- O. In lieu of a Salary Step Plan, an Executive Pay Range Plan has been established for classes as set forth in Exhibit 2.
 - 1. For employees who separated from City service prior to July 1, 2015:

Determination of the percentage of annual increase or decrease in CPI and Employment Costs for wage inflation shall be made by the Retirement Board on or before April 1 of each year for each of the two immediately preceding calendar years. The percentage by which such indexes for the more recent full calendar year shall have increased or decreased over or below indexes for the full calendar year immediately prior shall be the percentage used to calculate adjustments to Compensation Earnable with the following exceptions: banking shall not be applied nor shall the sum of accumulated CPI and Employment Costs adjustments plus Compensation Earnable fall outside the Executive Pay Range approved by the City Council each fiscal year.
