The residents need time to form a co-op to preserve their community and keep their housing safe and affordable. I recently visited the park and met and talked with a majority of the residents. I found a community of hard-working people that care about each other, their homes and Fresno. Please help them by purchasing the Trails End mobile home park.

eComment: Hi name is Maria Magana I am a resident of District 6 and I live at Trails End Mobile Home Park. I have lived at Trails End for over 16 years, and I live here with my children. Today, I would like to ask the City of Fresno to temporarily purchase Trails End while we continue to work and have conversations and commitments to work with us to permanently purchase our community. Your commitment to preserving affordable housing in our city is vital and will help ensure there is no further displacement of children, elders, and families. With your commitment we will have a safe place to come home to every night. I ask each of you to vote YES to temporarily purchase Trails End. My community is family and we have always been respectful of each other. I love my community because I grew up here and we are very supportive of each other. In the past couple of months it has been very scary and intimidating having Harmony around with their hostility. In the past couple of months I have seen my community struggle with all the changes going on good and bad since Harmony came around. Something I wish for my community is a fast and positive solution for my community so that everything can go back to normal again.

Con su compromiso tendremos un lugar seguro para volver a casa todas las noches. Les pido a cada uno de ustedes que voten **S** para comprar temporalmente Trails End. Mi comunidad es como una familia Amo a mi comunidad porque todos nos conocemos y somos como una familia. En los últimos meses ha sido muy estresante y nos hemos enfermado de alta presión. En los últimos meses he visto a mi comunidad unirse y pedir que nos ayuden. Algo que deseo para mi comunidad es paz.

eComment: I live in District Simarjeet Singh and I am Fresno State student. I have lived in the Fresno County for more than 10 years. I fully support the City of Fresno purchasing the Trails End mobile home park to give the Trails End community time to finalize a long-term solution for ownership of the park. This will guarantee that the residents of Trails End can preserve their community and keep their housing safe, decent, and permanently affordable.

Meeting: City Council on 2022-04-28 9:00 AM - Regular Meeting

Item: 5.-A. ID 22-643 CONFERENCE WITH LEGAL COUNSEL - EXISTING LITIGATION
Government Code Section 54956.9, subdivision (d)(1) City of Fresno v. Joan Kevorkian, et al.,
Fresno Superior Court Case No. 21CECG02816

eComment: I fully support the City of Fresno purchasing the Trails End Mobile Home Park, in order to give the residents of the community and their many supporters time to put a true long-term solution in place. My concern with a potential sale to Harmony Communities, knowing the poor living conditions and legal challenges they've brought to other communities. If that happens, we can hope that at some point we find ourselves in this process again. If the residents are able to purchase the site in a cooperative agreement, the people who are most invested in seeing this community thrive will be living in the community itself. Rev. Raygan Baker, Pastor, First Congregational Church of Fresno UCC (The Big Red Church)
