

Community Resilience Center Project Area

Note: Low-income communities and households are defined as the census tracts and households, respectively, that are either at or below 80 percent of the statewide median income, or at or below the threshold designated as low-income by the California Department of Housing and Community Development's (HCD) Revised 2021 State Income Limits. This map is believed to be an accurate representation of the City of Fresno GIS data, however we make no warranties either expressed or implied for correctness of this data.

*Disadvantaged Community designation per Senate Bill (SB) 535

**Low-Income Community designation per Assembly Bill (AB) 1550
