To: Fresno Fax Transportation

I am writing on behalf of myself Cynthia Alexander neighborhood residents and Students at Roosevelt High School. Bus 38 southbound on the corner of Cedar and Illinois was removed. This bus stop was my main means of Transportation for many years, along with other residents and Students. The bus stop between Nevada and McKenzie they left does not feel safe. Not enough lighting, when it rains it gets muddy, no benches, a lot of elderly ride this route. Working nights really feels unsafe. The other bus stop had good lighting, 2 benches a cover over one bench, a convenience store with a very nice owner whom is very friendly, and would look out for us. Residents of this neighborhood would like for you to take this letter in consideration. Thank You

Sincerely

Fresno Ca 93702
