Said real property and personal property described above, together with appurtenances, are referred to collectively in this Deed of Trust as the "Collateral."

FOR THE PURPOSE OF SECURING THE FOLLOWING OBLIGATIONS:

(a) Payment to the Beneficiary of an indebtedness in the principal amount of Thirty One Thousand Five Hundred Dollars (\$31,500.00), evidenced by a promissory note executed by the Trustor and payable to the order of the Beneficiary, bearing the same date as this Deed of Trust, and any and all modifications, extensions or renewals thereof or substitutions therefor (the "Note"), and performance and satisfaction of each and all other obligations of the Trustor under the Note;

(b) Performance of every obligation of Trustor in this Deed of Trust, the Note, the Development Covenant contemplating the improvement of the "Project" (as that term is defined in the Development Covenant); and

(c) Payment of all sums, if any, and interest thereon that may hereafter be loaned or advanced by the Beneficiary to or for the benefit of the Trustor or to its successors, transferees and assigns, made to the Trustor while the Trustor is the owner of record of fee title to the Property, or any portion thereof, or to the successors, transferees or assigns of the Trustor while they are the owners of record of such fee title, and evidenced by one or more notes or written instruments which recite that they are secured by this Deed of Trust.

TO PROTECT THE SECURITY OF THIS DEED OF TRUST, THE TRUSTOR COVENANTS AND AGREES AS FOLLOWS:

1. The Trustor shall not use or permit the use of any of the Collateral for any purpose other than the use for which it was intended at the time this Deed of Trust was executed, as provided in the Development Covenant.

2. Upon default under this Deed of Trust or the Note (following delivery of notice and expiration of the cure period, if any, provided therein), the Beneficiary, at its option, may declare the whole of the obligations and sums secured hereby to be immediately due and payable.

3. The person(s) or entity(ies) who have executed this Deed of Trust are fully authorized, and have obtained any and all written authorizations, approvals or consents necessary, to bind the Trustor to this Deed of Trust.

4. Upon default hereunder or under the Note (following delivery of notice and expiration of the cure period, if any, provided herein or therein), for the purpose of protecting its interests hereunder, the Beneficiary will be entitled to the appointment by a court having jurisdiction, without further notice and without regard to adequacy of any security for the indebtedness secured hereby, of a receiver to take possession of and protect the Collateral described herein and operate same and collect the rents, profits and income therefrom. The entering upon and taking possession of the Property or other Collateral by such receiver, the collection of such rents, profits and income and the application thereof shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

5. The Trustor, at its sole cost and expense, shall provide and maintain on the entire Property, including all buildings and improvements thereon: (i) a policy of broad-form builder's risk insurance sufficient to cover 100 percent of the replacement value of all buildings and improvements on the Property including; without limitation, labor and materials in place or to be used as part of the permanent construction (including, without limitation, surplus miscellaneous materials and supplies incidental to the work, and scaffolding, staging, towers, forms and equipment not owned or rented

by the Beneficiary, the cost of which is not included in the cost of work), insuring against loss or damage by fire, extended coverage perils and such other hazards, casualties or other contingencies as from time to time may be reasonably required by the Beneficiary; (ii) a policy of commercial general liability insurance that includes contractual, products and completed operations coverages, bodily injury and property damage liability insurance with combined single limits of not less than \$1,000,000 per occurrence; and (iii) such other insurance as may be reasonably required by the Beneficiary, in each case in such amounts, in such manner and with such companies as the Beneficiary and Trustor may reasonably approve. The foregoing minimum insurance coverage limits shall be subject to reasonable adjustment from time to time by the Beneficiary. Each such policy shall be endorsed with a standard mortgage clause with loss payable to the Beneficiary and the Trustor, and shall provide that the policy shall not be canceled or materially changed without at least thirty (30) days' prior notice to the Beneficiary. Upon request by the Beneficiary, the Trustor immediately shall deposit with the Beneficiary certificates evidencing such policies.

6. The Trustor shall pay: (i) at least ten days before delinquency, all taxes and assessments affecting the Collateral, including assessments on appurtenant water stock; (ii) when due, all encumbrances, charges and liens, with interest, on the Collateral or any part thereof which appear to be prior or superior hereto; and (iii) all costs, fees and expenses of the Trustee or the Beneficiary reasonably incurred in connection with the trusts created under this Deed of Trust.

7. The Trustor shall: (i) keep the Collateral in good condition and repair and not remove or demolish any buildings on the Property; to the extent insurance or condemnation proceeds are available; (ii) complete or restore promptly and in good and workmanlike manner the buildings and improvements and any other building or improvement which may be constructed, damaged or destroyed thereon; (iii) pay when due all claims for labor performed and materials furnished therefore; (iv) comply in all material respects with all laws affecting the Collateral or requiring any alterations or improvements to be made thereon; (v) not commit or permit waste of or on the Collateral; and (vi) not commit, suffer or permit any act upon the Property in violation of law and/or any covenants, conditions or restrictions affecting the Collateral.

8. The Trustor shall appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of the Beneficiary or the Trustee, and shall pay all costs and expenses, including cost of evidence of title and reasonable attorneys' fees, in any such action or proceeding in which the Beneficiary or the Trustee may appear, or in any suit brought by the Beneficiary to foreclose this Deed of Trust.

9. Should the Trustor fail to make any payment or do any act as herein provided, then the Beneficiary or the Trustee, without obligation to do so, and following notice to or demand on the Trustor, and without releasing the Trustor from any obligation hereof: (i) may make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, the Beneficiary or the Trustee

being authorized to enter on the Property for such purposes; (ii) may commence, appear in and/or defend any action or proceeding purporting to affect the security hereof or the rights or powers of the Beneficiary or the Trustee; (iii) may pay, purchase, contest or compromise any encumbrance, charge or lien which in the judgment of either appears to be prior or superior hereto (except for the deeds of trust, encumbrances and liens securing the Construction/Permanent Financing Loan(s), as such terms are defined below); and (iv) in exercising any such powers, may pay necessary expenses, employ legal counsel and pay such counsel's reasonable fees. All such amounts paid by the Beneficiary or the Trustee hereunder shall be added to the obligations secured by this Deed of Trust.

The term "Construction/Permanent Financing Loan" means, collectively, the construction financing and take-out financing, and any refinancing or replacement of that financing from time to time, to be provided by a commercial or other lender(s); provided, however, that (i) before entering into any Construction/Permanent Financing Loan, the Trustor shall give the Beneficiary notice of the Construction/Permanent Financing Loan and copies of the loan agreement and all other loan documents evidencing the Construction/Permanent Financing Loan; (ii) the funds disbursed from each Construction/Permanent Financing Loan shall be used only for costs and charges associated with the loan and for the operation, maintenance and/or improvement of the Project or the Property as provided in the Development Covenant or to refinance existing indebtedness; (iii) the interest on each Construction/Permanent Financing Loan shall be at a reasonable rate based on all the facts and circumstances; and (iv) the combined amounts of all Construction/Permanent Financing Loans or any re-financing thereof and the Note secured by this Deed of Trust shall not exceed one hundred percent (100%) of the fair market value of the Property as improved by the Project under the Development Covenant (such value to be determined by a qualified appraiser reasonably acceptable to Trustor and Beneficiary).

10. The Beneficiary shall have the right, but not the obligation, to pay when due fire or other insurance premiums required hereunder if the Trustor fails to make such payments. All such amounts paid by the Beneficiary hereunder shall be added to the obligations secured by this Deed of Trust.

11. The Trustor shall pay immediately upon demand all sums so expended by the Beneficiary or the Trustee under this Deed of Trust, with interest from date of expenditure at the legal rate.

12. If the Trustor fails to pay any amount required by the Note or this Deed of Trust when due and payable, or fails to perform all other covenants, conditions and agreements of the Note, this Deed of Trust or the Development Covenant (following delivery of notice and expiration of the cure period, if any, provided therein), the amount of the Note, including unpaid principal and late charges, and all other charges and amounts required by the Note and this Deed of Trust shall, at the option of the Beneficiary, become immediately due and payable. This shall be in addition to and

without limitation on any other remedy or right available to the Beneficiary for such failure.

13. The Trustor shall not voluntarily create or permit to be created against the Collateral any lien or liens except as specifically permitted by this Deed of Trust or otherwise authorized by the Beneficiary. The Trustor shall keep and maintain the Collateral free from the claims of all persons supplying labor or materials who will enter into the construction, rehabilitation, renovation or repair of any and all buildings or improvements now existing or to be erected on the Property.

14. By accepting payment of any sum secured by this Deed of Trust after its due date or by accepting partial payment of any such sum, the Beneficiary does not waive its right either to require prompt payment when due of all other sums so secured or to declare default for the Trustor's failure to pay.

15. If the Trustor, without the prior written consent of the Beneficiary: (i) agrees to or actually sells, conveys, transfers or disposes of the Collateral or any interest therein or portion thereof, or (ii) assigns or delegates any right or obligation under the Development Covenant, the Note or this Deed of Trust, then all amounts secured by this Deed of Trust may be declared immediately due and payable, at the option of the Beneficiary. The Beneficiary shall not unreasonably withhold its consent to any such transaction. The Beneficiary's consent to one transaction of this type shall not be a waiver of the right to require consent to future or successive transactions.

DUE ON SALE-CONSENT BY BENEFICIARY. Beneficiary may, at its option, declare immediately due and payable all sums secured by this Deed of Trust upon the sale or transfer, without the Beneficiary's prior written consent, of all or any part of the Property, or any interest in the Property. A "sale or transfer" means the conveyance of the Property or any right, title or interest therein; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract, or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Property, or by any other method of conveyance of Property interest. If any Trustor is a corporation, partnership or limited liability company, transfer also includes any change in ownership of more than fifty percent (50%) of the voting stock, partnership interests or limited liability company interests, as the case may be, of Trustor, other than a transfer to the managing member of Trustor or an affiliate of the managing member. However, this option shall not be exercised by Beneficiary if such exercise is prohibited by applicable law.

16. As further security for the full and complete performance of each and every obligation, covenant, agreement and duty of the Trustor contained herein or in the Note, the Trustor hereby grants and conveys to the Beneficiary a security interest in and

lien on all of the Collateral. This Deed of Trust shall serve as a security agreement and financing statement created pursuant to the California *Commercial Code*, and the Beneficiary will have and may exercise all rights, remedies and powers of a secured party under the California *Commercial Code*. Further, this Deed of Trust is filed as a fixture filing pursuant to the California *Commercial Code* and other applicable law, and covers goods which are or are to become fixtures.

17. Should the Property, the buildings or improvements thereon, or any part of any of them be taken or damaged by reason of any public improvement or condemnation proceeding, or damaged by fire or earthquake or in any other manner, the Beneficiary will be entitled, subject to the rights of the holder of any senior deed of trust securing a Construction/Permanent Financing Loan, to all of the Trustor's interest in compensation, awards and other payments or relief therefor; and, following the occurrence of a default as defined in the Note, the Beneficiary shall be entitled, jointly with the Trustor, at the Beneficiary's option, to commence, appear in and prosecute in its own name, any action or proceeding, or to make any compromise or settlement, in connection with such taking or damage. All such compensation, awards, damages, rights of action and proceeds, including the proceeds of any fire and other insurance affecting the Property or the buildings or improvements thereon, are hereby assigned to the Beneficiary, subject to the rights of the holder of any senior deed of trust securing a Construction/Permanent Financing Loan. After deducting therefrom all its expenses, including reasonable attorneys' fees, and if there has not occurred a default under the Note, the Beneficiary shall apply all such proceeds to restoring the Property or the buildings or improvements thereon, or if there has been such default, or if the Trustor determines not to rebuild, the Beneficiary shall retain the proceeds to the extent of the amount due under the Note and any amounts due under this Deed of Trust. Any balance of such proceeds still remaining shall be disbursed by the Beneficiary to the Trustor.

18. If the Trustor fails to perform any covenant or agreement in this Deed of Trust or the Development Covenant, or if a default occurs under the Note, the Beneficiary may declare all obligations and sums secured hereby immediately due and payable by delivery to the Trustee of written declaration of default and demand for sale and written notice of default and of election to cause the Collateral to be sold, which notice the Trustee shall cause to be duly filed for record, and the Beneficiary may foreclose this Deed of Trust; provided, however that the Trustor shall not be deemed to be in default hereunder for failure to make any payment when due or for failure to perform any other covenant or agreement contained herein until thirty (30) days after written notice of such failure is given to the Trustor and Trustor is afforded a reasonable opportunity to cure the default. The Beneficiary shall also deposit with the Trustee this Deed of Trust, the Note and all other documents evidencing the obligations or sums secured hereby.

19. After the lapse of such time as may then be required by law following the recordation of the notice of default, and notice of sale having been given as then required by law, the Trustee, without demand on the Trustor, shall sell the Property at

the time and place fixed by the Trustee in the notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. The Trustee may postpone sale of all or any portion of the Property by public announcement at the time and place of sale, and from time to time thereafter may further postpone the sale by public announcement at the time fixed by the preceding postponement. The Trustee shall deliver to the purchaser its deed conveying fee title to the Property or portion thereof so sold, but without any covenant or warranty, express or implied. The recitals in the Trustee's deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including the Trustor, the Trustee and the Beneficiary, may purchase at the sale. The Trustee shall apply the proceeds of the sale to payment of: (i) the expenses of the sale, together with the reasonable expenses of the trust created by this Deed of Trust, including reasonable Trustee's fees and attorneys' fees for conducting the sale, and the actual cost of publishing, recording, mailing and posting notice of the sale; (ii) the cost of any search and/or other evidence of title procedure in connection with the sale and of revenue stamps on the Trustee's deed; (iii) all sums expended under the terms hereof not then repaid, with accrued interest at the legal rate; (iv) all other sums then secured hereby; and (v) the remainder, if any, to the person or persons legally entitled thereto.

20. The Beneficiary may from time to time substitute a successor or successors to the Trustee named herein or acting hereunder to execute the trusts under this Deed of Trust. Upon such appointment, and without conveyance to the successor trustee, the latter shall be vested with all title, powers and duties conferred upon any Trustee herein named or acting hereunder. Each such appointment and substitution shall be made by written instrument executed by the Beneficiary, containing reference to this Deed of Trust and its place of record, which instrument, when duly recorded in Fresno County, California, shall be conclusive proof of proper appointment of the successor trustee.

21. Upon written request of the Beneficiary stating that all obligations secured hereby have been satisfied and all sums secured hereby have been paid, and upon surrender of this Deed of Trust and the Note to the Trustee for cancellation and retention, and upon payment of its fees, the Trustee shall reconvey, without warranty, the Collateral then held hereunder. The recitals in such reconveyance of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto."

22. The trusts created by this Deed of Trust are irrevocable by the Trustor.

23. This Deed of Trust applies to, inures to the benefit of, and binds of the Trustor, the Beneficiary and the Trustee and their respective administrators, executors, officers, directors, transferees, successors and assigns. The term "Beneficiary" shall include not only the original Beneficiary hereunder but also any future owner and holder, including pledges, of the Note secured hereby. In this Deed of Trust, whenever the

context so requires, the masculine gender includes the feminine and/or neuter, and the singular includes the plural.

24. In addition to and without limitation on any other rights or remedies of the Trustee or the Beneficiary, if the Trustee or the Beneficiary commences any legal action or proceeding to enforce or interpret any provision of this Deed of Trust or the Note, the Trustor shall pay all costs and expenses incurred by the Trustee or the Beneficiary in connection with such action or proceeding, including legal expenses and reasonable attorneys' fees and court costs.

25. The Trustee accepts the trusts hereunder when this Deed of Trust, duly executed and acknowledged, is made public record as provided by law. Except as otherwise provided by law, the Trustee is not obligated to notify any party hereto of pending sale under this Deed of Trust or of any action or proceeding in which the Trustor, the Beneficiary or the Trustee is a party, unless brought by the Trustee.

26. The Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to it at 8445 W. Elwin court, Visalia, CA 93291.

27. The Trustor shall cause a copy of each deed of trust securing a Construction/ Permanent Financing Loan to be provided to the Beneficiary immediately upon its recordation, so that the Beneficiary may prepare and record a request for notice of default and notice of sale thereunder pursuant to California *Civil Code* Section 2924b.

28. PROVIDED THAT NO NOTICE OF DEFAULT HEREUNDER THEN APPEARS OF RECORD AND SUBJECT TO THE CONDITIONS IN SECTION 9 ABOVE AND/OR IN THE DEVELOPMENT COVENANT, THIS DEED OF TRUST SHALL BE SUBORDINATE AND SUBJECT TO ANY DEED OR DEEDS OF TRUST SECURING A CONSTRUCTION/PERMANENT FINANCING LOAN. BENEFICIARY SHALL, UPON REQUEST OF TRUSTOR, EXECUTE SUCH SUBORDINATION AGREEMENT OR OTHER DOCUMENTATION REASONABLY NECESSARY TO SUBORDINATE THE LIEN AND CHARGE OF THIS DEED OF TRUST TO LIEN OF ANY DEED OR DEEDS OF TRUST SECURING A CONSTRUCTION/PERMANENT FINANCING LOAN, AS PROVIDED IN THE DEVELOPMENT COVENANT.

29. This Deed of Trust shall be interpreted and enforced, and the rights and duties (both procedural and substantive) of the parties hereunder shall be determined, according to California law.

30. Capitalized terms not otherwise defined herein shall have the meanings given them in the Development Covenant or the Note.
