Briefly explain why are you interested in serving on this board or commission?

I am seeking reappointment to the City of Fresno’s Women’s Commission after proudly serving a full two-year term. During this time, I consistently attended meetings, actively contributed to Commission initiatives, and served as Chair of the Feminine Hygiene Committee, where I helped lead the distribution of grant funds to local agencies supporting women and children. I also had the privilege of representing the Commission at the Central California Women’s Conference in September 2024—an experience that deepened my commitment to amplifying the voices and needs of women in our region. I remain passionate about community service and advocacy. As a Black woman, I bring a lived perspective to the table—one that recognizes the complex challenges women of color face in education, housing, career advancement, and access to essential resources. I believe women and girls of all ages, backgrounds, and cultures deserve to be celebrated, supported, and protected. Issues like the gender pay gap, the pink tax, and the lack of funding for women entrepreneurs show that our work is far from over. I want to continue being part of the solution by advising the City Council on the unique needs of women and girls in Fresno. I am committed to helping all women thrive and would be honored to continue serving on the Commission.
