Housing Programs Progress Report			
Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.

Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Program 1 - Adequate Sites	Ongoing implementation and annual assessment of status of housing sites inventory as part of the annual reporting process.	Ongoing and Annually	The City is maintaining, on an ongoing basis, an inventory status report of all Housing Element Inventory Sites. The inventory status report is available to City staff to address current planning projects for compatibility. As of March 1, 2019, the City of Fresno has a surplus of capacity in all income categories for the 2013-2023 RHNA; the surplus capacity for Very Low/Low is 4,498 units, Moderate is 1515 units, and Above Moderate of 3,825. For the 2008-2013 RHNA as of March 1, 2019, the City of Fresno has a surplus capacity of 59 units. In 2019 City staff will be proposing the addition of new sites to the 2008-2013 RHNA Housing Sites Inventory.

Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Program 2 - Residential Densities on Identified Sites	Ongoing implementation: as part of the entitlement review process, evaluate new projects for consistency with General Plan objectives as they relate to housing and the Regional Housing Needs Assessment (RHNA) obligations. Establish procedure for the review process by April 2017. If, at any time within the Housing Element planning period, the findings indicated in §65863 cannot be made, the City shall approve a Housing Element amendment to identify adequate sites to meet the RHNA prior to approval of any density reduction. If a rezone is required to restore sites to the inventory, it shall be processed concurrently with a Housing Element amendment. As part of the Annual Review process, monitor and evaluate development on identified sites in both inventories (2008-2013 and 2013-2023). If Development Permit approvals reduce the 2008-2013 sites inventory such that it no longer meets the 2008-2013 RHNA, the City shall approve an amendment to the Housing Element to identify adequate sites to meet the 2008-2013 RHNA prior to approving additional Development Permits.	December 2016 and Ongoing	In 2016, the City established procedures for the review and monitoring of sites identified in the Housing Element sites inventory. During the entitlement review process, new projects are evaluated for their consistency with General Plan housing objectives and RHNA obligations. In 2018, the City began integrating Policy and Procedure No. G005 - Housing Element Sites Inventory Entitlement Review Process Procedure with Accela, the City's new land management system. The projects in 2018 that proposed a reduction in density were found in writing to be consistent with the General Plan and included an assessment of the Housing Sites Inventory capacity. Consistency was maintained because the inventory currently has a surplus of adequate sites identified in the Housing Element to meet its RHNA obligations.

Program 3 - Annual Reporting Program	Partner with housing advocates and organizations to provide information to the community on housing density and affordable housing. Reach out to the community regarding these topics annually as part of a Housing Element Annual Report. Notify and invite interested community members to attend and discuss housing production progress at a public hearing. Facilitate community input on other housing and fair housing-related programs and policies as those opportunities arise.	Annually and As Opportunities Arise	On March 20, 2019 the City presented the draft 2018 Housing Element Annual Progress Report to the public and interested organizations and garnered feedback at a public hearing of the Housing and Community Development Commission (HCDC) hearing.
Program 4 - Density Bonus Programs	Ongoing implementation and annual reporting throughout the planning period.	Ongoing and Annually	In 2018, during the pre-application process for entitlements the City met with applicants to provide assistance including technical assistance. Projects that were eligible for density bonuses were informed of the State Affordable Housing Bonus and City of Fresno Transit Oriented Development (TOD) Height and Density Bonus. Application D-16-137 is a mixed-use 27 unit multi-family/1,765 square foot retail project at Van Ness and Homes Avenues (APN: 451-052-15, 25, and 451-122-24) that applied for and received a 100% TOD Bonus and Affordable Housing Bonus. Two of the units are deed restricted very low income. Application P18-03813 is a conversion of an Econo Inn motel into a 25 unit low-income deed restricted housing complex by the Fresno Housing Authority at 1828 Broadway (APN 466-191-09). The Fresno Housing Authority did not apply for and Affordable Housing Density Bonus in 2018, but may apply for an Affordable Housing Concession in 2019 to meet parking requirements.

Program 5 - Housing Funding Sources	Annual assessment of funding opportunities and status of housing sites inventory as part of the annual reporting process; Ongoing implementation and annual reporting throughout the planning period.	Ongoing and Annually	Funding opportunities available during the program year include: Low Income Housing Tax Credits (LIHTC), HOME funds, Community Development Block Grant Funds (CDBG), Emergency Solutions Grants (ESG), Housing Opportunities for Persons with AIDS/HIV (HOPWA), Affordable Housing and Sustainable Communities Program (AHSC), Multifamily Housing Program (MHP), Affordable Housing Program (AHP), Transformative Climate Communities (TCC), Bonds, and Infill Infrastructure Grant Program (IIG). The City provided technical assistance to two LIHTC projects during 2018 – Mariposa Meadows and Annadale Commons. Fancher Creek Senior Housing received a preliminary allocation contingent on the developer securing the balance of funds to complete financing. City of Fresno is currently exploring the City of Richmond's affordable housing program which uses social impact bonds and EPA Brownfield funds to rehabilitate or rebuild vacant and blighted homes. In December of 2018 City of Fresno staff members went to Richmond to meet with staff responsible for the program and learn how it could be applied in Fresno. Fresno is part of the Big City Mayors coalition and two of three coalition priorities for 2019 are restoring tax increment financing for affordable housing and supporting changes in state law to make building and planning housing easier. These priorities will likely lead to letters of support to legislative leaders for housing bills in 2019. On September 26, 2018, the Mayor convened a Banking Collaborative to promote pooling investment resources to support priority programs and projects, including affordable housing, in Fresno neighborhoods. Several City staff members attended the San Joaquin Valley Affordable Housing Summit in Stockton on October 2, 2018.
Program 6 - Strengthening Partnerships with Affordable Housing Developers	Ongoing implementation and annual reporting throughout the planning period; annual review and assessment of potential funding opportunities; convene annual meeting, starting in the Fall of 2016, with housing stakeholders to identify development barriers, funding opportunities, and opportunities for development of affordable and special needs housing; and administer Community Housing Development Organization (CHDO) funds as part of the Consolidated Plan process and annual Action Plan update.	Fall of 2016, Ongoing and Annually	The reporting and annual meetings were completed as part of the Annual Action Plan process. The Action Plan outlines the needs of the community, barriers, and housing opportunities. A public workshop was held on January 9, 18, and 24, 2018. These meetings and hearings include a variety of housing stakeholders. The accomplishments were reported in the Consolidated Annual Performance and Evaluation Report for Program Year 2017 (July 1, 2017 - June 30, 2018). At the end of the program year, the City is administering three Community Housing Development Organization (CHDO) funds: Habitat for Humanity, Community Housing Works, and Self-Help Enterprises. Also, the City held a workshop on February 20, 2018 for questions, answers, and technical assistance on the 2018-2019 Notice of Funding Availability (NOFA) and breakout sessions were conducted on home repair programs, homeless and homeless prevention programs, community and homeless facility improvement projects, and community and public service programs.

Program 7 - Special Needs Housing	Annual implementation as part of the HUD Entitlement Grant and Continuum of Care funding process; 500 households assisted with temporary shelter during the planning period (62.5 households per year).	Annually	The City uses many different programs and funding sources to address special needs housing. Activities undertaken by the City utilizing CDBG, HOME, ESG, HOPWA, and City General Funds are all efforts to reduce poverty and improve the quality of life for residents. The City's ESG and HOPWA funds provide direct assistance to homeless individuals or those at risk of becoming homeless. The City utilizes HOPWA to provide housing location, relocation, Tenant Based Rental Assistance (TBRA) and Short-Term Rental/Mortgage and Utilities (STRMU) payments. The City works with sub recipient vendors to set aside units to provide targeted housing. In 2018, a total of 78 AIDS clients were served with Special Needs Housing Services. Under the HOPWA program 35 clients received STRMU, 43 received TBRA, and 11 clients received Supportive Services. HUD funds were used to assist a total of 810 households with temporary shelter in 2018 which includes 733 people seeking emergency shelter at the Poverello House, transitional housing for homeless people at the Turning Point, and emergency shelter for those experiencing domestic violence at the Marjoree Mason Center, as well as 77 people seeking Rapid Re-housing assistance. The City continues to work with community members and the Fresno-Madera Continuum of Care (CoC) to identify and confront systemic issues in mental health and homelessness service delivery. In the summer of 2018, Mayor Brand as a part of Big City Mayors lobbied the State for funding to address homelessness resulting in \$500 million in State assistance; of which Fresno will receive \$3,105,519 and the Fresno-Madera CoC \$9,501,363. The State required a community planning process to determine how these funds would be invested. The Mayor and Council Subcommittee have recommended specific investments that address homelessness in Fresno and support the comprehensive, community-wide approach developed with key partners including the County of Fresno, the Housing Authority, the Fresno-Madera CoC, and over 70 other groups and individuals.
Program 8 - Home Buyer Assistance	Contingent on state funding availability, assist 10 households annually and complete annual reporting throughout the planning period. Develop and implement a marketing program to target resources to eligible homebuyers within 4 months of receipt of Calhome Program funds from HCD. Marketing shall occur on an ongoing basis, and at least annually from receipt of funds.	Annually	The City did not offer a homebuyer assistance program in 2018. The State HCD CalHome agreement expired in April 2017, no other funding source was available for a homebuyer assistance program.

Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Program 9 - Homeless Assistance	Annual implementation as part of the Emergency Shelter Grant and Continuum of Care funding process and complete annual reporting for HUD entitlement funds throughout the planning period; Assist 100 households.	Annually	The HUD funded Tenant Based Rental Assistance (TBRA) program is run in coordination with the Fresno Madera Continuum of Care (FMCoC), the local Fresno Housing Authority, and other subrecipient vendors to provide Emergency Shelter, Homeless Prevention and Rapid Re-housing for clients in need. Whether the person seeking help is homeless, chronically homeless, near homelessness or a victim of domestic violence, the client is evaluated to see which program best fits their current need. Currently, there are at least 206 clients receiving TBRA and Emergency Shelter assistance. The City of Fresno offers Homeless Services including the Hearth Emergency Solutions Grant (HESG), Housing Opportunities for Persons with AIDS (HOPWA), and HOME investment Partnerships Program. The City is responsible for oversight of the grant HESG which provided 733 overnight shelter and 77 units of repaid re-housing and 11 units of homeless prevention in PY 2017. In addition, the City provides housing assistance and housing related supportive services which assisted 35 persons. The City works with the Fresno Housing Authority in providing HOME funds which helped 43 at-risk families and households.
Program 10A - Mobile Home Parks	Compile a list of financial resources for residents and park owners for maintenance and preservation, and outreach to stakeholders by January 2017. Compile a list of mobile home parks (not individual units), mobile home preservation experts, and non-profits by the end of 2017. Conduct annual outreach to park owners and non-profit organizations interested in preservation of mobile home units, starting January, 2018	January 2017	The Housing and Community Development Division (HCDD) held one public workshop and one public hearing for residents (including mobilehome parks residents) to voice their concerns and request needs for the neighborhoods, such as sidewalks, better lighting, better crime prevention strategies, and more neighborhood parks. The subject of the workshop and hearing was "Annual Housing and Community Development Needs Public Hearing for Development of the Fiscal Year 2018-2019 Annual Action Plan." A public workshop and hearings for 2018 were held: January 9, 18, and 24, 2018. The HCDD sent out the Annual Mobile Home Rent Review Packets to the mobilehome parks in 2018. In March 2019, the City posted a State of California's Mobile Home Assistance Center flyer in English and Spanish at all mobilehome parks in Fresno in a common area, clubhouse or other publically accessible space for residents to view and utilize. The City will work with the Department of Housing and Community Development to provide outreach in calendar year 2019 to all interested mobilehome park residents to inform, answer questions, and understand the needs of the residents.

Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Program 10B - Housing Choice Vouchers	Ongoing implementation and annual reporting throughout the planning period; Provide information on the Housing Choice Voucher Program and list of developments that accept vouchers at City counters and website by November 2017; Identify properties in high opportunity areas for outreach efforts by June, 2017 and support the Housing Authority's outreach to those areas on an annual and ongoing basis.	November 2016, January 2017, Ongoing and Annually	In 2018, the City of Fresno Development and Resource Management Department provided a link in three locations (Code Enforcement, Housing & Community Development, and Rental Housing) to the Fresno Housing Authority website on the Housing Choice Voucher Program. In addition, the Fresno Housing Authority has funded a mobility team with a marketing specialist to conduct outreach and education to holders of Housing Choice Vouchers that would ensure they are aware of all of their housing options. The goal of this targeted outreach is to provide the opportunity for Housing Choice Vouchers holders to live in High Opportunity Areas.
Program 11 - Fresno Green	Ongoing implementation of the Fresno Green program and annual reporting throughout the planning period.	Ongoing and Annually	The City continues to offer the Fresno Green program to developers as an incentive to build sustainably, which in turn, reduces utility costs to homeowners or renters. No housing projects received Fresno Green certification in 2018, as the program was in process of being updated. The program was refreshed through funding from a California Energy Commission (CEC) Phase I Electric Program Investment Charge (EPIC) grant and would have been finalized and piloted with the Phase II grant funding, however the firm with which the City was partnering did not pursue further funding. Therefore, the City continues to offer the previous version of the program with an opportunity to provide feedback for the new program version, which is still considered in draft form.
Program 12 - Downtown Development Standards	Annually assess residential development activity in Downtown Fresno as part of the annual reporting process, starting 2017. Initiate adjustments to the DDC if constraints to the production of housing are identified.	Mid-2016	Citywide there were 482 properties that received a plan amendment and rezone; none were within Downtown Fresno. Application P18-03813, a conversion of an Econo Inn motel into a 25 unit low-income deed restricted housing complex by the Fresno Housing Authority at 1828 Broadway (APN 466-191-09) was submitted December 2018 and will be completed January 2019.
Program 12-A - Downtown Displacement Prevention	Annually gather data on lease rates, vacancy rates, rent burden, rental rates, restricted affordable housing covenant expirations, and if applicable, displacement as part of the annual reporting process, starting in 2018. Convene Task Force within 3 months of release of first annual report on displacement in 2018. If displacement is observed, within 6 months identify a set of actions that give displaced persons or businesses the opportunity to remain in the area if desired.	Early 2018, Spring 2018, Ongoing and Annually	The Anti-Displacement Task Force was established by City Council on November 29, 2018 (Resolution 2018-277), and Task Force appointees were approved on January 31st, 2019. The first Anti-Displacement Task Force meeting will be held Spring of 2019. The Downtown Displacement Report for 2018 is complete and will be presented at the first Anti-Displacement Task Force meeting. In 2018 three multi-family housing projects were submitted to the City of Fresno for entitlement and one received approval in 2018. The one that was approved is a mixed-use Fresno Housing Authority building with 127 very-low income deed restricted affordable dwelling units at 1976 Tuolumne Street. The other two submitted projects are an Econo Inn renovation/conversion to 25 very low income affordable dwelling units located at 1828 Broadway and a mixed use shipping container project with 48 above moderate dwelling units at 702 H Street.

Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Program 13 - City of Fresno's Home Energy Tune-Up (HETU) Program	Ongoing implementation and annual reporting throughout the planning period. Estimated 1,100 households served per year.	Ongoing and Annually	The City no longer offers the HETU program as a result of programmatic changes as dictated by the California Public Utilities Commission (CPUC) and Pacific Gas and Electric (PG&E). The local government partnership that the City participates in with PG&E, and for which the City received the funding for HETU, is no longer permitted to continue work in the residential arena. This shift in directive effectively terminated all focus in this arena and there are no current plans to redirect other funding into this project.
Program 14 - Expedited Processing/Business Friendly Fresno	Ongoing implementation and annual reporting throughout the planning period; Review development incentives every two years and modify or add development incentives that will facilitate the development of affordable housing.	Ongoing, Annually and every two years	The Development Code allows for Zone Clearances for development in the Downtown that complies with the Housing Element. In 2018, there were 3,815 zone clearances citywide, of which 865 were on Housing Element Sites, and 4 of these were in Downtown. Also in 2018, for Business Friendly Fresno (BFF) 2.0!, the FY2019 DARM Department budget added \$274,200 to fund five previously defunded positions to improve application processing, plan check turnaround, customer service, and front counter support. One of the new positions, a Planner III, is designed as a Project Concierge that assists applicants through the development process from initial concept through the issuance of building permits. The position was filled in October; in November and December 2018, 42 unique projects or proposed projects were assisted. In October DARM reorganized the Development Review Committee (DRC); applicants now work with one administrator who answers questions, receives and assigns submittals, and sends response letters. This new process has increased productivity, cost effectiveness, and responsiveness; initial feedback from applicants has been positive. In 2018, the DRC provided pre-application assistance to 56 housing related projects. DARM continues to implement existing development incentives. Three projects received an Inner City Fee Reduction (Planning Entitlement) in 2018: a mixed-use 27 unit multi-family/1,765 square foot retail project at Van Ness and Home Avenues, a five unit multi-family development at N. Van Buren and W. Devlan Avenues, and the 25 unit affordable housing Econo Inn conversion project on Broadway south of Sacramento Street. Three projects received development fee waivers of \$5,635 each via the Residential Build Act application process. The Money Back Guarantee/Business Streamlining Act was approved by Council for a six month trial period. Under the act if the City fails to complete action on an application according to timelines, the applicant will be refunded the City's portion of the processing fee.
Program 15 - Development Incentives	Assist 2 housing developments annually and complete annual reporting throughout the planning period.	Ongoing and Annually	Application P18-03813, a conversion of an Econo Inn motel into a 25 unit low-income deed restricted housing complex by the Fresno Housing Authority at 1828 Broadway (APN 466-191-09) was submitted December 2018 and will be completed January 2019.

Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Program 16 - Large and Small Lot Development	Implement the Voluntary Parcel Merger Program and fee reduction program by mid-2016. Establish a policy and guidelines for the requirements of a Specific Plan or phasing process for large site development by December 2017. Establish a monitoring program by June 2017 and include a biennial review process for development (or lack thereof) on large and small lots, include an annual review process for monitoring the percentage of affordable units developed on large lots, and create an incentive program for affordable units on those sites after the first year of monitoring.	Mid-2016, December 2017 and biennial	On July 1, 2016, the City adopted a reduction to the Voluntary Parcel Merger application fee from \$5,360 to \$627 which resulted in the greatest number of Voluntary Parcel Mergers since the inception of the program in 2011. That year the City approved 15 voluntary parcel mergers and this year, 2018, the City approved 21. Five of these are on Housing Element Sites (APNs 30312133, 45904303, 45904336, 41715123, 41740011, and 50902015). In 2018, 110 projects were on a total of 120 Housing Element sites that were either under 1 acre or over 10 acres. 105 projects on less than 1 acre, 5 projects on more than 10 acres and 1 project included sites that were both over 10 acres and under one acre (this project was a rezone for a General Plan cleanup). All but two of the projects that developed on sites under 1 acre developed as single family homes (one project developed 5 townhomes and one site combined with other two other parcels for a 42 unit multi-family project). Of the 5 projects that occurred on sites with greater than ten acres, none of them included affordable housing. Looking at large and small lot affordable housing development on sites not in the Housing Sites, in 2018 a Habitat for Humanity project of 3 single family homes developed on a .35 acre lot.
Program 16-A- State Laws Related to Housing Development	Review Development Code for compliance with State laws by May 2017. If needed, present findings to the City Council for consideration of any amendments or revisions required by September 2017. Provide written information on the City's development standards related to secondary dwelling units at the City's Planning and Land Use Division counter and on the City's website by January 2018.	May 2017, September 2017, January 2018	This program was introduced in 2017 with the May 2017 amendment to the Housing Element. In 2019, the DARM Department will bring before the Fresno City Council for consideration amendments to the Development Code to address requirements for accessory dwelling units (ADUs) per SB 1069, AB 2299, and AB 2406. Updated in Spring 2019, to address requirements per State law for ADUs, will be written information on the City's development standards related to secondary dwelling units at the City's Planning and Land Use Division counter and on the City's website. The City is in the process of reviewing the 2018 changes to State laws regarding housing production and will determine what if any changes may be needed to the Fresno Development Code.
Program 17 - Agricultural Employees (Farmworker) Housing	Review Development Code for compliance with the Employee Housing Act by January 2017. If needed, present to the City Council for consideration of any amendments or revisions required by July 2017.	January 2017 and July 2017	The Agricultural Employees Housing (AEH) Act was reviewed and no changes to the Development Code were necessary, because it currently meets the requirements of the AEH.
Program 18 - Infrastructure Priority Program	Ongoing implementation and annual reporting throughout the planning period	Ongoing and Annually	There are administrative orders in place to insure that all development applications are considered, reviewed, and approved without prejudice.
Program 19 - Water and Sewer Service Providers	Provide Housing Element within 30 days of adoption.	Within 30 days of adoption	On March 30, 2017, a copy of the Fresno General Plan 2015-2023 Housing Element was sent to the City of Fresno Department of Public Utilities Water Division and Wastewater Division, as well as to the Pinedale County Water District and the Bakman Water Company which supply water to a segment of households within the city limits.

Name of Program	Objective	Timeframe in H.E	Status of Program Implementation
Program 20 - Comprehensive Code Enforcement	Complete 8,000 inspections annually, pursue resolution of cases identified through the inspection process, and develop Task Force recommendations by mid-2017. This includes consideration of a residential rental inspection program to proactively ensure rental housing units in the City of Fresno meet minimum health and safety standards and are safe to occupy.	Annually and mid- 2017	In 2018, the City opened 1,502 housing code cases, closed 1,278, and of those opened in 2018, 395 closed in 2018. In November 2016, the City Council approved the Anti-Slum Enforcement Team (ASET). On February 2, 2017, Mayor Brand introduced the Rental Housing Improvement Act. Both programs were funded during the 2018 reporting period. Housed within the Development and Resource Management Department's Rental Housing Division, these programs are unique in their scope. The City's Fiscal Year 2018 budget provided funding for the new Division, along with an embedded team of staff from the City Attorney's Office. ASET remains dedicated to increasing the stock of affordable and habitable rental housing by pursuing and improving slum properties with substantial health and safety violations through education, fines, receiverships, and any other means possible. ASET has been successful in working with property owners to achieve compliance. The ASET Weekly Status Report is posted to the City's Website each Friday, and through 2018, ASET has successfully pursued compliance of approximately 5,041 violations in over 524 units. At the end of 2018, approximately 13,396 additional violations were being pursued in 464 units as part of 22 active ASET cases. The Rental Housing Improvement Program remains focused on proactive, city-wide health and safety inspections per the Rental Housing Improvement Act. During the prior year, a Rental Housing Registry was established and owners of residential rental properties were notified of registration requirements. The goal of the registry is for the City to conduct inspections of all rental housing property in Fresno to ensure housing units meet minimum health and safety standards required by the State of California and be safe to occupy. By the end of December 2018, over 80,000 rental units were registered with the City of Fresno.
Program 21 - Neighborhood Infrastructure	Complete 5 infrastructure projects annually, ongoing implementation and annual reporting throughout the planning period.	Ongoing and Annually	In 2018, the City of Fresno Department of Public Works completed 39 projects at an overall cost of 19 million. The projects are as follows: 7 park projects totaling 1.8 million, 12 street construction projects totaling 8.3 million, 6 sewer projects totaling 2.2 million, 10 traffic signal projects totaling 2.8 million, 2 water related projects totaling 0.72 million and 2 well related project totaling 3.1 million.
Program 22 - Housing Rehabilitation	Complete 10 rehabilitation grants, 10 senior paint/minor repair grants, and 3 distressed property grants annually.	Annually	The City of Fresno Housing and Community Development Division (HCDD) completed housing rehabilitation projects for low/mod income, owner occupied households in Neighborhood Revitalization Team areas and citywide. The projects were accomplished under four programs as follows: two through the Housing Rehabilitation Program, nine through the Senior Paint Program, six through the Minor Code Compliance Program, and eight through Targeted Area Distressed Program. In February 2018, HCDD entered into a subrecipient agreement with Habitat for Humanity to provide a Senior Paint Program to eligible households citywide. Habitat for Humanity completed five senior paint projects during this reporting period and plans on requesting an extension to the agreement to expend the remaining balance of funds.

Program 23 - Franchise Tax Board Building Code Program	Investigate participation by January 2017.	January 2017	The City investigated participation in the Franchise Tax Board's (FTB) Substandard Housing Program, researched necessary notices and procedural requirements, and began participating in the Program as it relates to ASET properties. In 2018, the City did not issue any notices, because remedies were found within the required six-month window of non-compliance.
Program 24 - At-Risk Housing	The City will monitor, every six months, the status of any HUD receipt/approval of Notices of Intent and Plans of Action filed by property owners to convert to market-rate units. The City will annually explore funding sources available to purchase affordability covenants on at-risk projects, transfer ownership of at-risk projects to public or non-profit agencies, purchase existing buildings to replace at-risk units, or construct replacement units. Annually contact property owners to gauge interest in continuing project affordability and pursue funding and preservation strategy on a project basis. Upon receipt of opt-out notices, the City will work with tenants of at-risk units and provide them with education regarding tenant rights and conversion procedures.	Biannually, Annually, and upon receipt of opt-out notices	There were no At-Risk housing notices or applications received during the 2018 program year.

Program 25 - Enhanced Police Service to High Crime Neighborhoods	Reduce crime in high-crime neighborhoods and explore funding for safety programs on an ongoing basis.	Ongoing	As reported in the FBI Crime Index 10 Year Profile, Crime throughout the City of Fresno has gone down by 11 percent in 2018 as compared to 2017, continuing a positive trend that began in 2016. The Fresno Police Department no longer has the Project Safe Neighborhoods grant, but has the Community Oriented Policing Services (COPS) grant. The COPS grant augmented the Police Department's ability to place Student Neighborhood Resource Officers at each middle school in Fresno Unified. These officers were also tasked with handling neighborhood issues and calls for services located in the neighborhoods surrounding their assigned school. The Police Department continued partnering with the Fresno Housing Authority and other housing organizations to fund two dedicated police officers for their HUD contracts. These officers, one located in Southwest Fresno and the other in Southeast Fresno, serviced local housing developments to eradicate crime in those areas. The Police Department continued to be a part of and operate within the Multi-Agency Gang Enforcement Consortium (MAGEC), Street Violence Bureau, Patrol Division, Citizens On Patrol, and Violence Intervention and Community Services Unit (replacing MGPI). The Police Department hosted the following community education programs: the Hispanic Residents Academy, Police Explorer Program, Teen Police Academy, Police Activities League, and Citizen's Police Academy. The Police Department continued to utilize the expertise of their Crime Data Specialists for crime mapping and data analysis as well as technology tools such as ShotSpotter, a gunshot detection system, and PredPol, a predictive policing tool, in an effort to reduce crime in high-crime neighborhoods. The Police Department has continued to utilize the Special Response Teams (SRT), MAGEC, Street Violence Section (SVS), Patrol Division, Police Activities League, Citizens On Patrol (COP), and Gang Prevention Initiative, as well as K9, Skywatch, Traffic, Graffiti, and Evict Narcotics from Public Housing in an effort to reduce crime in high-crime neighborhoods.

Program 26 - Fair Housing Services	Provide funding, as available, of \$25,000 per year to the Fair Housing Council of Central California (FHCCC) and provide services to 2,500 persons annually consistent with the 2015-2019 Consolidated Plan and Action Plans. Update the City of Fresno Analysis of Impediments to Fair Housing Choice by 2017. Complete ongoing implementation and annual reporting throughout the planning period.	Ongoing, Annually, and 2017	In both Fiscal Year 2018 and 2019, the City allocated \$40,000 to the FHCCC. This organization provided services to 2,500+ persons in calendar year 2018. A radio broadcast ("Fair Housing: It's the Law!") plays monthly on KFCF Fresno, 88.1 FM, reaches approximately 24,000 listeners per broadcast, and the broadcasts are archived at www.fhc-cc.org . FHCCC held its 22nd Annual Central Valley Fair Housing Conference on April 30, 2018, and presented Fair Housing training certification to members of the housing industry. In calendar year 2018, FHCCC addressed 726 discrimination complaints of which 27.8% were male and 72.2% female, 34% were Caucasian, 33% were Hispanic, 32% African American, less than 1% Asian Pacific, and less than 0% were other. Cases by Basis - Race: 78; Disability: 50; Sex/Gender/Gender Identification: 6; Familial Status: 10; National Origin: 56; Religion: 0; Color: 76; Other State Violations: 11. The City of Fresno Analysis of Impediments to Fair Housing Choice was updated and adopted by Fresno City Council on May 12, 2016. The next update, which will be retitled to an Assessment of Fair Housing per State law, will occur before the City begins work on the next Consolidated Plan in 2019.

Program 27 - Equitable Communities	Publish a General Plan Annual Report in December of 2016 with reports being filed in December of each year. Establish a residential rental inspection program by December 2017. Convene General Plan Implementation Committee in the first quarter of 2017. Review location of infrastructure projects annually and identify high need, deficient areas for infrastructure prioritization by December 2017. Conduct an affordable housing/transportation access study in 2018. Implement the actions described in bullet #7 above.	Ongoing, Annually, December 2016, January 2017, December 2017, 2018	The City receives HUD funding for capital improvement projects in CDBG areas of Fresno. In the City's FY 2018 Annual Action Plan, \$2,090,623 in CDBG funds were allocated for neighborhood street improvements including street lights and ADA accessible sidewalks and curb ramps, \$1,345,900 for improving 7 existing parks, and \$525,000 for non-profit facility improvements including new trees in Southwest Fresno. In FY 2019, \$2,350,000 in CDBG funds were allocated for neighborhood street improvements including pavement reconstruction and sidewalks, \$2,360,655 for improving 11 existing parks and various parks for tot lot ADA upgrades and \$500,000 for non-profit community facilities improvements at Marjaree Mason Center, WestCare California, Helping Others Pursue Excellence, and the Poverello House. The City accepted a \$175,000 EPA grant in 2017 for consulting services to prepare a Brownfields area-wide planning document for catalyst sites along Elm Avenue Corridor. In 2018 an Existing Conditions Report was completed and a Draft Plan is under review. Outreach included meetings, technical assistance, and a workshop with the Steering Committee, catalyst site representatives, and community members. A temporary community plaza was developed on a catalyst site in a City Planner/local church collaboration. In 2018 City entered into a consultant agreement with Stantec to seek an additional \$600,000 EPA Brownfields Grant Funds. If the City receives funding it will be used to fund Phase I/II EAs and market and planning studies to move projects closer to implementation, establish a Brownfields coalition of agencies and community partners, and conduct a citywide inventory of Brownfield sites. As part of the Fresno Transformative Climate Communities Collaborative (TCC) package a community garden, Food Hub, and trail are to be built adjacent to existing affordable housing (Yosemite Village, Mariposa Meadows, and Fresno Edison apartments) in Southwest Fresno. The FAX Fixed-Route System Restructure Study, prepared in June 2018, included a Title VI Service Equity Analysis to determine whether proposed major service changes would have a disparate impact on minority populations and/or a disproportionate burden on low income populations. The study included a Public Involvement Plan to provide agencies and the public opportunities to shape the development of the FAX Preferred Network Plan. The analysis found that Faster FAX service had no disparate impact on minority or low income populations that exceeded the 20% threshold in Fresno.
Program 28 - Relocation Services	Provide relocation assistance as prescribed by law as needed.	As needed	There was no relocation assistance required during the 2018 program year.
