMENT OF AIRPORTS

MINIMUM STANDARDS FOR FRESNO CHANDLER EXECUTIVE AIRPORT

SECTION 1. PURPOSES OF MINIMUM STANDARDS AND APPLICABILITY

The City of Fresno, California recognizes the prohibition imposed by Section 308 of the Federal Aviation Act against granting an exclusive right to conduct any aeronautical activity at a Public Airport, and recognizes the City has agreed to the same prohibition in its acceptance of airport improvement grants from the Federal Aviation Administration. Moreover, the City wishes that there be healthy competition at the Fresno Chandler Executive Airport, conducted on a level playing field, and wishes that a broad array of high-quality products and services be available at the Airport. The City is publishing these Minimum Standards so that any Entity interested in engaging in any Revenue Generating Aviation Activity at the Airport may know the principles that apply and the requirements that must be met and maintained. Note, however, that it is not the intention of the City to create any private right of action to enforce these Minimum Standards.

These Minimum Standards do not apply to Entities previously authorized to offer or conduct specific Revenue Generating Aviation Activities at, on or from the Airport. The standards each such previously authorized Entity has been meeting shall comprise that Entity's minimum standards and must be maintained by that Entity. However, should any previously authorized Entity be granted authority to engage in additional Revenue Generating Aviation Activities, then, as a condition of such additional authorization, these Minimum Standards shall apply to each and every Business authorized, including the Revenue Generating Aviation Activities previously authorized. Further, these Minimum Standards shall apply to each and every authorized Business, upon any renewal or extension of a previously authorized Entity's Agreement or Lease.

SECTION 2. DEFINITIONS

The following terms shall have the meanings indicated:

The major airport land use allocations are illustrated in a complementary ALP.

Revenue-Generating Aviation Activity – any commercial activity which relates to the fabrication, operation, maintenance, modification, repair, cleaning [exterior and/or interior], refurbishing, restoration, overhaul, painting, plating or refinishing of Aircraft; or of the airframes, powerplants, components, equipment, systems or accessories of Aircraft Revenue-Generating Aviation Activities include, but are not limited to, pilot training; demonstration flights; “dog-fighting”; Aircraft rental; sightseeing flights; glider towing; parachuting; “sky diving”; aerial ambulance; aerial firefighting; aerial photography or surveying; aerial advertising; aerial traffic or news reporting; powerline, pipeline or other aerial patrolling; aerial application; weather modification; air taxi or charter; Aircraft sales, including fractional ownership; commercial flying clubs; management of Aircraft owned by others; Aircraft scheduling; passenger handling; ground handling; passenger security screening; baggage, mail or freight loading/unloading and/or transportation on the Airport; Aircraft marshalling and push-back; receipt and/or storage on the Airport of mail, baggage or freight; flight dispatch; loading bridge operation; the sale and/or delivery or installation of Aircraft components, parts, systems or accessories, and the sale and/or delivery of products used by or in Aircraft, including fuel, lubricants, additives, oxygen and flight meals.

and repair business where the Aircraft or a major Aircraft component is ground transported off the Airport for the inspection and repair and returned to the Airport upon completion of the inspection and repair.

SECTION 3. STATEMENT OF POLICY - PRINCIPLES APPLYING

It is the policy of the City to operate and develop FCH as a reliever airport for the City's airline airport, FYI, with FCH primarily serving general aviation Aircraft. Both Airports will be operated and developed by the Department as a financially self-supporting, complementary system of airports serving the entire range of airport users safely, securely and efficiently, offering reliable, high quality aviation products and services to meet the air transportation needs and desires of the region's citizens, visitors, commerce and economy in an environmentally friendly manner and as a good neighbor.

To meet these policy goals, the Department shall be guided by the following principles:

1. No Entity may regularly engage in any Revenue Generating Aviation Activity at, on or from the Airport without first entering a written Agreement with the City which will prescribe the Revenue Generating Aviation Activity or Activities authorized and/or required to be offered.
2. Entities so authorized will be required to make a financial investment in Improvements and/or Equipment sufficient to satisfy the reasonably anticipated demand for the Business(es) authorized.
3. The rents, fees and/or charges charged to their clients and customers by authorized Entities shall not be higher than are reasonable and customary in that trade or business in Central California.
4. The rents, fees and/or charges charged by the Department shall be fair and not unduly discriminatory, taking into consideration the Department's direct and indirect costs of providing, maintaining, servicing and keeping secure the Airport, including the rented or Subleased Premises, the market value of same, the revenue potential of the Revenue Generating Aviation Activities authorized and their relative importance to the region. Before commencing Business operations, authorized Entities shall post and maintain security equivalent to not less than three months' of the anticipated rents fees and/or charges payable to the Department.
5. The term of any Agreement, including any options to extend, shall be no longer than required to reasonably amortize the investment in Improvements to Airport Premises that the Lessee is required to make.
