Chairperson Johnson asked staff how policy 2.5 is measured and staff mentioned the City uses state metrics for updates.

Catania mentions policy 5.1 needs language to restrict expansion of industrial zoning in residential.

Birdsong inquired about balancing market-driven night entertainment with creating a family-friendly neighborhood.

Member of the public questioned how Land Use could be distinguished for a library in the Tower District.

Additionally, the Chairperson requested clarification on the zoning regulations for a library and staff informed that libraries are allowed in commercial zones.

Conley asked if a historic museum would also align in the same zoning and staff said yes.
