Re: Appeal of Planning Commission Adoption of Negative Declaration for
Conditional Use Permit Application No. C-17-013 and Environmental Assessment No.
C-17-013

Dear Mayor Brand and Honorable Members of the Fresno City Council:

This letter is to state the opposition of Mr. Prab Gill and Mr. Gurpreet Singh to the above referenced Conditional Use Permit and Environmental Assessment (“Project”). They join the more than twenty (20) other members of the community (Exhibit H to the City of Fresno (“City”) Agenda, supplement to the Agenda, and correspondence from Mr. Daniel C. Stein to the City) who have provided opposition letters to the Project, and others such as Mr. Robert Diehl who, while not opposed to developments, oppose the issuance of a Type 20 alcohol license for the proposed AM/PM. This letter is being provided to supplement and replace a previous letter that was sent 24 hours in advance of the noticed time: 10:05 am via electronic mail which contained inadvertent typographical errors.

Mr. Gill and Mr. Singh oppose the project because (1) the issuance of a Type 20 alcohol license is unwarranted, (2) the Project will contribute to blight and over-saturation of the retail market in the area surrounding the Project, (3) the Project will cause substantial impacts to traffic and noise, and (4) the negative declaration is inadequate. The Project should be denied because to approve this Project would render the Municipal Code section concerning new establishments which are to sell alcohol for consumption off-site meaningless. There are already multiple establishments with Type 20 alcohol licenses within 500 of the proposed AM/PM, and the new AM/PM will cause there to be more than four such establishments within 1,000 feet of one another. Further, there are no positive findings from the Fresno Police Department or other agency which warrant approving the Project despite its failure to comply with the Municipal Code.

Mayor Brand and Members of the Fresno City Council
Opposition To C-17-013
September 27, 2017
Page 2

1. The issuance of a type 20 license is unwarranted and prohibited by Business and Professions Code § 23958.4.

The recommendation from City Staff is to approve the Project with a retail store, but with a retail store that will operate without a Type 20 alcohol license. (See Exhibit E to the City Agenda, Staff Recommendation.)

The City Staff recommendation is based on adherence to the Fresno Municipal Code and State Law. There is no evidence, let alone substantial evidence, that supports going against the Staff recommendation.

- a. The Staff Recommendation adheres to and properly applies the Fresno Municipal Code and State Law.

Article 27, Section 15-2706 (Alcohol Sales) Subsection E prohibits new offsale alcohol sale establishments that are under 10,000 square feet if they are near (i) a sensitive area such as a public school or recreational area, (ii) near other alcoholic beverage establishments, either within 500 feet of an existing establishment or will cause a grouping of more than four establishments within 1,000 feet, (iii) within high crime areas pursuant to Business and Professions Code § 23958.4(a)(1), (iv) within High Concentration Areas of licenses to sell alcohol as defined by Business and Professions Code § 23958.4(a)(3).

The Report to the Planning Commission Dated July 19, 2017, attached hereto as Exhibit 1, outlines exactly why the Type 20 Alcohol License should not issue:

- i. The Project is located within 500 feet of existing establishments.
- ii. The Project is within a High Concentration Area.

Further, given the proximity of a Walgreens, Shell Station, MGA Liquor, and Mann Liquor, the project will result in a grouping of more than four Type 20 Alcohol Licenses within 1,000 feet of one-another. (See Exhibit 2, attached hereto.) This further prohibits the City from approving the Project with an establishment that can operate with a Type 20 alcohol license.

- b. There is no evidence before the Fresno City Council that supports an exemption.

The Municipal Code provides for three exemptions to the prohibition against new establishments that will sell alcohol for consumption off-site. The exemptions to the Municipal Code requirements can apply only if supported by substantial evidence, and no such evidence in support of an exemption exists here.

Under the first exemption, the Chief of Police can provide a determination, based on quantifiable evidence, that the proposed site is not located within an area that would make the project detrimental to the public health, safety, or welfare of persons located in the area, or that the project would not increase the severity of existing law enforcement or public nuisance problems in the area.

Opposition To C-17-013
September 27, 2017
Page 3

In correspondence from the Fresno Police Department dated March 28, 2017, attached hereto as Exhibit 3, the Fresno Police Department stated its concern with the application “is the propensity of the operations on the premises to generate calls for police service, and therefore be detrimental to the public welfare.” Nowhere in the letter does the Police Department provide information or statements in support of exempting the Project from the Municipal Code requirements.

The second exemption applies if the sale of alcohol is incidental or appurtenant to a larger retail use, and the sale of alcohol provides for a more complete and convenient shopping experience. There is no evidence whatsoever in the record that alcohol sale is incidental to the AM/PM. In testimony before the Planning Commission, it was admitted that sales of alcohol will be approximately 30% of total sales. Moreover, the Project applicant has stated that absent the sale of liquor, the AM/PM store will not locate at the project site. (See Exhibit I to the City Agenda.) The sale of alcohol is therefore of paramount importance to the AM/PM store, not incidental to it.

Third, a new retail establishment can be found to be exempt from the Municipal Code if the new establishment will act as a public convenience for an underserved portion of the community. As stated above and outlined by City Staff, there are multiple alcohol sources available, and gas stations. This is not an underserved portion of the community.

c. There is no applicable exemption to Business and Professions Code § 23958.4(a)(3).

Business and Professions Code § 23958 does not allow for the issuance of a license to sell alcoholic beverages where the issuance “would result in or add to an undue concentration of licenses.” Business and Professions Code § 23958.4(a)(3) defines “undue concentrations”:

As to off-sale retail license applications, the ratio of off-sale retail licenses to population in the census tract or census division in which the applicant premises are located exceeds the ratio of off-sale retail licenses to population in the county in which the applicant premises are located.

The issuance of a license here will violate Business and Professions Code § 23958.4(a)(3). Attached hereto as Exhibit 4 is the June 30, 2017 Department of Alcoholic Beverage Control, Alcoholic Beverages Licenses Report. Per the report there are 529 Type 20 licenses in the County. When compared against the 93 Zip Codes, see Exhibit 5 attached hereto, in Fresno County, that is 5.1 liquor stores per zip code. When looking at number of licenses authorized by tract, Attached hereto as Exhibit 6, at pages 14 through 18, the number of licenses for this tract is tied for the highest, far in excess of the mean, and therefore the off-sale ratio exceeds that for the County.

The only exception to the denial of the license is a showing that “public convenience and *necessity* would be served by the issuance”. (Business and Professions Code § 23958.4(b)(2).)

There is no evidence whatsoever that the sale of alcohol at the project is a *necessity* which would be served. Therefore, the City cannot proceed with the project. Indeed, as sort of joke, a condition placed by the planning commission is that the sale of liquor cease at midnight. (See Exhibit M to the City Agenda.)

2. The project will contribute to blight and oversaturation.

Blight is a consideration for any project that is subject to California Environmental Quality Act. The Project will cause blight to the saturation of retail space in an area that already has vacancies. Attached hereto as Exhibit 7 are true and correct copies of retail space available within the area surrounding the Project, and two other projects. The square footage currently available totals 14,952 square feet, which is larger than the square footage proposed by the Project. This Project will only further contribute to the vacancy rate that exists and violate Land Use Plans and Policies that attempt to avoid *over-saturation* of retail. (See Exhibit 1 attached hereto at page 4.

3. The project will cause substantial impacts to traffic and noise.

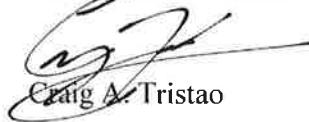

As indicated in the correspondence from Mr. Daniel C. Stein, and the percipient knowledge of the citizens who provided letters in opposition to the Project, the Project will impact both traffic and noise levels. However, no study of the impact to traffic safety has been provided.

4. The negative declaration is inadequate.

Mssrs. Gill and Singh join in the opposition to the Project complying with the requirements of the California Environmental Quality Act. Specifically, those comments raised in the Correspondence submitted by Mr. Daniel C. Stein of Baker Manock and Jensen, PC.

Very truly yours,

EXECUTIVE SUMMARY

Conditional Use Permit Application No. C-17-013 was filed by Julio Tinajero of Milestone Associates, on behalf of Surina Mann of Figarden Petroleum, and pertains to ±2.41 acres of property located on the southwest corner of North Figarden Drive and West Bullard Avenue. The applicant proposes development of a commercial center consisting of a 3,764 square-foot convenience store and requests the establishment of a State of California Alcoholic Beverage Control Type 20 alcohol license (Package Store – sale of beer and wine for consumption off the premises where sold) for the ampm convenience store, an ARCO fuel facility consisting of 8 multi-product fuel dispensers under an overhead canopy, a 4,000 square-foot retail building, and a 3,462 square-foot quick serve restaurant with a drive-through service window. Staff is recommending approval of all of the above except the Type 20 license.

The Planning Commission is considering this project because the applicant is appealing the denial of the Type 20 license. The Planning Commission is also considering this application because several property owners have expressed opposition.

BACKGROUND

Conditional Use Permit Application No. C-17-013 proposes development of a commercial center consisting of a 3,764 square-foot convenience store and requests the establishment of a State of California Alcoholic Beverage Control Type 20 alcohol license (Package Store – sale of beer and wine for consumption off the premises where sold) for the ampm convenience store, an ARCO fuel facility consisting of eight multi-product fuel dispensers under an overhead canopy, a 4,000 square-foot retail building, and a 3,462 square-foot quick serve restaurant with a drive-through service window. Per Table 15-1202 of the Fresno Municipal Code (FMC), a General Market is permitted by right in the CC (Commercial – Community) zone district. Alcohol sales and a drive-through restaurant may be allowed subject to an approved Conditional Use Permit.

Section 15-2706 of the FMC, regulates a variety of types of alcohol sales and sales locations. Specifically, 15-2706-E states an "establishment shall not be located within 500 feet of an existing establishment." A Shell station and mini-mart with an active Type 20 is located approximately 302 feet from the proposed ampm mini-mart. Furthermore, the code states an "establishment shall not be located in an area of high concentration." The project is located in an area of high concentration as determined by the Department of Alcoholic Beverage Control. Therefore, the Director is recommending denial of the request to establish a Type 20 alcohol license at this location.

Police Department Review

The Fresno Police Department does not oppose the project, or the issuance of an State of California Alcoholic Beverage Control (ABC) license, but has provided conditions addressing compliance with the FMC limiting noise and unlawful nuisance, compliance with ABC rules and employee education, video camera surveillance, limitations on alcohol types and servings, and limitations on on-site alcohol consumption and loitering.

The Fresno Police Department's comments shall be incorporated into the Conditions of Approval dated July 19, 2017 (Exhibit L) in their entirety if the Planning Commission votes to approve the sale of alcohol at this location.

Fresno Unified School District (FUSD) Review

FUSD provided comments indicating the district did not support this application. Their comment letter expressed concerns regarding potentially dangerous interactions between students and the proposed operation but indicated their response was subject to the Alcoholic Beverage Control Act and the Fresno Police Department's review and support of the proposed project. The location is approximately 2,175 feet from Figarden Elementary School.

Other Agencies

All comments received from the applicable agencies have been incorporated into the conditions of approval for Conditional Use Permit Application No. C-17-013. See Exhibit L for all written agency comments received.

Alcoholic Beverage Control (ABC) Regulations

In addition to obtaining a Conditional Use Permit from the City of Fresno, the applicant is required to obtain a license from the California Department of Alcoholic Beverage Control awaiting the decision on the subject Conditional Use Permit Application.

Number of Existing and Allowed ABC Licenses

According to the ABC, census tract 42.12 has 14 currently active off-sale alcohol licenses, four more than has been authorized for that census tract; therefore the census tract is over concentrated.

Citywide Development Code

Article 27 (Standards for Specific Uses and Activities), Section 15-2706 (Alcohol Sales), Sub-Section E (Location Restrictions for New Establishments) prohibits new off-sale alcohol establishments that are under 10,000 square feet if they are within one of the following areas:

1. **Near Sensitive Uses.** The establishment shall not be located within 500 feet of the following:
 - a. A public park, playground, recreational area, or youth facility, including a nursery school, preschool, or day care facility;
 - b. A public or private State-licensed or accredited school; or
 - c. An alcohol or other drug abuse recovery or treatment facility.
2. **Near Other Alcoholic Beverage Establishments.** The establishment shall not be located within 500 feet of an existing establishment, nor may it lead to a grouping of more than four establishments within a 1,000 foot radius.
3. **Within High Crime Areas.** The establishment shall not be located in an area of high crime, as defined by the California Business and Professions Code 23958.4(a)(1) et seq., and as determined by the Department of Alcoholic Beverage Control (ABC).
4. **Within High Concentration Areas.** The establishment shall not be located in an area of high concentration, as defined by the California Business and Professions Code 23958.4(a)(3) et seq., and as determined by the Department of Alcoholic Beverage Control.

The proposed project is located within both a high concentration area (according to ABC), and within 500 feet of an existing establishment therefore, the proposed new alcohol CUP is prohibited. According to Section 15-2706 of the FMC, a new establishment may be excepted from location restrictions if the Review Authority determines any one of the following:

1. The proposed use is not located within an area in which the Chief of Police has determined, based upon quantifiable information, that the proposed use a) would be detrimental to the public health, safety, or welfare of persons located in the area, or b) would increase the severity of existing law enforcement or public nuisance problems in the area.

Some of the neighbors were concerned with the 24 hour nature of the proposed project.

Response:

The FMC does not regulate the hours of operation for commercial uses in this zone district. The project will be required to comply with all noise policies from the Fresno General Plan and the noise ordinance from the FMC which sets acceptable noise levels for uses dependent upon the land use and the time of day. The Police Department has place conditions of approval on the project to ensure public safety and to minimize any impact to the surrounding area. The conditions will help to maintain an environment that is least likely to generate criminal activity, public complaints, and police calls for service.

The applicant has objected to the denial of their request to establish a Type 20 license (specifically condition of approval #2). They have provided a letter in support of granting an exception from the location requirements of 15-2706 of the FMC (Exhibit I).

Land Use Plans and Policies

The Fresno General Plan designates the subject property for the Community Commercial planned land use and provides objectives to guide in the development of this project. The Community Commercial planned land use designation is intended for commercial development that primarily serves local needs such as convenience shopping and offices. Specific uses allowed include medium-scale retail, office, civic and entertainment uses, supermarkets, drug stores, and supporting uses.

Conditional Use Permit Application No. C-17-013 meets the policies and objectives of the Fresno General Plan. The following are excerpts of such objectives.

Goal 1: Increase opportunity, economic development, business, and job creation. Use urban form, land use, and Development Code policies to streamline permit approval, promote local educational excellence and workforce relevance, significantly increase business development and expansion, retain and attract talented people, create jobs and sustained economic growth, strategically locate employment lands and facilities, and avoid over-saturation of a single type of housing, retail, or employment.

Goal 8: Develop Complete Neighborhoods and districts with an efficient and diverse mix of residential densities, building types, and affordability which are designed to be healthy, attractive, and centered by schools, parks, and public and commercial services to provide a sense of place and that provide as many services as possible within walking distance.

Policy LU-1-A: Promote Development within the Existing City Limits as of December 31, 2012. Promote new development, infill, and rehabilitation of existing building stock in the Downtown Planning Area, along BRT corridors, in established neighborhoods generally south of Herndon Avenue, and on other infill sites and vacant land within the City.

Objective LU-6: Retain and enhance existing commercial areas to strengthen Fresno's economic base and site new office, retail, and lodging use districts to serve neighborhoods and regional visitors.

The proposed project promotes increased opportunity, economic development, business, and job creation to serve the neighborhood and regional visitors and it preserves and protects resources

significant effects not previously identified and analyzed by the MEIR. Therefore, the Development and Resource Management Department proposes to adopt a Negative Declaration for this project (Exhibit J).

FRESNO MUNICIPAL CODE FINDINGS

The required findings under Section 15-5306 of the FMC are as follows:

- a. The proposed use is allowed within the applicable zoning district and complies with all other applicable provisions of this Code and all other chapters of the Municipal Code; and,
- b. The proposed use is consistent with the General Plan and any other applicable plan and design guideline the City has adopted; and,
- c. The proposed use will ~~not be~~ substantially adverse to the public health, safety, or general welfare of the community, nor be detrimental to surrounding properties or improvements; and,
- d. The design, location, size, and operating characteristics of the proposed activity are compatible with the existing and reasonably foreseeable future land uses in the vicinity; and,
- e. The site is physically suitable for the type, density, and intensity of use being proposed, including access, emergency access, utilities, and services required.

Based upon analysis of the application, staff concludes that the required findings of Section 15-5306, of the FMC can be made if the request for alcohol sales is denied. These findings are attached as Exhibit K.

If the Planning Commission decides to grant approval of the request to obtain a Type 20 ABC license, the Commission must find that there is substantial evidence in the administrative record to make all the findings mentioned above and amend them to include the sale of alcohol. The Planning Commission shall find that there is substantial evidence in the administrative record to determine any of the following.

Exceptions. A new establishment may be excepted from location restrictions if the Review Authority determines any of the following:

- a. The proposed use is not located within an area in which the Chief of Police has determined, based upon quantifiable information, that the proposed use a) would be detrimental to the public health, safety, or welfare of persons located in the area, or b) would increase the severity of existing law enforcement or public nuisance problems in the area.
- b. The proposed off-premises sale of alcoholic beverages is incidental and appurtenant to a larger retail use and provides for a more complete and convenient shopping experience.
- c. The proposed outlet for the off-premises sale of alcoholic beverages would act as a public convenience or necessity to an underserved portion of the community and/or enhance the vitality of an existing commercial area without presenting a significant adverse impact on public health or safety.

CITY OF FRESNO
NOTICE OF ENVIRONMENTAL FINDING

NEGATIVE DECLARATION:

NOTICE IS HEREBY GIVEN THAT a Negative Declaration has been prepared by the City of Fresno Development & Resource Management Department resulting from Initial Study and Environmental Assessment (EA) of the project described below:

EA No. C-17-013: Conditional Use Permit Application No. C-17-013 was filed by Julio Tinajero of Milestone Associates, on behalf of Surina Mann of Figarden Petroleum, and pertains to ±2.41 acres of property located on the southwest corner of North Figarden Drive and West Bullard Avenue. The applicant proposes development of a commercial center consisting of a 3,764 square-foot convenience store and requests the establishment of a State of California Alcoholic Beverage Control Type 20 alcohol license (Package Store – sale of beer and wine for consumption off the premises where sold) for the AM/PM convenience store, an Arco fuel facility consisting of 8 multi-product fuel dispensers under an overhead canopy, a 4,000 square-foot retail building, and a 3,462 square-foot quick serve restaurant with a drive-through service window. The property is zoned CC/UGM (Commercial - Community/Urban Growth Management). This application is scheduled to be heard by the City of Fresno Planning Commission on July 5, 2017.

Additional information on the proposed project, including copies of the proposed environmental finding, may be obtained from the City of Fresno Development and Resource Management Department, Development Services Division, 2600 Fresno Street, Rm. 3043, Fresno, CA 93721, or by contacting Kira Noguera at (559) 621-8091 or by e-mail at Kira.Noguera@fresno.gov. **Para información en español, comuníquense con McKencie Contreras (al número de teléfono 559-621-8066).**

ANY INTERESTED PERSON may comment on the above proposed environmental findings. Comments must be in writing and must state (1) the commenter's name and address; (2) the commenter's interest in or relationship to the project; (3) the environmental determination being commented upon; and (4) the specific reason(s) why the proposed environmental determination should or should not be made. Any comments may be submitted at any time between the publication date of this notice and on or before July 3, 2017 by 5:00 p.m. Your comments are welcomed and will be considered in the final decision.

A.P.N. 509-290-07**

Dear Ms. Noguera,

Pursuant to your Department's request, the Fresno Police Department has reviewed the special permit application for property located at **5647 N. Figarden Drive**. The property has been zoned CC/UGM for (Commercial-Community/Urban Growth Management). The applicant proposes development of a commercial center consisting of an AM/PM convenience store, an Arco fuel facility with 8 multi-product fuel dispensers, a retail building and Freddy's Restaurant with a drive-through service window. The applicant requests authorization to establish a State of California Alcoholic Beverage Control **Type 20 alcohol license** (Package Store-sale of beer and wine for consumption off the premises where sold) for the AM/PM convenience store component. The Fresno Police Department's primary concern with the application is the propensity of the operations on the premises to generate calls for police service, and therefore, be detrimental to the public welfare.

As you know, to approve any Conditional Use Permit, the City must make the following findings:

1. All applicable provisions of the Fresno Municipal Code are complied with and the site of the proposed use is adequate in size and shape to accommodate the use, and all yards, spaces, walls and fences, parking, loading, recycling areas, landscaping, and other required features; and,

2. The site for the proposed use relates to streets and highways adequate in width and pavement type to carry the quantity and kind of traffic generated by the proposed use; and,

3. The proposed use will not be detrimental to the public welfare or injurious to property or improvements in the area in which the property is located. This third finding shall not apply to uses which are subject to the provisions of Section 12-306-N-39 of the Fresno Municipal Code (Regulating Adult Businesses).

The conditions are established to ensure public safety, and to minimize any impact to the surrounding area. We request the following conditions be included as Conditions of Approval for Conditional Use Permit Application No. C-17-013. These conditions will help to insure maintain an environment that is least likely to generate criminal activity, public complaints and police calls for service.

The Fresno Police Department is not in opposition of this Conditional Use Permit, providing the applicant agrees to the listed conditions. If the following conditions are not included as conditions of approval of CUP No. C-17-013, the Fresno Police Department shall oppose the approval of this Conditional Use Permit, and shall appeal such approval to the Planning Commission. As such, we request that you provide Detective Serrano #1051 with notice of the Director's decision regarding this Conditional Use Permit as well as a complete copy of the conditions of approval, if the Director approves the Conditional Use Permit.

Requested Conditions of Approval:

1. Fresno Municipal Codes

The applicant shall comply with all applicable provisions of the Fresno Municipal Codes ("FMC"), including but not limited to:

FMC 9-502 (Amusement Devices - Permit Required)
FMC 9-1803 (Hours of Operation of Billiard Hall)
FMC 9-1804 (Restriction on Attendance of Minors in Billiard Rooms)
FMC 9-1805 (Minors allowed: Family Billiard Rooms)
FMC 9-1905 (Public Dancing - Permit Required)
FMC 10-105 (Noise Ordinance)
FMC 10-708 (Unlawful Nuisances - High Calls for Police Service)
FMC 12-224 (C-M Zone, Adult Theater activities not permitted, see 12-105-T-1.1 for definition of Adult Theater, and 12-306-N-30 for additional limitations on Adult Business activities.)

A current version of the Fresno Municipal Code may be viewed at the City of Fresno's website: www.Fresno.gov. The link to the FMC is located on the Home Page of that website.

2. State and Federal Law

The applicant shall comply with all applicable state and federal law, rules and regulations, including but not limited to the following California Business and Professions Code sections and ABC rules:

BP 24046 (Required to Post ABC License on Premises)
BP 25612.5 (Loitering, Open Alcoholic Beverage Containers, Consuming Alcoholic Beverages on Premises, Exterior Lighting, Litter Removal, Graffiti Removal, Signs and Barriers in Windows and Doors, Public Phones Blocked From Incoming Calls, Areas to Display Harmful Matter, Required Copies of Operating Standards Available for Public Viewing)
BP 25631 (No sale of alcoholic beverages between 2:00 a.m. and 6:00 a.m.)
BP 25665 (Minors Remaining in Public Premises)

ABC Act Rule 139 (Interior Lighting Required for Identification of Patrons)

3. Video Camera

Prior to exercising any privileges granted by CUP No. C-17-013 the applicant must install a fully functional color digital video camera system ("System") that meets the following requirements:

- 3.1 The System must continuously record, store, be capable of playing back images and be fully functional at all times, including during any hours the business is closed. The System must be maintained in a secured location inside of the business.
- 3.2 The System shall have the correct date and time stamped onto the image at all times.
- 3.3 The camera storage capacity should be for at least one week (seven calendar days). Such cameras must be capable of producing a retrievable and identifiable image than can be made a permanent record and that can be enlarged through projection or other means.
- 3.4 Digital video recorder must be capable of storing at least seven days of real-time activities.
- 3.5 The System shall be capable of producing a CD or digital playback feature and may be provided to an authorized representative of the Fresno Police Department within 24 hours of the initial request relating to a **criminal investigation only**.
- 3.6 The interior of the business must have at least one camera placed to focus on each cash register transaction to include the clerk as well as the customer waiting area. There

should be at least one camera focused on the entrance and the camera view should clearly show an image of the color coded height tape installed on the inside of the door jamb.

3.7 There shall be exterior cameras placed so as to record activities in the primary customer parking areas of their business. These cameras should be of sufficient quality to be able to identify persons and or vehicles utilizing the business parking lot.

3.8 All interior cameras shall record in color.

3.9 All exterior cameras shall record in color and have automatic low light switching capabilities to black and white. Exterior cameras should be in weatherproof enclosures and located in a manner that will prevent or reduce the possibility of vandalism.

It is recommended, but not required, that the owner/operator provide the IP address(s) to the Fresno Police Department Communications Center for any system that is browser-based or viewable from a remote site. The Fresno Police Department may perform periodic inspections of the System to ensure compliance with these specifications. An inoperable System may be good cause for seeking revocation of this Conditional Use Permit.

4. ABC Education

Any and all employees hired to sell alcoholic beverages shall provide evidence that they have either:

- 4.1 Completed training from the State of California Department of Alcoholic Beverage Control--Fresno District Office-administered "Leadership and Education in Alcohol and Drugs" (LEAD) Program as confirmed by receipt of an ABC-issued certificate of completion; or,
- 4.2 Completed equivalent training acceptable to the ABC-- Fresno District Office to ensure proper distribution of beer, wine, distilled spirits, tobacco, and inhalants to ensure proper distribution of beer, wine, distilled spirits, tobacco, and inhalants to adults of legal age.

If any prospective employee designated to sell alcoholic beverages, tobacco or inhalants does not currently have such training then:

- 4.3 The ABC-licensed proprietors shall have confirmed with the Development Department within 15 days of the final approval of the CUP or within 15 days of the opening to the public of a new store, whichever is later, that a date certain has been scheduled with the local ABC Office for said prospective employees to take the LEAD Program course; and

4.4 Within 30 days of taking said course the employee(s) or responsible employer shall deliver to the Planning Department each required LEAD Program Certificate evidencing completion of said course.

5. Sale of Malt and Wine-Cooler Alcoholic Beverages

5.1 Malt liquor or malt beverage products shall not be sold in less than six (6) pack quantities for sale. They must be sold in manufacturer pre-packaged multi-unit quantities. This will include all sizes of containers.

5.2 All wine cooler products shall not be sold in less than four (4) pack quantities for sale. They must be sold in manufacturer pre-packaged multi-unit quantities.

5.3 Single Sales of any other beer product, of any size, is permitted.

6. Wine Alcohol Per Volume

No wine shall be sold with an alcoholic content greater than 24% volume, except premium dessert wines priced at \$10.00 or more.

7. Posting Property

The applicant shall post the property with the appropriate Fresno Municipal Code signs advising that consumption of alcoholic beverages, gambling, trespassing or loitering will be in violation of municipal ordinances. The applicant must send a letter to the Fresno Police Department, signed and dated by the applicant, every 180 days that authorizes FPD peace officers to enter the applicant's real property and/or establishment to enforce against the aforementioned activities at the business. The owners and employees are responsible for abating those activities when they occur during business hours.

8. Consumption of Alcoholic Beverages and Loitering.

8.1 The establishment shall not allow alcoholic beverages to be consumed outside the building premises or any other adjacent property under its control. No alcoholic beverage will be consumed on any property adjacent to the premises (i.e., parking lot and sidewalks). If the alcoholic beverages are consumed on the exterior portion of adjacent property not owned or controlled by the applicant, the applicant shall immediately report such consumption to the Fresno Police Department.

8.2 The establishment shall not allow any loitering on building premises or any adjacent property under its ownership or control.

8.3 The establishment shall not allow any gambling on building premises or any adjacent property under its control.

9. **Property Responsibility**

“Frequent” responses by the Fresno Police Department arising out of or relating to the operation or management of the real property owned or controlled by the permittee causing any combination of the following: animal disturbances; violent criminal acts; illegal consumption of intoxicants in public view; gaming activities; and juvenile disturbances, or any of the other activities set forth in the Fresno Municipal Code section 10-708(g) may result in an FPD recommendation to the Director of Planning and Development to commence proceedings to revoke the Conditional Use Permit for violation of the Management of Real Property Ordinance. In addition to recommending the commencement of revocation proceedings, the FPD may pursue any of the other remedies set forth in FMC, section 10-710, including assessing fines against the proprietor for the violations of the Management of Real Property Ordinance.

“Frequent” means response by the Fresno Police Department is occurring more than 1.5 times the average number of such responses (3 calls for every 2) for property of a similar size and character within the same policing district.

10. **The establishment shall ensure that all employees involved, either directly or indirectly, in the sale of alcoholic beverages are aware of and comply with these conditions. The establishment shall have each employee sign a written acknowledgement that he/she has reviewed and understood each of these conditions. The written acknowledgement shall be maintained by the establishment and made available to the Fresno Police Department upon reasonable request.**

STATE OF CALIFORNIA
DEPARTMENT OF ALCOHOLIC BEVERAGE CONTROL
Alcoholic Beverage Licenses

as of June 30, 2017

The attached report lists types of alcoholic beverage licenses and the number of active licenses of each type as of June 30, 2017.

The report is in four parts:

- A list of State totals
- A list of Manufacturers and Wholesalers by County
- A list of Retail Licenses by County
- A list of Retail Licenses by City within County

Licenses not included are duplicate licenses, caterer's permits, copies of public warehouse licenses, temporary retail permits, special daily licenses, non-renewed licenses and pending applications.

If there are no active licenses of a particular type, that type will not be shown on the report. Similarly, if an incorporated area has no licensed premises within its boundaries, its name will not be listed.
